Item 1.01 Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 2, 2009, Brush Engineered Materials Inc. (the "Company") and certain of its subsidiaries entered into a Consignment Agreement (the "Consignment Agreement") with Canadian Imperial Bank of Commerce (the "Gold Consignor") and CIBC World Markets Inc. (the "Copper Consignor"). The Consignment Agreement matures on September 30, 2010 and provides for a \$25 million committed gold consignment facility from the Gold Consignor and a \$25 million committed copper consignment facility from the Copper Consignor.

The obligations under the Consignment Agreement bear interest at a floating rate or a fixed rate at the option of the Company. The Consignment Agreement contains representations, warranties and covenants that are customary for agreements of this type and that are of the same nature as those contained in the Company's other committed base and precious metal consignment arrangements. Among other things, the covenants in the Consignment Agreement limit the Company's and its subsidiaries' ability to incur additional indebtedness; create certain liens; merge or consolidate with certain other entities; declare dividends or make distributions, stock repurchases or other restricted payments; and engage in certain affiliate transactions. In addition, the Consignment Agreement requires the Company and its consolidated subsidiaries to maintain a maximum leverage ratio and a minimum fixed charge coverage ratio. The Consignment Agreement also contains certain customary events of default, including, but not limited to, the failure to make required payments, the material breach of a representation or warranty, the failure to observe certain covenants or agreements and the occurrence of bankruptcy and other insolvency events. The Consignment Agreement is secured by the consigned gold and copper, the inventory containing any gold and copper and the proceeds of such metals and inventory.

Additionally, on October 2, 2009, the Company entered into an amendment (the "Amendment") to its Second Amended and Restated Precious Metals Agreement with The Bank of Nova Scotia (the "Metal Agreement"). The Amendment gives the Company and its subsidiaries additional flexibility to have increased outstanding obligations under new and existing agreements for the procurement of gold, silver, platinum, palladium, rhodium and other precious and base metals (whether styled as debt, leases, consignments or otherwise).

The Consignment Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K. The Amendment is filed as Exhibit 4.1 to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.

4.1 Third Amendment to Second Amended and Restated Precious Metals Agreement, dated as of October 2, 2009.

10.1 Consignment Agreement, dated as of October 2, 2009.

The foregoing descriptions of the Consignment Agreement and the Amendment are qualified in their entirety by reference to the full text of the applicable agreement, which is incorporated herein by reference.
