The information furnished herewith pursuant to Item 2.02 of this Current Report, including Exhibit 99.1, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section. **Item 2.05 Costs Associated with Exit or Disposal Activities.**

On September 15, 2016, the Company's Board of Directors formally approved a restructuring plan to realign the Company's global capacity and administrative support infrastructure in order to optimize organizational effectiveness in a more moderate growth environment. This action includes headcount reductions across our Selling, General and Administrative (SG&A) cost base and capacity realignment in higher cost locations (the 2017 Restructuring Plan). The 2017 Restructuring Plan reflects the Company's intention only and restructuring decisions, and the timing of such decisions, at certain locations are still subject to consultation with the Company's employees and their representatives. Based on the analysis done to date, the Company currently expects to recognize approximately \$195 million in pre-tax restructuring and other related costs over the course of the Company's fiscal years 2017 and 2018. The charges relating to the 2017 Restructuring Plan are currently expected to result in net cash expenditures of approximately \$50 million that will be payable over the course of the Company's fiscal years 2017 and 2018. The exact timing of these charges and cash outflows, as well as the estimated cost ranges by category type, have not been finalized. This information will be subject to the finalization of timetables for the transition of functions, consultation with employees and their representatives as well as the statutory severance requirements of the particular jurisdictions impacted, and the amount and timing of the actual charges may vary due to a variety of factors. The Company's estimates for the charges discussed above exclude any potential income tax effects.

To the extent required by applicable rules, the Company will file one or more amendments to this Current Report on Form 8-K as details of the 2017 Restructuring Plan are refined and estimates of related costs and charges are finalized.
