Item 1.01. Entry into a Definitive Material Agreement.

On August 9, 2017, Luna Innovations Incorporated (“we” or the “Company”) entered into an Asset Purchase Agreement (the “Asset Purchase Agreement”) with MACOM Technology Solutions Holdings, Inc. (the “Buyer”). Pursuant to the Asset Purchase Agreement, the Company sold substantially all of its assets related to its high-speed optical receiver (“HSOR”) business to the Buyer, including all of the patents and patent applications used or useful for its HSOR operations, for total cash consideration of \$33.5 million, including \$29.5 million received at closing and \$4.0 million to be placed in escrow until December 15, 2018 (altogether, the “Transaction”). The Company had been engaged since 2015 in its HSOR business. Also as a part of the Transaction, the Buyer has agreed to extend employment offers to approximately 49 employees of the Company within 60 days after the closing, each of whom were engaged in the development, manufacture, and sale of HSOR products in addition to certain corporate administrative functions. The \$4.0 million placed in escrow is to be paid within 5 business days following December 15, 2018. The foregoing payment is subject to potential working capital adjustments to the purchase price and/or the satisfaction of any liabilities the Company may have to the Buyer for any breach of the Company’s representations or obligations under the Asset Purchase Agreement.

Also on August 9, 2017, in connection with the Transaction, the Company and the Buyer entered into a Transition Services Agreement (the “TSA”). Pursuant to the TSA, the Buyer has agreed to provide certain transitional services to the Company with respect to infrastructure and administration during the 6 month period following the closing of the Transaction. In exchange for Buyer’s services under the TSA, the Company has agreed to (i) provide specified transitional services in connection with the Transaction to the Buyer and (ii) pay the Buyer a \$1.5 million fee. Also, as a part of the Transaction, for a period of five years after closing, the Company has agreed not to compete or engage in the HSOR market. In addition, the Company received a license back to certain of its intellectual property primarily related to the Company’s Terahertz sensing systems.

The foregoing summary is not complete and is qualified in its entirety by reference to the Asset Purchase Agreement and the TSA, copies of which will be filed as exhibits to the Company’s Quarterly Report on Form 10-Q for the quarter ending September 30, 2017.

Item 2.01. Completion of Acquisition or Disposition of Assets.

The information included in Item 1.01 is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.

(b) Pro Forma Financial Information

UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

On August 9, 2017, Luna Innovations Incorporated (the “Company”), through its wholly owned subsidiaries Advanced Photonix, Inc. (“API”) and Picometrix, LLC (“Picometrix”), completed the sale of its high speed optical receivers (“HSOR”) assets and operations to MACOM Technology Solutions Holdings, Inc. (“MACOM”). The assets sold primarily consisted of the accounts receivable, inventories, and equipment utilized by Picometrix in the development, manufacture, and sale of HSOR products in the Company’s Ann Arbor, Michigan location for a sale price of \$33.5 million (the “Transaction”). MACOM also assumed the lease of the building in Ann Arbor and certain other specified liabilities. In addition, following the closing, it is expected that approximately 49 of

the Company's employees will transfer to MACOM. Assets, operations, and employees associated with the Picometrix Terahertz product line were not included in the Transaction and remain a part of the Company.

Of the \$33.5 million purchase price, the Company received \$29.5 million at closing with the remainder placed in an escrow account until December 15, 2018, for possible working capital adjustments to the purchase price and potential satisfaction of certain post-closing indemnification obligations. The purchase price is subject to adjustment in the future based upon a determination of final working capital.

The accompanying unaudited pro forma consolidated financial information gives effect to the Transaction. The unaudited pro forma balance sheet of the Company as of June 30, 2017 is presented as if the Transaction had occurred on June 30, 2017. The Transaction, which qualifies for discontinued operations reporting, is reflected in the accompanying unaudited pro forma consolidated statements of operations for all periods presented as if the Transaction had occurred on January 1, 2015.

The accompanying unaudited pro forma consolidated financial statements reflect all adjustments that, in the opinion of management, are necessary to present fairly the pro forma results of operations and financial position of the Company as of and for the periods indicated. The accompanying unaudited pro forma consolidated financial statements are presented for illustrative and informational purposes only and are not intended to represent or be indicative of the financial condition or results of operations that would have actually occurred had the Transaction occurred on June 30, 2017, or as of January 1, 2015, nor does it purport to represent the Company's future financial position or results of operations. The unaudited pro forma adjustments are based on information and assumptions that management considers reasonable and factually supportable and do not include items that are not expected to have a recurring impact.

Since the information presented below is only a summary and does not provide all of the information contained in the historical consolidated financial statements of Luna, you should read this information in conjunction with "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the Company's historical consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016 and its Quarterly Report on Form 10-Q for the three months ended June 30, 2017.

The following is a brief description of the amounts recorded under each of the column headings in the accompanying unaudited pro forma consolidated balance sheet and the unaudited pro forma consolidated statements of operations:

Luna Historical

This column reflects the Company's historical financial position as of June 30, 2017 and historical results of operations for the six months ended June 30, 2017, and for the years ended December 31, 2016 and 2015, prior to any adjustment for the Transaction described above and related pro forma adjustments described herein.

Transferred HSOR

This column reflects the assets of the HSOR business sold and liabilities assumed by MACOM in the Transaction and the results of operations of the HSOR business, as reflected in the Company's historical financial statements as of June 30, 2017 and for the six months ended June 30, 2017 and for the years ended December 31, 2016 and 2015, prior to pro forma adjustments. The results of operations of the HSOR business included in the pro forma adjustments for the year ended December 31, 2015, include such results for the period from the date of our merger with API on May 8, 2015, through December 31, 2015.

Other Pro Forma Adjustments

Edgar Filing: LUNA INNOVATIONS INC - Form 8-K

This column represents pro forma adjustments directly attributable to the Transaction. These adjustments are more fully described in the notes to the accompanying unaudited pro forma financial statements.

Notes to Unaudited Pro Forma Consolidated Financial Statements

1. Basis of Pro Forma Presentation

On August 9, 2017, Luna Innovations Incorporated (the “Company”), through its wholly owned subsidiaries Advanced Photonix, Inc. (“API”) and Picometrix, LLC (“Picometrix”), completed the sale of its high speed optical receivers (“HSOR”) assets and operations to MACOM Technology Solutions Holdings, Inc. (“MACOM”). The assets sold primarily consisted of the accounts receivable, inventories, and equipment utilized by Picometrix in the development, manufacture, and sale of HSOR products in the Company’s Ann Arbor, Michigan location for a sale price of \$33.5 million (the “Transaction”). MACOM also assumed the lease of the building in Ann Arbor and certain other specified liabilities. In addition, following the closing, it is expected that approximately 49 of the Company’s employees will transfer to MACOM. Assets, operations, and employees associated with the Picometrix Terahertz product line were not included in the Transaction and remain a part of the Company.

The unaudited pro forma consolidated financial statements have been derived from the historical consolidated financial statements of the Company adjusted to give effect to the estimated impact that the Transaction would have had if completed on the date of the balance sheet or on January 1, 2015 in the Unaudited Pro Forma Consolidated Statements of Operations.

2. Adjustments to Unaudited Pro Forma Consolidated Balance Sheet

- a. Reflects the value of assets associated with the HSOR operations and the selling, general and administrative resources transferred in the Transaction.
- b. Reflects the value of the Company’s liabilities assumed by MACOM in the Transaction.
- c. Reflects gross proceeds of \$33.5 million, including \$4.0 million placed into escrow, less estimated transaction fees of \$250,000, and estimated income taxes of \$2.8 million on the taxable gain realized in the Transaction.
- d. Reflects estimated transaction fees of \$250,000 plus estimated tax liability of \$2.8 million on the taxable gain realized in the Transaction.
- e. Reflects the expected reduction to goodwill resulting from the Transaction.
- f. Reflects the estimated book gain recognized for the Transaction.

3. Adjustments to Unaudited Pro Forma Consolidated Statements of Operations

- a. Reflects the revenue and costs associated with HSOR contract research for the period.
 - b. Reflects the revenue and costs associated with HSOR product sales for the period.
 - c. Reflects the expenses of HSOR research, development and engineering for the period.
 - d. Reflects the costs of HSOR selling, general and administrative expenses for the period as follows:
