Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

This Amendment No. 1 to Schedule 13D amends the Schedule 13D initially filed on December 12, 2005 (collectively, with all amendments thereto, the "Schedule 13D").

Preliminary Note: The Reporting Persons (as defined below) are filing this Schedule 13D with respect to shares of common stock, par value \$0.01 per share (the "Shares"), of Hawaiian Holdings, Inc. (the "Company"). Certain of the Reporting Persons own, in aggregate, (i) 3,245,476 Shares and (ii) Warrants (the "Warrants") to purchase 725,896 Shares. Each Warrant has an exercise price of \$7.20, subject to adjustment from time to time, and is immediately exercisable.

As reported in the prior Schedule 13D, certain of the Reporting Persons had the right to acquire 1,058,823 Shares as in-kind distributions from RC Aviation LLC to such Reporting Persons as members of RC Aviation LLC (together with the one additional Share that was received as part of the in-kind distribution from RC Aviation LLC, the "LLC Shares"). Beneficial ownership of the LLC Shares was attributed to the Reporting Persons in the prior Schedule 13D. The distribution of such LLC Shares has occurred since the filing of the prior Schedule 13D and the Reporting Persons continue to be the deemed beneficial owners of the LLC Shares.

As reported in the prior Schedule 13D, RC Aviation LLC, a principal investor in the Company in which certain of the Reporting Persons are members, held a warrant to purchase Shares from the Company. Pursuant to RC Aviation LLC's Second Amended and Restated Limited Liability Company Agreement dated as of June 1, 2005 (the "RC LLC Agreement"), RC Aviation LLC was obligated to distribute to certain of its members 90% of either (i) their pro rata share of such warrant or (ii) a cash amount equivalent to the value of such pro rata share. Since the filing of the prior Schedule 13D, RC Aviation LLC made an in-kind distribution of such warrant, resulting in certain of the Reporting Persons receiving, in aggregate, the Warrants to purchase 725,896 Shares. The prior Schedule 13D discussed the effect of the distribution of the warrant by RC Aviation LLC to the Reporting Persons and noted that upon receipt of such warrant by the Reporting Persons, the Reporting Persons would be deemed to beneficially own the Shares underlying the Warrants. At the time of the prior Schedule 13D, however, beneficial ownership of the Shares underlying the Warrants was not attributed to the Reporting Persons. Given that the warrant has been distributed to the Reporting Persons, this amendment to the Schedule 13D attributes beneficial ownership of the 725,896 Shares underlying the Warrants to the Reporting Persons. For the full terms and conditions of the Warrants, see Exhibit 5 filed herewith and incorporated herein by reference.

Unless stated otherwise, all numbers and percentages contained in this Schedule 13D represent Shares currently held by certain Reporting Persons and all Shares that would be issued to certain Reporting Persons assuming full exercise of the Warrants, and such numbers and percentages do not otherwise reflect the Warrants.

Item 3. Source And Amount Of Funds And Other Consideration

Item 3 of the Schedule 13D is amended and supplemented by the following:

Since the filing of the prior Schedule 13D, the Funds and Watershed Offshore acquired (i) 420,000 Shares through open-market purchases (the "Open Market Shares") and (ii) warrants to

purchase 725,896 Shares through the distribution of the Warrants from RC Aviation LLC to such Reporting Persons, as members of RC Aviation LLC, pursuant to the terms of the RC LLC Agreement (as defined in the Preliminary Note), as reported in Item 4 of the prior Schedule 13D. Although previously reported in Item 3 of the prior Schedule 13D, the Funds and Watershed Offshore also acquired the LLC Shares (as defined in the Preliminary Note) as an in-kind distribution from RC Aviation LLC to such Reporting Persons as members of RC Aviation LLC, pursuant to the terms of the RC LLC Agreement.

The net investment cost (including commissions) for the Open Market Shares acquired by each of the Funds and Watershed Offshore since the filing of

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

the prior Schedule 13D is set forth below:

Entity -----	Shares Acquired -----	Approximate Net ----- Investment Cost -----
WCP	114,000	\$401,511.32
WCIP	80,200	\$363,339.24
WCIP Cayman	71,500	\$205,194.20
Watershed Offshore	154,300	\$543,160.08

The consideration for such acquisitions of the Open Market Shares and/or the investment in RC Aviation LLC was obtained as follows: (i) with respect to WCP, WCIP Cayman and Watershed Offshore, from working capital and/or borrowings pursuant to margin accounts maintained in the ordinary course of business by WCP, WCIP Cayman and Watershed Offshore at Goldman, Sachs & Co. and (ii) with respect to WCIP, from working capital. WCP, WCIP Cayman and Watershed Offshore hold certain securities in their respective margin accounts at Goldman, Sachs & Co., and the accounts may from time to time have debit balances. It is not possible to determine the amount of borrowings, if any, used to acquire the Open Market Shares and/or the investment in RC Aviation LLC.

Page 11 of 46 Pages

Item 4. Purpose Of The Transaction

Item 4 of the Schedule 13D is amended and updated as follows:

The purpose of the acquisitions of the Shares and Warrants is for investment, and the acquisitions of the Shares and/or Warrants by each of the Funds and Watershed Offshore were made in the ordinary course of business and were not made for the purpose of acquiring control of the Company.

Although no Reporting Person has any specific plan or proposal to acquire or dispose of Shares and/or Warrants, consistent with its investment purpose, each Reporting Person at any time and from time to time may acquire additional Shares and/or Warrants or dispose of any or all of its Shares and/or Warrants depending upon an ongoing evaluation of the investment in such securities, prevailing market conditions, other investment opportunities, liquidity requirements of the Reporting Person and/or other investment considerations. No Reporting Person has made a determination regarding a maximum or minimum number of Shares and/or Warrants which it may hold at any point in time.

Also, consistent with their investment intent and in an effort to maximize shareholder value, the Reporting Persons may engage in communications with one or more shareholders of the Company, one or more officers of the Company, one or more members of the board of directors of the Company, potential investors in the Company and/or other persons regarding the Company, including but not limited to its operations.

As stated in Item 3, the Shares reported herein were acquired by the Funds and Watershed Offshore either through open-market purchases or as in-kind distributions from RC Aviation LLC to such Reporting Persons, as members of RC Aviation LLC. In particular, 1,058,824 of the Shares reported herein (the LLC

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

Shares) were acquired by certain of the Reporting Persons as in-kind distributions from RC Aviation LLC to such Reporting Persons as members of RC Aviation LLC.

Page 12 of 46 Pages

In addition, since the filing of the prior Schedule 13D, RC Aviation LLC made an in-kind distribution of the Common Stock Warrant described in Item 4 of the prior Schedule 13D. This distribution resulted in the Funds and Watershed Offshore receiving, in aggregate, the Warrants to purchase 725,896 Shares. As such Warrants are immediately exercisable, the Reporting Persons may be deemed, in aggregate, to be the beneficial owner of the 725,896 Shares underlying the Warrants. The Warrants are exercisable at an exercise price of \$7.20 per Share, subject to adjustment from time to time for certain dilutive events, pursuant to the terms of the Warrants. The Warrants are immediately exercisable, subject to a cap (which may be waived by the holder upon 65 days' notice) that would prevent the holder of the Warrants from acquiring the underlying Shares to the extent that such acquisition would cause such holder, or any other persons who are deemed to beneficially own any Shares beneficially owned by such holder, to beneficially own in aggregate more than 9.999% of the total number of issued and outstanding Shares (including Shares that would be issuable upon the exercise of the Warrants).

The descriptions above of the Common Stock Warrant and the Warrants are qualified in their entirety by the full terms and conditions of the Common Stock Warrant and the Warrants, which are incorporated herein by reference. For the full terms and conditions of the Common Stock Warrant, see Exhibit 10.44 to the Annual Report on Form 10-K filed by the Company with the SEC on March 23, 2006. For the full terms and conditions of the Warrants, see Exhibit 5 filed herewith.

WCP, WCIP and Watershed Offshore have agreed to purchase certain warrants (the "Trade Warrants") issued by the Company to purchase an aggregate of 215,517 Shares, subject to the negotiation and completion of documentation and the satisfaction of any conditions precedent. Each Trade Warrant has an exercise price of \$5.00 per Share, is immediately exercisable and has an expiration date of March 13, 2009. Upon the purchase of the Trade Warrants, the Reporting

Page 13 of 46 Pages

Persons will be deemed to beneficially own an additional 215,517 Shares. As the Reporting Persons are not currently deemed to beneficially own any of the Trade Warrants or any Shares underlying the Trade Warrants, the 3,971,372 Shares reported herein do not include such 215,517 additional Shares, which represent approximately 0.5% of the outstanding Shares of the Company. The description above of the Trade Warrants is qualified in its entirety by the full terms and conditions of the Trade Warrants, which are incorporated herein by reference. For the full terms and conditions of the Trade Warrants, see Exhibit 10.03 to the Form 8-K filed by the Company with the SEC on March 17, 2006.

The Reporting Persons no longer own the Series A Notes or the Series B Notes reported in the Item 4 of the prior Schedule 13D, as such Notes were redeemed by the Company.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

Except to the extent the information stated in this Item 4 may be deemed a plan or proposal, none of the Reporting Persons has any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

THIS CERTIFIES THAT, for value received, _____ having an address at _____, or registered assigns, is entitled to purchase from Hawaiian Holdings, Inc., a Delaware corporation, or any successor (the "Company"), in whole or in part, at a purchase price of \$7.20 per share (subject to adjustment as provided herein), at any time, from and after the date hereof to and including June 1, 2010, _____ shares of the fully paid and nonassessable Common Stock (as herein defined) (as such number may be adjusted as provided herein).

The shares of Common Stock which may be purchased pursuant to this Warrant are referred to herein as the "Aggregate Number" Certain terms used in this Warrant are defined in Section 6.

This Warrant certificate is being issued to consummate the distribution of Warrant No. W-3 by RC Aviation LLC to its members.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

The number of shares of Common Stock purchasable hereunder ("Warrant Shares") is subject to adjustment as hereinafter set forth. This Warrant is subject to the following provisions, terms and conditions:

1. (a) Exercise of Warrant. The rights represented by this Warrant may be exercised by the Holder hereof, in whole or in part (but not as to a fractional share of Common Stock), by (A) the delivery of this Warrant, together with a properly completed Subscription Form in the form attached hereto, to the principal office of the Company at 3375 Koapaka Street, Suite G350, Honolulu, HI 96819 (or to such other address as it may designate by notice in writing to the Holder) and (B) payment to the Company of the Warrant Purchase Price for the Warrant Shares being purchased (i) by cash or by certified check or bank draft, (ii) as provided in Section 1(b) or (iii) any combination thereof. In the case of payment of all or a portion of the Warrant Purchase Price pursuant to Section 1(b), the direction of the Holder to make a "cashless exercise" shall serve as accompanying payment for that portion of the Warrant Purchase Price. The Company agrees that the shares so purchased shall be deemed to be issued to the Holder as the record owner of such shares as of the close of business on the date on which this Warrant shall have

Page 25 of 46 Pages

been delivered to the Company and payment made for such shares as aforesaid. Certificates for the shares so purchased shall be delivered to the Holder within ten (10) Business Days after the rights represented by this Warrant shall have been so exercised, and, unless this Warrant has expired, a new Warrant representing, and with an Aggregate Number equal to, the number of Warrant Shares, if any, with respect to which this Warrant shall not then have been exercised, in all other respects identical with this Warrant, shall also be issued and delivered to the Holder within such time, or, at the request of such Holder, appropriate notation may be made on this Warrant and signed by the Company and the same returned to such Holder.

(b) Cashless Exercise. If the sale of the Warrant Shares is not covered by a registration statement under the Securities Act, the Holder shall have the right to pay all or a portion of the Warrant Purchase Price by making a "Cashless Exercise" pursuant to this Section 1(b), in which case (i) shares of the Company's Common Stock other than the Warrant Shares or (ii) at any time after June 1, 2006, the Warrant Shares to be acquired upon the exercise of this Warrant may be applied to pay the exercise price in connection with the exercise of this Warrant in whole or in part. Any shares of Common Stock or Warrant Shares transferred to the Company as payment of the exercise price under this Warrant shall be valued at the Fair Market Value of such shares of Common Stock or Warrant Shares.

(c) Transfer Restriction Legend. Each certificate for Warrant Shares issued upon exercise of this Warrant, unless at the time of exercise the offer and sale of such Warrant Shares are registered under the Securities Act, shall bear the following legend (and any additional legend required by applicable law or rule) on the face thereof:

The offer and sale of the shares of stock represented hereby have not been registered pursuant to the Securities Act of 1933, as amended, or any state securities law.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

Neither these shares, nor any portion thereof or interest therein, may be sold, transferred or otherwise disposed of unless the same are registered and qualified in accordance with said Act and any applicable state securities law, or, in the opinion of counsel reasonably satisfactory to the Company, such registration and qualification are not required.

The provisions of Section 2 shall be binding upon all holders of certificates for Warrant Shares bearing the above legend and shall also be applicable to all holders of this Warrant.

(d) Expenses and Taxes on Exercise. The Company shall pay all expenses, taxes and other charges payable in connection with the preparation, execution and delivery of any stock certificates and substitute Warrants pursuant to this Section 1, except that, in case such stock certificates or Warrants shall be registered in a name or names other than the name of the holder of this Warrant, funds sufficient to pay all stock transfer taxes which shall be payable upon the execution and delivery of such stock certificates or Warrants shall be paid by the Holder to the Company at the time the Company delivers such stock certificates or Warrants to the Company for exercise.

(e) Limitation on Exercise. Notwithstanding any provision of this Warrant to the

Page 26 of 46 Pages

contrary, the number of shares of Common Stock that may be acquired by the Holder upon any exercise of this Warrant shall be limited to the extent necessary to ensure that, following such exercise, the total number of shares of Common Stock then beneficially owned by Holder, its affiliates, any investment manager having discretionary investment authority over the accounts or assets of the Holder, or any other Persons whose beneficial ownership of Common Stock would be aggregated with the Holder's for purposes of Section 13(d) and Section 16 of the Securities Exchange Act of 1934 (the "Exchange Act") does not exceed 9.999% of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon exercise of this Warrant). For such purposes, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. The Company's obligation to issue shares of Common Stock in excess of the limitation referred to in this Section 1(e) shall be suspended (and shall not terminate or expire notwithstanding any contrary provisions hereof) until such time, if any, as such shares of Common Stock may be issued in compliance with such limitation. By written notice to the Company at any time on or after the date hereof, the Holder may waive the provisions of this Section 1(e), or increase or decrease such limitation percentage to any other percentage specified in such notice, not to exceed 9.999%. Any such waiver, or increase or decrease, will not be effective until the sixty-fifth day after such notice is delivered to the Company

2. (a) Warrants Not Registered: Transferee Restrictions. Each Holder, by acceptance thereof, represents and acknowledges that the offer and sale of this Warrant are not being registered under the Securities Act, that the issuance of this Warrant is being made in reliance on the exemption from registration under Section 4(2) of the Securities Act as not involving any public offering and that the Company's reliance on such exemption is predicated

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

in part on the representations made by the initial Holder of this Warrant to the Company that such Holder (i) is acquiring this Warrant for investment purposes for its own account, with no present intention of reselling or otherwise distributing the same in violation of the Securities Act, subject, nevertheless, to any requirement of law that the disposition of its property shall at all times be within its control, (ii) is an "accredited investor" as defined in Regulation D under the Securities Act and (iii) has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the investments made or to be made in connection with the acquisition and exercise of this Warrant. Neither this Warrant nor the related Warrant Shares may be transferred except pursuant to an effective registration statement under the Securities Act or upon the conditions specified in Section 2(b).

(b) Notice of Transfer, Opinion of Counsel. Each Holder, by acceptance hereof, agrees that prior to the disposition of this Warrant or of any Warrant Shares, other than pursuant to an effective registration under the Securities Act, such Holder will give written notice to the Company expressing such Holder's intention to effect such disposition and describing briefly such Holder's intention as to the manner in which this Warrant or the Warrant Shares theretofore issued or thereafter issuable upon exercise hereof, are to be disposed together with an opinion of counsel as may be designated by such Holder and reasonably satisfactory to the Company as to the necessity or non-necessity of registration under the Securities Act. If in the opinion of such counsel, the proposed disposition does not require registration under the Securities Act of the disposition of this Warrant and/or the Warrant Shares issuable or issued upon the exercise of this Warrant, such Holder shall be entitled to dispose of this Warrant and/or the Warrant Shares

theretofore issued upon the exercise hereof, all in accordance with the terms of the notice delivered by such Holder to the Company. The Company is entitled to rely on the most recent written notice from the Holder with respect to the ownership of the Warrant.

3. Representations, Warranties and Covenants of the Company.

(a) The Company hereby represents and warrants that:

(A) The Company has full corporate power and authority to execute and deliver this Warrant.

(B) The execution and delivery of this Warrant and the consummation by the Company of the transactions contemplated hereby have been duly and validly approved by all necessary corporate action on the part of the Company.

issued by the Company to such Holder, shall have good title thereto free from all taxes, liens and charges with respect to the issuance thereof.

(b) The Company covenants and agrees that:

(A) Reservation of Shares. During the period within which the rights represented by this Warrant may be exercised, the Company will have at all times authorized, and reserved for the purpose of issue or transfer upon exercise of the rights evidenced by this Warrant, a sufficient number of shares of the Common Stock to provide therefore

(B) Issuance of Shares. The Warrant Shares issued pursuant to the exercise of this Warrant will, upon issuance, be duly and validly issued, fully paid and nonassessable and the holder of such Warrant Shares shall have good title to such Warrant Shares free from all taxes, liens and charges with respect to the issuance thereof.

(C) Listing on Securities Exchanges. The Company promptly will procure at its sole expense the listing of all Warrant Shares then registered for public sale (subject to issuance or notice of issuance) on all stock exchanges on which the shares of Common Stock are then listed.

4. Participation in Distributions of Common Stock and Certain

Adjustments.

Under certain conditions, the Aggregate Number is subject to adjustment as set forth in this Section 4. No adjustments shall be made under this Section 4 as a result of the issuance by the Company of the Warrant Shares upon exercise of this Warrant.

Page 28 of 46 Pages

(a) Adjustments. The Aggregate Number, after taking into consideration any prior adjustments pursuant to this Section 4, shall be subject to adjustment from time to time as follows and, thereafter, as adjusted, shall be deemed to be the Aggregate Number hereunder. No adjustment shall be made under this Section 4(a) upon the issuance of Convertible Securities or Common Stock issuable upon exercise or conversion of such Convertible Securities if an adjustment shall previously have been made upon the issuance of such Convertible Securities pursuant to Section 4(c).

(i) Stock Dividends; Subdivisions and Combinations. In case at any time or from time to time the Company shall:

(A) issue to the holders of the Common Stock a dividend payable in, or other distribution of, Common Stock (a "Stock Dividend"),

(B) subdivide its outstanding shares of Common Stock into a larger number of shares of Common Stock, including without limitation by means of a stock split (a "Stock Subdivision"), or

(C) combine its outstanding shares of Common Stock into a smaller number of shares of Common Stock (a "Stock Combination"),

then the Aggregate Number in effect immediately prior thereto shall be (1) proportionately increased in the case of a Stock Dividend or a Stock Subdivision and (2) proportionately decreased in the case of a Stock Combination. In the event the Company shall declare or pay, without consideration, any dividend on the Common Stock payable in any right to acquire Common Stock for no consideration, then the Company shall be deemed to have made a Stock Dividend in an amount of shares equal to the maximum number of shares issuable upon exercise of such rights to acquire Common Stock.

(ii) Other Distributions. In case at any time or from time to time the Company shall take a record of the holders of the Common Stock for the purpose of entitling them to receive any dividend or other distribution, other than a distribution of Common Stock, Convertible Securities or options, warrants or other rights to subscribe for or purchase any Convertible Securities (collectively, a "Distribution"), of:

(A) Cash (other than regular quarterly dividends payable out of current consolidated earnings);

(B) any evidences of its indebtedness, any shares of its Capital Stock (other than Common Stock) or any other securities or property of any nature whatsoever (other than cash); or

(C) any options, warrants or other rights to subscribe for or purchase any of the following: any evidences of its indebtedness, any shares of its Capital Stock (other than Common Stock) or any other securities or property of any nature whatsoever (other than cash),

then the Holder shall be entitled to receive such Distribution as if the Holder had fully exercised this Warrant upon the exercise of this Warrant at any time on or after the taking of such record, the number of Warrant Shares to be received upon exercise of this Warrant determined as stated herein and, in

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

addition and without further payment, the cash, evidences of indebtedness, stock, securities, other property, options, warrants and/or other rights (or any portion thereof) to which the Holder would have been entitled by way of such Distribution and subsequent dividends and distributions through the date of exercise as if such Holder (x) had fully exercised this Warrant immediately prior to such Distribution and (y) had retained the Distribution in respect of the Common Stock and all subsequent dividends and distributions of any nature whatsoever in respect of any stock or securities paid as dividends and distributions and originating directly or indirectly from such Common Stock.

A reclassification of the Common Stock into shares of Common Stock and shares of any other class of stock shall be deemed a Distribution by the Company to the holders of the Common Stock of such shares of such other class of stock and, if the outstanding shares of Common Stock shall be changed into a larger or smaller number of shares of Common Stock as a part of such reclassification, such event shall be deemed a Stock Subdivision or Stock Combination, as the case may be, of the outstanding shares of Common Stock within the meaning of Section 4(a) (i) hereof.

(iii) Issuance of Common Stock. If at any time or from time to time the Company shall (except as hereinafter provided in this Section 4(a)(iii)) issue or sell any additional shares of Common Stock for a consideration per share less than the Fair Market Value, then, effective on the date specified below, the Aggregate Number shall be adjusted by multiplying (A) the Aggregate Number immediately prior thereto by (B) a fraction, the numerator of which shall be the sum of the number of shares of Common Stock outstanding immediately prior to the issuance of such additional shares of Common Stock (calculated on a Fully Diluted basis) and the number of such additional shares of Common Stock so issued and the denominator of which shall be the sum of the number of shares of Common Stock outstanding immediately prior to the issuance of such additional shares of Common Stock (calculated on a Fully Diluted basis) and the number of shares of Common Stock which the aggregate consideration for the total number of such additional shares of Common Stock so issued would purchase at the Fair Market Value. The date as of which the Fair Market Value shall be computed shall be the earlier of the date on which the Company shall enter into a firm contract or commitment for the issuance of such additional shares of Common Stock or the date of actual issuance of such additional shares of Common Stock.

The provisions of this Section 4(a)(iii) shall not apply to any issuance of additional shares of Common Stock for which an adjustment is otherwise provided under

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

Section 4(a)(i) hereof. No adjustment of the Aggregate Number shall be made under this Section 4(a)(iii) upon:

(A) the issuance of any additional shares of Common Stock which are issued pursuant to (x) the exercise of other subscription or purchase rights or (y) the exercise of any conversion or exchange rights in any Convertible Securities, provided that for purposes of clauses (x) or (y) an adjustment shall previously have been made upon the issuance of such other rights or upon the issuance of such Convertible Securities pursuant to Section 4(a)(iv) or (v) hereof or no such adjustment shall have been required upon the issuance of such other rights or Convertible Securities;

(B) the issuance of Common Stock in any merger or other acquisition of a business or Person approved by the Board of Directors of the Company;

(C) the issuance of Common Stock in a Qualified Public Offering;

(D) the issuance of Common Stock upon the exercise of rights issued in connection with the contemplated rights offering by the Company for the purpose of the redemption of the Series A Subordinated Convertible Notes and Series B Subordinated Convertible Notes issued by the Corporation (collectively, the "Subordinated Convertible Notes"), prior to the first anniversary of the issuance of the Subordinated Convertible Notes;

(E) the issuance of up to 1,500,000 shares of Common Stock issuable to unions of Hawaiian Airlines, Inc., in transactions approved by the Board of Directors of the Company;

(F) the issuance of shares of Common Stock upon the exercise of stock options or other awards made or denominated in shares of Common Stock under the Company's 2005 Stock Incentive Plan or any of the Company's other stock plans including any stock option, stock purchase, restricted stock or similar plan hereafter adopted by the Board of Directors of the Company and, if required by applicable law or stock exchange requirement, approved by the stockholders of the Company;

(G) the issuance of Common Stock on exercise or conversion of Convertible Securities outstanding on the Closing Date; or

(H) the issuance of Common Stock pursuant to Convertible Securities to financial institutions or similar entities in transactions approved by the Board of Directors of the Company, the principal purpose of which is not raising capital through the sale of equity securities.

(iv) Warrants and Options. If at any time or from time to time the Company shall take a record of the holders of the Common

Stock for the purpose of entitling them to receive a distribution of, or shall in any manner (whether directly, by assumption in a merger in which the Company is the surviving corporation and in which the shareholders of the Company immediately prior to the merger continue to own more than fifty percent (50%) of the outstanding Common Stock immediately after the merger and for a period of one hundred eighty (180) days thereafter, or otherwise) issue or sell any warrants, options or other rights to subscribe for or purchase, directly or indirectly, any Convertible Securities, whether or not the rights to subscribe, purchase, exchange or convert thereunder are immediately exercisable, and the consideration per share for which additional shares of Common Stock may at any time thereafter be issuable pursuant to such warrants, options or other rights or pursuant to the terms of such Convertible Securities shall be less than the Fair Market Value, then the Aggregate Number shall be adjusted as provided in Section 4(a)(iii) hereof on the basis that (A) the maximum number of additional shares of Common Stock issuable pursuant to all such warrants, options or other rights or necessary to effect the conversion or exchange of all such Convertible Securities shall be deemed to have been issued as of the date of the determination of the Fair Market Value as hereinafter provided and (B) the aggregate consideration for such maximum number of additional shares of Common Stock shall be deemed to be the minimum consideration received and receivable by the Company for the issuance of such additional shares of Common Stock pursuant to the terms of such warrants, options or other rights or such Convertible Securities. For purposes of this Section 4(a)(iv), the effective date of such adjustment and the date as of which the Fair Market Value shall be computed shall be the earliest of (x) the date on which the Company shall take a record of the holders of the Common Stock for the purpose of entitling them to receive any such warrants, options or other rights, (y) the date on which the Company shall enter into a firm contract or commitment for the issuance of such warrants, options or other rights and (z) the date of actual issuance of such warrants, options or other rights.

No adjustment of the Aggregate Number shall be made under this Section 4(a)(iv) upon:

(A) the issuance of any warrants, options or other rights which are issued pursuant to the exercise of any warrants, options or other rights if an adjustment shall have been made or is contemporaneously made or if no such adjustment shall have been required upon the issuance of such warrants, options or other rights, pursuant to this Section 4(a)(iv);

(B) the issuance of warrants, options or other rights to subscribe for or purchase Convertible Securities in any merger or other acquisition of a business or Person approved by the Board of Directors of the Company;

Page 32 of 46 Pages

(C) the issuance of warrants, options or other rights to subscribe for or purchase shares of Common Stock or other awards made or denominated in shares of Common Stock under the Company's 2005 Stock Incentive Plan or any of the Company's other stock plans including any stock option, stock purchase, restricted stock or similar plan hereafter adopted by the Board of Directors of the Company and, if required by applicable law or stock exchange requirement, approved by the stockholders of the Company;

(D) the issuance of rights to purchase Common Stock issued in connection with the contemplated rights offering by the Company for the purpose of the redemption of the Subordinated Convertible Notes, prior to the first anniversary of the issuance of the Subordinated Convertible Notes; or

(E) the issuance of options, warrants or other rights to subscribe for or purchase Convertible Securities to financial institutions or similar entities in transactions approved by the Board of Directors of the Company, the principal purpose of which is not raising capital through the sale of equity securities.

(v) Convertible Securities. If at any time or from time to time the Company shall take a record of the holders of the Common Stock for the purpose of entitling them to receive a distribution of or shall in any manner (whether directly, by assumption in a merger in which the Company is the surviving corporation and in which the shareholders of the Company immediately prior to the merger continue to own more than fifty percent (50%) of the outstanding Common Stock immediately after the merger and for a period of one hundred eighty (180) days thereafter, or otherwise) issue or sell Convertible Securities, whether or not the rights to exchange or convert thereunder are immediately exercisable, and the consideration per share for the additional shares of Common Stock which may at any time thereafter be issuable pursuant to the terms of such Convertible Securities shall be less than the Fair Market Value, then the Aggregate Number shall be adjusted as provided in Section 4(a)(iii) hereof on the basis that (A) the maximum number of additional shares of Common Stock necessary to effect the conversion or exchange of all such Convertible Securities shall be deemed to have been issued as of the date of the

determination of the Fair Market Value as herein provided and (B) the aggregate consideration for such maximum number of additional shares of Common Stock shall be deemed to be the minimum consideration received and receivable by the Company for the issuance of such additional shares of Common Stock pursuant to the terms of such Convertible Securities. For purposes of this Section 4(a)(v), the effective date of such adjustment and the date as of which the Fair Market Value shall be computed shall be the earliest of (x) the date on which the Company shall take a record of the holders of the Common Stock for the purpose of entitling them to receive any such Convertible Securities, (y) the date on which the Company shall enter into a

Page 33 of 46 Pages

firm contract or commitment for the issuance of such Convertible Securities and (z) the date of actual issuance of such Convertible Securities.

No adjustment of the Aggregate Number shall be made under this Section 4(a)(v) upon:

(A) the issuance of any Convertible Securities which are issued pursuant to the exercise of any warrants, options or other subscription or purchase rights if an adjustment shall previously have been made or is contemporaneously made or if no such adjustment shall have been required upon the issuance of such warrants, options or other rights pursuant to Section 4(a)(iv) hereof;

(B) the issuance of Convertible Securities in any merger or other acquisition of a business or Person approved by the Board of Directors of the Company;

(C) the issuance of Convertible Securities upon the exercise, conversion or the extension of the term of Convertible Securities outstanding on the Closing Date or the cancellation and reissuance with identical terms and conditions except for a longer term of any such Convertible Securities outstanding on the Closing Date; or

(D) the issuance of Convertible Securities to financial institutions or similar entities in transactions approved by the Board of Directors of the Company, the principal purpose of which is not raising capital through the sale of equity securities.

(vi) Subsequent Adjustments. If at any time after any adjustment of the Aggregate Number shall have been made pursuant to Section 4(a)(iv) or (v)

hereof on the basis of the issuance of warrants, options or other rights or the issuance of Convertible Securities, or after any new adjustments of the Aggregate Number shall have been made pursuant to this Section 4(a)(vi), then:

(A) such warrants; options or rights or the right of conversion or exchange in such Convertible Securities shall expire, and all or a portion of such warrants, options or rights, or the right of conversion or exchange in respect of all or a portion of such Convertible Securities, as the case may be, shall not have been exercised prior to such expiration, then

(B) such previous adjustment shall be rescinded and annulled and the additional shares of Common Stock which were deemed to have been issued by virtue of the computation made in connection with such adjustment shall no longer be deemed to have been issued by virtue of such computation;

(C) simultaneously therewith, a recomputation shall be made of the effect of such warrants, options or rights or Convertible Securities on the determination of the Aggregate Number, which shall be made on the basis of

Page 34 of 46 Pages

treating the number of additional shares of Common Stock, if any, theretofore actually issued pursuant to any previous exercise of such warrants, options or rights or such right of conversion or exchange as having been issued on the date or dates of such exercise and, in the case of a recomputation of a calculation originally made pursuant to Section 4(a)(iv) or (v), for the consideration actually received and receivable therefor;

and, if and to the extent called for by the foregoing provisions of Section 4(a)(vi) on the basis aforesaid, a new adjustment of the Aggregate Number shall be made, such new adjustment shall supersede the previous adjustment so rescinded and annulled.

(vii) Miscellaneous. The following provisions shall be applicable to the making of adjustments of the Aggregate Number provided above in this Section 4(a):

(A) Whenever the Aggregate Number is adjusted pursuant to this Section 4(a), the Warrant Purchase Price per Warrant Share payable upon exercise of this Warrant shall be adjusted by multiplying the Warrant Purchase Price immediately prior to such adjustment by a fraction, the numerator of which shall be the Aggregate Number prior to such adjustment, and

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

the denominator of which shall be the Aggregate Number following such adjustment.

(B) The sale or other disposition of any issued shares of Common Stock owned or held by or for the account of the Company or any of its Subsidiaries shall be deemed an issuance thereof for the purposes of this Section 4(a).

(C) To the extent that any additional shares of Common Stock or any Convertible Securities or any warrants, options or other rights to subscribe for or purchase any Convertible Securities (1) are issued solely for cash consideration, the consideration received by the Company therefor shall be deemed to be the amount of the cash received by the Company therefor or (2) are offered by the Company for subscription, the consideration received by the Company shall be deemed to be the subscription price, in any such case excluding any amounts paid or receivable for accrued interest or accrued or accumulated dividends. To the extent that such issuance shall be for a consideration other than cash, or partially for cash and partially for other consideration, then the amount of such consideration shall be deemed to be the fair market value of such other consideration plus, if applicable, the amount of such cash at the time of such issuance, determined in the manner set forth in Section 4(d)(ii). In case any additional shares of Common Stock or any Convertible Securities or any warrants, options or other rights to subscribe for or purchase any Convertible Securities shall be issued in connection with any merger in which the Company is the survivor and issues any securities, the amount of consideration therefor shall be deemed to be the fair market value of such additional shares of Common Stock,

Page 35 of 46 Pages

Convertible Securities, warrants, options or other rights, as the case may be, determined in the manner set forth in Section 4(d)(ii).

The consideration for any shares of Common Stock issuable pursuant to the terms of any Convertible Securities shall be equal to (x) the consideration received by the Company for issuing any warrants, options or other rights to subscribe for or purchase such Convertible Securities, plus (y) the consideration paid or payable to the Company in respect of the subscription for or purchase of such Convertible Securities, plus (z) the consideration, if any, payable to the Company upon the exercise of the right of conversion or exchange of such Convertible Securities.

In case of the issuance at any time of any additional shares of Common Stock or Convertible Securities in payment or satisfaction of any dividends upon any class of stock other than Common Stock, the Company shall be deemed to have received for such additional shares of Common Stock or Convertible Securities a consideration equal to the amount of

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

such dividend so paid or satisfied.

(D) The adjustments required by the preceding paragraphs of this Section 4(a) shall be made whenever and as often as any specified event requiring an adjustment shall occur, except that no adjustment of the Aggregate Number that would otherwise be required shall be made if the amount of such adjustment shall be less than one percent (1%) of the number of Warrant Shares issuable upon exercise of the Warrants immediately prior to such adjustment. Any adjustment representing a change of less than such minimum amount (except as aforesaid) shall be carried forward and made as soon as such adjustment, together with other adjustments required by this Section 4(a) and not previously made, would result in a minimum adjustment. For the purpose of any adjustment, any specified event shall be deemed to have occurred at the close of business on the date of its occurrence.

(E) In computing adjustments under this Section 4(a), fractional interests in Common Stock shall be taken into account to the nearest one-thousandth of a share.

(F) If the Company shall take a record of the holders of the Common Stock for the purpose of entitling them to receive a dividend or distribution or subscription or purchase rights and shall, thereafter and before the distribution to shareholders thereof, legally abandon its plan to pay or deliver such dividend, distribution, subscription or purchase rights, then no adjustment shall be required by reason of the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.

(b) Changes in Common Stock. In case at any time the Company shall initiate any transaction or be a party to any transaction (including, without limitation, a merger, consolidation, share exchange, sale, lease or other disposition of all or substantially all of the Company's assets,

Page 36 of 46 Pages

liquidation, recapitalization or reclassification of the Common Stock) in connection with which the previous outstanding Common Stock shall be changed into or exchanged for different securities of the Company or Capital Stock or other securities of another corporation or interests in a non-corporate entity or other property (including cash) or any combination of the foregoing (each such transaction being herein called a "Transaction"), then, as a condition of the consummation of the Transaction and without duplication of any adjustment made pursuant to Section 4(a)(i), lawful, enforceable and adequate provision shall be made so that the Holder shall be entitled to receive upon exercise of this Warrant at any time on or after the consummation of the Transaction, in lieu of the Warrant Shares issuable upon such exercise prior to such consummation, the securities or other property (including cash) to which such Holder would have been entitled upon consummation of the Transaction if such Holder had exercised this Warrant immediately prior thereto (subject to adjustments from and after the consummation date as nearly equivalent as possible to the adjustments provided for in this Section 4). The foregoing provisions of this Section 4(b) shall similarly apply to successive Transactions.

Edgar Filing: HAWAIIAN HOLDINGS INC - Form SC 13D/A

(c) Other Action Affecting Capital Stock. In case at any time or from time to time the Company shall take any action of the type contemplated in Section 4(a) or (b) hereof but not expressly provided for by such provisions (other than the granting of stock appreciation rights, phantom stock rights or other rights with equity features) other than cash bonuses, then, unless in the opinion of the Company's Board of Directors such action will not have a material adverse effect upon the rights of the Holder (taking into consideration, if necessary, any prior actions which the Company's Board of Directors deemed not to materially adversely affect the rights of the Holder), the Aggregate Number shall be adjusted in such manner and at such time as the Company's Board of Directors may in good faith determine to be equitable in the circumstances.

(d) Notices.

(i) Notice of Proposed Actions. In case the Company shall propose (A) to pay any dividend payable in stock of any class to the holders of the Common Stock or to make any other distribution to the holders of the Common Stock, (B) to offer to the holders of the Common Stock rights to subscribe for or to purchase any Convertible Securities or additional shares of Common Stock or shares of stock of any class or any other securities, warrants, rights or options, (other than the exercise of preemptive rights by such a holder) (C) to effect any reclassification of the Common Stock, (D) to effect any recapitalization, stock subdivision, stock combination or other capital reorganization, (E) to effect any consolidation or merger, share exchange, or sale, lease or other disposition of all or substantially all of its property, assets or business, (F) to effect the liquidation, dissolution or winding up of the Company, or (G) to effect any other action which would require an adjustment under this Section 4, then in each such case the Company shall give to the Holder written notice of such proposed action, which shall specify the date on which a record is to be taken for the purposes of such stock dividend, stock subdivision, stock combination, distribution or rights, or the date on which such reclassification, recapitalization, reorganization, consolidation, merger, share exchange, sale, lease, transfer, disposition, liquidation, dissolution, winding up or other

Page 37 of 46 Pages

transaction is to take place and the date of participation therein by the holders of Common Stock, if any such date is to be fixed, or the date on which the transfer of Common Stock is to occur, and shall also set forth such facts with respect thereto as shall be reasonably necessary to indicate the effect of such action on the Common Stock and on the Aggregate Number after giving effect to any adjustment which will be required as a result of such action. Such notice shall be so given in the case of any action covered by clause (A) or (B) above at least ten (10) days prior to the record date for determining holders of the Common Stock for purposes of such action and, in the case of any other such action, at least ten (10) days prior to the earlier of the date of the taking of such proposed action or the date of participation therein by the holders of Common Stock.

(ii) Adjustment Notice. Whenever the Aggregate Number is to be adjusted pursuant to this Section 4, unless otherwise agreed by the Holder, the Company shall promptly (and in any event within twenty (20) Business Days after the event requiring the adjustment) prepare a certificate signed by the Chief Financial Officer of the Company, setting forth, in reasonable detail, the event requiring the adjustment and the method by which such adjustment is to be calculated. The Company shall keep at its principal office copies of all such certificates and cause the same to be available for inspection at said office during normal business hours by the Holder or any prospective purchaser of the Warrant (in whole or in part) if so designated by the Holder.

5. No Dilution or Impairment. The Company will not, by amendment of its Certificate of Incorporation or through any reorganization, recapitalization, transfer of assets, consolidation, merger, share exchange, dissolution or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, including, without limitation, the adjustments required under Section 4 hereof, and will at all times in good faith assist in the carrying out of all such terms and in taking of all such action as may be necessary or appropriate to protect the rights of the Holder against dilution or other impairment. Without limiting the generality of the foregoing and notwithstanding any other provision of this Warrant to the contrary (including by way of implication), the Company (a) will not increase the par value of any shares of Common Stock receivable on the exercise of this Warrant above the amount payable therefor on such exercise or (b) will take all such action as may be necessary or appropriate so that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock on the exercise of this Warrant.
