## Edgar Filing: HEALTHSOUTH CORP - Form 8-K

ITEM 1.01. Entry into a Material Definitive Agreement.

On March 6, 2006, a class action settlement agreement (the "Settlement") was reached by all parties to an action consolidated on July 2, 2003 against, among others, HealthSouth Corporation ("HealthSouth" or the "Company"), captioned IN RE HEALTHSOUTH CORP. ERISA LITIGATION, No. CV-03-BE-1700 (N.D. Ala.) (the "ERISA Litigation"). This agreement supersedes a partial settlement agreement previously executed on July 25, 2005 by, among others, the Company.

Under the terms of the Settlement, and in consideration of an absolute and unconditional release from all members of the plaintiff class of all claims (collectively, the "Released Claims") asserted in the ERISA Litigation, excluding all Securities Actions, Derivative Actions, and certain other claims (each, as set forth in the Settlement), HealthSouth and its insurance carriers have agreed, without admitting or denying the existence or validity of any of the Released Claims, to pay \$27 million to the plaintiff class via the HealthSouth Corporation Employee Stock Benefit Plan (the "Plan"), of which the Company is contributing \$7 million and its insurance carriers are contributing \$20 million. In addition, the Company's former CFO Michael Martin is contributing \$350,000 and the Company's former CEO Richard Scrusby is contributing \$1,500,000 toward the settlement. HealthSouth will also contribute the first million dollars of its net recovery, if any, from the \$47 million judgment recently entered against Richard Scrusby in derivative litigation, which is currently on appeal. The Settlement is subject to approval by an independent fiduciary on behalf of the Plan and final approval of the United States District Court for the Northern District of Alabama (the "Court") consummated.

Certain matters discussed herein constitute forward-looking statements which represent HealthSouth's current expectations and beliefs concerning future events that involve risks and uncertainties which could cause actual results to differ materially from those currently anticipated. Such information is based on numerous assumptions and involve a number of risks and uncertainties, many of which are beyond the Company's control.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure included under Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.
