**Item 7.01. Regulation FD.**

On August 10, 2015, management of MSCI Inc. (the Company) will meet with and provide to investors certain information in connection with the Company's proposed issuance of \$500 million aggregate principal amount of senior notes due 2025 (the notes) in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act). The proposed offering is subject to market and other conditions.

The Company expects this information will include:

- (i) Adjusted EBITDA (which is defined as net income before income from discontinued operations, net of income taxes, provision for income taxes, other expense (income), net, depreciation and amortization of property, equipment and leasehold improvements, amortization of intangible assets, non-recurring stock-based compensation expense, the lease exit charge and restructuring costs) for the years ended December 31, 2012, 2013 and 2014, the six months ended June 30, 2014 and June 30, 2015 and the twelve months ended June 30, 2015; and
- (ii) Cash EBITDA (which is defined as Adjusted EBITDA before recurring stock-based compensation) for the twelve months ended June 30, 2015.

Adjusted EBITDA and Cash EBITDA are both financial measures that are not prepared in accordance with generally accepted accounting principles (GAAP). Management of MSCI believes that these non-GAAP financial measures supplement the Company's GAAP data by providing investors with additional information that enhances their overall understanding of the Company's financial performance and the comparability of our operating results from period to period. However, these non-GAAP financial measures have important limitations as analytical tools, and are not meant to be considered in isolation or as substitutes for measures prepared in accordance with GAAP. In addition, use of these non-GAAP measures may not be comparable to similarly titled measures of other companies.

The following table provides a reconciliation of Adjusted EBITDA and Cash EBITDA to Net Income for the periods indicated:
