Item 1.01 Entry into a Material Definitive Agreement.

On December 8, 2005, the Board of Directors of Peabody Energy Corporation (the "Company") approved the forms of agreement that will be used to document annual stock option and restricted stock awards to directors who are not employees of the Company or its affiliates ("Outside Directors") under the Company's revised director compensation program. The Board of Directors also agreed that the equity component of each Outside Director's compensation will be awarded on the first business day of each calendar year pursuant to the Company's 2001 Long-Term Equity Incentive Plan, and will include non-qualified stock options valued at \$37,500 (based on Black-Scholes methodology) and restricted shares of the Company's common stock valued at \$37,500 (based on the fair market value of the Company's common stock on the date of grant).

The following description is a brief summary of the material terms and conditions of the forms of agreement approved by the Board of Directors for annual equity awards to Outside Directors. This summary is not intended to be complete, and is qualified in its entirety by reference to the form of Non-Qualified Stock Option Agreement filed as Exhibit 10.1 to this report and the form of Restricted Stock Agreement filed as Exhibit 10.2 to this report.

Non-Qualified Stock Option Agreement

Stock options pursuant to this form of agreement will be granted at an exercise price equal to the fair market value of the Company's common stock on the date of grant, will vest in equal annual installments over three years, and will expire ten years after grant. The options will become fully exercisable upon the date the optionee ceases to be a director of the Company ("Termination Date") or upon a change of control (as defined in the Plan), and the vested portion of the options may be exercised by the optionee, in whole or in part, at any time prior to the earliest to occur of:

- The tenth anniversary of the date of grant;
- The ninety (90) day anniversary of the optionee's Termination Date, if the termination occurs by the Company with cause; or
- The five (5) year anniversary of the optionee's Termination Date if the termination occurs by reason of (i) termination by the Company without cause, (ii) termination by the optionee for any reason, or (iii) the optionee's death or disability.

Restricted Stock Agreement

Restricted stock awarded to Outside Directors pursuant to this form of agreement will vest on the third anniversary of the grant date. In addition, such restricted shares will become fully vested upon (i) a change of control, or (ii) the date the recipient ceases to be a director of the Company, if such termination occurs by reason of the recipient's death, disability or termination by the Company without cause. Except as provided above, the recipient will forfeit any unvested restricted shares upon ceasing to be a director of the Company.

Item 1.02 Termination of a Material Definitive Agreement.

On December 8, 2005, the Board of Directors agreed to terminate the Company's Non-Employee Director Deferred Compensation Plan prior to its planned January 1, 2006 effective date. The Board agreed to terminate the Plan in order to allow additional time to evaluate the impact of proposed regulations issued pursuant to Section 409A of the Internal Revenue Code.
