Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 5, 2011, Randall Appel and Lee R. Rice were dismissed from the Board of Directors of Alto Group Holdings, Inc. (the “Company”) by the affirmative vote of holders of a majority of the Company’s outstanding voting shares. Messrs. Appel and Rice were appointed to the Company’s Board of Directors in September 2011 and November 2009, respectively.

Also on November 5, 2011, Randall Appel was dismissed as the Company’s Chief Executive Officer, having been appointed in such role in September 2011. Mr. Appel submitted a letter in connection with his termination which is attached to this Current Report as Exhibit 99.1.

The Company disputes and denies any and all allegations made by Mr. Appel in his letter and believes they are without merit. Mr. Appel deliberately breached an agreement with Opiuchus Holdings, Inc. (“OHI”), a holder of a controlling voting interest in the Company’s shares, whereby such voting interest reverted to OHI. In addition, Mr. Appel refused to take any action to protect the interests of shareholders including, in particular, the maintenance of mining interests held by the Company. In addition, Mr. Appel has refused to provide information relating to a Company bank account controlled exclusively by Mr. Appel, as well as expenses related thereto, in violation of the Company’s controls and procedures and rules governing public companies. These actions formed the basis by which Mr. Appel was removed and replaced as the Chief Executive Officer of the Company.

On November 7, 2011, David Zimmerman resigned as an executive officer of the Company, having been appointed in such role in June 2011.

On November 5, 2011, the Board of Directors of the Company appointed Mark Klok as the Company’s Chairman and Chief Executive Officer. A summary of Mr. Klok’s background and business experience is as follows:

Mark Klok (35). Mr. Klok has served as a member of the Company’s Board of Directors since November 2009. From November 2009 until September 2011, he was the Chief Executive Officer of the Company, and from November 2009 until October 2011 he was the Chairman of the Board. He has over a decade of experience in a variety of mining exploration projects in both base metals and precious metals. He is versed in all aspects of exploration and mining having had a successful career in the exploration and development of gold and other minerals in Africa, Mexico, Columbia, Peru, and projects in North and South America. Mr. Klok is also the Chief Executive Officer of Fuelstream, Inc., a fuel transportation and logistics company and a filer of reports with the Securities and Exchange Commission (“Commission”) under the Securities Exchange Act of 1934 (“Exchange Act”). Since November 2009, Mr. Klok has also served as the Chief Executive Officer of Tidal Wave Holdings, Inc., a development-stage company that

In June 2006, Mr. Klok became the President of Consolidated Mining and Minerals, Inc., certain assets of which were subsequently acquired in August 2007 by Hidalgo Mining, Inc. (“Hidalgo”), a mining exploration and development company with various mining interests in West Africa. Mr. Klok subsequently became the President of Hidalgo in September 2007, serving in this capacity until January, 2010.

Item 5.07 Submission of Matters to a Vote of Security Holders.
