**Cautionary Note Regarding Forward-Looking Statements**

Certain statements in this Current Report may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are generally identified by the use of words such as outlook, believe, expect, potential, continue, may, will, should, could, would, seek,

approximately, predict, intend, plan, estimate, anticipate, opportunity, pipeline, comfortable, maintain, sustain, achieve or the negative version of those words or other comparable words. Forward-looking statements are not historical facts, but instead represent only the Company's beliefs as of the date of this report regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company's control. Numerous factors could cause actual events to differ from these forward-looking statements, and any such differences could cause our actual results to differ materially from the results expressed or implied by these forward-looking statements. Such factors include but are not limited to the following: (1) the Company may be unable to obtain shareholder approval as required for the Merger; (2) conditions to the closing of the Merger, including the obtaining of required regulatory approvals, may not be satisfied; (3) the Merger may involve unexpected costs, liabilities or delays; (4) the business of the Company may suffer as a result of uncertainty surrounding the Merger; (5) the outcome of any legal proceedings related to the Merger; (6) the Company may be adversely affected by other economic, business, and/or competitive factors, including the net asset value of assets in certain of the Company's funds; (7) the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement; (8) risks that the Merger disrupts current plans and operations and the potential difficulties in employee retention as a result of the Merger; (9) other risks to consummation of the Merger, including the risk that the Merger will not be consummated within the expected time period or at all; and (10) the risks described from time to time in the Company's reports filed with the SEC under the heading "Risk Factors," including the Annual Report on Form 10-K for the fiscal year ended December 31, 2015, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K and in other of the Company's filings with the SEC. In addition, new risks and uncertainties emerge from time to time, and it is not possible for the Company to predict or assess the impact of every factor that may cause its actual results to differ from those expressed or implied in any forward-looking statements.

Accordingly, you should not place undue reliance on any forward-looking statements contained in this Current Report, and you should not regard any forward-looking statement as a representation by the Company or any other person that the future plans, estimates or expectations currently contemplated by the Company will be achieved. The Company can give no assurance that the expectations of any forward-looking statement will be obtained. Such forward-looking statements speak only as of the date of this Current Report. The Company expressly disclaims any obligation to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any statement is based.
