## Edgar Filing: PETROBRAS - PETROLEO BRASILEIRO SA - Form 6-K

Prepayment of bank debts and new financing

Rio de Janeiro, September 6, 2017 - Petróleo Brasileiro S.A. - Petrobras reports that, following its debt portfolio management strategy, it has effected the following transactions: (i) prepayment of a NCE (Export Credit Note) of R\$ 2.5 billion, issued to Caixa Econômica Federal to mature in November 2018. ii) issue of a new NCE to Banco Bradesco, in the amount of R\$ 1 billion, with maturity in August 2024; and iii) prepayment of US\$ 250 million for a share of a US\$ 1 billion financing with Crédit Agricole CIB, due in December 2020, plus renegotiation of the remaining US\$ 750 million with maturity extension to December 2022.

The company will continue to assess new prepayment and funding opportunities pursuant to its liability management strategy, which aims to improve the amortization profile taking into account the deleveraging goals under its 2017-2021 Business and Management Plan.

### FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "plan," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the "Lava Jato Operation"; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2016, and the Company's other filings with the U.S. Securities and Exchange Commission.
