***Merger Agreement***

On September 4, 2017, Teleflex Incorporated, a Delaware corporation ( Teleflex ), Teleflex Urology Limited, a private limited company incorporated under the laws of Ireland ( Teleflex Urology ), Naples Merger Sub Inc., a Delaware corporation ( Merger Sub ) and a wholly-owned subsidiary of Teleflex Urology and an indirect wholly-owned subsidiary of Teleflex, NeoTract, Inc., a Delaware corporation (the NeoTract ) and Shareholder Representative Services LLC, a Colorado limited liability company, solely in the capacity as the stockholder representative, entered into an Agreement and Plan of Merger (the Merger Agreement ).

Pursuant to the Merger Agreement, Merger Sub will be merged with and into NeoTract (the Merger ), with NeoTract as the surviving corporation as a wholly-owned subsidiary of Teleflex Urology. At the closing, Teleflex Urology will pay a purchase price of \$725 million in cash, subject to customary purchase price adjustments, and the Merger Agreement provides for additional milestone payments by Teleflex Urology of up to \$375 million in the aggregate, which milestone payments, as further described below, are each subject to certain net sales requirements with respect to sales of certain products as further described below and in the Merger Agreement.

*2018 Initial Milestone Payment.* If Net Sales (as defined in the Merger Agreement) for the period from January 1, 2018 through April 30, 2018 are equal to or greater than \$40,000,000, Teleflex Urology will pay additional merger consideration of \$75,000,000. If Net Sales for such period are less than \$40,000,000, Teleflex Urology will pay additional merger consideration equal to the product of (A) \$75,000,000 and (B) a fraction, the numerator of which is Net Sales for such period and the denominator of which is \$40,000,000.

*Milestone 1 Payment (2018 Net Sales).* Teleflex Urology will pay additional merger consideration equal to the product of (a) 1.50 multiplied by (b) the difference between (x) Net Sales for the period from January 1, 2018 through December 31, 2018 minus (y) Net Sales for the period from January 1, 2017 through December 31, 2017.

*Milestone 2 Payment (2019 Net Sales).* Teleflex Urology will pay additional merger consideration equal to the product of (a) 1.50 multiplied by (b) the difference between (x) Net Sales for the period from January 1, 2019 through December 31, 2019 minus (y) Net Sales for the period from January 1, 2018 through December 31, 2018 (or, if Net Sales for calendar year 2018 are lower than the then-applicable Net Sales High-water Mark (as described below), the then applicable Net Sales High-water Mark).

*Milestone 3 Payment (2020 Net Sales).* Teleflex Urology will pay additional merger consideration equal to the product of (a) 1.50 multiplied by (b) the difference between (x) Net Sales for the period from January 1, 2020 through December 31, 2020 minus (y) Net Sales for the period from January 1, 2019 through December 31, 2019 (or, if Net Sales for calendar year 2019 are lower than the then-applicable Net Sales High-water Mark (as described below), the then applicable Net Sales High-water Mark).

For purposes of the Merger Agreement, the Net Sales High-water Mark at any particular time means the highest Net Sales for any full calendar year, from and after (and inclusive of) calendar year 2017, completed prior to such time.

The milestone payments are subject to a customary dispute resolution process and in the event of certain Milestone Delay Events (as defined in the Merger Agreement) that generally relate to material decreases in sales as a result of governmental actions affecting Teleflex, there may be additional payments as further described in the Merger Agreement. In no event shall the sum of such payments described in this paragraph together with the Milestone 1 Payment, Milestone 2 Payment and Milestone 3 Payment be greater than \$300,000,000 and together with the 2018 Initial Milestone Payment, be greater than \$375,000,000.

The obligation of parties to consummate the Merger is subject to the satisfaction or waiver of customary closing conditions as set forth in the Merger Agreement, including the expiration or termination of any waiting period applicable under the Hart-Scott Rodino Act.

The Merger Agreement includes representations, warranties and covenants of the parties customary for a transaction of this nature, including covenants (i) for each of the parties to use their reasonable best efforts to take, or cause to be taken, all appropriate action to consummate and make effective the Merger and the other transactions contemplated by the Merger Agreement, (ii) for NeoTract to conduct its business in the ordinary course and to be bound by customary restrictions relating to the operation of its business until the closing, and (iii) for NeoTract not to solicit, encourage, initiate or engage in discussions or negotiations with any person (other than Teleflex and the other parties to the Merger Agreement) concerning any alternative transactions with respect to NeoTract.

The Merger Agreement includes certain termination provisions for both NeoTract and Teleflex and provides that either party to the Merger Agreement, subject to certain exceptions and limitations, may terminate the Merger Agreement if the Merger is not consummated by November 30, 2017.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the Merger Agreement, attached hereto as Exhibit 2.1, which is incorporated herein by reference.

The representations and warranties of the parties contained in the Merger Agreement have been made solely for the benefit of the other parties to the Merger Agreement. In addition, such representations and warranties (i) have been made only for purposes of the Merger Agreement, (ii) have been qualified by confidential disclosures made to Teleflex, Teleflex Urology and Merger Sub in connection with the Merger Agreement, (iii) are subject to materiality qualifications contained in the Merger Agreement which may differ from what may be viewed as material by investors, (iv) were made only as of the date of the Merger Agreement

or such other date as is specified in the Merger Agreement and (v) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this Form 8-K filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding NeoTract or its subsidiaries or business. Investors should not rely on the representations and warranties or any descriptions thereof as characterizations of the actual state of facts or condition of the parties or any of their subsidiaries or businesses. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Teleflex's public disclosures.
