On March 31, 2015, Intelligent Systems Corporation, a Georgia corporation (the “Company”), and CRC Industries, Inc., a Pennsylvania corporation (“CRC”), entered into a Stock Purchase Agreement (the “Stock Purchase Agreement”) whereby the Company sold all of the issued and outstanding stock of ChemFree Corporation, a Georgia corporation (“ChemFree”), to CRC (the “ChemFree Sale”). The description of the Stock Purchase Agreement is set forth in Item 2.01 of this report and is incorporated into this Item 1.01 by reference.

On March 31, 2015, the Company entered into a Thirteenth Modification to Loan Documents by and between Fidelity Bank (f/k/a Fidelity National Bank), the Company, CoreCard Software, Inc., and ChemFree pursuant to which, among other things, ChemFree, upon consummation of the ChemFree Sale, was released from all of its obligations under that certain Loan Agreement by and among the Company and Fidelity Bank dated October 1, 2003, as amended through the date hereof (the “Credit Facility”), and each of the other agreements and documents executed and delivered by ChemFree in connection therewith (the “Credit Documents”), including, without limitation, the Security Agreement by and among ChemFree and Fidelity Bank, the Negative Pledge Agreement by and among the Company and Fidelity Bank, the Commercial Promissory Note and Rider thereto of the Company in favor of Fidelity Bank, the Guarantee of ChemFree in favor of Fidelity Bank, and that certain Twelfth Modification to Loan Documents by and among the Company and Fidelity Bank dated June 7, 2014.

On March 31, 2015, the Company entered into a new Lease Agreement with ISC Properties, LLC (“Properties”), an entity that is solely owned and controlled by the Company’s Chairman and Chief Executive Officer, J. Leland Strange (the “New Lease”), for the premises where the Company’s headquarters and primary facilities are located. The Company previously leased these premises pursuant to a Lease Agreement dated June 1, 2004, between the Company and Properties, as amended by the Second Amendment to the Lease Agreement between the Company and ISC dated May 25, 2012 (the “Old Lease”). The Company and Properties terminated the Old Lease and entered into the New Lease for purposes of allowing ChemFree, upon consummation of the ChemFree Sale, to lease the portion of the premises that it had utilized under the Old Lease directly from Properties. The terms of the New Lease with respect to the spaced retained by the Company are substantially the same as those of the Old Lease.

Item 1.02 Termination of a Material Definitive Agreement.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On March 31, 2015, the Company completed the ChemFree Sale in a transaction with CRC, on the terms set forth in the Stock Purchase Agreement. The purchase price for the all-cash sale was \$21,600,000, subject to customary post-closing adjustments, including a working capital adjustment. The Company retained all net cash of ChemFree as of the closing date.

The Stock Purchase Agreement contains customary representations, warranties, covenants, and indemnification provisions. At the closing, \$3,300,000 of the purchase price was placed in escrow for a period of 18 months for purposes of securing the Company's obligations to indemnify CRC and to refund a portion of the purchase price if a determination is made post-closing that ChemFree's actual working capital amount on the closing date was less than the agreed upon target set forth in the Stock Purchase Price. Shortly after the post-closing working capital determination becomes final and binding, an amount equal to \$1,100,000 will be released from escrow to the Company assuming the absence of amounts due CRC pursuant to the working capital adjustment, and any outstanding claims for indemnification under the Stock Purchase Agreement.
