### Item 1.01 Entry into a Material Definitive Agreement

On September 10, 2015, PECO Energy Company (PECO) and interested parties filed with the Pennsylvania Public Utility Commission (PAPUC) a petition for joint settlement with respect to PECO's electric distribution rate case. The case was originally filed on March 27, 2015. The settlement is subject to PAPUC approval, and if approved, the rate increase would take effect on January 1, 2016.

The electric distribution settlement reflects an increase of approximately \$127 million in revenue, which is approximately 67% of the \$190 million originally requested. The parties to the settlement include the Bureau of Investigation & Enforcement, the Office of Consumer Advocate, the Office of Small Business Advocate, the Philadelphia Area Industrial Energy Users Group, the Coalition for Affordable Utility Services & Energy Efficiency in Pennsylvania, the Tenant Union Representative Network and Action Alliance of Senior Citizens of Greater Philadelphia, the City of Philadelphia, the Keystone Energy Efficiency Alliance Energy Education Fund, the Clean Air Council, the Natural Resources Defense Council, The Alliance for Solar Choice, and the Environmental Defense Fund. The United States General Services Administration and customer intervenor William B. Kazimer indicated their non-opposition to the settlement.
