GOVERNANCE HIGHLIGHTS

<i>Board Independence</i>	Seven of our eight directors are independent directors. All of our standing Board committees are chaired by independent directors. Our Audit, Compensation and Nominating and Governance Committees are 100% independent.
<i>Board Structure</i>	Our Board is divided into three separate classes of directors. At each Annual Meeting of Stockholders, one class of directors is elected to a term of three years.
<i>Risk Oversight</i>	Our Board and its committees work with management to diligently monitor and manage risk.
<i>Independent Chairman</i>	Our current Chairman is an independent director. Our policy is that the Chairman should not be an Alleghany officer.
<i>Board and Committee Evaluations</i>	Our annual Board and committee evaluation processes help promote the effectiveness of the Board and its committees.
<i>Director Tenure</i>	Our Board has an average tenure of approximately 11 years, with half of our current directors joining the Board in 2009 or later.
<i>Stock Ownership Guidelines</i>	Executive officers are required to hold shares of common stock valued at three to five times their base salary (varies depending on position). Directors are required to hold common stock and/or restricted stock units valued at least five times the annual board retainer within five years of election to the Board. We have a policy prohibiting hedging and pledging of Alleghany securities by directors and executive officers to discourage excessive risk-taking.

PERFORMANCE HIGHLIGHTS

2017 and long-term financial results highlights are as follows:

Alleghany Performance in 2017

Achieved a 7.4% increase in common stockholders' equity per share to \$553.20 at 2017 year-end from \$515.24 at 2016 year-end despite incurring \$511 million of after-tax net catastrophe losses representing 6.0% of Alleghany's capital at the beginning of 2017, in a year when the industry is estimated to have incurred over \$130 billion of worldwide catastrophe losses.

Net earnings of \$90 million in 2017, compared with \$457 million in 2016, primarily reflecting the significant catastrophe losses in 2017.

A consolidated net pre-tax underwriting loss of \$316 million on almost \$5.0 billion of net premiums earned, which generated a combined ratio of 106.4%. The underwriting loss included \$818 million of current year pre-tax catastrophe losses, which added 16.5 points to the combined ratio and an estimated \$265 million of favorable loss reserve development, which reduced the combined ratio by 5.3 points.

Alleghany's equity and fixed income portfolios significantly outperformed their investment benchmarks.

Sold Pacific Compensation Corporation, or PacificComp, to CopperPoint Mutual Insurance Company in December 2017.

Continued to build the manufacturing and service businesses of Alleghany Capital Corporation, or Alleghany Capital, including acquiring a majority interest in WWSC Holdings, LLC, a structural steel fabricator and erector, and a minority interest in Wilbert Funeral Services, Inc. Alleghany Capital's manufacturing and service businesses had operating earnings before taxes of \$66 million in 2017, compared with \$43 million in 2016. Additional information regarding Alleghany's 2017 results, including audited consolidated financial statements, as well as Management's Discussion and Analysis of Financial Condition and Results of Operations, or MD&A, with respect to 2017 results, is contained in Alleghany's Annual Report on Form 10-K for the year ended December 31, 2017, or the Form 10-K, which was filed with the U.S. Securities and Exchange Commission, or the SEC, on February 22, 2018. Readers are urged to review the Form 10-K for a more complete discussion of Alleghany's financial performance.

Alleghany Long-Term Performance

We believe that Alleghany's performance is best measured over the long term, and that long-term growth in common stockholders' equity per share is the best metric for evaluating such performance. In this regard, the table below shows the annual, and three- and ten-year average rolling, annualized growth in our common stockholders' equity per share during the five-year period from December 31, 2012 to December 31, 2017:

Year	Common	Rolling Annualized Average		
	Stockholders	Annual	Three-Year	Ten-Year
	Equity	Return		
	Per Share			
2012	379.13	10.8	8.7	8.8
2013	412.96	8.9	8.3	8.5
2014	465.51	12.7	10.8	8.6
2015	486.02	4.4	8.6	8.6
2016	515.24	6.0	7.7	7.8
2017	553.20	7.4	5.9	7.0
Average		8.4%	8.3%	8.2%

Table of Contents

As can be seen in the table above, Alleghany's common stockholders' equity per share has compounded over the various time metrics in the mid-range of Alleghany's stated strategic objective of 7-10% annual growth in common stockholders' equity per share.

The chart below summarizes Alleghany's common stockholders' equity per share growth and stock price performance over the ten-year period from December 31, 2007 to December 31, 2017, compared with the S&P 500, with all values indexed to December 31, 2007. During this ten-year period, Alleghany's common stockholders' equity per share increased at a compound annual rate of 7.0%, compared with a compound annual rate of return of 8.5% for the S&P 500, and the price of Alleghany common stock (adjusted for stock dividends) appreciated at a 4.8% compound annual rate of return. Alleghany's stock price performance lagged the growth in stockholders' equity per share because the price of Alleghany common stock was 132% of stockholders' equity per share on December 31, 2007, compared with 108% on December 31, 2017.

As indicated by the data presented in the chart above, Alleghany's growth in common stockholders' equity per share has been relatively consistent. The trading price of Alleghany's common stock has been more volatile, reflecting the volatility of the stock market in general. In Alleghany's view, growth in common stockholders' equity per share is a better measure of fundamental performance and value creation as compared to the more volatile trading price of Alleghany's common stock. As such Alleghany focuses its executive compensation incentive program on building common stockholders' equity per share over time.

COMPENSATION HIGHLIGHTS

Compensation Philosophy

Our executive compensation program is intended to provide competitive total compensation to each of Alleghany's executive officers (as listed on page 24), or the Named Executive Officers, that is aligned with the interests of our stockholders in increasing our common stockholders' equity per share at rates of 7-10% over the long term without employing excessive amounts of financial leverage and without taking imprudent risks. This approach enables us to manage risk to avoid loss of capital during periods of economic turmoil, which we believe creates maximum value for stockholders in the long term, even if it results in lower levels of capital appreciation during periods when economic conditions are more favorable.

Table of Contents

For 2017, this compensation philosophy was evidenced by the following compensation highlights:

CEO total direct compensation (salary, annual cash incentive and long-term equity based awards) was approximately \$7.6 million, representing approximately 0.2% of 2017 revenues, and total direct compensation for our Named Executive Officers as a group was approximately \$17.9 million, representing approximately 0.4% of 2017 revenues.

86.8% of Mr. Hicks' s 2017 total direct compensation was linked to performance, while performance-linked compensation for our other Named Executive Officers averaged 72.6% of total direct compensation in 2017.

Mr. Hicks' s 2017 total direct compensation increased 2% from 2016 total direct compensation, due to a higher target long-term incentive award, partially offset by a lower annual incentive payout for 2017.

Annual incentive plan awards included a financial objective but also discretion given the nature of Alleghany' s business and long-term approach, with the discretionary aspect being restricted by the fact that payouts for 2017 were limited to the lesser of (i) approximately \$6.2 million (representing the maximum potential payout for our Named Executive Officers as a group) and (ii) 3% of 2017 annual adjusted pre-tax earnings.

Long-term performance share awards were subject to goals believed to be challenging to meet in today' s low interest rate and volatile market environment and that are aligned with our corporate financial objective of long-term growth in book value, with no payout being made if threshold performance is not achieved, and with our CEO' s long-term incentives based 100% on performance.

Elements of 2017 Compensation

The principal elements of compensation paid to our Named Executive Officers and the percentage that these elements represent of the 2017 compensation for our chief executive officer and our other Named Executive Officers are reflected below.

Table of Contents**2017 Named Executive Officer Compensation**

Set forth below is the 2017 compensation for each Named Executive Officer as determined under Securities and Exchange Commission (SEC) rules, plus an additional, final column, entitled Total Not Including Change in Pension Value. The amounts reported in this final column differ substantially from, and are not a substitute for, the amounts reported in the SEC Total column. The amounts reported in the final column are solely intended to facilitate a stockholder's understanding of how changes in pension value impact the total compensation reported in the Summary Compensation Table in any given year. To facilitate that understanding, this column shows total compensation without pension value changes. See the 2017 Summary Compensation Table and the accompanying notes to the table beginning on page 58 for more information.

- (1) Total Shareholder Return reflects Alleghany share price appreciation including the impact of stock dividends.
- (2) Includes annual fluctuation in pension value. Calculated according to SEC rules except for 2013 and 2015, which include a negative value for Mr. Hicks' s pension benefit. SEC rules require that negative pension value changes are reflected as a zero in table.
- (3) Represents CEO compensation as reported in the Summary Compensation Table on page 58, excluding annual fluctuation in pension value.
- (4) Total Shareholder Return for this period reflects that the price of Alleghany common stock was 132% of stockholders' equity per share on December 31, 2007, compared with 108% on December 31, 2017.

QUESTIONS AND ANSWERS ABOUT ALLEGHANY S 2018 ANNUAL MEETING

Q: *Why did I receive these proxy materials?*

A: You have received these proxy materials because the Board is soliciting your proxy to vote your shares of common stock at the 2018 Annual Meeting.

Q: *Who is entitled to vote at the 2018 Annual Meeting?*

A: Alleghany has one class of voting stock outstanding: its common stock. If you were a holder of common stock at the close of business on March 1, 2018, the record date for the 2018 Annual Meeting, you are entitled to vote at the meeting. At the close of business on March 1, 2018, there were 15,396,674 shares of common stock outstanding and entitled to vote. Each share of common stock has one vote.

Q: *How can I vote my shares?*

A: You can vote your shares in two ways: either by proxy or in person at the 2018 Annual Meeting by written ballot. If you choose to vote by proxy, you may do so using the Internet, telephone or, if you received a printed copy of your proxy materials, mail. Each of these procedures is more fully explained below. Even if you plan to attend the 2018 Annual Meeting in person, the Board recommends that you vote promptly by proxy to ensure that your shares are represented at the 2018 Annual Meeting.

Q: *How can I vote my shares by proxy?*

A: Because many stockholders cannot attend the 2018 Annual Meeting in person, it is necessary that a large number of stockholders be represented by proxy. You may vote your proxy using the Internet, telephone or, if you received a printed copy of your proxy materials, mail, each as more fully explained below. In the case of voting your proxy using the Internet or telephone, the deadline for voting is 1:00 a.m. (Eastern Daylight Time) on Friday, April 27, 2018. If your shares are held in the name of a bank, broker or other holder of record, please see the voting instructions provided by such party.

Vote by Internet

To vote your shares via the Internet, go to the voting website, www.envisionreports.com/YAL. Internet voting is available 24 hours a day, seven days a week. You will have the opportunity to confirm that your instructions have been properly recorded. Our Internet voting procedures are designed to authenticate stockholders through individual control numbers. If you vote via the Internet, you may incur costs such as Internet access fees for which you will be responsible. **If you received a proxy card in the mail and choose to vote via the Internet, you do not need to return your proxy**

card.

Vote by Telephone

If you reside in the United States, Canada or U.S. territories, you can vote your shares by telephone by calling the toll-free number provided on the voting website www.envisionreports.com/YAL and on the proxy card. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate stockholders through individual control numbers. **If you received a proxy card in the mail and choose to vote by telephone, you do not need to return your proxy card.**

Vote by Mail

If you received a printed copy of your proxy materials, you can vote your shares by completing and mailing the enclosed proxy card to us so that we receive it by the deadline.

Table of Contents

If you properly sign and return your proxy card or submit your proxy using the Internet or telephone, your shares will be voted as you direct. If you sign and return your proxy card but do not specify how to vote, we will vote your shares in accordance with the Board's recommendations: FOR each of the Board's nominees for director; FOR the ratification of the selection of our independent registered public accounting firm; and FOR the advisory resolution on executive compensation.

Q: How can I vote my shares in person?

A: If you wish to vote in person at the 2018 Annual Meeting, written ballots will be available at the meeting. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from that holder of record to be able to vote in person at the 2018 Annual Meeting. Voting by proxy, whether by Internet, telephone or mail, will not limit your right to vote at the 2018 Annual Meeting if you decide to attend in person. However, if you vote by proxy and also attend the 2018 Annual Meeting, there is no need to vote in person at the meeting unless you wish to change your vote.

Q: How can I attend the 2018 Annual Meeting?

A: You are entitled to attend the 2018 Annual Meeting if you were a stockholder of Alleghany as of the close of business on March 1, 2018, the record date, or if you hold a valid proxy for the 2018 Annual Meeting. You will need to present valid government-issued identification, such as a driver's license or passport, to building security at One Liberty Plaza, for admittance. If you are a stockholder of record, your name will be verified against the list of stockholders of record on the record date prior to your admission to the 2018 Annual Meeting. If you are not a stockholder of record, but hold shares through a broker, bank or nominee (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to March 1, 2018, a copy of the voting instruction card provided by your broker, bank or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above, you may not be admitted to the 2018 Annual Meeting.

The 2018 Annual Meeting will begin promptly on April 27, 2018, at 10:00 a.m., local time. You should allow adequate time for check-in procedures.

Q: Can I change my vote?

A: Yes. You can change your vote or revoke your proxy at any time before it is exercised at the 2018 Annual Meeting by taking any one of the following actions: (1) follow the instructions given for changing your vote via the Internet or by telephone or deliver a valid written proxy with a later date than the previous proxy; (2) notify in writing the Secretary of Alleghany that you have revoked your proxy (using the address in the Notice of Annual Meeting of Stockholders above); or (3) vote in person by written ballot at the 2018 Annual Meeting. If your shares are held in the name of a bank, broker or other holder of record, you must contact that holder of record to revoke a previously authorized proxy.

Q: *How many shares must be present to conduct the 2018 Annual Meeting?*

A: A quorum comprising the holders of a majority of the outstanding shares of Alleghany's common stock on the record date, or 7,698,338 shares, must be present in person or represented by proxy for the transaction of business at the 2018 Annual Meeting. Abstentions and broker non-votes (which are explained below) are counted as present to determine whether there is a quorum for the 2018 Annual Meeting.

Q: *What if I am a beneficial owner and do not give instructions to my broker?*

A: If your shares are held in the name of a bank, broker or other holder of record, you are considered the beneficial owner of those shares, but not the record holder. As a beneficial owner, in order to ensure your shares are voted in the way you would like, you must provide voting instructions to your broker by the

Table of Contents

deadline provided in the proxy materials you receive from your broker. Under the rules of the New York Stock Exchange, or the NYSE, unless you provide specific voting instructions, your broker is not permitted to vote your shares on your behalf, except with respect to routine proposals. The ratification of the selection of our independent registered public accounting firm (Proposal 2) constitutes a routine proposal. For your vote on any other matter to be counted, you will need to provide voting instructions to your broker before the date of the 2018 Annual Meeting using the instructions provided by your broker.

A broker non-vote occurs when your broker submits a proxy for your shares but does not indicate a vote for a particular proposal because the broker does not have authority to vote on that proposal and has not received voting instructions from you. Broker non-votes are counted as present to determine whether there is a quorum for the 2018 Annual Meeting, but are not counted as votes for or against the proposal in question or as abstentions, nor are they counted to determine the number of votes present for the particular proposal.

Q: *What vote is required to pass each of the proposals at the 2018 Annual Meeting?*

A: *Proposal 1: Election of Directors.* Each of the three nominees for director who receives at least a majority of the votes cast with respect to the election of such nominee will be elected. Abstentions and broker non-votes will have no effect on the results of this vote. In accordance with the majority voting standard in Alleghany's By-Laws, or the By-Laws, and the Corporate Governance Guidelines of Alleghany, or the Corporate Governance Guidelines, as a condition of his nomination, each nominee is required to tender to the Board at the time of nomination an irrevocable resignation, effective if such nominee does not receive the majority vote required by the By-Laws and the Board determines to accept such resignation. In the event that a director nominee fails to receive the requisite majority vote, the Nominating and Governance Committee will evaluate such resignation and make a recommendation to the Board as to whether it should accept the resignation.

Proposal 2: Ratification of Selection of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast on this proposal is required to ratify the selection of our independent registered public accounting firm. Abstentions will have no effect on the results of this vote. The approval of Proposal 2 is a routine proposal on which a broker or other nominee is generally empowered to vote in the absence of voting instructions from the beneficial owner, so broker non-votes are unlikely to result from this proposal.

Proposal 3: Advisory Vote on Executive Compensation. The affirmative vote of a majority of the votes cast on this proposal is required to approve the advisory resolution on executive compensation. Abstentions and broker non-votes will have no effect on the results of this vote. Although this proposal is non-binding on the Board, the Board and the Compensation Committee will review and consider the voting results when making future decisions about Alleghany's executive compensation program.

Q: *How does the Board recommend I vote?*

A: The Board recommends that you vote as follows on each proposal:

Voting Matter	Board's Recommendation	Additional
---------------	------------------------	------------

			Information
Proposal 1: Election of Directors	FOR each director nominee		pages 28 to 33
Proposal 2: Selection of Independent Accounting Firm	FOR		pages 34 and 35
Proposal 3: Advisory Vote on Executive Compensation	FOR		pages 37 to 71

Table of Contents

Q: *What happens if a nominee for director does not stand for election?*

A: If for any reason any nominee does not stand for election, any proxies we receive will be voted in favor of the remaining nominees and may be voted for a substitute nominee in place of the nominee who does not stand. We have no reason to expect that any of the nominees will not stand for election.

Q: *What happens if additional matters are presented at the 2018 Annual Meeting?*

A: If any matters other than the three items of business described in this Proxy Statement are properly presented for consideration at the 2018 Annual Meeting, persons named on the voting website and your proxy card will have discretion to vote for you on those matters. At the time this Proxy Statement was printed, we knew of no other matters to be raised at the 2018 Annual Meeting.

Q: *Who nominates the directors?*

A: William K. Lavin, Phillip M. Martineau, and Raymond L.M. Wong have been nominated by the Board for election as directors at the 2018 Annual Meeting. Each of the nominees is a current member of the Board and was recommended to the Board for nomination by the Nominating and Governance Committee. The Nominating and Governance Committee will receive at any time and will consider from time to time suggestions from stockholders as to proposed director candidates, as described under *Directors Nominations and Qualifications* on page 19. Additionally, stockholders may nominate individuals for election as directors in accordance with the requirements set forth in the By-Laws and described under *Stockholder Nominations and Proposals* on page 72.

Q: *How are proxies solicited and what is the cost?*

A: We pay the cost of soliciting proxies for the meeting. Proxies may be solicited in person by our employees, or by mail, courier, telephone, facsimile or e-mail. In addition, we have retained Georgeson Shareholder Communications Inc., or Georgeson, to aid in the solicitation of proxies by mail, courier, telephone, facsimile and e-mail. We expect to pay a fee of approximately \$9,500 plus expenses to Georgeson for these services.

Q: *What is householding? Does Alleghany use it?*

A: In accordance with a notice sent to eligible stockholders who share a single address, we are sending only one annual report to stockholders and one proxy statement to that address unless we received instructions to the contrary from any stockholder at that address. This practice, known as *householding*, is designed to reduce our printing and postage costs.

If, in the future, you wish to receive a separate annual report to stockholders and proxy statement, a separate copy may be obtained, without charge, upon written or oral request to the office of the Secretary, Alleghany Corporation, 1411 Broadway, 34th Floor, New York, New York 10018, telephone number (212) 752-1356. Eligible stockholders of

record who receive multiple copies of our annual report to stockholders and proxy statement can request householding by contacting us in the same manner. Stockholders who own shares through a bank, broker or other nominee can request householding by contacting the nominee. We hereby undertake to deliver promptly, upon written or oral request, a separate copy of the annual report to stockholders and proxy statement to a stockholder at a shared address to which a single copy of the document was delivered.

Q: *Where can I find more information about Alleghany?*

A: Alleghany's website address is www.alleghany.com. Alleghany makes available, free of charge on its website, the documents it files with the SEC. Also available on Alleghany's website are its Financial Personnel Code of Ethics, Employee Code of Business Conduct and Ethics, Director Code of Business Conduct and Ethics, Corporate Governance Guidelines, and the charters for the Audit, Compensation and Nominating and Governance Committees. The information contained on Alleghany's website is not included as a part of, or incorporated by reference into, this Proxy Statement.

CORPORATE GOVERNANCE

Board Composition

Pursuant to Alleghany's Restated Certificate of Incorporation and By-Laws, the Board is divided into three separate classes of directors, which are required to be as nearly equal in number as practicable. At each Annual Meeting of Stockholders, one class of directors is elected to a term of three years. Currently, there are three standing committees of the Board, namely the Audit Committee, Compensation Committee and Nominating and Governance Committee. Additional information regarding these committees is set out on pages 17 to 19.

The Board currently consists of eight directors. The directors nominated by the Board for election at the 2018 Annual Meeting to the class of 2021 are William K. Lavin, Phillip M. Martineau, and Raymond L.M. Wong. Each of the nominees is a current member of the Board and was recommended to the Board for nomination by the Nominating and Governance Committee. Messrs. Lavin, Martineau and Wong were last elected by stockholders at the 2015 Annual Meeting of Stockholders held on April 24, 2015.

As stated in our Corporate Governance Guidelines, the Board currently believes that it is desirable over time to have a Board of between eight and ten members (allowing that a larger or smaller number may be necessary or advisable in periods of transition or other particular circumstances). In March 2012, upon the closing of Alleghany's acquisition of Transatlantic Holdings, Inc., or TransRe, three former members of the board of directors of TransRe joined the Alleghany Board, resulting in a 14-person Board. Since that time, Alleghany has intentionally allowed the Board to decrease in size through the mandatory and elective retirements of six Board members, resulting in the current Board size of eight members.

At its current size, and cognizant of additional upcoming mandatory retirements, the Board is evaluating potential new Board members, as well as the characteristics desired in such potential Board members. In this regard, although the Board has not approved any specific criteria that must be met by a candidate, it generally seeks members with diverse business and professional backgrounds and outstanding integrity and judgment, and such other skills and experience as will enhance the Board's ability to best serve Alleghany's interests. In addition, as a general matter, the Board does consider diversity, including ethnic and gender diversity, in identifying and evaluating director candidates, and plans specifically to consider ethnic and gender diversity as one of many factors in evaluating its next potential Board member.

Table of Contents

The following charts illustrate the characteristics of our incumbent directors, including independence, diversity, age and tenure.

Director Independence

Pursuant to the NYSE's listing standards, Alleghany is required to have a majority of independent directors, and no director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with Alleghany. The Board has determined that none of the directors who served during any part of 2017, except Weston M. Hicks, our President and chief executive officer, has any material relationship with Alleghany other than in their capacities as members of the Board and committees thereof, and thus all of such directors, except Weston M. Hicks, are independent directors of Alleghany. Therefore, seven of Alleghany's eight current directors are independent directors. All of the director nominees are independent. Assuming that all of Messrs. Lavin, Martineau and Wong are elected, seven of eight directors will be independent.

Board Leadership

Currently, the position of Chairman of the Board, or the Chairman, and the position of President and chief executive officer are separate. It is the policy of the Board that the Chairman should not be an Alleghany officer. The current Chairman is an independent director. Pursuant to the Corporate Governance Guidelines, the duties of the Chairman include providing leadership to the Board in managing the business of the Board and ensuring that there is an effective structure for the operation of the Board and its committees. The Board believes that its leadership structure is appropriate given the composition of the Board and management, the Corporate Governance Guidelines and the tenure of a majority of the Board members.

Board Meetings

We have strong director engagement on our Board. The Board held nine meetings in 2017. Each of our directors attended at least 95% of the meetings of the Board and committees of the Board on which he or she served in 2017, with seven of our current eight directors attending 100% of the Board and committee meetings. Executive sessions for independent directors are held at each regularly scheduled Board meeting. The Chairman, who is currently an independent director, presides at these executive sessions. Alleghany does not have a policy with regard to attendance by directors at annual meetings of stockholders. Three directors attended the 2017 Annual Meeting of Stockholders.

Board Evaluation

The Board believes that an effective director evaluation process allows it to gain insights into the effectiveness of the Board, its committees and its individual members, with the goal of continually enhancing Board performance. In this regard, each year the Board and each of its committees conducts an evaluation of their respective performance, effectiveness and fulfillment of fiduciary duties. The evaluation process is overseen by the Nominating and Governance Committee and is reviewed annually to determine whether it is designed effectively and assures that appropriate feedback is being sought and reviewed. Historically, the Board evaluation was done on an overall basis through completion of a written questionnaire by each director on an anonymous basis to encourage candid feedback, supplemented by individual director interviews with the Chairman.

In 2017, the Board determined to enhance the evaluation process by adding an individual director evaluation component, along with completion of a director skills matrix. In this regard, the Nominating and Governance Committee approved evaluation questions which were to be considered by each director with respect to himself or herself, as well as each other director, along with a skills matrix questionnaire to be completed by each director. The Chairman of the Board, using the evaluation questions as a guide, then solicited a self-evaluation from each director, as well as an evaluation of each other director. The Chair of the Nominating and Governance Committee solicited from each director an evaluation of the Chairman of the Board. At the conclusion of such process, the Chairman of the Board discussed with each director the results of his or her individual evaluation, and the Chair of the Nominating and Governance Committee discussed such matters with the Chairman of the Board. The results of the written overall Board and committee evaluations were reported to and reviewed by the full Board. In general, based upon its most recent evaluation, the Board and each committee were satisfied with their respective performance and considered themselves to be operating effectively.

Chief Executive Officer and Senior Management Succession Planning

A key responsibility of our chief executive officer and Board in the area of risk management is ensuring that an effective process is in place to provide continuity of leadership over the long term. At least once each year, our Board conducts a review of chief executive officer and senior management succession planning. During this review, the chief executive officer provides the Board with recommendations on, and evaluations of, potential chief executive officer and senior management successors, succession timing for those positions, and development plans for the potential successors. Our Board reviews potential internal senior management candidates with our chief executive officer, including the qualifications, experience and development priorities for these individuals. Further, our Board periodically reviews the overall composition of our senior management's qualifications, tenure and experience.

Our Board, in coordination with our Nominating and Governance Committee, also establishes steps to address emergency chief executive officer and senior management succession planning in extraordinary circumstances. Our emergency chief executive officer succession planning is intended to enable us to respond to unexpected position vacancies, including those resulting from a major catastrophe, by continuing our operation and minimizing potential disruption or loss of continuity to our business and operations.

Board Role in Risk Oversight

The Board oversees risk management directly and through its committees. Alleghany management regularly reports to the Board and, as appropriate, to its committees on management's risk activities, Alleghany's exposure and risk assessments. Enterprise Risk Management is a standing agenda item at each Board meeting and the chief risk officer, other Alleghany management and the Board discuss existing and emerging risks, controls and procedures, risk assessments and initiatives at such meetings. Each year, at the Board's January meeting, the Board receives a formal

report on enterprise risk management from Alleghany's chief risk officer and, at the same meeting, considers Alleghany's three-year financial projections and the evaluation of the President and chief executive officer, allowing the Board to consider risk and risk management in the context of Alleghany's

Table of Contents

strategic plan and management's performance. Each year, at the Audit Committee's June meeting, it receives a formal report on enterprise risk management from Alleghany's chief risk officer and a formal report on legal compliance and ethics from Alleghany's chief compliance officer, which are also copied to the Board, and the chief risk officer and chief compliance officer subsequently report thereon to the Board. The Board receives updates on material developments with respect to risk management and legal compliance and ethics matters at its other regularly scheduled meetings.

The Audit Committee oversees the integrity of Alleghany's financial statements, compliance with legal and regulatory requirements, the qualifications, performance and independence of independent auditors and the performance of internal audit and internal controls over financial reporting, all of which contribute to risk oversight. The Nominating and Governance Committee ensures development of appropriate corporate governance and oversees the evaluation of the Board and management. The Compensation Committee regularly monitors compensation policies, practices and outstanding awards to determine whether Alleghany's risk management and incentive objectives are being met with respect to group-wide employee incentives. The Board believes that risk oversight is a responsibility of the entire Board, and it does not look to any individual director or committee to lead it in discharging this responsibility.

Committees of the Board of Directors**Committee Membership**

The following table sets forth the current members of each of the committees and the number of meetings held during 2017:

Name	Audit	Compensation	Nominating and Governance Chair
Karen Brenner			Chair
Ian H. Chippendale			
John G. Foos			
William K. Lavin	Chair		
Phillip M. Martineau			
Raymond L.M. Wong		Chair	
2017 meetings	7	6	5

The Board has determined that each committee member is independent as defined in the NYSE's listing standards with respect to membership on each committee on which he or she serves. The Board also has determined that each member of the Audit Committee has the qualifications set forth in the NYSE's listing standards regarding financial literacy and accounting or related financial management expertise and is an audit committee financial expert as defined by the SEC.

Committee Responsibilities

Each of the committees listed below operates pursuant to a charter, a copy of which is available on Alleghany's website at www.alleghany.com or may be obtained, without charge, upon written request to the Secretary of Alleghany at Alleghany's principal executive offices. The primary functions of each committee are as follows:

Board Committee	Responsibilities
Audit Committee	<p>Directly responsible for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm, including approving in advance all audit services and permissible non-audit services to be provided by the independent registered public accounting firm.</p> <p>Directly responsible for the evaluation of such firm's qualifications, performance and independence.</p> <p>Reviews and makes reports and recommendations to the Board with respect to the following matters:</p> <ul style="list-style-type: none"> the audited consolidated annual financial statements of Alleghany and its subsidiaries, including Alleghany's specific disclosures under MD&A, and critical accounting estimates, to be included in Alleghany's Form 10-K filed with the SEC, and whether to recommend this inclusion; the unaudited consolidated quarterly financial statements of Alleghany and its subsidiaries, including MD&A, to be included in Alleghany's Quarterly Reports on Form 10-Q filed with the SEC; Alleghany's policies with respect to risk assessment and risk management; the adequacy and effectiveness of Alleghany's internal control over financial reporting and disclosure controls and procedures; the compensation, activities and performance of Alleghany's internal auditor; and

the quality and acceptability of Alleghany's accounting policies, including critical accounting estimates and practices and the estimates and assumptions used by management in the preparation of Alleghany's financial statements.

Compensation Committee

Administers Alleghany's executive compensation program, including Alleghany's long-term and annual incentive plans.

Reviews and approves the financial goals and objectives relevant to the compensation of the chief executive officer; evaluates the chief executive officer's performance in light of such goals and objectives; and determines the chief executive officer's compensation based on such evaluation.

Table of Contents

Board Committee

Responsibilities

Reviews the annual recommendations of the chief executive officer concerning:

the compensation of the other Alleghany officers and proposed adjustments to such officers' compensation; and

the adjustments proposed to be made to the compensation of the three most highly paid officers of each Alleghany operating subsidiary as recommended by the compensation committee or board of directors (as applicable) for each such operating subsidiary.

Reports on the actions described above to the Board and makes recommendations with respect to such actions to the Board as the committee may deem appropriate.

Reviews the compensation of the directors on an annual basis, including compensation for service on committees of the Board, and proposing changes, as appropriate, to the Board.

Nominating and Governance Committee

Identifies and screens director candidates, consistent with criteria approved by the Board.

Makes recommendations to the Board as to persons to be (i) nominated by the Board for election to the Board by stockholders or (ii) chosen by the Board to fill newly created directorships or vacancies on the Board.

Develops and recommends to the Board a set of corporate governance principles applicable to Alleghany.

Oversees the evaluation of the Board, individual directors and Alleghany's management.

Directors' Nominations and Qualifications

The Nominating and Governance Committee identifies and recommends candidates for election to the Board, consistent with general criteria approved by the Board. The Board has not approved any specific criteria that must be met by each director nominee nor established a procedure for identifying and evaluating nominees for director. The Board believes that establishing such criteria is best left to an evaluation of Alleghany's needs at the time that a nomination is considered. The Board generally seeks members with diverse business and professional backgrounds and outstanding integrity and judgment, and such other skills and experience as will enhance the Board's ability to best serve Alleghany's interests. As a general matter, the Nominating and Governance Committee does consider diversity in identifying and evaluating possible nominees for director.

The Nominating and Governance Committee will receive at any time and will consider from time to time suggestions from stockholders as to proposed director candidates. In this regard, a stockholder may submit a recommendation regarding a proposed director nominee in writing to the Nominating and Governance Committee in care of the Secretary of Alleghany at Alleghany's principal executive offices. Any such persons recommended by a stockholder will be evaluated in the same manner as persons identified by the Nominating and Governance Committee.

A director is required to notify the Nominating and Governance Committee when a director's principal occupation or business association changes substantially. The Nominating and Governance Committee will consider whether any such change may materially interfere with the director's service as a director of Alleghany and make a recommendation to the Board in this regard.

Table of Contents

Communications with Directors

Interested parties may communicate directly with any individual director, the independent directors as a group or the Board as a whole by mailing such communication to the Secretary of Alleghany at Alleghany's principal executive offices. Any such communications will be delivered unopened:

if addressed to a specific director, to such director;

if addressed to the independent directors, to the Chair of the Nominating and Governance Committee who will report thereon to the independent directors; or

if addressed to the Board, to the Chairman of the Board who will report thereon to the Board.

Stockholder Engagement

Alleghany is committed to the interests of its stockholders and recognizes that communicating with stockholders on a regular basis is a critical part of this commitment. In this regard, Alleghany actively engages with its stockholders in order to understand fully their viewpoints concerning Alleghany and to help stockholders better understand Alleghany's strategy and performance. Management regularly engages with investors by participating in industry conferences, and also meets in person and by telephone with stockholders at other times throughout the year to solicit input and answer questions. Management also communicates to stockholders the Board's willingness to meet with them upon request and shares stockholder viewpoints with the Board. We believe our regular engagement with stockholders has been productive and provides an open exchange of ideas and perspectives for both Alleghany and its stockholders. Although we are open to meeting with all Alleghany stockholders, in 2017, we met with active investor stockholders who held shares representing approximately 42% of Alleghany's shares of common stock held by active investors.

Director Retirement Policy

Alleghany's retirement policy for directors provides that a director must retire from the Board at the next Annual Meeting of Stockholders following his or her 75th birthday.

Codes of Ethics

Alleghany has adopted an Employee Code of Business Conduct and Ethics for all employees of Alleghany and its subsidiaries, a Financial Personnel Code of Ethics for its chief executive officer, chief financial officer, chief accounting officer and all other officers in its Finance Department, a Director Code of Business Conduct and Ethics for members of the Board, and the Corporate Governance Guidelines. A copy of each of these documents is available on Alleghany's website at www.alleghany.com or may be obtained, without charge, upon written request to the Secretary of Alleghany at Alleghany's principal executive offices. Alleghany will disclose on its website any substantive amendments to its codes of ethics and any waivers from the provisions of its codes of ethics made with respect to its chief executive officer, chief financial officer or chief accounting officer (or persons performing similar functions), as well as with respect to any other executive officer or any director of Alleghany.

Majority Election of Directors

The By-Laws provide for a majority voting standard for the election of directors for uncontested elections. In connection with such provision of the By-Laws, the Corporate Governance Guidelines provide that a director nominee, as a condition of his or her nomination, shall tender to the Board at the time of nomination an irrevocable resignation effective if such nominee fails to receive the majority vote required by the By-Laws and the Board determines to accept such resignation. In the event that a director nominee fails to receive the requisite majority vote, the Nominating and Governance Committee will evaluate such resignation in light of Alleghany's

Table of Contents

best interests and make a recommendation to the Board as to whether it should accept the resignation. In making its recommendation, the Nominating and Governance Committee may consider any factors it deems relevant, including:

the director's qualifications;

the director's past and expected future contributions to Alleghany;

the overall composition of the Board; and

whether accepting the tendered resignation would cause Alleghany to fail to meet any applicable rule or regulation, including the NYSE's listing standards and federal securities laws.

The Board, by vote of independent directors other than the director whose resignation is being evaluated, will act on the tendered resignation and will publicly disclose its decision and rationale within 90 days following certification of the stockholder vote.

Director Stock Ownership Guidelines

Directors are expected to achieve ownership of common stock, or restricted stock units, having an aggregate value (based upon the higher of market value or book value) equal to at least five times the annual board retainer within five years of election to the Board, and to maintain such a level thereafter.

Hedging and Pledging Policies

Alleghany maintains a policy on insider trading and compliance that prohibits directors from directly or indirectly purchasing or using financial instruments designed to hedge or offset any decrease in the market value of Alleghany securities that they own. In addition, under such policy, directors are prohibited from pledging Alleghany securities as collateral.

Related Party Transactions

The Board has adopted a written Related Party Transaction Policy, or the Policy. Pursuant to the Policy, all related party transactions must be approved in advance by the Board. Under the Policy, a related party transaction means any transaction, other than compensation for services as an officer or director authorized and approved by the Compensation Committee or the Board, in which Alleghany or any of its subsidiaries is a participant and in which any of the following persons has or will have a direct or indirect material interest:

any director or officer of Alleghany; or

any immediate family member of such director or officer, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law and

any person (other than a tenant or employee) sharing the household of such director or officer.

A person who has a position or relationship with a firm, corporation or other entity may be deemed to have an indirect interest in any transaction in which that entity engages. However, a person is not deemed to have an interest if such interest arises only from such person's position as a director of another corporation and/or such person's direct and indirect ownership of less than 10% of the equity of such firm, corporation or other entity.

Under the Policy, all newly proposed related party transactions are referred to the Nominating and Governance Committee for review and consideration of its recommendation to the Board. Following this review,

Table of Contents

the related party transaction and the Nominating and Governance Committee's analysis and recommendations are presented to the full Board (other than any directors interested in the transaction) for approval. The Nominating and Governance Committee reviews existing related party transactions annually, with the goals of ensuring that such transactions are being pursued in accordance with all of the understandings and commitments made at the time they were approved, ensuring that payments being made with respect to such transactions are appropriately reviewed and documented, and reaffirming that such transactions remain in the best interests of Alleghany. The Nominating and Governance Committee reports any such findings to the Board.

As initially disclosed in the proxy statement prepared for the 2017 Annual Meeting of Stockholders, Zachary A. Hicks, a son of Weston M. Hicks, Alleghany's President and chief executive officer, commenced employment with TransRe as an underwriter in March 2017. Zachary Hicks's 2017 aggregate compensation was \$155,000 and was established in accordance with TransRe's employment and compensation practices applicable to employees with equivalent qualifications, experience, and responsibilities. Zachary Hicks is also eligible to participate in TransRe's employee benefit programs on the same basis as other eligible employees. Weston M. Hicks did not participate in TransRe's compensation decisions relating to Zachary Hicks.

Section 16(a) Beneficial Ownership Reporting Compliance

Alleghany has determined that, except as set forth below, no person who at any time during 2017 was a director, officer or beneficial owner of more than 10% of common stock failed to file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, during 2017. This determination is based solely upon Alleghany's review of Forms 3, 4 and 5, and written representations that no Form 5 was required, which such persons submitted to Alleghany during or with respect to 2017. Joseph Brandon filed a Form 4 on September 6, 2017 reporting a transaction that occurred on September 3, 2017.

PROPOSAL 1. ELECTION OF DIRECTORS

Nominees for Election

William K. Lavin, Phillip M. Martineau and Raymond L.M. Wong have been nominated by the Board for election as directors at the 2018 Annual Meeting, each to serve for a term of three years, subject to Alleghany's director retirement policy, until the 2021 Annual Meeting of Stockholders and until his successor is duly elected and qualified. Each of the nominees is a current member of the Board and was recommended to the Board for nomination by the Nominating and Governance Committee. Messrs. Lavin, Martineau and Wong were last elected by stockholders at the 2015 Annual Meeting of Stockholders held on April 24, 2015.

Information about Voting

Proxies received from Alleghany stockholders of record will be voted for the election of the three nominees named above as Alleghany directors unless such stockholders indicate otherwise. If any of the foregoing nominees is unable to serve for any reason, which is not anticipated, the shares represented by proxy may be voted for such other person or persons as may be determined by the holders of such proxy unless stockholders indicate otherwise. A nominee for director shall be elected to the Board if such nominee receives the affirmative vote of a majority of the votes cast with respect to the election of such nominee. A majority of votes cast means the number of votes cast for a nominee's election must exceed the number of votes cast against the nominee's election. Abstentions and broker non-votes (see pages 10 and 11) do not count as votes cast for or against the nominee's election, but will be counted as present at the meeting for quorum purposes.

Director Qualifications

The following information includes for each of the nominees named for election as director at the 2018 Annual Meeting, and each of the other directors of Alleghany:

age;

year first elected as a director of Alleghany;

principal occupation and/or other business experience for the past five years;

other public company directorships during the past five years; and

experience, qualifications, attributes and skills.

In addition to the information regarding the specific experience, qualifications, attributes and skills that led the Board to the conclusion that each of the nominees named for election as director should be elected as a director of Alleghany, Alleghany believes that each of the nominees, and each of the other directors of Alleghany, has a reputation for integrity, honesty and adherence to high ethical standards. Alleghany also believes that each of the nominees, and each of the other directors of Alleghany, has demonstrated business acumen and an ability to exercise

sound judgment, as well as a commitment to service to Alleghany and to the Board.

Stock Awards

Pursuant to the 2015 Directors' Plan, each year as of the first business day following an annual meeting of stockholders, each individual who was elected, re-elected or continues to serve as a member of the Board and who is not an employee of Alleghany or any of its subsidiaries receives, at the individual director's election, either a number of shares of restricted common stock or restricted stock units (each equivalent to one share of common stock) equal to \$140,000 divided by the average of the closing sales prices of the common stock on the 30 consecutive trading days preceding the grant date as reported by the NYSE. Such shares of restricted common stock or restricted stock units, as the case may be, are subject to potential forfeiture until the first annual meeting of stockholders following the date of grant and are subject to restrictions upon transfer until the third anniversary of the date of grant.

On May 1, 2017, each eligible director received either 228 shares of restricted common stock or 228 restricted stock units, reflecting such number of shares or restricted stock units equal to \$140,000 divided by the average of the closing sales prices of the common stock on the 30 consecutive trading days preceding the grant date as reported by the NYSE. Each director is permitted to defer payment of the restricted stock units, and all whole restricted stock units will be paid in the form of whole shares of common stock.

THE BOARD RECOMMENDS THAT YOU VOTE FOR EACH OF THE NOMINEES TO THE BOARD SET FORTH IN THIS PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE. EACH NOMINEE SHALL BE ELECTED BY THE AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST WITH RESPECT TO THE ELECTION OF SUCH NOMINEE. A MAJORITY OF VOTES CAST MEANS THE NUMBER OF VOTES CAST FOR A NOMINEE'S ELECTION MUST EXCEED THE NUMBER OF VOTES CAST AGAINST THE NOMINEE'S ELECTION. ABSTENTIONS AND BROKER NON-VOTES WILL HAVE NO EFFECT ON THE RESULTS OF THIS VOTE.

Table of Contents**PROPOSAL 2. RATIFICATION OF SELECTION OF****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2017**

The Audit Committee has selected Ernst & Young LLP, or E&Y, as Alleghany's independent registered public accounting firm for fiscal 2018. Although ratification by stockholders is not a prerequisite to the ability of the Audit Committee to select E&Y as Alleghany's independent registered public accounting firm, the Audit Committee and the Board believe that such ratification is desirable. If stockholders do not ratify the selection of E&Y, the Audit Committee will reconsider its selection of E&Y. The Audit Committee may, however, select E&Y notwithstanding the failure of stockholders to ratify its selection. Alleghany expects that representatives of E&Y will be present at the 2018 Annual Meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

2017 and 2016 Fees

The following table summarizes the fees billed for professional audit services rendered by E&Y for the audit of Alleghany's annual consolidated financial statements for 2017 and 2016 and fees for other services rendered by E&Y for 2017 and 2016.

	2017	2016
Audit Fees	\$ 5,633,920	\$ 5,121,500
Audit-Related Fees	39,000	70,000
Tax Fees	142,500	110,000
All Other Fees		
Total	\$ 5,815,420	\$ 5,301,500

The amounts shown for Audit Fees represent the aggregate fees for professional services E&Y rendered for the audit of Alleghany's annual consolidated financial statements for each of the last two fiscal years, the reviews of Alleghany's financial statements included in its Quarterly Reports on Form 10-Q and the services provided in connection with statutory and regulatory filings during each of the last two fiscal years. Audit Fees also include fees for professional services E&Y rendered for the audit of the effectiveness of internal control over financial reporting. The amounts shown for Audit-Related Fees represent the fees billed in each of the last two fiscal years for assurance and related services, including regulatory exams, that are reasonably related to the performance of the audit or review of Alleghany's financial statements and that are not reported under Audit Fees. These services include consents and procedures for registration statements and responses to regulatory requests. The amounts for Tax Fees represent fees E&Y incurred with respect to tax compliance work related to its review of Alleghany's federal income tax return, as well as the services provided in connection with the tax compliance work related to Alleghany Capital's acquisition of a majority interest in WWSC Holdings, LLC.

Pre-Approval Policies and Procedures

Audit and permissible non-audit services that Alleghany's independent registered public accounting firm may provide to Alleghany must be pre-approved by the Audit Committee or, between meetings of the Audit Committee, by its Chairman pursuant to authority delegated to him by the Audit Committee. The Chairman reports all pre-approval decisions made by him at the next meeting of the Audit Committee, and he has undertaken to confer with the Audit

Committee to the extent that any engagement for which his pre-approval is sought is expected to generate fees for the independent registered public accounting firm in excess of \$100,000. When considering the independence of the independent registered public accounting firm, the Audit Committee considers, among other matters, whether the provision of non-audit services by the independent registered public accounting firm to Alleghany is compatible with maintaining the independence of the independent registered public accounting firm. All audit and permissible non-audit services rendered in 2017 and 2016 were pre-approved pursuant to these procedures.

Audit Committee Report

The Audit Committee is currently composed of the four independent directors whose names appear at the end of this report. Management is responsible for Alleghany's internal controls and the financial reporting process. Alleghany's independent registered public accounting firm is responsible for performing an independent audit of Alleghany's annual consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and review these processes and the activities of Alleghany's independent registered public accounting firm. The Audit Committee members are not acting as professional accountants or auditors, and their responsibilities are not intended to duplicate or certify the activities of management and the independent registered public accounting firm or to certify the independence of the independent registered public accounting firm under applicable rules.

For fiscal 2017, Ernst & Young LLP acted as Alleghany's independent registered public accounting firm. In this context, the Audit Committee has met to review and discuss Alleghany's audited consolidated financial statements as of December 31, 2017 and for the fiscal year then ended, including Alleghany's specific disclosure under management's discussion and analysis of financial condition and results of operations and critical accounting estimates, with management and Ernst & Young LLP. The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 16, Communications with Audit Committees, issued by the Public Company Accounting Oversight Board, or the PCAOB. Ernst & Young LLP reported to the Audit Committee regarding the critical accounting estimates and practices and the estimates and assumptions used by management in the preparation of the audited consolidated financial statements as of December 31, 2017 and for the fiscal year then ended, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the ramifications of use of such alternative treatments and the treatment preferred by Ernst & Young LLP.

Ernst & Young LLP provided a report to the Audit Committee describing Ernst & Young LLP's internal quality-control procedures and related matters. Ernst & Young LLP also provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the PCAOB regarding Ernst & Young LLP's communications with the Audit Committee concerning independence, and the Audit Committee discussed with Ernst & Young LLP its independence. When considering Ernst & Young LLP's independence, the Audit Committee considered, among other matters, whether Ernst & Young LLP's provision of non-audit services to Alleghany is compatible with maintaining the independence of Ernst & Young LLP. All audit and permissible non-audit services in 2017 and 2016 were pre-approved pursuant to these procedures.

Based on the reviews and discussions with management and Ernst & Young LLP referred to above, the Audit Committee has recommended to the Board that the audited consolidated financial statements as of December 31, 2017 and for the fiscal year then ended be included in Alleghany's Annual Report on Form 10-K for such fiscal year.

PROPOSAL 3. ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, we are providing stockholders with the opportunity to cast an advisory vote on the 2017 compensation we paid to the executive officers who are named in the Summary Compensation Table on page 58, also referred to as our Named Executive Officers. For 2017, Weston M. Hicks, Joseph P. Brandon, Christopher K. Dalrymple, Roger B. Gorham and John L. Sennott, Jr. were our Named Executive Officers.

Please read the Compensation Discussion and Analysis beginning on page 40 of this Proxy Statement as well as the Summary Compensation Table and other related compensation tables, notes and narrative appearing on pages 58 through 71 of this Proxy Statement, which provide detailed information on the compensation of our Named Executive Officers for 2017.

For a discussion of the results of past advisory votes on the compensation of our Named Executive Officers and the Compensation Committee's response to such results, see Compensation Discussion and Analysis Compensation Committee Process Advisory Vote on Executive Compensation on pages 47 and 48.

The Compensation Committee and the Board believe that Alleghany's 2017 executive compensation program was designed appropriately and ensured that management's interests were aligned with the interests of Alleghany stockholders. Accordingly, we are asking our stockholders to vote in favor of the following advisory resolution at the 2018 Annual Meeting:

RESOLVED, that the stockholders of Alleghany Corporation (Alleghany) approve, on an advisory basis, the compensation of Alleghany's named executive officers as disclosed pursuant to Item 402 of Securities and Exchange Commission Regulation S-K in the Compensation Discussion and Analysis, the Summary Compensation Table, and the related compensation tables, notes and narrative set forth in the proxy statement for Alleghany's 2018 Annual Meeting of Stockholders.

Although this advisory vote, commonly referred to as say-on-pay, is not binding on Alleghany, the Compensation Committee or the Board, the Board and the Compensation Committee will review and consider the voting results when making future decisions about our executive compensation program.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THIS PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE. THIS PROPOSAL SHALL BE APPROVED BY THE AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST ON THIS PROPOSAL. ABSTENTIONS AND BROKER NON-VOTES WILL HAVE NO EFFECT ON THE RESULTS OF THIS VOTE.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Our financial objective in the current economic environment is to grow our common stockholders' equity per share at rates of 7-10% over the long term without employing excessive amounts of financial leverage and without taking imprudent risks. Our executive compensation program is designed to provide compensation to our Named Executive Officers that is aligned with this financial objective. Our aim is to provide reasonable amounts of compensation, weighted towards long-term incentive awards primarily based on performance that are capped with a reasonable upside to discourage imprudent risk taking or misaligned incentives.

For 2017, this compensation philosophy was evidenced by the following compensation highlights:

Annual incentive plan awards included a financial objective but also discretion given the nature of Alleghany's business and long-term approach, with the discretionary aspect being restricted by the fact that payouts for 2017 were limited to the lesser of (i) approximately \$6.2 million (representing the maximum potential payout for our Named Executive Officers as a group) or (ii) 3% of 2017 annual adjusted pre-tax earnings.

Long-term performance share awards were subject to goals believed to be challenging to meet in today's low interest rate and volatile market environment and that are aligned with our corporate financial objective of long-term growth in book value, with no payout being made if threshold performance is not achieved, and with our CEO's long-term incentives based 100% on performance.

We believe the following practices further align our compensation program with our stockholders' interests:

What We Do

Our Incentive Awards are Capped

Individual awards under our short- and long-term incentive plans are capped at 150% of target and performance goals are set at levels high enough to encourage strong performance but still reasonably attainable to avoid encouraging the use of excessive financial leverage or taking of imprudent risks.

Robust Stock Ownership Guidelines

We require our officers to own a substantial amount of our common stock, including five times base salary for Mr. Hicks, to ensure that they maintain a significant stake in our long-term success. In addition, our Named Executive Officers have significant exposure to Alleghany through unvested performance shares and, for some of our Named Executive Officers, shares of restricted stock and restricted stock units, the value of which is tied to the market price of our common stock.

We Can Claw Back Compensation

We have in place a compensation clawback policy applicable to our Named Executive Officers to further discourage imprudent risk taking.

Table of Contents

What We Do (continued)

We Limit Perquisites to Insignificant Amounts

Our general practice is to not provide perquisites or other personal benefits to our Named Executive Officers. In 2017, no Named Executive Officer received more than \$10,000 in perquisites or other personal benefits.

Independent Compensation Consultant

The Compensation Committee retains an independent compensation consulting firm which provides no other services to Alleghany.

What We Don't Do

No Stock Options

We do not grant stock options.

No Accelerated Vesting of Performance Shares upon Termination or a Change-in-Control

Performance share and restricted stock awards under long-term incentive plans do not provide for accelerated vesting in the event of a termination of employment by Alleghany, other than on a pro-rated basis for performance shares based on Alleghany performance through year-end immediately preceding the date of termination in the event of a termination without cause.

Awards under our short- and long-term incentive plans do not provide for accelerated vesting upon a change-in-control.

No Hedging or Pledging of Stock

We have in place a policy applicable to our Named Executive Officers that prohibits them from hedging or pledging Alleghany securities they hold.

Table of Contents**2017 Compensation Program Summary**

2017 total direct compensation (salary, annual incentive and long-term equity based awards) for our Named Executive Officers is summarized below.

Annual Compensation Component	Key Features/Purpose	Amounts Involved
Salary	<p>Provides a fixed amount of cash compensation.</p> <p>The Compensation Committee generally makes salary adjustments annually, based on salaries for the prior year, general inflation, individual performance and internal comparability considerations.</p>	
Annual Cash Incentives	<p>Provides a pay-for-performance component for achievement of shorter-term objectives, with individual awards capped at approximately 150% of target.</p> <p>The Compensation Committee determines individual results for participants and payouts based on overall financial and operational performance of management.</p>	
Long-Term Equity-Based Incentives	<p>Performance Shares: Provides pay-for-performance component focused on achievement of longer-term financial objective of increasing book value per share at rates of 7-10% over the long term without employing excessive amounts of financial leverage and without taking imprudent risks. Individual performance share awards are capped at 150% of target.</p> <p>Awards made in January 2017 pay out to participants based on the average annual compound growth in our book value per share from the award date through year-end 2020, with growth at 7% paying out at target, growth at 9% paying out at maximum and growth below 5% paying zero.</p>	

Restricted Stock Units: Grants of restricted stock units to our chief financial officer and General Counsel provide a retention element of total compensation and incent the prudence we desire them to have in their respective roles.

The value of such awards depends on the market price of our common stock. The awards cliff-vest four years from date of grant.

Total 2017 Salary, Annual Cash Incentive and LTIP Award Amount = \$17.9 million

Table of Contents

In addition to the salary, annual cash incentives and long-term equity-based incentives described above, our Named Executive Officers receive an annual savings benefit under Alleghany's deferred compensation plan, or the Deferred Compensation Plan, in an amount equal to 15% of base salary. Our Named Executive Officers who have completed five years of service with Alleghany are eligible to receive a benefit under the Retirement Plan. Effective December 31, 2013, the Retirement Plan was closed to new participants, and no additional benefits for existing participants have accrued after such date.

Alleghany Performance in 2017

Achieved a 7.4% increase in common stockholders' equity per share to \$553.20 at 2017 year-end from \$515.24 at 2016 year-end despite incurring \$511 million of after-tax net catastrophe losses representing 6.0% of Alleghany's capital at the beginning of 2017, in a year when the industry is estimated to have incurred over \$130 billion of worldwide catastrophe losses.

Net earnings of \$90 million in 2017, compared with \$457 million in 2016, primarily reflecting the significant catastrophe losses in 2017.

A consolidated net pre-tax underwriting loss of \$316 million on almost \$5.0 billion of net premiums earned, which generated a combined ratio of 106.4%. The underwriting loss included \$818 million of current year pre-tax catastrophe losses, which added 16.5 points to the combined ratio and an estimated \$265 million of favorable loss reserve development, which reduced the combined ratio by 5.3 points.

Alleghany's equity and fixed income portfolios significantly outperformed their investment benchmarks.

Sold Pacific Compensation Corporation to CopperPoint Mutual Insurance Company in December 2017.

Continued to build Alleghany Capital's manufacturing and service businesses, including acquiring a majority interest in WWSC Holdings, LLC, a structural steel fabricator and erector, and a minority interest in Wilbert Funeral Services, Inc. Alleghany Capital's manufacturing and service businesses had operating earnings before taxes of \$66 million in 2017, compared with \$43 million in 2016.

Additional information regarding Alleghany's 2017 results, including audited consolidated financial statements, as well as MD&A with respect to 2017 results, is contained in the Form 10-K, which was filed with the SEC on February 22, 2018. Readers are urged to review the Form 10-K for a more complete discussion of Alleghany's financial performance.

Alleghany Long-Term Performance

We believe that Alleghany's performance is best measured over the long term, and that long-term growth in common stockholders' equity per share is the best metric for evaluating such performance. In this regard, the table below shows the annual, and three- and ten- year average rolling, annualized growth in our common stockholders' equity per share during the five year period from December 31, 2012 to December 31, 2017:

Year	Common Stockholders			
	Equity Per Share	Annual Return	Rolling Three-Year	Annualized Average Ten-Year
2012	379.13	10.8	8.7	8.8
2013	412.96	8.9	8.3	8.5
2014	465.51	12.7	10.8	8.6
2015	486.02	4.4	8.6	8.6
2016	515.24	6.0	7.7	7.8
2017	553.20	7.4	5.9	7.0
Average		8.4%	8.3%	8.2%

Table of Contents

As can be seen in the table above, Alleghany's common stockholders' equity per share generally has compounded over the various time metrics in the mid-range of Alleghany's stated strategic objective of 7-10% annual growth in common stockholders' equity per share.

The chart below summarizes Alleghany's common stockholders' equity per share growth and stock price performance over the ten-year period from December 31, 2007 to December 31, 2017, compared with the S&P 500, with all values indexed to December 31, 2007. During this ten-year period, Alleghany's common stockholders' equity per share increased at a compound annual rate of 7.0%, compared with a compound annual rate of return of 8.5% for the S&P 500, and the price of Alleghany common stock (adjusted for stock dividends) appreciated at a 4.8% compound annual rate of return. Alleghany's stock price performance lagged the growth in stockholders' equity per share because the price of Alleghany common stock was 132% of stockholders' equity per share on December 31, 2007, compared with 108% on December 31, 2017.

As indicated by the data presented in the chart above, Alleghany's growth in common stockholders' equity per share has been relatively consistent. The trading price of Alleghany's common stock has been more volatile, reflecting the volatility of the stock market in general. In Alleghany's view, growth in common stockholders' equity per share is a better measure of fundamental performance and value creation as compared to the more volatile trading price of Alleghany's common stock. As such Alleghany focuses its executive compensation incentive program on building common stockholders' equity per share over time.

Table of Contents

During the ten-year performance period set out in the graph on page 44, we believe that Mr. Hicks' s compensation has been well-aligned with Alleghany' s long-term performance as can be seen in the table below.

Compensation Committee Process

Compensation Determination Timetable

General Setting of Salary and Incentive Awards

Salary adjustments for the coming year and new incentive awards are generally made annually by the Compensation Committee in January. At its January 2017 meeting, the Compensation Committee determined 2017 salaries, 2017 annual incentive award opportunities and 2017-2020 long-term incentive awards for all of the Named Executive Officers. This meeting followed the January 2017 Board meeting, at which the Board reviewed and discussed:

an evaluation of preliminary 2016 financial results for Alleghany;

an evaluation of Mr. Hicks' s 2016 performance and priorities for 2017;

a report by Mr. Hicks on management succession and development throughout Alleghany;

the recommendation of Mr. Hicks regarding the individual performance of each Named Executive Officer; and

Alleghany' s projections and plan for 2017 through 2019.

Setting of Mr. Hicks' s 2017 Compensation

In determining Mr. Hicks' s 2017 compensation, the Compensation Committee at its January 2017 meeting reviewed Mr. Hicks' s 2016 performance and 2017 priorities, as well as all components of Mr. Hicks' s 2016 compensation, including annual salary, annual cash incentive compensation in respect of 2016, outstanding performance share awards, values of previous awards of restricted stock and benefits under Alleghany' s Deferred Compensation Plan, Alleghany' s medical, long-term disability and other employee welfare plans and the freezing of the Retirement Plan at year-end 2013. After this review and the Compensation Committee' s consideration of input from its compensation consultant, Frederic W. Cook & Co. Inc., or FW Cook, the Committee determined to increase Mr. Hicks' s 2017 target annual incentive opportunity to 190% from 170% of salary and target long-term incentive opportunity for the 2017-2020 award period to 450% from 400% of salary. These increases in target opportunities reflect the Compensation Committee' s consideration of internal comparability factors, its assessment of Mr. Hicks' s superior performance over a long-term period, very positive 2016 results for Alleghany and its stockholders, the absence of any increase in Mr. Hicks' s compensation since 2014 and its emphasis on tying increases in Mr. Hicks' s compensation to performance-based components.

Payouts of Awards in Respect of 2017 Performance

The Compensation Committee generally determines the payout of awards for prior performance periods at a meeting in late February, upon the completion of the year-end audit of prior year financial statements. With respect to 2017, the Compensation Committee determined payouts to the Named Executive Officers, including Mr. Hicks, of 2017 annual incentive awards and 2014-2017 long-term incentive awards at its February 21, 2018 meeting. Payout

determinations were based on Board and Compensation Committee discussions and determinations regarding Alleghany's financial performance for 2017 and applicable award periods, an evaluation of Mr. Hicks's 2017 performance, and the recommendation of Mr. Hicks regarding the individual performance of the other Named Executive Officers.

Compensation Committee Advisors and Services

The Compensation Committee has retained FW Cook as a compensation consultant to assist the Compensation Committee in its review of executive and director compensation practices, including the

Table of Contents

competitiveness of Alleghany executive compensation, executive compensation program design matters, market trends and technical considerations. Prior to its determination to retain FW Cook, the Compensation Committee reviewed and assessed the independence of FW Cook as a firm and the individuals providing advice to the Compensation Committee in compliance with the NYSE's listing standards. The Compensation Committee determined that FW Cook as a firm and the relevant individual advisers were independent.

The nature and scope of services that FW Cook provides to the Compensation Committee include the following: competitive market compensation analyses; assistance with the redesign of any director or management compensation or benefit programs as necessary or requested; assistance with respect to analyzing the impact of regulatory and/or accounting developments on our compensation plans and programs; and preparation for and attendance at selected Compensation Committee meetings. FW Cook is also available to advise the Compensation Committee and management on various executive compensation matters involving our operating subsidiaries. The Chairman of the Compensation Committee reviews and approves all services provided by FW Cook and fees to be paid by Alleghany to FW Cook.

In evaluating our executive compensation program, the Compensation Committee has been advised by FW Cook as to the compensation levels of other companies that might compete with us for executive talent. Competitive market data have been periodically developed by FW Cook from several different sources, including proxy statements. Although we do not seek to set our executive compensation primarily based on any benchmarks or peer group, we believe that information regarding pay practices at other companies is nevertheless useful in two respects. First, we recognize that our compensation practices must be competitive in the marketplace. Second, independent marketplace information is one of the many factors that we consider in assessing the reasonableness of compensation. In this regard, in considering compensation for the Named Executive Officers, the Compensation Committee considers comparative market data periodically requested from FW Cook. FW Cook last prepared this analysis in November 2017 and FW Cook's peer group companies were:

Arch Capital	Everest Re Group	RenaissanceRe
Axis Capital Holdings	Markel Corporation	Validus
Cincinnati Financial	Old Republic International	White Mountains
CNA Financial	Progressive Corporation	W.R. Berkley
Erie Indemnity	Reinsurance Group of America	XL Group

This peer group was selected based on publicly traded companies that generally as a group (i) approximate our scope of business and that of our subsidiaries, including revenue and market capitalization, (ii) are similar to us in the importance to their business of capital allocation, investments and risk management, (iii) compete with us for a comparable pool of talent, and (iv) reflect our global presence. The peer companies were the same ones used by FW Cook in November 2016, with the exception of Chubb Corporation which entered into a strategic transaction in 2017.

Additionally, our senior officers have all been recruited mid-career, and our compensation must be reasonably competitive with that of their former employers. However, we do not seek to compete for executive talent solely on the basis of compensation. We also compete by offering a unique professional opportunity to work in a high integrity environment where the focus is on building long-term stockholder value.

Advisory Vote on Executive Compensation

Consistent with the Board's recommendation and the non-binding stockholder vote at the 2017 Annual Meeting of Stockholders, Alleghany holds a stockholder advisory vote on executive compensation, commonly referred to as

say-on-pay, every year. The Compensation Committee monitors the results of Alleghany's say-on-pay proposal and related stockholder feedback when evaluating the effectiveness of Alleghany's compensation policies and disclosures, particularly in the event of a negative vote or significant change in the percentage of favorable votes with regard to such proposal. Alleghany also actively engages with its significant

Table of Contents

stockholders to gauge their opinions on a range of topics, including executive compensation. We view this as an important opportunity to develop broader relationships with key investors over the long term and to engage in open dialogue on compensation and governance related issues.

At our Annual Meeting of Stockholders in April 2017, we received strong support for our executive compensation program, with approximately 97% stockholder approval of our say-on-pay proposal. When setting compensation for 2018, the Compensation Committee considered both the level of voting support from our stockholders on our say-on-pay vote, as well as stockholder feedback when evaluating our executive compensation plans and determined that no material changes to the Alleghany's executive compensation program were warranted. The Compensation Committee will continue to review the design of the executive compensation program in light of future say-on-pay votes, developments in executive compensation, and Alleghany's pay-for-performance philosophy to ensure that the executive compensation program continues to serve the best interests of Alleghany and its stockholders.

Elements of 2017 Compensation

The principal elements of compensation paid to our Named Executive Officers in respect of 2017 consisted of:

salaries;

annual cash incentive compensation;

annual grants of long-term equity-based incentives; and

an annual savings benefit equal to 15% of base salary.

In addition, our Named Executive Officers receive a benefit, assuming the completion of five years of service with Alleghany, under the Retirement Plan, although such benefit was frozen in 2013.

The percentage that these elements represent of the 2017 compensation for our chief executive officer and our other Named Executive Officers is reflected below.

Set out below in more detail is a description and analysis of each of these elements of our compensation program.

Table of Contents**Salary**

We seek to pay salaries that are sufficiently competitive to attract and retain executive talent. The Compensation Committee generally makes salary adjustments annually, in consultation with FW Cook, based on salaries for the prior year, general inflation, individual performance and internal comparability considerations. The following actions were taken with respect to 2017 salaries for our Named Executive Officers:

	2016 Salary	2017 Salary	Rationale
Mr. Hicks	\$ 1,000,000	\$ 1,000,000	No change due to continued emphasis on performance-linked compensation.
Mr. Brandon	825,000	850,000	3% increase reflecting 2017 contributions and continued emphasis on performance-linked compensation.
Mr. Dalrymple	650,000	670,000	3% increase reflecting 2017 contributions and continued emphasis on performance-linked compensation.
Mr. Gorham	600,000	620,000	3% increase reflecting 2017 contributions and continued emphasis on performance-linked compensation.
Mr. Sennott	650,000	670,000	3% increase reflecting 2017 contributions and continued emphasis on performance-linked compensation.

Annual Cash Incentive Compensation

We generally pay annual cash incentives to our Named Executive Officers under the 2015 MIP. The intent of these annual cash incentive awards is to provide a pay-for-performance element for the achievement of Alleghany's shorter-term objectives.

In making 2017 awards under the 2015 MIP, the Compensation Committee recognized that, given the nature of Alleghany's business and long-term approach, how Alleghany achieves shorter-term objectives can be a subjective process, but believed this is mitigated by the fact that these 2017 annual cash incentive awards were subject to two meaningful limitations. First, no payout to any Named Executive Officer could exceed the amount of his maximum annual incentive opportunity set at the beginning of 2017, resulting in an approximate \$2.9 million maximum award opportunity for Mr. Hicks and an aggregate maximum award opportunity of approximately \$6.2 million for our Named Executive Officers as a group. Second, funding of the 2017 Incentive Pool Amount (as defined below) is limited to a specified level of earnings produced by management in 2017. To the extent the funding of the 2017 Incentive Pool Amount had been less than the aggregate maximum award amount of approximately \$6.2 million for our Named Executive Officers as a group, a pro-rata reduction of individual award amounts would have occurred. To the extent that Alleghany had a loss for 2017, no payout would have been made under the 2015 MIP. In sum, payouts under the 2015 MIP for 2017 performance are the lesser of (i) the 2017 Incentive Pool Amount and (ii) the maximum opportunity for management (as may be reduced by the Compensation Committee for individual performance).

Table of Contents*Process*

The Compensation Committee makes annual incentive awards for the upcoming year and determines each named Executive Officer's appropriate target amount in January of that year after evaluating projected earnings for the prior year. 2017 target annual incentive awards and maximum incentive opportunities were as follows:

	2017		Target Opportunity(\$/%)	Maximum Opportunity(\$) ⁽¹⁾
	Salary			
Mr. Hicks	\$ 1,000,000	\$ 1,900,000	(190%)	\$ 2,850,000
Mr. Brandon	850,000	1,130,500	(133%)	1,700,000
Mr. Dalrymple	670,000	449,000	(67%)	670,000
Mr. Gorham	620,000	205,000	(33%)	310,000
Mr. Sennott	670,000	449,000	(67%)	670,000
Totals	\$ 3,810,000	\$ 4,133,500		\$ 6,200,000

(1) The maximum opportunity percentage for each respective Named Executive Officer is approximately 150% of such Named Executive Officer's target award.

The differing target awards as a percentage of salary reflect the Compensation Committee's determinations of appropriate levels and mix of compensation components, taking into account varying levels of responsibility, internal comparability, the implicit impact of the various Named Executive Officer levels on the accomplishment of Alleghany's financial, strategic and operational objectives and competitive considerations. For 2017 annual incentive awards, the opportunities for each of our Named Executive Officers, expressed as a percentage of salary, were the same as those set forth above for 2016, except for Mr. Hicks whose opportunity at target was increased to 190% of salary, or \$1.9 million, with a maximum opportunity of \$2,850,000 for the reasons discussed on page 46.

Payout of awards is tied to the achievement of a specified financial performance objective, subject to reduction in respect of Alleghany performance and/or individual performance. The financial performance objective is set in January, after evaluating projected earnings for 2017 and determining each Named Executive Officer's appropriate target opportunity amount. With respect to individual performance objectives, each of our Named Executive Officers submits individual objectives for the coming year, with Mr. Hicks submitting his to the Board and the other Named Executive Officers submitting their individual objectives to Mr. Hicks. These objectives are in addition to the core responsibilities of our Named Executive Officers. Status updates on the achievement of such individual objectives and performance of core responsibilities are given through the year by each Named Executive Officer, culminating in a final report made in advance of payout determinations made by the Board and Compensation Committee at the beginning of the following year. In this regard, Mr. Hicks provides a self-evaluation to the Board of his performance against objectives during the year and Messrs. Brandon, Dalrymple, Gorham and Sennott provide Mr. Hicks with the same, which Mr. Hicks then reviews with the Compensation Committee.

Financial Performance Objective

The 2017 financial performance goal established by the Compensation Committee for annual incentive awards to our Named Executive Officers was based on a funding approach, which was capped at an amount equal to 3% of 2017

earnings before income taxes, as reported in Alleghany's audited financial statements, as adjusted, or the 2017 Incentive Pool Amount, to:

exclude effects of accounting changes, charges for goodwill or intangibles impairment (including other than temporary impairment charges);

exclude expenses incurred in connection with actual and potential acquisitions; and

Table of Contents

deduct from 2017 earnings a rolling four-year (2013-2016) average of catastrophe losses at RSUI, our principal insurance subsidiary, and TransRe, our principal reinsurance subsidiary, instead of actual 2017 catastrophe losses at RSUI and TransRe.

With respect to catastrophe losses, RSUI's 2013-2016 catastrophe average was \$45.7 million, or the RSUI CAT Average, compared with 2017 actual catastrophe losses of \$223.8 million, net of prior year development and reinsurance reinstatement premiums. TransRe's 2013-2016 catastrophe average was \$79.2 million, or the TransRe CAT Average, compared with 2017 actual catastrophe losses of \$525.1 million, net of prior year development and reinsurance reinstatement premiums. The use of the RSUI CAT Average and TransRe CAT Average rather than the actual amount of their respective 2017 catastrophe losses was based upon the Compensation Committee's acknowledgement that RSUI and TransRe are significant writers of catastrophe exposed property (re)insurance and that management cannot predict the occurrence or severity of catastrophe losses in any particular year. Using a four-year average recognizes that catastrophe losses are a cost of doing business and accounts for them in a manner consistent with Alleghany's focus on long-term performance. In this regard, actual catastrophe losses impact funding calculations for annual incentive pools during the four-year averaging period in which they are included. A year in which Alleghany experiences significant catastrophe losses, such as it did during 2017, will impact MIP annual incentive pool funding for the subsequent four years, holding management fully accountable for such catastrophe losses.

Individual Performance Objectives

In January 2017, Mr. Hicks provided the Board, and Messrs. Brandon, Dalrymple, Gorham and Sennott provided Mr. Hicks, with their 2017 objectives that were in addition to performance of their core responsibilities. These core and 2017 objectives for our Named Executive Officers included the following:

	Core Responsibilities	2017 Objectives

Payouts with respect to 2017 Performance

Based on our 2017 financial results, the 2017 Incentive Pool Funding Amount was approximately \$21.9 million, so that Messrs. Hicks, Brandon, Dalrymple, Gorham and Sennott were eligible to receive maximum payout in February 2018 of their 2017 incentive opportunities, aggregating to \$6.2 million, under the 2015 MIP based on achievement of the financial performance goal, subject to reduction for individual performance.

At its meeting on February 21, 2018, the Compensation Committee evaluated Alleghany's overall corporate performance and the individual performance of Mr. Hicks, and Mr. Hicks's recommendation regarding the individual performance of the other Named Executive Officers. With respect to Mr. Hicks's individual performance, the Compensation Committee noted the following positive factors, among others, during 2017:

a 7.4% increase in common stockholders' equity per share to \$553.20 at 2017 year-end from \$515.24 at 2016 year-end despite incurring \$511 million of after-tax net catastrophe losses representing 6.0% of Alleghany's capital at the beginning of 2017, in a year when the industry is estimated to have incurred over \$130 billion of worldwide catastrophe losses;

significant outperformance of benchmarks by Alleghany's equity and fixed income portfolios;

the consummation of the sale in December 2017 of PacificComp to Copperpoint Mutual Insurance Company;

continued build-out of Alleghany Capital manufacturing and service businesses; including the acquisition of a majority interest in by Alleghany Capital of WWSC Holdings, LLC and a minority interest in Wilbert Funeral Services, Inc.

continued underwriting profitability at CapSpecialty, Inc.; and

generation by Alleghany Capital manufacturing and services businesses of Adjusted EBITDA of \$81.3 million in 2017, an increase of 57.9% from the \$51.5 million generated in 2016.

These positive factors were partially offset by offset by factors including continued unprofitable results at Stranded Oil Resources Corporation.

After consideration of these and other factors, the Compensation Committee determined to make a payout to Mr. Hicks of his 2017 annual incentive opportunity at \$2,137,500, representing 112.5% of his target opportunity and 75% of his maximum opportunity. Mr. Hicks' s 2017 annual incentive payout represented an approximate 16.2% decrease from his 2016 annual incentive payout. Regarding individual performance of the other Named Executive Officers, Mr. Hicks' s recommendations reflected his assessment of superior performance with respect to their core responsibilities, and achievement of their 2017 objectives, partially offset, in the case of Messrs. Brandon, Sennott and Dalrymple the team approach taken to final payout recommendations. Following the evaluations by Mr. Hicks of the other Named Executive Officers, the Compensation Committee authorized payouts of 2017 annual bonus opportunities at 125% of target and 75% of maximum to Messrs. Brandon, Dalrymple, and Sennott and at maximum for Mr. Gorham under the 2015 MIP for an aggregate payout to them in the amount of approximately \$2.6 million, an approximate 20.0% decrease from the aggregate prior year annual incentive payout to them.

Long-Term Equity-Based Incentive Compensation

In 2017, we made awards of long-term incentive compensation to our Named Executive Officers under the 2012 LTIP. Historically, long-term incentive awards have been made primarily in the form of performance shares and, in certain cases, shares of restricted stock and restricted stock units. Awards of performance shares under the 2012 LTIP are intended to provide a pay-for-performance component of compensation based upon the achievement of longer-term financial objectives focused on growth in book value per share. Awards of restricted stock or restricted stock units under the 2012 LTIP are intended to provide a retention component of compensation, the value of which is tied to the market price of our common stock.

Performance Shares

For the 2017-2020 award period, the Compensation Committee based the number of performance shares awarded to each Named Executive Officer upon a percentage of such officer' s 2017 salary (as determined by the Compensation Committee) divided by the average closing prices of common stock for the 30-day period prior to the mailing of material for the meeting of the Compensation Committee at which such awards were made. Such percentages of 2017 salary were as follows:

	2017 Salary	Opportunity %	Opportunity \$
Mr. Hicks	\$ 1,000,000	450	\$ 4,500,000
Mr. Brandon	850,000	300	2,550,000

Edgar Filing: ALLEGHANY CORP /DE - Form DEF 14A

Mr. Dalrymple	670,000	100	670,000
Mr. Gorham	620,000	50	310,000
Mr. Sennott	670,000	100	670,000

Total 2017 Performance Share Opportunities \$ 8,700,000

The differing target awards as a percentage of salary reflect the Compensation Committee's determinations of appropriate levels and mix of compensation components, taking into account varying levels of responsibility, internal comparability, the implicit impact of the various Named Executive Officers on the accomplishment of Alleghany's financial, strategic and operational objectives, and competitive considerations. With respect to Mr. Hicks in particular, his 2017 performance share award reflected the Compensation Committee's determination to tie Mr. Hicks's compensation closely to Alleghany's financial performance and its views of the challenge of meeting the financial performance goals for the 2017-2020 award period in light of the current interest rate and (re)insurance market environments. For 2017 performance share awards, the opportunities for each of our Named Executive Officers, expressed as a percentage of salary, were the same as those set forth above for 2016, except for Mr. Hicks whose opportunity at target was increased to 450% of salary from 400% of salary.

In making performance share awards for the 2017-2020 period, the Compensation Committee considered:

Alleghany's financial objective in the current economic environment of growing book value per share at rates of 7-10% over the long term without employing excessive amounts of financial leverage or taking imprudent risks;

the prevailing financial and economic conditions and uncertainties;

the alignment of performance goals with Alleghany's near-term strategy, with a particular emphasis on maintaining Alleghany's financial strength; and

its desire to set performance goals at levels high enough to encourage strong performance but still reasonably attainable to avoid encouraging the use of excessive financial leverage or taking of imprudent risks.

the current 10-year U.S. Treasury rates and equity risk premiums adjusted for Alleghany's estimated stock volatility relative to the market.

Taking into account such conditions, the Compensation Committee set the following performance goals for the 2017-2020 period:

maximum payouts at 150% of the value of one share of common stock on the payout date for average annual compound growth in our Book Value Per Share (as defined by the Compensation Committee pursuant to the 2017 LTIP) of 9% or more over the four-year award period ending December 31, 2020, as adjusted for stock dividends;

target payouts at 100% of the value of one share of common stock on the payout date if such growth equals 7%, and payouts at 50% of the value of one share of common stock on the payout date if such growth equals 5%, with payouts for growth between the foregoing levels to be determined by straight line interpolation; and

no payouts if such growth is less than 5%.

The Compensation Committee believed that the above payout thresholds would continue to be challenging to meet, particularly in light of slow economic growth, a prolonged period of very low interest rates when a significant portion of Alleghany's (re)insurance subsidiary investment assets are required to be held in high-quality fixed income securities, relatively high current valuations in equity markets and the imperative to maintain underwriting discipline, even if it means shrinking top-line growth, in the continuing extremely competitive reinsurance and insurance markets due to an abundance of both traditional and new alternative underwriting capacity.

Restricted Stock Units

In 2017, long-term incentive opportunities for Mr. Dalrymple and Mr. Sennott included restricted stock units, representing awards set at 50% of their respective base salaries, which cliff-vest four years from date of

grant. These grants of restricted stock units are intended to further align Mr. Dalrymple's and Mr. Sennott's interests with those of our stockholders, while incenting the prudence desired in their roles as General Counsel and chief financial officer in preserving stockholder value.

Perquisites

Our general practice is to not provide perquisites or other personal benefits to our Named Executive Officers. In 2017, no Named Executive Officer received more than \$10,000 in perquisites or other personal benefits.

Deferred Compensation Plan

We credit an amount equal to 15% of a Named Executive Officer's base salary to the Deferred Compensation Plan each year. Entitlement to this savings benefit is not based on performance. As it is our intention that a significant portion of compensation for our Named Executive Officers be contingent on performance objectives, the savings benefit offered by the Deferred Compensation Plan provides a stable component of total compensation. In addition, the Deferred Compensation Plan permits our Named Executive Officers to elect to defer the receipt, and thus the taxation, of all or part of their base salary and their annual cash bonus. A participant may choose to have savings benefit credit amounts and deferred salary and bonus amounts either credited with interest, treated as though invested in our common stock or increased or decreased by an amount proportionate to the growth or decline in our stockholders' equity per share.

Retirement Plan

Retirement benefits for our Named Executive Officers are provided under the Retirement Plan. Under the Retirement Plan, a participant must have completed five years of service with Alleghany or a subsidiary of Alleghany before he or she is vested in, and thus has a right to receive, any retirement benefits following his or her termination of employment. Effective December 31, 2013, the Retirement Plan was closed to new participants and no additional benefits for existing participants accrue after such date. Any participant who was not vested in his or her accrued benefit as of December 31, 2013 will continue to have future service with Alleghany credited toward the Retirement Plan's five-year vesting requirement.

Financial Statement Restatements

It is our Board's policy that the Compensation Committee will, to the extent permitted by governing law, have the sole and absolute authority to make retroactive adjustments to any cash or equity-based incentive compensation awarded or paid to any of our officers where the award or payment was predicated upon the achievement of performance goals that were subsequently restated or otherwise adjusted in a manner that would reduce the size of any such award or payment. In this regard, the Compensation Committee is authorized to have Alleghany seek to recover any amount the Compensation Committee determines was inappropriately received by any officer.

Hedging and Pledging Policies

We maintain a policy on insider trading and compliance that prohibits our officers from directly or indirectly purchasing or using financial instruments that are designed to hedge or offset any decrease in the market value of Alleghany securities they own. In addition, under such policy, officers are prohibited from pledging Alleghany securities as collateral.

Executive Officer Stock Ownership Guidelines

We expect our executive officers to achieve ownership of our common stock having an aggregate value (based upon the higher of market value or book value) equal to a multiple of base salary, as follows: for our

Table of Contents

President and chief executive officer, the multiple is five times base salary; for our Executive Vice President, the multiple is four times base salary; for our Senior Vice Presidents, the multiple is three times base salary; and for our Vice Presidents, the multiple is one times base salary. We expect our executive officers to retain 75% of the shares of common stock (net of taxes) paid out to them under our long-term incentive plans until they achieve their applicable ownership levels, and they are expected to maintain such levels thereafter.

Tax Considerations*January 2017 Compensation Determinations*

When 2017 incentive compensation determinations were made, we were not allowed a deduction under Section 162(m) of the Code for any compensation paid to a covered employee in excess of \$1.0 million per year, subject to certain exceptions. In general, covered employees included our President and chief executive officer and our three other most highly compensated executive officers (not including our chief financial officer) who were in our employ and were officers at the end of the tax year. Among other exceptions, the deduction limit did not apply to compensation that met the specified requirements under Section 162(m) of the Code for performance-based compensation. In general, those requirements included the establishment of objective performance goals for the payment of such compensation by a committee of the board of directors composed solely of two or more outside directors, stockholder approval of the material terms of such compensation prior to payment, and certification by the committee that the performance goals have been achieved prior to the payment of such compensation. Such requirements permitted the committee administering the plan to make discretionary adjustments to performance goals that would reduce payouts but did not permit discretionary adjustments to performance goals that would increase payouts.

The 2015 MIP permitted the Compensation Committee to grant awards that were intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code, or qualifying awards, and awards that were not intended to qualify as performance-based compensation, or non-qualifying awards. Consistent with the 2015 MIP and the Compensation Committee's consideration and balancing of its executive compensation objectives, the amounts identified under the Stock Awards and Non-Equity Incentive Plan columns of the Summary Compensation Table on page 58 paid to Messrs. Hicks, Brandon, Dalrymple and Gorham for 2017, 2016 and 2015 are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code, except for the restricted stock units awarded to Mr. Dalrymple in those years. Mr. Sennott's compensation reflected in the Summary Compensation Table for 2017, 2016 and 2015 did not have to qualify as performance-based compensation for purposes of Section 162(m) of the Code because a person serving as our chief financial officer at the end of a given year was not a covered employee for purposes of Section 162(m) of the Code for such year.

The Compensation Committee believes that establishing appropriate compensation arrangements to retain and incent our executive officers best serves our interests and the interests of our stockholders. In order to maintain flexibility to compensate our executive officers in a manner designed to promote long-term corporate goals and objectives, the Compensation Committee has not adopted a policy that all executive compensation must be deductible. However, the Compensation Committee also believes that, when appropriate, consideration should be given to seeking to maximize the deductibility of the compensation paid to our executive officers.
