Sales Performance - Consolidated

In 4Q14, consolidated net sales increased 16.2% to R\$19.7 billion, driven by the combination of 117 new store openings in the quarter and same-store sales growth of 4.3%. GPA's multi-format structure and multichannel initiatives, operating in different segments and presence in all regions, allows meeting with various customer profiles in their buying moments which has also contributed positively to the Company's performance. Excluding the effects from the Cdiscount consolidation, net sales growth was 6.2% in 4Q14.

In the quarter, net sales in the Food Businesses advanced 5.8%. Meanwhile, the Non-Food Businesses, which comprises Via Varejo and Cnova, posted net sales growth of 29,0% (6.9%, excluding Cdiscount), supported by promotional campaigns, such as Black Friday, that benefitted all of the Group's banners. The performance in the quarter was affected by the strong comparison base in 4Q13, the Food Businesses and Non-Food Businesses of 'Same-Store' grew by 11.0% and 13.5%, respectively.

In 2014, net sales grew 13.3% to R\$ 65.5 billion. The highlight was the strong organic growth in the period, with 212 new stores opened, of which 124 were inaugurated by GPA Food Businesses (Multivarejo + Assaí) and 88 by Via Varejo. With this volume of store opening, GPA recorded 84 more stores than the previous year.

Food Businesses (Multivarejo + Assaí)

ü In 4Q14, net sales were up by 5.8% to R\$9.8 billion. This sales performance was driven mainly by the opening of 57 new stores, with 42 convenience stores (31 Minimercado Extra and 11 Minuto Pão de Açúcar), 7 Pão de Açúcar, 3 Extra Super, 4 Assaí and 1 drugstore. On a same-store basis, net sales advanced by 1.0%.

ü **Multivarejo** continued to invest in its price competitiveness and posted a slightly better performance compared to 3Q14, due to the slight recovery in sales volume and customer traffic at the Extra banner (hypermarkets and supermarkets) supported by successful promotional initiatives, such as Black Friday, as well as an improvement in the food category sales. Due to higher promotional dynamics compared to the previous year, the price implemented have lagged inflation in the period. It is also worth mentioning that the 4Q13 represented a strong base of comparison, 11.0% growth. The performance of private-label brands continued to improve, with their contribution to total sales surpassing 11%.

ü **Assaí** posted yet another quarter of strong net sales performance (26.5%), driven by solid same-store sales growth and the significant contribution from new store openings. In the quarter, 4 new stores were opened, 3 of which in the Northeast region of Brazil, ending the year with the total of 9 new stores. The banner already has 84 stores, of which 16 are located in the Northeast, a region of strategic importance to Assaí.

Via Varejo

ü In 4Q14, net sales grew 4.4% to R\$6.4 billion, excluding the effects of 32 store closures in 2Q14 to comply with Brazil's antitrust authority (CADE). Including the store closures, net sales growth was 2.7%. On a same-store basis, net sales grew 1.5%.

ü In 4Q14, 60 stores were opened, of which 31 Casas Bahia, 19 Ponto Frio and 10 Mobile stores, bringing the total number of new stores opened in the year to a record of 88 stores. The expansion focused on the Northeast region (24 stores), followed by the Midwest, with 13 units. Via Varejo ended 2014 with 1,037 stores.

ü In the year, excluding the impact of (CADE), the growth in net sales was 5.1%;

ü The smartphones and white line categories posted the strongest performances in the quarter, especially in November, due to Black Friday promotional initiatives;

ü In the quarter, a new store format was launched: the Mobile store. This format is focused on selling mobile phones, tablets, accessories, services and post-paid plans of Brazil's leading mobile carriers. Twenty points of sale were opened, of which 10 dedicated stores (stand-alone) and 10 built inside existing stores (store-in-store).
