(1) This transaction was executed in multiple trades at prices ranging from \$21.88 to \$21.896. The price reported above reflects the weighted-average sale price. The reporting person hereby undertakes to provide upon request to the SEC staff, the issuer or a security holder of the Issuer full information regarding the number of shares and prices at which the transaction was effected.

(2) This amendment amends the amount of securities beneficially owned following the reported transactions and correctly combines the holdings as direct. The transactions reported in this filing were effected for the purpose of moving shares from the brokerage account to a retirement account of the reporting person. The number of shares beneficially owned by the reporting person did not change as a result of the transactions.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
