Section 2. Financial Information

Item 2.02. Results of Operations and Financial Condition.

On February 18, 2016, State Auto Financial Corporation (the **Company**) issued a press release disclosing the Company's results of operations for the three-month period and fiscal year ended December 31, 2015 (the **Release**). The full text of the Release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The Release included a non-GAAP financial measure, net income (loss) from operations per diluted share. Net income (loss) from operations differs from GAAP net income (loss) only by the exclusion of realized capital gains (losses), net of applicable taxes, on investment activity for the periods being reported. For the three-month periods ended December 31, 2015 and 2014, GAAP net income (loss) was \$0.07 per diluted share and \$1.58 per diluted share, respectively, while net income (loss) from operations was \$0.00 per diluted share and \$1.53 per diluted share for the same respective periods. For the three-month periods ended December 31, 2015 and 2014, realized capital gains, net of applicable taxes, increased the GAAP net income per diluted share by \$0.07 and \$0.05, respectively. For the fiscal years ended December 31, 2015 and 2014, GAAP net income (loss) was \$1.23 per diluted share and \$2.60 per diluted share, respectively, while net income (loss) from operations was \$0.85 per diluted share and \$2.28 per diluted share for the same respective periods. For the fiscal years ended December 31, 2015 and 2014, realized capital gains, net of applicable taxes, increased the GAAP net income per diluted share by \$0.38 and \$0.32, respectively.

Management uses net income (loss) from operations because it believes this calculation better indicates the Company's operating performance than GAAP net income (loss) in that net income (loss) from operations excludes the sometimes volatile realized capital gains/losses, net of applicable federal income taxes, that can produce inconsistent results.

The Release also included a non-GAAP financial measure as to the combined ratio. The GAAP combined ratio for the three-month periods ended December 31, 2015 and 2014 was 106.2 and 113.3, respectively, and for the fiscal years ended December 31, 2015 and 2014 was 101.5 and 105.5, respectively. Excluding the impact of the homeowners quota share arrangement⁽¹⁾ and adverse reserve development on terminated program business written through Risk Evaluation and Design, LLC (RED), the combined ratio for the three-month period ended December 31, 2014 would have been 87.7, and for the fiscal year ended December 31, 2014 would have been 95.4. Management believes this non-GAAP financial measure provides investors with meaningful information concerning the Company's GAAP combined ratio.

The Release also included a non-GAAP financial measure as to net written premium. Net written premium for the personal insurance segment for the three-month period ended December 31, 2015 decreased 28.7% from the same period in 2014 while net written premium for the personal insurance segment for the fiscal year ended December 31, 2015 increased 9.6% from the same period in 2014. Excluding the impact of the homeowners quota share arrangement⁽¹⁾, net written premium for the personal insurance segment for the three-month period and fiscal year ended December 31, 2015 decreased 3.6% and 5.3%, respectively, from the same periods in 2014. Management believes this non-GAAP financial measure provides investors with a meaningful comparison of the Company's current and historical net written premium.

- (1) Homeowners quota share arrangement: On December 31, 2011, the State Auto Group entered into a quota share reinsurance agreement with a syndicate of unaffiliated reinsurers covering its homeowners book of business. This agreement expired December 31, 2014 in accordance with its terms. The insurance subsidiaries of State Auto Financial Corporation are part of the State Auto Group, which includes State Automobile Mutual Insurance Company, State Auto Property & Casualty Insurance Company, State Auto Insurance Company of Ohio, State Auto Insurance Company of Wisconsin, Milbank Insurance Company, Meridian Security Insurance Company,
