TITAN MACHINERY INC.
Annual Meeting of Stockholders
June 6, 2019

PROXY STATEMENT

INTRODUCTION

Your proxy is solicited by the Board of Directors (the "Board") of Titan Machinery Inc. ("we," "us," "our," or the "Company") for our Annual Meeting of Stockholders to be held at 8:00 a.m., Central Time, on June 6, 2019 (the "Annual Meeting"), at the location and for the purposes set forth in the Notice of Annual Meeting of Stockholders, and at any adjournment or postponement thereof. The proposals to be voted on at the Annual Meeting are described in this Proxy Statement.

The mailing address of our principal executive offices is Titan Machinery Inc., 644 East Beaton Drive, West Fargo, North Dakota 58078. We expect that this Proxy Statement, the related Proxy Card, and the Notice of Annual Meeting of Stockholders will first be mailed or made available to our stockholders on or about April 26, 2019.

GENERAL INFORMATION

Purpose of the Annual Meeting At the Annual Meeting, our stockholders will act upon the following proposals outlined in the Notice of Annual Meeting of Stockholders:

Proposal 1 - Election of Directors

Proposal 2 - Advisory Vote to Approve the Compensation of our Named Executive Officers

Proposal 3 - Ratification of Independent Registered Public Accounting Firm

Following this, management of the Company will give a business update. Management will be available to respond to appropriate questions from stockholders.

What is a Proxy? It is your legal designation of another person to vote the stock you own in the manner you direct. That other person is called a proxy. You may designate someone as your proxy in a written document, typically with a proxy card. We have authorized members of our senior management designated by the Board and named in your proxy card to represent you and to vote your shares as instructed. The proxies also may vote your shares at any adjournments or postponements of the Annual Meeting.

What is a Proxy Statement? It is a document we give you when we are soliciting your designation of a proxy pursuant to Securities and Exchange Commission ("SEC") rules and regulations.

Stockholder of Record If your shares were registered in your name with our transfer agent as of the record date, April 15, 2019, you are a stockholder of record with respect to those shares.

Shares held in "Street Name" If you hold your shares in an account at a bank or broker, then you are the beneficial owner of shares held in "street name." Your bank or broker is considered the stockholder of record for purposes of voting at the Annual Meeting, but you, as the beneficial owner, have the right to direct your bank or broker on how to vote the shares held in your account at the Annual Meeting.

Number of Shares Required to be Present to Hold the Annual Meeting

In order to conduct the Annual Meeting, holders of a majority of the shares outstanding and entitled to vote as of the close of business on the record date, April 15, 2019, must be present in person or by proxy. This constitutes a quorum. Your shares are counted as present if you attend the Annual Meeting and vote in person, or if you vote by proxy. Shares represented by proxies that include abstentions and broker non-votes (described below) will be counted as present for purposes of establishing a quorum. If a quorum is not present, we will adjourn the Annual Meeting until a quorum is obtained.

Proxy Solicitation and Cost

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding that material to beneficial owners of the Company's common stock ("Common Stock"), will be borne by the Company. Directors, officers and employees of the Company may, without compensation other than their regular remuneration, solicit proxy votes personally or by telephone.

VOTING INFORMATION

Shares Held of Record. All stockholders of record may vote by telephone, internet, or mail as described in the written proxy card or may vote in person at the Annual Meeting.

Voting Methods

Shares Held In Street Name. If your shares are held in "street name" you must instruct the record holder of your shares (i.e., your broker or bank) in order to vote. If your shares are held in "street name" and you want to attend the meeting and vote in person, you must obtain a legal proxy document from the record holder of your shares and bring it to the Annual Meeting.

Revoking Your Proxy or Changing Your Vote

Any stockholder giving a proxy designation may revoke it at any time prior to its use at the Annual Meeting by giving written notice of such revocation to the Corporate Secretary of the Company, at 644 East Beaton Drive, West Fargo, ND 58078, or by attending and voting at the Annual Meeting.

The Board has nominated two candidates for election to our Board. On the vote to elect directors, stockholders may:

- Vote FOR one or both of the nominees; or
-

Proposal 1 - Election of Directors (page 9)

WITHHOLD votes as to one or both of the nominees.

Directors will be elected by a plurality of the votes of stockholders present in person or represented by proxy at the annual meeting. This means that the two nominees who receive the greatest number of "FOR" votes cast will be elected as directors. If you "WITHHOLD" authority to vote with respect to any director nominee, your shares will be counted for purposes of establishing a quorum, but will have no effect on the election of that nominee.

The Board recommends that stockholders vote FOR the election of each nominee.

The Board is holding a non-binding advisory vote to approve the compensation of our named executive officers (commonly referred to as the "Say-on-Pay Vote").

Stockholders may:

- Vote FOR the proposal;
- Vote AGAINST the proposal; or
- ABSTAIN from voting on the proposal.

Proposal 2 - Advisory Vote to

Approve the Compensation of our
Named Executive Officers (page
27)

The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required to approve Proposal 2.

An "ABSTAIN" vote has the same effect as an "AGAINST" vote on Proposal 2.

Your vote on Proposal 2 is a non-binding advisory vote to approve the compensation of our named executive officers (as defined below under "Compensation Discussion and Analysis"). The Board will consider the results of this advisory vote when considering future executive compensation decisions, but it will not be binding.

The Board recommends that stockholders vote FOR the approval of the compensation of our named executive officers.

The Audit Committee has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2020. The Board is seeking stockholder ratification of this appointment. On the vote to ratify the appointment of Deloitte & Touche LLP, stockholders may:

- Vote FOR the proposal;
- Vote AGAINST the proposal; or
- ABSTAIN from voting on the proposal.

Proposal 3 - Ratification of
Independent Registered Public
Accounting Firm (page 29)

The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required to approve Proposal 3.

An "ABSTAIN" vote has the same effect as an "AGAINST" vote on Proposal 3.

The Board recommends that stockholders vote FOR ratification of the selection of Deloitte & Touche LLP.

What if I do not specify a choice
for a matter when returning a
proxy?

Stockholders should specify their choice for each proposal on their proxy card. If no specific voting instructions are given, proxies that are signed and returned will be voted as follows:

- FOR the election of all director nominees;

- FOR the advisory approval of the compensation of our named executive officers;
and
- FOR the ratification of the appointment of Deloitte & Touche LLP as our
Independent Registered Public Accounting Firm.

A "broker non-vote" occurs when a broker has not received voting instructions from the beneficial owners of shares held in street name, and the broker does not have, or declines to exercise, discretionary authority to vote those shares. Brokers generally have authority to vote on "routine matters," as determined by applicable self-regulatory organizations governing that broker. Only Proposal 3, the ratification of an independent registered public accounting firm, is considered to be a "routine matter."

"Broker non-votes" have the following effect:

- | | |
|-----------|--|
| Broker | • |
| Non-Votes | Your shares will be counted as present for the purposes of determining whether there is a quorum at the Annual Meeting. |
| | • |
| | Your shares will not be counted as votes FOR or WITHHOLD authority for the election of the director nominees at the Annual Meeting. |
| | • |
| | Your shares will not be counted as votes FOR, AGAINST, or ABSTAIN on Proposal 2 ("Say-on-Pay Vote"), or Proposal 3 ("Ratification of Auditor"), as applicable. |

OUTSTANDING SHARES AND VOTING RIGHTS

The Board has fixed April 15, 2019 as the record date for determining stockholders entitled to vote at the Annual Meeting. Persons who were not stockholders at the close of business on such date will not be allowed to vote at the Annual Meeting. There were 22,184,919 shares of Common Stock issued and outstanding at the close of business on April 15, 2019. Common Stock is the only outstanding class of capital stock of the Company entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter to be voted upon at the Annual Meeting. No holders of any capital stock of the Company are entitled to cumulative voting rights.

SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table sets forth, as of April 15, 2019, information regarding beneficial ownership of our Common Stock by:

- Each person known to us to beneficially own 5% or more of our Common Stock;
- Each executive officer (as that term is defined under the rules and regulations of the SEC) named in the Summary Compensation Table on page 22, who are collectively referred to herein as our "named executive officers";
- Each of our directors (including nominees); and
- All of our executive officers and directors as a group.

We have determined beneficial ownership in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended. Beneficial ownership generally means having sole or shared voting or investment power with respect to securities. Unless otherwise indicated in the footnotes to the table, each stockholder named in the table has sole voting and investment power with respect to the shares of Common Stock set forth opposite the stockholder's name. We have calculated the percentage of Common Stock owned based on 22,184,919 shares of Common Stock outstanding on April 15, 2019. Unless otherwise noted below, the address of each beneficial owner listed on the table is c/o Titan Machinery Inc., 644 East Beaton Drive, West Fargo, North Dakota 58078.

- Chief Executive Officer - 3x annual base salary
- Chief Financial Officer - 2x annual base salary
- Chief Operating Officer and all other executive leadership team members - 50% of annual base salary

In addition, the Stock Ownership Guidelines require that each non-employee director of the Company must hold shares of Common Stock with a dollar value equal to four times the annual cash retainer paid to non-employee directors (excluding, for purposes of this calculation, any cash retainer paid to a non-employee director for purposes of serving as the lead independent director or as a committee chair). Also, to further align director and stockholder interests, our restricted stock award agreements with our non-employee directors require that the restricted stock received thereunder must be held by the non-employee director and not sold during his or her term of service. For purposes of measuring compliance with the Stock Ownership Guidelines, shares of Common Stock owned directly or indirectly by the officer or director or his or her immediate family members residing in the same household and unvested time-based restricted stock are considered "owned" shares. Shares underlying unexercised stock options, unvested performance-based restricted stock and unvested restricted stock units do not count towards satisfying the Stock Ownership Guidelines. The Compensation Committee will review and report to the Board on an annual basis regarding the stock ownership levels of our senior officers and directors with the expectation of seeing meaningful progress towards the achievement of the Stock Ownership Guidelines. Each of the officer and director of the Company subject to the Stock Ownership Guidelines will be afforded a reasonable period of time to achieve these minimum ownership levels.

Trading Restrictions

Our insider trading policy prohibits our directors and officers from trading our securities on a short-term basis and requires that any of our Common Stock purchased in the open market be held for a minimum of six months. This policy also requires that directors and officers not "pledge" or "sell short" our Common Stock, buy or sell put or call options on our Common Stock, or otherwise engage in speculative or hedging transactions in our Common Stock.

CORPORATE GOVERNANCE

Board Leadership Structure

David J. Meyer serves in the combined role of Board Chair and Chief Executive Officer. The Board believes that this combined role is in the best interests of the Company and its stockholders for the reasons discussed below.

Mr. Meyer possesses unique familiarity with the Company's history, business and industry, making him most capable of effectively leading discussions among directors of diverse backgrounds and experience regarding the Company's operations and strategy. As the Chief Executive Officer, Mr. Meyer has responsibility for overseeing the Company's day-to-day operations and must continually possess a comprehensive knowledge of the Company's business, including the Company's opportunities and challenges. Mr. Meyer is in the best position to prioritize the Board's agenda items, to identify issues to bring to the Board, and to lead the development of the Board's strategic plans. We feel that certain other practices initiated by the Board secure independent oversight of management without the need to separate the roles of Chief Executive Officer and Board Chair. These include our appointment of a Lead Independent Director, our policy requiring that all members of our standing committees are independent, and our policy that the independent directors of the Board and the committees of the Board hold regular executive sessions outside the presence of the Chief Executive Officer and other management.

Stan Dardis, an independent director, was selected by the Board to continue to serve as the Lead Independent Director during fiscal 2019. The Lead Independent Director has the responsibility of presiding at all executive sessions of the Board, consulting with the Board Chair and Chief Executive Officer on Board and committee meeting agendas, maintaining frequent contact with the Board Chair and Chief Executive Officer, advising the Board Chair and Chief Executive Officer on the efficiency of the Board meetings, and facilitating teamwork and communication among the non-employee directors and management.

Independence

Our Board has determined that six of our eight current directors are independent directors, as defined by Rule 5605(a)(2) of the listing standards of the Nasdaq Stock Market. The six independent directors are: Stan Dardis, Stan Erickson, Christine Hamilton, John Henderson, Jody Horner, and Richard Mack. In making this determination, the Board considered the analysis and recommendations of the Governance/Nominating Committee, as well as any related person transactions and other relationships.

Code of Ethics and Business Conduct

In December 2018, the Board approved an updated Code of Ethics and Business Conduct that applies to all employees, directors, consultants and officers, including the principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics and Business Conduct addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Code of Ethics and Business Conduct is available under "Corporate Governance" on the "Investor Relations" page of the Company's website at www.titanmachinery.com. The Company intends to include on its website at www.titanmachinery.com any amendment to, or waiver from, a provision of its Code of Ethics and Business Conduct that applies to the principal executive officer, principal financial officer, principal accounting officer or controller that relates to any element of the code of ethics definition enumerated in Item 406(b) of SEC Regulation S-K.

Board's Role in Risk Oversight

Our enterprise risk management program identifies, prioritizes and monitors risks inherent in the operation of our business and the implementation of our business plan. The Board oversees this enterprise risk management program. In addition to the Board's oversight, each standing committee of the Board oversees the management of enterprise risks that fall within that committee's scope of responsibility. In performing these oversight functions, the Board and each committee have full access to management, as well as the ability to engage advisors. As appropriate, each committee reports back to the full Board on its respective review of applicable enterprise risks. Further, management reports directly to the Board and its committees on a semi-annual basis regarding the implementation of the enterprise risk management program.

Stockholder Communications with the Board of Directors

Stockholders may communicate directly with the Board of Directors. All communications should be directed to the Company's Corporate Secretary at the address below:

The communication should prominently indicate on the outside of the envelope the director or directors to whom it is directed. The Company's Corporate Secretary will forward the communications to all specified directors or, if no directors are specified, to the entire Board.

Directors' Attendance at Annual Meetings

Directors' attendance at annual meetings of stockholders can provide stockholders with an opportunity to communicate with directors about issues affecting the Company. The Board's policy is that, subject to unavoidable personal or business conflicts, directors shall attend stockholders meetings. All of our directors attended the Annual Meeting of Stockholders held on June 7, 2018.

Board and Committees Meetings

During fiscal 2019, the Board held eight meetings. The directors also participate in periodic telephonic conference calls with management for the purpose of reviewing updates on financial performance and business operations. The independent directors met in executive session at least quarterly during fiscal 2019. When appropriate, the Board takes formal action by written consent of all directors, in accordance with the Company's Certificate of Incorporation, Bylaws and the General Corporation Law of the State of Delaware.

Our Board has three standing committees: the Audit Committee, the Compensation Committee, and the Governance/Nominating Committee. Members of such committees met formally and informally from time to time throughout fiscal 2019 on committee matters.

During fiscal 2019, all directors attended 75% or more of the aggregate number of meetings of the Board and of committees of which each respective director was a member.

Our Board of Directors determined that the following members who served on the Audit Committee in fiscal 2019 qualified as an "audit committee financial expert" (as defined under the SEC rules): Stan Erickson, John Henderson, and Richard Mack. Each member of our Audit Committee satisfies the Nasdaq Stock Market independence standards and the independence standards of Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended. Each member of our Audit Committee possesses the financial qualifications required of Audit Committee members set forth in the Nasdaq Stock Market listing rules.

The Audit Committee met eight times in fiscal 2019.

Governance/Nominating Committee

The Governance/Nominating Committee acts pursuant to a written charter. The charter, which is reviewed annually by the Governance/Nominating Committee, may be amended upon approval of the Board. The Governance/Nominating Committee charter is available under "Corporate Governance" on the "Investor Relations" page of our website at www.titanmachinery.com.

Our Governance/Nominating Committee makes recommendations to our Board regarding candidates for directorships, the size and composition of our Board of Directors, and the organization and membership of our committees. In addition, our Governance/Nominating Committee oversees our Code of Ethics and Business Conduct, related party transactions, and other governance policies and matters. The Governance/Nominating Committee regularly reports to the Board regarding its actions, decisions and recommendations.

The Governance/Nominating Committee will review director nominees proposed by stockholders. Stockholders may recommend a nominee to be considered by the Governance/Nominating Committee by submitting a written proposal to the Chair of the Board of Directors at Titan Machinery Inc., 644 East Beaton Drive, West Fargo, North Dakota 58078. A consent signed by the proposed nominee agreeing to be considered as a director should accompany the written proposal. The proposal should include the name and address of the nominee, in addition to the qualifications and experience of said nominee. Please see the section below entitled "Stockholder Proposals" with regard to timing requirements for nominations made directly by a stockholder for consideration at an annual meeting of stockholders. When selecting candidates for recommendation to the Board, the Governance/Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating director nominees, a candidate should have certain minimum qualifications, including the ability to read and understand basic financial statements, familiarity with our business and industry, high moral character and mature judgment, and the ability to work collegially with others. In addition, factors such as the following are also considered:

- appropriate size and diversity of the Board;
- needs of the Board with respect to particular talent and experience;
- knowledge, skills and experience of a nominee;
- legal and regulatory requirements;
- appreciation of the relationship of our business to the changing needs of society; and
- desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

The Governance/Nominating Committee does not have a formal diversity policy at this time; however, as stated above, the Governance/Nominating Committee seeks to nominate candidates with a diverse range of knowledge, experience, skills, expertise, and other qualities that will contribute to the overall effectiveness of the Board.

Each member of the Governance/Nominating Committee satisfies the Nasdaq Stock Market independence standards.

The Governance/Nominating Committee met four times in fiscal 2019.

Compensation Committee

The Compensation Committee acts pursuant to a written charter. The charter, which is reviewed annually by the Compensation Committee, may be amended by approval of the Board. The primary duties and responsibilities of the Compensation Committee include the following:

- develop and periodically review with management the Company's philosophy of compensation, taking into consideration enhancement of stockholder value and the fair and equitable compensation of all employees;

review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer, Chief Financial Officer and other executive officers, evaluate the performance of these officers in light of those goals and objectives, and set the compensation of these officers based on such evaluations;

determine and approve equity awards to directors and employees made pursuant to the Company's equity incentive plans;

develop, recommend to the Board, review and administer senior management compensation policy and plans, including incentive plans, benefits and perquisites;

develop, recommend, review and administer compensation plans for non-employee directors;

annually consider the relationship between the Company's strategic and operating plans and the various compensation plans for which the Committee is responsible;

periodically review with management, and advise the Board with respect to, employee deferred compensation plans;

periodically review with management and advise the Board with respect to employee benefits;

conduct periodic compensation risk assessments, as further discussed below; and

Our Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, and other senior executives do not participate in the Compensation Committee's deliberations or decisions regarding their own compensation. The Compensation Committee regularly reports to the Board regarding its actions, decisions and recommendations.

The Compensation Committee has conducted a risk assessment of our employee compensation programs, including our executive compensation programs. The Compensation Committee has concluded that our employee compensation programs are designed with the appropriate balance of risk and reward in relation to our overall business strategy and do not incent executives or other employees to take unnecessary or excessive risks. As a result, we believe that risks arising from our employee compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

Each member of the Compensation Committee satisfies the Nasdaq Stock Market independence standards.

The Compensation Committee met four times in fiscal 2019.

COMPENSATION DISCUSSION AND ANALYSIS

In the following Compensation Discussion and Analysis, we describe the material elements of the compensation awarded to, earned by or paid to David J. Meyer, our Chief Executive Officer, Mark Kalvoda, our Chief Financial Officer and Bryan Knutson, our Chief Operating Officer. In this Proxy Statement, we refer to Messrs. Meyer, Kalvoda and Knutson as our "named executive officers."

Executive Summary

Executive Compensation Overview for Fiscal 2019

In fiscal 2019, Mr. Meyer, given challenging industry conditions and its effects on our results of operations, elected not to receive any equity awards and also elected to not participate in the annual performance cash bonus program.

In fiscal 2019, Messrs. Kalvoda and Knutson each received a portion of the targeted annual performance bonus based upon achievement of two of the three performance objectives.

We compared our compensation program and the compensation of our named executive officers with our peer group, and concluded that our current executive compensation program is reasonable and appropriate.

We believe that our compensation program properly aligns the interests of our named executive officers with the interests of our stockholders.

We are committed to considering our stockholders' views on executive compensation

We receive direct feedback from stockholders on our compensation programs through the advisory vote on the compensation paid to our named executive officers (commonly known as a "say-on-pay vote"). We hold the say-on-pay vote at each annual meeting of stockholders. At our 2018 Annual Meeting of Stockholders, the say-on-pay proposal received 99.7% approval, which we believe indicates strong stockholder support for our approach to executive compensation. Our Compensation Committee will continue to monitor our stockholders' views with respect to our executive compensation practices and take those views into account when making decisions regarding executive compensation.

Compensation Philosophy

We recognize that top talent is valuable to the Company and our stakeholders, and our compensation programs need to be structured in a way that allows us to attract, motivate and retain leaders who help us achieve our objectives. The primary objectives of our executive compensation programs are stated as follows:

- attracting qualified and talented executives who can provide the appropriate leadership to our Company;
- retaining executives who have the critical skills necessary to achieve our strategic and operational objectives; and
- motivating our executives to drive outstanding Company performance.

We believe that the achievement of these stated objectives, through well-designed compensation programs, serve the long-term interests of our investors and other stakeholders.

The following principles guide the design of our compensation programs:

Guiding Principle Titan Philosophy / Approach

Pay for performance Our compensation programs are designed to align executive compensation with the Company's overall performance and business strategy. The design of our short-term and long-term compensation programs is driven by business objectives and performance measures that we believe provide a direct link to the creation of stockholder value. We support a pay for performance philosophy by significantly emphasizing variable or at-risk compensation in the overall executive compensation program.

Alignment with stockholders Our long-term incentives are delivered in the form of equity to provide executives with a direct interest in the performance of our stock. We have adopted and implemented stock ownership guidelines for our executives which reinforce this principle.

Provide leadership stability and continuity Our compensation programs are designed to reward commitment of our executives to our Company. We recognize that the stability of the leadership team enhances our business.

Be competitive We conduct market pay analyses to ensure the compensation we pay our executives is competitive in terms of the elements and mix of pay, program design and resulting actual levels of pay.

Reflect factors of role and individual performance We use the information from market pay analyses and apply it to the individual situation of each of our executives to ensure we are compensating for the executive's level of responsibility and the executive's skills and performance in that role.

Compensation Program Design

Our compensation programs consist of the following forms of compensation: base salary, annual bonus, long-term incentives, and limited perquisites and benefits.

• **Base Salary** - Base salary is the fixed element of each executive's cash compensation. Base salary aids in attracting and retaining talented executives.

• **Annual Incentive Plan** - The annual incentive plan provides for annual cash awards to eligible employees based on achievement of financial performance goals relating to a specific fiscal year. The annual incentive plan motivates participating executives to achieve financial performance goals by making their cash awards variable and dependent upon the Company's annual financial performance.

• **Long-Term Equity Awards** - The Company provides long-term incentives consisting of equity awards, which may be time-based or performance-based. These awards are designed to motivate executives to focus on creating stockholder value over the longer term. These long-term awards also aid in the retention of our executives.

Our Compensation Committee engages in an ongoing review of the design of our compensation programs to evaluate whether they remain consistent with our compensation philosophy and reflect what the Compensation Committee believes to be best practices among our peer group and the broader market.

Fiscal 2019 Executive Compensation as Compared to our Peer Group.

Our Compensation Committee performed a peer group-analysis of the target total direct compensation of our named executive officers, consisting of base salary, annual performance cash bonus, and the grant date fair value of restricted stock equity awards. The results of the peer group analyses are considered important by the Compensation Committee. However, the Compensation Committee does not target compensation at a particular benchmark of the peer group analysis or otherwise make any determination of, or change to, compensation in reaction to market data alone. Rather, the Compensation Committee uses this information as one of several considerations to make its judgments and determinations of appropriate compensation levels.

Role of Compensation Committee and Named Executive Officers in Setting Compensation

Our Compensation Committee sets the compensation for our named executive officers. The named executive officers do not make recommendations or participate in the discussions and decisions respecting their own compensation. Mr. Meyer provides input to the Compensation Committee on compensation for the other named executive officers, as appropriate.

Consideration of Tax and Accounting Implications

In setting executive officer compensation, we are generally aware of the tax implications under Sections 162(m) and 409A of the Internal Revenue Code and compensation expense charges under ASC 718, Compensation Stock-Compensation, and we may consider these factors when making future compensation decisions. Section 162(m) of the Internal Revenue Code generally imposes a \$1 million cap on the deductibility of compensation paid to certain executive officers of a publicly held corporation during a year. Since the enactment of the Tax Cuts and Jobs Act, the executive officers to whom Section 162(m) applies include our Chief Executive Officer and Chief Financial Officer, the next three most highly compensated executive officers, and any employee who was a “covered employee” for any preceding taxable year beginning after December 31, 2016. Further, the Tax Cuts and Jobs Act eliminated the “qualified performance-based compensation” exception to Section 162(m). Thus, it is expected that compensation deductions for any covered employee will be subject to a \$1 million annual deduction limit (other than for certain compensation that satisfies requirements to be grandfathered under the new law). Although the deductibility of compensation is a consideration evaluated by the Compensation Committee, the Compensation Committee may determine to award compensation to a covered employee that is not deductible under Section 162(m), as the Compensation Committee deems appropriate. However, our deductions for executive compensation have not historically been materially impacted by Section 162(m).

Peer Group

In fiscal 2014, the Compensation Committee retained Aon as our compensation consultant to develop the Company's peer group for compensation benchmarking purposes. The Compensation Committee has not since retained a compensation consultant to review the peer group, but the Committee conducted its own review and concluded that the peer group was still appropriate. The Company's executive officers did not participate in the selection of the companies for inclusion in the peer group. The peer group is stated as follows:

Alamo Group, Inc.	Rocky Mountain Dealerships, Inc.
Asbury Automotive Group, Inc.	Rush Enterprises, Inc.
Cervus Equipment Corporation	Strongco Corporation
Finning International Inc.	Toromont Industries Ltd.
H&E Equipment Services, Inc.	Tractor Supply Company
Lithia Motors Inc.	United Rentals, Inc.
Rent-A-Center, Inc.	

The Compensation Committee has engaged Aon in fiscal 2020 to perform a market study of executive compensation, director compensation, and review our peer group.

Executive Compensation Components for Fiscal 2019

The principal elements of our executive compensation program for fiscal 2019 were:

- Base Salary;
- Annual Performance Cash Bonus;
- Long-Term Equity Incentive Awards; and
- Perquisites and Other Benefits.

In allocating compensation across these elements, the Compensation Committee does not follow any strict policy or guidelines. However, consistent with the general compensation objectives and philosophies outlined above, the Compensation Committee sought to place a meaningful percentage of an executive's compensation at risk, subject to achievement of specific performance objectives and long-term equity value creation.

Base Salary

Base salary provides executives with a fixed, regular, non-contingent earnings stream. Our goal is to provide competitive base salaries to our named executive officers in recognition of their job responsibilities. In addition to competitive data, we consider individual work experience, leadership, time in position, performance of our Company (based upon achievement of strategic initiatives) and job performance of each named executive officer. As a result of the Compensation Committee's evaluation of these factors, the Compensation Committee may adjust base salaries to better align an individual's base salary with comparative market compensation, to provide merit increases based upon individual or Company achievement, or to account for changes in roles and responsibilities. The Compensation Committee reviews each named executive officer's base salary following the close of each fiscal year.

During fiscal 2019, the annual base salary for Mr. Meyer was \$475,000, Mr. Kalvoda was \$375,000 and Mr. Knutson was \$350,000.

Annual Performance Cash Bonus

We establish competitive annual performance cash bonus opportunities for our named executive officers that motivate attainment of, and link annual cash compensation to, the achievement of the annual financial performance objectives of the business. The annual performance bonus is paid in cash.

For the annual cash bonus plan, our Compensation Committee establishes the financial performance categories for the fiscal year, and the percentage of the eligible bonus allocated to each of the categories. For each performance category, the Compensation Committee determines the threshold, target, and maximum goals, and the payout percentage at each goal. If the threshold goal is not satisfied for any financial performance category, then no bonus is payable for that category. If actual performance by the Company for any financial performance category exceeds the threshold, then the percentage payout for that category is calculated proportionately based on where the actual performance falls within the range between the threshold and target goals or the range between the target and maximum goals, as applicable (the calculated percentage payout, based on actual performance for the year, is referred to below as the "bonus payout percentage").

The performance categories for the fiscal 2019 annual cash bonus plan were:

1. Adjusted Pre-Tax Income: Calculated as GAAP pre-tax income before executive cash incentive expense and adjusted to exclude the pre-tax income impact from gains or losses that occur outside of the ordinary course of our business, which, for purposes of fiscal 2019, were the pre-tax impact of restructuring and impairment charges and the loss realized on the repurchase of our senior convertible notes.

2. Non-GAAP Cash Flow From Operating Activities: Calculated as GAAP net cash provided by operating activities, adjusted to include all floorplan payable activity (including non-manufacturer floorplan payable activity, which is not included in the computation of GAAP cash flow provided by operating activities) and to maintain a constant equity in equipment inventory.

3. Total Revenue: The Company's GAAP total revenue from its statement of operations.

The percentage of the eligible bonus amount allocated to each of the financial performance categories for our fiscal 2019 cash bonus plan was as follows:

Financial Performance Category	% Allocation of Eligible Bonus Amount
Adjusted Pre-Tax Income	40%
Non-GAAP Cash Flow From Operating Activities	30%
Total Revenue	30%

For each of the three financial performance categories, the cash bonus earned by the executive is calculated as follows: [the dollar amount of the target bonus for the executive] X [% of the eligible bonus amount allocated to the financial performance category - i.e., 40% for Adjusted Pre-Tax Income, 30% for Non-GAAP Cash Flow From Operating Activities, and 30% for Total Revenue] X [the bonus payout percentage for the category (0% to 200%), based on actual results]. The cash bonus paid to the executive is equal to the sum total of the bonus amounts earned for each financial performance category.

Mr. Meyer opted to not participate in the fiscal 2019 annual cash bonus plan, and accordingly he did not earn a cash bonus.

Under Mr. Kalvoda's employment agreement, he was eligible to earn a cash bonus for fiscal 2019 ranging from 0% to 150% of his annual base salary, with a target of 75% of his annual base salary or \$281,250 (75% X \$375,000). Under the fiscal 2019 cash bonus plan, Mr. Kalvoda earned a bonus of \$156,938, as described below.

	Percent of Base Salary Eligible for Cash Bonus	Eligible Max Cash Bonus Amount	Bonus Earned	Bonus Earned as a % of Maximum
Mark Kalvoda	150 %	\$562,500	\$156,938	27.9 %

Under the terms of the annual performance cash bonus opportunity established for Mr. Knutson, he was eligible to earn a cash bonus for fiscal 2019 ranging from 0% to 150% of his annual base salary, with a target of 75% of his annual base salary or \$262,500 (75% X \$350,000). Under the fiscal 2019 cash bonus plan, Mr. Knutson earned a bonus of \$146,475, as described below.

	Percent of Base Salary Eligible for Cash Bonus	Eligible Max Cash Bonus Amount	Bonus Earned	Bonus Earned as a % of Maximum
Bryan Knutson	150 %	\$525,000	\$146,475	27.9 %

The threshold, target and maximum goals, the applicable bonus payout percentages at these goal levels, and the bonus calculation for each financial performance category are stated below:

1. Adjusted Pre-Tax Income (40%)

The goals and bonus payout percentage at each goal level are stated below:

	Adjusted Pre-Tax Income Goals	Payout Percentages
Threshold	\$18,701,769	20 %
Target	\$20,779,744	100 %
Maximum	\$25,974,679	200 %

Our fiscal 2019 adjusted pre-tax income (loss) was \$19,810,754, resulting in a bonus payout percentage of 63%. The bonus payout percentage is determined linearly between the payout percentage of 20% (at threshold goal of \$18,701,769) and the payout percentage of 100% (at target goal of \$20,779,744).

Mr. Kalvoda earned a bonus of \$70,875 for this financial performance category, calculated as follows: \$281,250 [target bonus] X 40% [weight for the performance category] X 63% [bonus payout percentage].

Mr. Knutson earned a bonus of \$66,150 for this financial performance category, calculated as follows: \$262,500 [target bonus] X 40% [weight for the performance category] X 63% [bonus payout percentage].

2. Non-GAAP Cash Flow From Operating Activities (30%)

The goals and bonus payout percentage at each goal level are stated below:

	Non-GAAP Cash Flow From Operating Activities Goals	Payout Percentages
Threshold	\$61,304,007	20 %
Target	\$68,115,563	100 %
Maximum	\$85,144,454	200 %

Our fiscal 2019 Non-GAAP Cash Flow From Operating Activities was \$47,393,000, which was below the threshold goal. Therefore, neither Mr. Kalvoda nor Mr. Knutson received a cash bonus attributable to Non-GAAP Cash Flow From Operating Activities.

3. Total Revenue (30%)

The goals and bonus payout percentage at each goal level are stated below:

	Total Revenue Goals	Percentage Payout
Threshold	\$1,128,949,244	20 %
Target	\$1,254,338,049	100 %
Maximum	\$1,567,985,061	200 %

Our total revenue was \$1,261,505,375, resulting in a bonus payout percentage of 102%. The bonus payout percentage is determined linearly between the payout percentage of 100% (at target goal of \$1,254,338,049) and the payout percentage of 200% (at maximum goal of \$1,567,985,061).

Mr. Kalvoda earned a bonus of \$86,063 for this financial performance category, calculated as follows: \$281,250 [target bonus] X 30% [weight for the performance category] X 102% [bonus payout percentage].

Mr. Knutson earned a bonus of \$80,325 for this financial performance category, calculated as follows: \$262,500 [target bonus] X 30% [weight for the performance category] X 102% [bonus payout percentage].

Long-Term Equity Incentive Awards

Under the terms of Mr. Meyer's current employment agreement, he was entitled to receive an equity incentive award on June 1, 2018 in an amount determined by dividing his annual base salary in effect on the date of grant by the closing sale price of

the Common Stock on that date, under such terms as determined by the Compensation Committee. Mr. Meyer declined the award for fiscal 2019.

Under the terms of Mr. Kalvoda's employment agreement, he received an equity incentive award on June 1, 2018 in an amount determined by dividing his annual base salary in effect on the date of grant by the closing sale price of the Common Stock on that date, under such terms as recommended by the Chief Executive Officer and approved by the Compensation Committee. On June 1, 2018, Mr. Kalvoda received an award of 21,790 shares of restricted stock with a grant date value of \$375,006 (21,790 shares at \$17.21 per share, the closing price of our Common Stock on June 1, 2018). One-fourth of Mr. Kalvoda's 2018 restricted stock award vests on each of April 1, 2019, 2020, 2021, and 2022, respectively.

Mr. Knutson received an award of 8,716 shares of restricted stock with a grant date value of \$150,002 (8,716 shares at \$17.21 per share, the closing price of our Common Stock on June 1, 2018). One-fourth of Mr. Knutson's 2018 restricted stock award vests on each of April 1, 2019, 2020, 2021, and 2022, respectively.

All awards of restricted stock were made under our 2014 Equity Incentive Plan, which is administered by our Compensation Committee. Consistent with our compensation philosophies related to performance based compensation, long-term stockholder value creation and alignment of our management's interests with those of our stockholders, we may make future awards of long-term compensation in the form of stock options, restricted stock units, or restricted stock awards to our named executive officers and other key employees. In the future, we may from time to time make one-time awards to recognize promotion or consistent long-term contribution, or for specific incentive purposes. We may also make awards in connection with the hiring of new employees.

Perquisites and Other Benefits

We offer only limited perquisites to our named executive officers. We provide each of Messrs. Meyer, Kalvoda and Knutson with a cellular phone and cellular phone service. All of our named executive officers are eligible for insurance, paid time off, 401(k) Company match and other benefits at the same levels provided to all of our full-time employees.

The employment agreements with Messrs. Meyer, Kalvoda, and Knutson each contain a restrictive covenant prohibiting them from owning, operating or being employed by competing agricultural or construction equipment stores during their

employment with us and for a period of 24 months following termination of their employment with us. Each agreement is terminable by either us or Messrs. Meyer, Kalvoda, and Knutson, as applicable, at any time upon 60 days written notice for any reason, or immediately by us for cause. Each of the employment agreements for Mr. Meyer, Mr. Kalvoda, and Mr. Knutson include severance payment provisions in the event of termination of employment. Potential Payments upon Termination or Change-In-Control

The following is a discussion of the agreements, plans or arrangements that provide for payments or benefits to our named executive officers in connection with any termination of employment or change in control of the Company. As provided under "Compensation Discussion and Analysis - Employment Agreements," we are party to an employment agreement with Mr. Meyer, which provides that if Mr. Meyer is terminated by us without "cause" prior to the expiration of the term or if he resigns for "good reason", we are obligated to pay severance in an amount equal to two times the sum of (i) his annual base salary, plus (ii) the amount of the annual incentive bonus last paid prior to the termination, and we are also required to allow Mr. Meyer to continue to participate in our group medical and dental plans at our expense for a period of 24 months. If such termination occurred on January 31, 2019, Mr. Meyer would have been entitled to a severance payment of \$950,000 (paid in equal monthly installments over 24 months) calculated as follows: two times the sum of (i) the current base salary of \$475,000, plus (ii) the amount of the last annual incentive bonus paid of \$0. In addition, we would pay for the cost of Mr. Meyer's continued participation in our group medical and dental plans for the 24 month period following termination (currently \$1,647.81 per month). Mr. Meyer's employment agreement does not contain any special provisions or additional payments applicable to a termination following a change in control. Upon termination of employment for any reason, Mr. Meyer's unvested equity awards are forfeited.

Under Mr. Meyer's employment agreement, "cause" is defined to mean the occurrence of any of the following: (i) the commission of a felony; (ii) any intentional and/or willful act of fraud or material dishonesty; (iii) the willful and/or continued failure, neglect, or refusal to perform in all material respects his job duties, or to fulfill his fiduciary responsibilities to the Company; or (iv) a material breach of the Company's material policies or codes of conduct or other agreement. In addition, "good reason" is defined to mean any of the following: (i) an action that results in a substantial diminution in duties, status or position; (ii) the relocation of the principal office for Company business to a location more than forty (40) miles from the Company's current headquarters; or (iii) material breach by the Company of any terms or conditions of the employment agreement.

We are also party to an employment agreement with Mr. Kalvoda, which provides that if Mr. Kalvoda is terminated by us without "cause" prior to the expiration of the term or if he resigns for "good reason" (in either case, not following a "change in control"): (a) we are obligated to pay severance in an amount equal to the sum of (i) his annual base salary plus (ii) the amount of the average annual incentive bonus paid to Mr. Kalvoda in the three years preceding termination; (b) his non-vested restricted equity awards that vest with the passage of time will not be forfeited and will vest in accordance with the normal vesting schedule; (c) his non-vested equity-based compensation awards that are intended to constitute performance-based compensation shall remain outstanding and shall vest or be forfeited in accordance with the terms of the applicable award agreements; and (d) we are required to allow Mr. Kalvoda to continue to participate in our group medical and dental plans at our expense for a period of 12 months. If such termination occurred on January 31, 2019, (not following a "change in control"), Mr. Kalvoda would have been entitled to a severance payment of \$476,040 (paid in equal monthly installments over 12 months) calculated as

follows: the sum of (i) the current base salary of \$375,000, plus (ii) the amount of the average annual incentive bonus paid in the three years preceding termination of \$101,040. In addition, the Company would pay for the cost of his participation in our group medical and dental plans for the 12 month period following termination (currently \$989.52 per month). Assuming a termination date of January 31, 2019, the value of the non-vested equity awards that would continue to vest over the established vesting schedules would be \$1,044,924, calculated based upon the closing price of our Common Stock on January 31, 2019 of \$18.74.

If Mr. Kalvoda is terminated by the Company without "cause" following a "change in control" or if he resigns for "good reason" within 12 months following a "change in control", the Company is obligated to pay severance in an amount equal to two times the sum of (i) the annual base salary then in effect, plus (ii) the amount of the average annual incentive bonus paid to Mr.

Kalvoda in the three years preceding the termination. These severance payments would be made in 24 equal monthly installments. Also, Mr. Kalvoda's non-performance based equity awards would become fully vested and earned as of the first day following the expiration of the rescission period under the release; and any performance based equity awards would vest and be earned in accordance with the terms of the applicable award agreement. If such termination occurs we would also be required to allow Mr. Kalvoda to continue to participate in our group medical and dental plans at our expense for a period of 24 months following termination. If Mr. Kalvoda was terminated on January 31, 2019, (following a "change in control") he would have been entitled to a severance payment of \$851,040 (paid in equal monthly installments over 24 months) calculated as follows: two times the sum of (i) the current base salary of \$375,000, plus (ii) the amount of the average annual incentive bonus paid in the three years preceding termination of \$101,040. In addition, the Company would pay for the cost of his participation in our group medical and dental plans for the 24 month period following termination (currently \$989.52 per month). Assuming a termination date of January 31, 2019, the value of the equity awards that would vest on a change in control would be \$1,044,924, calculated based upon the closing price of our Common Stock on January 31, 2019 of \$18.74.

Under Mr. Kalvoda's employment agreement, "cause" is defined to mean any of the following: (i) material breach of the employment agreement; (ii) willful refusal to perform assigned duties without justification, or willful misconduct or gross negligence in the performance of duties; (iii) a material breach of the Company's material policies or codes of conduct or of material obligations under any other agreement; (iv) the willful engagement in dishonesty, fraud, illegal conduct, with respect to or in the course of the business or affairs of the Company, which materially and adversely harms the Company; (v) conviction of, or a plea of nolo contendere to, a felony or other crime involving moral turpitude; and (vi) death or permanent disability. In addition, "good reason" is defined to mean any of the following: (i) substantial diminution in duties, status, compensation, or reporting relationship; (ii) the relocation of the principal office for Company business to a location more than forty (40) miles from the Company's current headquarters; (iii) material breach by the Company of any terms or conditions of the employment agreement; or (iv) the failure of the Company to require a successor to assume the terms of the employment agreement. In addition, "change in control" is defined to mean the occurrence of any of the following: (i) one person (or more than one person acting as a group) acquires ownership of stock of the Company that, together with the stock held by such person or group, constitutes more than 50% of the total voting power of the stock of the Company; (ii) a majority of the members of the Board are replaced during any twelve-month period by directors whose appointment or election is not endorsed by a majority of the Board before the date of appointment or election; or (iii) the sale of all or substantially all of the Company's assets. We are also party to an employment agreement with Mr. Knutson, which provides that if Mr. Knutson is terminated by us without "cause" prior to the expiration of the term or if he resigns for "good reason" (in either case, not following a "change in control"): (a) we are obligated to pay severance in an amount equal to the sum of (i) his annual base salary plus (ii) the amount of the average annual incentive bonus paid to Mr. Knutson in the three years preceding termination; (b) his non-vested restricted equity awards that vest with the passage of time will not be forfeited and will vest in accordance with the normal vesting schedule; (c) his non-vested equity-based compensation awards that are intended to constitute performance-based compensation shall remain outstanding and shall vest or be forfeited in accordance with the terms of the applicable award agreements; and (d) we are required to allow Mr. Knutson to continue to participate in our group medical and dental plans at our expense for a period of 12 months. If such termination occurred on January 31, 2019, (not following a "change in control"), Mr. Knutson would have been entitled to a severance payment of \$424,793 (paid in equal monthly installments over 12 months) calculated as follows: the sum of (i) the current base salary of \$350,000, plus (ii) the amount of the average annual incentive bonus paid in the three years preceding termination of \$74,793. In addition, the Company would pay for the cost of his participation in our group medical and dental plans for the 12 month period following termination (currently \$989.52 per month). Assuming a termination date of January 31, 2019, the value of the non-vested equity awards that would continue to vest over the established vesting schedules would be \$290,095, calculated based upon the closing price of our Common Stock on January 31, 2019 of \$18.74.

If Mr. Knutson is terminated by the Company without "cause" following a "change in control" or if he resigns for "good reason" within 12 months following a "change in control", the Company is obligated to pay severance in an amount equal to two times the sum of (i) the annual base salary then in effect, plus (ii) the amount of the average annual incentive bonus paid to Mr. Knutson in the three years preceding the termination. These severance payments

would be made in 24 equal monthly installments. Also, Mr. Knutson's non-performance based equity awards would become fully vested and earned as of the first day following the expiration of the rescission period under the release; and any performance based equity awards would vest and be earned in accordance with the terms of the applicable award agreement. If such termination occurs we would also be required to allow Mr. Knutson to continue to participate in our group medical and dental plans at our expense for a period of 24 months following termination. If Mr. Knutson was terminated on January 31, 2019, (following a "change in control") he would have been entitled to a severance payment of \$774,793 (paid in equal monthly installments over 24 months) calculated as follows: two times the sum of (i) the current base salary of \$350,000, plus (ii) the amount of the average annual incentive bonus paid in the three years preceding termination of \$74,793. In addition, the Company would pay for the cost of his participation in our group medical and dental plans for the 24 month period following termination (currently \$989.52 per month). Assuming a termination date of January 31, 2019, the value of the equity awards that would vest on a change in control would be \$290,095, calculated based upon the closing price of our Common Stock on January 31, 2019 of \$18.74.

Under Mr. Knutson's employment agreement, "cause" is defined to mean any of the following: (i) material breach of the employment agreement; (ii) willful refusal to perform assigned duties without justification, or willful misconduct or gross negligence in the performance of duties; (iii) a material breach of the Company's material policies or codes of conduct or of material obligations under any other agreement; (iv) the willful engagement in dishonesty, fraud, illegal conduct, with respect to or in the course of the business or affairs of the Company, which materially and adversely harms the Company; (v) conviction of, or a plea of nolo contendere to, a felony or other crime involving moral turpitude; and (vi) death or permanent disability. In addition, "good reason" is defined to mean any of the following: (i) substantial diminution in duties, status, compensation, or reporting relationship; (ii) the relocation of the principal office for Company business to a location more than forty (40) miles from the Company's current headquarters; (iii) material breach by the Company of any terms or conditions of the employment agreement; or (iv) the failure of the Company to require a successor to assume the terms of the employment agreement. In addition, "change in control" is defined to mean the occurrence of any of the following: (i) one person (or more than one person acting as a group) acquires ownership of stock of the Company that, together with the stock held by such person or group, constitutes more than 50% of the total voting power of the stock of the Company; (ii) a majority of the members of the Board are replaced during any twelve-month period by directors whose appointment or election is not endorsed by a majority of the Board before the date of appointment or election; or (iii) the sale of all or substantially all of the Company's assets. In order to receive the severance and continued benefits described above, each officer would be required to sign a release of claims against us, fulfill his non-competition obligations, cooperate with transitioning his duties and execute a non-disparagement agreement with us. We have arrived at these terms based on the advice and experience of our advisors and directors, including their knowledge of practices and agreements at public companies.

CEO Pay Ratio Disclosure

As required by Section 953(b) of Dodd-Frank Wall Street Reform and Consumer Protection Act, and applicable SEC rules, we are providing the following information about the relationship of the annual total compensation of the employee identified at median of our Company and the annual total compensation of David J. Meyer, our Chief Executive Officer.

For fiscal 2019:

• the annual total compensation of the employee identified at median of our Company (other than our Chief Executive Officer), was \$62,005.78; and

• the annual total compensation of our Chief Executive Officer for purposes of determining the CEO pay ratio was \$489,717.07.

Based on this information, for fiscal 2019, the ratio of the annual total compensation of Mr. Meyer, our Chief Executive Officer, to the median of the annual total compensation of all employees was estimated to be 7.9 to 1.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described below. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

To calculate the ratio above, we used an employee in the same pay grade and in a similar position to the median employee that we had identified in fiscal 2018. We believe there have been no changes in our employee population or our compensation arrangements in fiscal 2019 that would result in a material change in our pay ratio disclosure or our median employee. However, we did not use the same median employee for fiscal 2019 as we did in fiscal 2018, because the median employee used in fiscal 2018 for our pay ratio disclosure was promoted. To identify the median employee as of December 31, 2017, we used the following methodology:

As of that date, our employee population consisted of approximately 2,118 individuals in the United States and Europe. We selected December 31, 2017, as the date upon which we would identify the "median employee" to allow sufficient time to identify the median employee given our European operations.

• We selected salary and wages as reported to the Internal Revenue Service on Form W-2 for our U.S. employees and used equivalent taxable income for our European employees as our consistently applied compensation measure as it

represents the primary compensation component paid to all of our employees. In addition, this approach allows us to reasonably compare compensation for our U.S. employees with that of our employees in Europe. Compensation paid in foreign currencies was converted to U.S. dollars based on exchange rates in effect on December 31, 2017. In determining the annual total compensation of the median employee, such employee's compensation was calculated in accordance with Item 402(c)(2)(x) of Regulation S-K, as required pursuant to SEC rules, except that we elected to include the

Company-paid portion of a single health insurance premium and the Company-paid contribution to the employees' health savings account, which are normally excluded from the calculation of annual total compensation for purposes of the summary compensation table. As a result, Mr. Meyer's compensation for purposes of the pay ratio calculation differs from the summary compensation table for fiscal 2019 to reflect the inclusion of the Company-paid portion of a single health insurance premium and the Company-paid contribution to his health savings account, which are excluded for summary compensation table purposes.

Equity Compensation Plan Information

The following table provides information regarding our equity compensation plans as of January 31, 2019:

Equity compensation plans not approved by security holders	—	—	—
Total	385,417	\$	—755,278

(1) Amount includes the number of shares of Common Stock underlying unvested restricted stock awards ("RSAs") and restricted stock units ("RSUs") granted to members of our board of directors and employees.

(2) There is no exercise price for outstanding RSAs or RSUs.

ADVISORY VOTE ON EXECUTIVE COMPENSATION (PROPOSAL 2)

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (as set forth in Section 14A of the Securities Exchange Act of 1934, as amended), we are providing our stockholders with the opportunity to cast a non-binding, advisory vote on the compensation that was paid to our named executive officers in fiscal 2019. Our compensation philosophy is described in the Compensation Discussion and Analysis contained in this proxy statement. Stockholders are urged to read the Compensation Discussion and Analysis and to review the "Summary Compensation Table" and other related tables and narrative disclosure, which describe the compensation of our Chief Executive Officer, our Chief Financial Officer and our Chief Operating Officer in fiscal 2019. The Compensation Committee and the Board believe the policies and procedures articulated in the Compensation Discussion and Analysis are effective in implementing our compensation philosophy and in achieving our goals. In addition, they believe the compensation of our named executive officers in fiscal 2019 reflects and supports these compensation policies and procedures.

Stockholders are being asked to vote on the following resolution:

"RESOLVED, that the stockholders of Titan Machinery Inc. approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section, the compensation tables, and related narrative disclosures as contained in this Proxy Statement."

This advisory vote on executive compensation, commonly referred to as a "say-on-pay" advisory vote, is required under Section 14A of the Securities Exchange Act of 1934, as amended, and is not binding on our Board. However, the Board and Compensation Committee will take into account the result of the vote when determining future executive compensation arrangements.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE ADOPTION OF THE RESOLUTION SET FORTH IN THIS PROPOSAL 2.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Transactions with Related Persons

We have a written Related Party Transactions Policy that requires our Governance/Nominating Committee to review and approve or ratify any "related party transaction" of the type required to be disclosed by Item 404 of Regulation S-K. The term "related parties" is defined as any directors, executive officers, stockholders beneficially owning more than 5% of our Common Stock, and their respective immediate family members. This policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company or any of its subsidiaries was, is or will be a participant, in which the amount involved exceeds \$100,000, and in which any related person

had, has or will have a direct or indirect interest. All of our directors, executive officers and employees are required to report to our General Counsel any proposed or completed related party transactions.

All related party transactions are reviewed and may be approved or ratified by the Governance/Nominating Committee (not including any member of the Committee that is a related person with respect to the transaction at issue). The Governance/Nominating Committee takes into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable to the Company than terms that could have been reached with an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction. The Governance/Nominating Committee may impose such conditions as it deems necessary and appropriate on the Company or the related party in connection with the transaction. In the case of a transaction presented to the Governance/Nominating Committee for ratification, the Committee may ratify the transaction, amend the transaction, or determine that termination or rescission of the transaction is appropriate.

Related Person Transactions in Fiscal 2019

Described below are transactions that occurred during fiscal 2019 to which we were a participant in which:

the amounts involved exceeded or will exceed \$120,000; and

a director, executive officer, beneficial owner of more than five percent of any class of our voting securities or any member of their immediate family had or will have a direct or indirect material interest.

1. Real Estate Lease Agreement with C.I. Farm Power Inc.

We lease one dealership site located in Fargo, North Dakota from C.I. Farm Power Inc., an entity owned and controlled by Mr. Peter Christianson and his immediate family. Mr. Peter Christianson is the brother of Tony Christianson, a member of our Board of Directors. The monthly lease payment is \$12,000. We paid \$144,000 in lease payments to this entity during fiscal 2019. The lease agreement expired on July 31, 2018, but has been continued on a "month to month" basis. The Company is responsible for paying real estate taxes, insurance, maintenance and utilities. We believe the terms of this lease to be commercially reasonable, and the lease is not any less favorable to us than could be obtained in an arm's length transaction with an unrelated party.

2. Consulting Agreement with Peter Christianson

Effective February 1, 2017, Mr. Peter Christianson and the Company mutually agreed to an early termination of a Services Agreement dated May 11, 2015. Mr. Peter Christianson is our former President and member of our Board of Directors, and he is the brother of Tony Christianson (a member of our Board of Directors). Under the termination arrangement, the Company agreed to pay Mr. Christianson two equal payments of \$325,000 on August 15, 2017 and February 15, 2018. Pursuant to the termination arrangement, during fiscal 2019, Mr. Peter Christianson received \$325,000 in compensation. All amounts owed to Mr. Peter Christianson have been paid in full.
