Definitions and background information:

Publication

Publication shall take place the day after Novo Nordisk receives sufficient information on the trading. Publication is only required when the total amount of transactions of a specific board member/executive and his/her associated persons in any one calendar year has reached 5,000 euros.

Who are board members, executives and associated persons?

Board members and executives are members of the Board of Directors and Executive Management, respectively, of Novo Nordisk A/S. Associated persons are defined as the following persons associated to a board member/executive: 1) spouse or cohabitant, 2) children under the age of 18 years, 3) relatives defined as brothers, sisters, parents, grandparents etc, children, grandchildren etc who have shared the same household with a board member/executive for at least one year, and 4) any legal person, including a company, a foundation or a partnership, which is controlled directly or indirectly by a board member/executive and/or a person mentioned in 1)–3), or to which a board member/executive and/or a person mentioned in 1)–3) has managerial responsibilities or economic interests substantially equivalent to the legal person.

What is trading/transaction?

Trading is any kind of transaction, including shares purchased or otherwise acquired, shares sold or otherwise disposed, gifts, mortgages and grants and exercise of options, but not heritage.

What is financial instrument and ID code?

Financial instrument includes shares listed on the NASDAQ OMX Copenhagen and ADRs listed on New York Stock Exchange, except for ADRs held in 401(k) retirement plan by US-based employees. The ID code is the code (ISIN DK006010261) of the Novo Nordisk share on the NASDAQ OMX Copenhagen or the code (NVO) on New York Stock Exchange.

What is date and place of transaction?

Date of transaction is the actual transaction date. The place of transaction is the actual place of transaction, ie NASDAQ OMX Copenhagen or New York Stock Exchange.

What is volume and value of transaction?

The volume of transaction is the number of shares (of DKK 1 nominal value) or other financial instruments traded. The transaction value is the number of shares traded multiplied by the transaction price. The exchange rate of the Danish Central Bank (Nationalbanken) on the date of transaction is used for calculating the transaction value in DKK in case of ADRs listed on New York Stock Exchange.
