Item 8.01 Other Events.

On May 31, 2011, the board of directors of Healthcare Trust of America, Inc. ("HTA") authorized distributions for the months of June and July 2011. These distributions will be calculated based on stockholders of record each day during each such month at a rate of \$0.00198630 per share per day and will equal a daily amount that, if paid each day for a 365-day period, would equal a 7.25% annualized rate based on a share price of \$10.00. These distributions will be paid in July and August 2011, respectively, in cash or reinvested in stock for those participating in HTA's distribution reinvestment plan.

The amount of distributions HTA pays to its stockholders is determined by HTA's board of directors, at its discretion, and is dependent on a number of factors, including funds available for the payment of distributions, HTA's financial condition, capital expenditure requirements and annual distribution requirements needed to maintain HTA's status as a REIT under the Internal Revenue Code, as well as any liquidity alternative HTA may pursue in the future. HTA's board of directors may reduce its distribution rate and HTA cannot guarantee the amount of distributions paid in the future, if any.

On June 1, 2011, we issued a press release announcing that our board of directors had authorized distributions for the months of June and July 2011. A copy of the press release, which is hereby incorporated into this filing in its entirety, is attached to this Current Report on Form 8-K as Exhibit 99.1
