Item 8.01 Other Events

Prior Period Adjustment for Unrecorded Promissory Note

Italk, Inc. (the “Company”) has determined, in the course of preparing financial statements of the Company for the quarterly period ended August 31, 2014, that the Company inadvertently omitted disclosure of a non-cash transaction involving the purchase of inventory paid for with a promissory note in July, 2013 in the amount of \$26,359. The Company did not account for these inventory items in current assets or recognize the related liability for the note as described below.

The impact of this omission on financial disclosures was confined to the Company’s balance sheet in its public filings for the year ending August 31, 2013 and the three subsequent quarters ending November 30, 2013, February 28, 2014 and May 31, 2014, respectively. There was no affect on reported earnings or retained earnings for these periods. The Company believes the omission was immaterial to its financial disclosures and will account for this transaction in future quarterly and annual filings.
