Compensation Plan Amendments.

SunTrust Banks, Inc. (the "Company" or the "Registrant") adopted certain amendments on December 31, 2010 to the following compensation plans in which its named executive officers participate or may participate in the future. The changes generally pertain to either the closing of the SERP to new participants, the expansion of eligibility requirements for certain nonqualified plans, and various conforming changes to the nonqualified plans consistent with changes made to the qualified retirement plan. The following summaries of these amendments are qualified in their entirety by reference to each respective agreement, as amended, each of which is filed as an exhibit to this report and incorporated into this report by reference. In addition, the Registrant disclaims any inference regarding the materiality of such information which otherwise may arise as a result of its filing such information in this report on Form 8-K.

SunTrust Banks, Inc. Deferred Compensation Plan.

The Company amended and restated this plan, effective January 1, 2011, to reflect changes to the definition of "eligible employee" by offering the plan to employees who participate in the Management Incentive Plan and are of a certain minimum salary grade (providing for broader participation than previously), to provide that participants earning benefits under the Restoration Plan (see below) will receive a Company contribution under this plan based on the participant's eligible compensation under the Restoration Plan. The amendment also provides that Company contributions made on behalf of participants hired on or after January 1, 2011 will be subject to a two-year cliff vesting schedule (to be consistent with the qualified 401(k) plan). The Committee also amended the Plan to address SERP benefits transferred to this plan in the case of an employee who has a status change and is no longer eligible to participate in the SERP.

SunTrust Banks, Inc. ERISA Excess Plan.

The Company amended and restated this plan, effective January 1, 2010 (except as otherwise indicated) so that it would be consistent with certain changes made to the qualified retirement plan as follows: revised the definition of compensation for benefit purposes, changed the death benefits for active participants from a 50% joint and survivor benefit to a 100% joint and survivor benefit, and provided that beginning in 2011 newly eligible participants with only a Personal Pension Account under the qualified retirement plan will receive their benefit upon separation from service rather than age 55. This plan was also amended to change the eligibility requirements. Prior to 2011, an employee became eligible under the plan upon designation by the Compensation Committee. The plan was amended, effective 2011, to provide that employees of a certain salary grade automatically participate in the plan upon the completion of one year of service.

SunTrust Banks, Inc. Restoration Plan.

On December 31, 2010, the Company adopted the SunTrust Banks, Inc. Restoration Plan (the "Restoration Plan") effective January 1, 2011. Like the ERISA Excess Plan, the Restoration Plan is a nonqualified defined benefit cash balance plan designed to restore benefits to certain employees that are limited under provisions of the Internal Revenue Code which are not otherwise provided for under the ERISA Excess Plan. In order to be eligible for the Restoration Plan, an employee generally must be of a certain minimum salary grade, must be recommended by the CEO, and be approved by the Compensation Committee. The benefit formula under the Restoration Plan is the same as the Personal Pension Account under the qualified retirement plan. The purpose of the plan is to restore such benefits to the extent limited by the Internal Revenue Code or limits in the Excess Plan. A participant will be 100% vested in his Restoration Plan benefit after completing ten (10) years of service and attaining age sixty (60). Restoration Plan benefits will be paid as a lump sum upon separation from service following satisfaction of the vesting requirements unless the participant previously elected to receive the benefit as of the annuity forms of payment under the plan. None of the Company's named executive officers will participate in the Restoration Plan in 2011.

SunTrust Banks, Inc. Supplemental Executive Retirement Plan.

The Company amended and restated this plan, effective January 1, 2010 (except as otherwise indicated) to clarify the calculation of Tier 2 benefits, change the death benefits for Tier 2 active participants from a 50% joint and survivor benefit to a 100% joint and survivor benefit (to be consistent with changes made to the qualified retirement plan) and to address the treatment of SERP benefits in the case of an employee who has a status change and is no longer eligible to participate in the plan.

Other Compensation Agreements.

2011 Form of Salary Share Agreement.

The Compensation Committee amended the form of Salary Share Award Agreement effective January 1, 2011. The new form imposes a single holding period, and extends the holding period for new grants to March 15, 2012.

Form of Change In Control Agreement.

The Compensation Committee adopted a revised form of Change in Control Agreement for use with new participants. This form of agreement is revised to omit any tax gross-up.
