## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) BioMed Realty Trust, Inc. (the "Company") granted to the reporting person shares of restricted stock pursuant to the Company's 2004 Incentive Award Plan, as amended (the "Plan"). The reporting person is forfeiting the unvested portion of his awards of shares of restricted stock of the Company made pursuant to the Plan in exchange for an equal number of LTIP Units of BioMed Realty, L.P. (the "Operating Partnership").

(2) These profits interest units of the Operating Partnership were granted on December 28, 2006 in exchange for an equal number of shares of restricted stock that were granted originally pursuant to the Company's 2004 Incentive Award Plan and that were forfeited in exchange for the LTIP Units. The LTIP Units are subject to time based restrictions.

(3) LTIP Units are subject to vesting 5,000 on January 1, 2007 and 5,000 on January 1, 2008. Upon the occurrence of certain "triggering events," the LTIP Units can over time achieve full parity with common units of the Operating Partnership for all purposes, and therefore accrete to an economic value equivalent to one share of common stock of the Company on a one-for-one basis. If such parity is reached, vested LTIP Units convert to common units of the Operating Partnership and then may be redeemed for cash in an amount equal to the then fair value of an equal number of shares of common stock or converted into an equal number of shares of common stock, as determined by the Company.

(4) The LTIP Units do not have an expiration date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
