**Item 2.02. Results of Operations and Financial Condition.**

On October 28, 2004, Group 1 Automotive, Inc. (the "Company") announced its financial results for the third quarter ended September 30, 2004. On October 28, 2004, the Company issued a press release relating to such financial results. A copy of the press release is attached hereto as Exhibit 99.1. The press release is incorporated in this Item 2.02 by reference.

As presented in the press release attached as Exhibit 99.1 incorporated by reference in this Item 2.02, the Company's earnings estimate for full-year 2004, the amounts of income from operations, net income and net income per diluted share, and the Company's operating margin, excluding the Atlanta goodwill impairment charge, for the three- and nine-month periods ended September 30, 2004, are non-GAAP financial measures as they exclude the impact of the Atlanta goodwill impairment charge recorded by the Company in the third quarter. The Company believes presenting earnings estimates, the amounts of income from operations, net income and net income per diluted share, and operating margin that exclude this item is helpful in understanding the Company's operating results.

As provided in General Instructions B.2. of Form 8-K, the information in this Item 2.02 (including the press release attached as Exhibit 99.1 incorporated by reference in this Item 2.02) shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

**Item 9.01. Financial Statements and Exhibits.**
