Item 8.01 Other Events.

On September 21, 2015, Applied Materials, Inc. (Applied) entered into an underwriting agreement (the Underwriting Agreement) with J.P. Morgan Securities LLC, Citigroup Global Markets Inc. and Mitsubishi UFJ Securities (USA), Inc., as representatives of the several underwriters named in the agreement. The Underwriting Agreement provides for the issuance and sale by Applied of senior unsecured notes in the aggregate principal amount of \$1.8 billion (collectively, the Notes) in the following tranches:

\$600 million aggregate principal amount of 2.625% senior unsecured notes due 2020;

\$700 million aggregate principal amount of 3.900% senior unsecured notes due 2025; and

\$500 million aggregate principal amount of 5.100% senior unsecured notes due 2035.

The Notes will be issued and sold in a public offering pursuant to a registration statement on Form S-3 (File No. 333-205584) (the Registration Statement) and related preliminary prospectus supplement filed with the Securities and Exchange Commission on September 21, 2015, and a related final prospectus supplement filed on September 22, 2015. The Underwriting Agreement contains customary representations, warranties and agreements by Applied, and customary closing conditions, indemnification rights and termination provisions.

Applied expects that the net proceeds from the sale of the Notes will be approximately \$1.78 billion after deducting underwriting discounts and estimated offering expenses. Applied intends to use a portion of the net proceeds to redeem or repay Applied's outstanding \$400 million 2.650% senior notes due June 2016 and the balance for general corporate purposes. The foregoing does not constitute a notice of redemption or an obligation to issue a notice of redemption for the 2.650% senior notes.

The above description of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The computation of Applied's ratio of earnings to fixed charges is filed as Exhibit 12.1 hereto, and is incorporated by reference into the Registration Statement.
