Item 1.01 Entry into a Material Definitive Agreement.

On March 14, 2017, Digital Power Corporation (the “Company”) and MTIX Ltd. entered into a three year, US \$50 million purchase order to manufacture, install and service fabric treatment machines that utilize MTIX’s proprietary Multiplexed Laser Surface Enhancement (MLSE™) system.

The purchase order calls for a number of fabric treatment machines to be assembled over a three year period. The first two machines are to be installed by the end of December 31, 2017 with the number of machines to be assembled increasing each year and due by the end of August for each calendar year 2018 and 2019.

The first two machines calls for the assembly of the machines for costs plus a fixed fee due to the Company. Thereafter, the purchase order calls for the machines to purchased for a fix price, subject to changes under certain conditions.

The purchase order contains customary terms and conditions regarding payment milestones, quality control, warranties, and delivery requirements. Further, as customary in purchase orders, the purchase order may be cancelled by MTIX at anytime, subject to payments to the Company for time and material costs incurred to date and cancellation fees.
