Item 1.01. Entry into a Material Definitive Agreement.

On October 3, 2016, Newell Brands Inc., a Delaware corporation (the Company) and Jarden Receivables, LLC, a wholly-owned subsidiary of the Company (Jarden Receivables), entered into a loan and servicing agreement, dated as of October 3, 2016 (the Loan and Servicing Agreement), among Jarden Receivables, as borrower, the Company, as servicer, the conduit lenders, the committed lenders and the managing agents named therein, Wells Fargo Bank, National Association, as issuing lender, PNC Bank, National Association, as administrative agent, and PNC Capital Markets LLC, as structuring agent.

The Loan and Servicing Agreement and related receivables sale and contribution agreement and performance undertaking (collectively, the New Securitization Documents) were entered into in order to, among other things, replace the existing securitization programs of the Company and certain of its subsidiaries with a new \$950 million, three-year securitization program.

Pursuant to the terms of the New Securitization Documents, the Company and certain operating subsidiaries (collectively, the Originators) will sell, on an ongoing basis, their receivables to Jarden Receivables and Jarden Receivables will acquire such receivables through loans received under the Loan and Servicing Agreement. Jarden Receivables is wholly-owned by the Company and will be the owner of the purchased receivables and is the borrower under the Loan and Servicing Agreement. The assets of Jarden Receivables will be restricted as collateral for the payment of debt or other obligations arising under the facility, and Jarden Receivables' assets and credit are not available to satisfy the debts and obligations owed to the Company's or any other Originator's creditors. The Company includes Jarden Receivables' assets, liabilities and results of operations in its consolidated financial statements. Interest accrues at a rate based on (i) LIBOR, (ii) commercial paper interest rates or (iii) a base rate equal to the highest of (x) the prime rate, (y) the federal funds rate plus 0.50% or (z) one month LIBOR plus 1.00%. The Company will provide a guarantee of all obligations of each of the Originators under the New Securitization Documents.

The Loan and Servicing Agreement contains customary events of termination, representations and warranties and affirmative and negative covenants for facilities of this type, including the obligation of the Company to maintain the same total indebtedness to total capital ratio as it is required to maintain under its revolving credit facility.

Certain of the institutions that are parties to the New Securitization Documents (and their respective subsidiaries and affiliates) have in the past provided, from time to time, and may in the future continue to provide, investment banking, underwriting, lending, commercial banking, trust and other advisory services to the Company and its subsidiaries and affiliates. These parties have received, and may in the future receive, customary compensation from the Company and its subsidiaries and affiliates for such services.

The foregoing description of the Loan and Servicing Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Loan and Servicing Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.
