Petrobras concludes sale transaction of its stake in BC-10

Rio de Janeiro, December 30th, 2013 – Petróleo Brasileiro S.A. – Petrobras concluded this Monday (December 30th, 2013) the sale of its 35% stake in the offshore project Parque das Conchas (BC-10) for US\$ 1.636 billion.

In August 2013, Petrobras signed an agreement to sell its 35% stake in the block, subject to governmental approvals and the exercise of the preemptive rights of the partners. Shell and ONGC Videsh exercised their preemptive rights to acquire 23% and 12% stake, respectively.

After the approval of the Brazilian National Agency of Petroleum, Natural Gas and Biofuels, which occurred on December 18th, the sale to the partners was concluded in December 30th, 2013.

In 2013, the contribution of BC-10 for Petrobras average oil production volume was 8.6 thousand barrels of oil per day (bpd).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
