In connection with the Note and Warrant Purchase Agreement into which the Registrant entered on November 3, 2004, on March 22, 2005, the Registrant issued a promissory note in the amount of \$250,000 (the "Note"). In connection with the Note, on the same date, the Registrant also entered into a Security Agreement with the Holder.

The Note is payable in eight equal quarterly installments and shall bear interest at an interest rate equal to seven percent (7%) per annum, increasing to eight percent (8%) on July 1, 2005, and ten percent (10%) on April 1, 2006 through the maturity date, December 31, 2006. The principal and interest payments due may be paid in either shares of the Registrant's common stock, cash or a combination of both. The number of shares of common stock that may be used to pay the quarterly installments is capped at 6,000,000 shares of common stock.

Under the terms of the Note, in the event that the Registrant shall (i) apply for or consent to the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of all or a substantial part of its property or assets, (ii) make a general assignment for the benefit of its creditors, (iii) commence a voluntary case under the United States Bankruptcy Code or under the comparable laws of any jurisdiction (foreign or domestic), (iv) file a petition seeking to take advantage of any bankruptcy, insolvency, moratorium, reorganization or other similar law affecting the enforcement of creditors' rights generally, (v) acquiesce in writing to any petition filed against it in an involuntary case under United States Bankruptcy Code or under the comparable laws of any jurisdiction (foreign or domestic), (vi) issue a notice of bankruptcy or winding down of its operations or issue a press release regarding same, or (vii) take any action under the laws of any jurisdiction (foreign or domestic) analogous to any of the foregoing, or a proceeding shall be commenced regarding the Registrant, without its application or consent, in any court of competent jurisdiction, seeking (i) the liquidation, reorganization, moratorium, dissolution, winding up, or composition or readjustment of its debts, (ii) the appointment of a trustee, receiver, custodian, liquidator or the like of it or of all or any substantial part of its assets in connection with the liquidation or dissolution of the Registrant or (iii) similar relief in respect of it under any law providing for the relief of debtors, and such proceeding or case described in clause (i), (ii) or (iii) shall continue undismissed, or unstayed and in effect, for a period of sixty (60) days or any order for relief shall be entered in an involuntary case under United States Bankruptcy Code or under the comparable laws of any jurisdiction (foreign or domestic) against the Registrant or action under the laws of any jurisdiction (foreign or domestic) analogous to any of the foregoing shall be taken with respect to the Registrant and shall continue undismissed, or unstayed and in effect for a period of sixty (60) days, then the outstanding principal balance and accrued interest shall be automatically due and payable.

Under the terms of the Security Agreement, the Secured Party is granted a security interest to the Registrant's Collateral, as such term is defined in the Security Agreement. The parties agree and acknowledge that the security interest granted to the Secured Party shall at all times be subordinate in all respects to the secured interest of Silicon Valley Bank in and to the Collateral.
