Item 8.01 Other Events.

Infinity Property and Casualty Corporation ("Infinity") is filing this Current Report on Form 8-K to update the information included in its Annual Report on Form 10-K for the year ended December 31, 2011 for the following items:

Effective January 1, 2012, Infinity retrospectively adopted Accounting Standards Update ("ASU") 2010-26 that addresses which costs related to issuing or renewing insurance contracts qualify for deferral. To qualify for deferral, the guidance specifies that a cost must be directly related to the successful acquisition of an insurance contract. Upon adoption, the financial statements for prior periods were adjusted to reflect the adoption of the new standard. The financial statements included in Exhibit 99.1 to this Form 8-K update the financial statements included in Infinity's 2011 Form 10-K to reflect the impact of retrospective adoption. However, such adjusted financial statements do not represent a restatement of the 2011 Form 10-K.

Effective January 1, 2012, Infinity retrospectively adopted ASU 2011-05, which eliminates the option to report other comprehensive income in the Statements of Changes in Shareholders' Equity. As permitted by the standard, Infinity's comprehensive income is now presented in a separate statement immediately following the Statements of Earnings. This new presentation does not change the measurement of net earnings, other comprehensive income or earnings per share, and accordingly, had no impact on Infinity's results of operations or financial position. The following items of the 2011 Form 10-K are being updated retrospectively to reflect the adoption of ASU No. 2010-26 and ASU No. 2011-05:

Item 1 - Business

Item 6 - Selected Financial Data

Item 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations

Item 8 - Financial Statements and Supplementary Data

Item 15 - Exhibits and Financial Statement Schedules

Parts I, II, III and portions of Part IV of the 2011 Form 10-K, as adjusted retrospectively, are included as Exhibit 99.1 to this Current Report on Form 8-K and are incorporated herein by reference. This Current Report on Form 8-K, including exhibits, should be read in conjunction with and as a supplement to Infinity's 2011 Form 10-K for the fiscal year ended December 31, 2011, which was filed with the SEC on February 28, 2012. Except for matters noted above, no other information in Infinity's 2011 Form 10-K is being updated in this Form 8-K for events or developments that occurred subsequent to the filing of the Form 10-K. For significant developments since the filing of the 2011 Form 10-K, refer to Infinity's Form 10-Q for the quarterly period ended June 30, 2012 and other more recent Securities and Exchange Commission filings.
