Certificate of Correction to Series E-1 Preferred Certificate of Designations

As previously announced, on October 18, 2018, LSB Industries, Inc. (the Company) filed a certificate of designations for its Series E-1 Cumulative Redeemable Class C Preferred Stock (the Certificate of Designations and such stock, the Series E-1 Preferred). It has been determined that the Certificate of Designations contained an inaccuracy or defect in that it inadvertently stated that the participation right at issuance of the Series E-1 Preferred in dividends and liquidating distributions (the Participation Right) was equal to 456,225 shares of common stock of the Company. Such Participation Right should have been stated as 303,646 shares of common stock of the Company. The Certificate of Designations was corrected by the filing of a certificate of correction to the Certificate of Designations (the Certificate of Correction) with the Secretary of State of the State of Delaware on November 1, 2018. Apart from the foregoing correction to the Participation Right, no changes were made to the Certificate of Designations.

The foregoing description of the Certificate of Correction is qualified in its entirety by reference to the full text of the Certificate of Correction, a copy of which is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated by reference herein.
