Item 3.02 Unregistered Sales of Equity Securities.

International Coal Group, Inc. (the “Company”) has entered into a privately negotiated agreement dated December 18, 2009 pursuant to which it will issue shares of its common stock, par value \$0.01 per share (the “Common Stock”), in exchange for up to \$30.0 million aggregate principal amount of its 9.00% Convertible Senior Notes due 2012 (the “Notes”). The actual number of shares to be issued cannot yet be determined as they will be based on a calculation that takes into account certain market and formulaic considerations. In addition, the aggregate principal amount of the Notes being exchanged will be contingent on certain market conditions, including the price of the Company's stock exceeding certain thresholds. The Company expects to issue the shares in a series of transactions ending on or about January 11, 2010. The Company will report the actual number of shares issued and the actual aggregate principal amount of Notes exchanged after determination of those amounts.

The Company has also entered into another privately negotiated agreement dated December 18, 2009 pursuant to which it will issue in excess of 8.5 million shares of its Common Stock in exchange for approximately \$30.0 million aggregate principal amount of the Notes. The Company expects to issue the shares on or about December 22, 2009. The investor receiving the shares has agreed not to sell any of the shares prior to February 28, 2010.

The issuance of Common Stock in connection with the agreements will be made pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), contained in Section 3(a)(9) of the Securities Act, on the basis that the exchanges constitute exchanges with existing holders of the Company's securities and no commission or other remuneration was or will be paid or given directly or indirectly to any party for soliciting such exchanges.

This Current Report on Form 8-K does not constitute an offer to exchange the Notes or other securities of the Company for Common Stock or other securities of the Company.
