On December 4, 2017, Digital Power Corporation, a California corporation (the “**Company**”), entered into a Securities Purchase Agreement (the “**Purchase Agreement**”) with an institutional investor (the “**Purchaser**”), pursuant to which the Company has agreed, upon the terms and subject to the conditions of the Purchase Agreement, to issue and sell to the Purchaser 150,000 shares of restricted common stock of the Company (the “**Restricted Shares**”) and a 10% Original Issue Discount Convertible Debenture for a purchase price of \$500,000 with a principal face amount of \$550,000 (the “**Debenture**”). The Company and the Purchaser consummated the closing (the “**Closing**”) on December 14, 2017. The Company and the Purchaser entered into the Purchase Agreement pursuant to an understanding reached on November 22, 2017.

In the event that the Company consummates any debt or equity financing with gross proceeds to the Company equal to or greater than \$7,500,000, then the Company shall prepay to the holder in cash 110% of the outstanding principal amount of the Debenture and any accrued and unpaid interest if the closing of such transaction occurs within ninety days from the original issue date of the Debenture, and the Company shall prepay to the holder in cash 115% of the outstanding principal amount of the Debenture and any accrued and unpaid interest if the Closing of such transaction occurs between 91 days from the original issue date and the maturity date of the Debenture. The Company has the option to prepay all amount owed under the Debenture in cash at a rate of 110% within 90 days from the original issue date and 115% from 91 days from the original issue date through the maturity date. The Company shall not issue any shares of common stock upon conversion of the Debenture if the issuance of such shares, when aggregated with the Restricted Shares, would exceed 3,138,479 shares of common stock, except that such limitation shall not apply in the event that the Company obtains the approval of its stockholders as required by the applicable rules of the NYSE American for issuances of common stock in excess of such amount. The Debenture contains a 4.99% beneficial ownership limitation, which may be increased at the holder’s option to up to 9.99% with 61 days written notice. The Company has agreed to use its best efforts to have the registration statement declared effective within 60 days of the Closing date. If the Company is unable to meet its obligations under the Registration Rights Agreement, on such date of failure or breach and on each monthly anniversary thereof if not cured by such date, the Company shall pay to each Holder an amount in cash, as partial liquidated damages and not as a penalty, equal to 1% of the subscription amount paid pursuant to the Purchase Agreement.
