ANNOUNCEMENT

PRE-CONDITIONAL VOLUNTARY GENERAL OFFER FOR CHINA GAS HOLDINGS LIMITED

The Offerors note that various news articles speculated on comments made by Mr. Fu Chengyu, the Chairman of Sinopec Corp. ("Mr. Fu"), during the press conference of Sinopec Corp. on March 26, 2012 (the "Press Conference"). The Offerors hereby set out below a verbatim transcript of Mr. Fu's comments regarding the Offers made in the Press Conference to correct any misinterpretations and/or misunderstandings that may have been resulted from the news articles.

Reference is made to the announcement jointly published by ENN Energy Holdings Limited ("ENN Energy") and China Petroleum & Chemical Corporation ("Sinopec Corp.") dated December 12, 2011 (the "Offer Announcement") in which the Offerors jointly announced a pre-conditional voluntary cash offer. Terms defined in the Offer Announcement have the same meanings when used in this announcement unless the context otherwise requires.

The following sets out an English translation of the verbatim transcript of Mr. Fu's comments regarding the Offers made during the Press Conference.

"Regarding the acquisition of China Gas, we and ENN Energy have provided an offer price, which reflects fair value given to China Gas in accordance with market circumstances. As to whether or not there will be an increase to the offer price, we do not have to complete this acquisition just for the sake of completing an acquisition. We cannot overpay by paying a price which is above market. And I believe the price we are offering is a price that has taken into account the market prices."

The Offerors would like to state that the above remarks do not constitute a “no increase” statement pursuant to Rule 18.3 of the Takeovers Code and they reserve the right to revise the terms of the Offers.

The Offerors would like to remind China Gas Shareholders, China Gas Optionholders and potential investors not to speculate on the possibility of any revisions to the terms of the Offers. In addition, they are also reminded to rely on announcements published by the relevant parties to the Offers but not press reports in relation to any material new information regarding the Offers.

WARNING: China Gas Shareholders, China Gas Optionholders and potential investors should be aware that the making of the Offers is subject to the satisfaction or waiver (where applicable) of the Pre-Conditions and the Offers are subject to the Conditions being fulfilled or waived (as applicable) and thus the Offers may or may not be made and may or may not become unconditional. China Gas Shareholders, China Gas Optionholders and potential investors should therefore exercise caution when dealing in the China Gas Shares and any options or other rights in respect of them. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.
