**Item 8.01 Other Events.**

On April 11, 2007, the Company received a letter from NBC Universal, Inc. ("NBCU") and Citadel Limited Partnership amending their January 17, 2007 proposal, as previously amended by letter to the Company dated February 22, 2007 and letter to the Company dated March 29, 2007, for a restructuring of the Company's outstanding preferred and common stock that, if implemented, would include a tender offer for the shares of the Company's Class A common stock on the terms contemplated by the November 7, 2005 restructuring transaction among the Company, NBCU and Lowell W. Paxson and his affiliates.

By way of clarification of certain statements in the letter, the Company notes that the meetings and discussions referred to in the letter, including those "that took place as recently as Monday, April 9, 2007," involved the special committee of the Company's board of directors that was formed in June 2006 to explore potential strategic transactions for the Company, and not the Company's full board of directors. The amended proposal continues to be evaluated by the special committee. The transactions contemplated by the amended proposal would be subject to numerous conditions, risks and uncertainties, and there is no assurance that the amended proposal would be approved by the Company's board of directors, or that any proposal that may ultimately be approved by the Company's board of directors will actually be consummated.

The foregoing description of the letter amending the proposal is not complete and is qualified in its entirety by reference to the full text of the letter, which is attached as Exhibit 99.1.
