PROXY STATEMENT

FOR ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 23, 2018

GENERAL INFORMATION

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the "Board") of Safety Insurance Group, Inc. (the "Company" or "Safety") for the 2018 Annual Meeting of Shareholders to be held on May 23, 2018 at 10:00 a.m. at the Company's headquarters located at 20 Custom House Street, Boston, Massachusetts 02110 (the "2018 Annual Meeting").

The record date for determining shareholders entitled to vote at the 2018 Annual Meeting has been fixed at the close of business on April 2, 2018 (the "Record Date"). As of the Record Date, 15,216,891 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), were outstanding and entitled to be voted. Every shareholder will be entitled to one vote for each share of Common Stock recorded in his or her name on the Company's books as of the Record Date. The Company mailed this Proxy Statement and the related form of proxy (the "Proxy") on or about April 9, 2018.

With respect to Proposal 1, Election of the Company's Directors, the shares of Common Stock represented by the enclosed Proxy will be voted as directed by the shareholder or, in the absence of such direction, in favor of the election of the nominees for director designated herein. So long as a quorum (a majority of issued and outstanding shares of Common Stock entitled to vote at the 2018 Annual Meeting) is present at the 2018 Annual Meeting either in person or by proxy, a plurality of the votes properly cast is required to elect each director. Votes withheld from a director nominee, abstentions and broker non-votes (when a registered broker holding a customer's shares in the name of the broker has not received voting instructions on a matter from the customer and is barred from exercising discretionary authority to vote on the matter, which the broker indicates on the Proxy Card) will be treated as present at the 2018 Annual Meeting for the purpose of determining a quorum but will not be counted as votes cast. Please note that Brokers may not vote your shares on Proposals 1, 3 or 4 without your specific instructions. Please be sure to give specific voting instructions to your broker, so that your vote can be counted.

With respect to Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm, an affirmative vote of a majority of the shares present or represented and entitled to vote on such proposal is required for approval. Abstentions are included in the number of shares

Table of Contents

present or represented and entitled to vote on the proposal and therefore have the practical effect of a vote against the proposal.

With respect to Proposal 3 approval of the material terms of the 2018 Long Term Incentive Plan requires a majority of the votes cast to be in favor of approval. Under Delaware law, approval requires an affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the proposal. Abstentions will count as votes against the proposal and broker non-votes will have no effect.

With respect to Proposal 4, Advisory Vote on Executive Compensation, an affirmative vote of a majority of the shares present or represented and entitled to vote on such proposal is required for approval (on a non-binding, advisory basis). Abstentions are included in the number of shares present or represented and entitled to vote on the proposal and therefore have the practical effect of a vote against the proposal. Your vote is advisory and will not be binding upon the Company, the Board of Directors, or the Compensation Committee. However, the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The enclosed Proxy confers discretionary authority with respect to any other proposals that may properly be brought before the 2018 Annual Meeting. As of the date hereof, management is not aware of any other matters to be presented for action at the 2018 Annual Meeting. If any other matters properly come before the 2018 Annual Meeting, however, the Proxies solicited hereby will be voted in accordance with the recommendation of the Board.

Any shareholder giving a Proxy may revoke it at any time before it is exercised by delivering written notice thereof to the Secretary. Any shareholder attending the 2018 Annual Meeting may vote in person whether or not the shareholder has previously filed a Proxy. Presence at the 2018 Annual Meeting by a shareholder who has signed a Proxy, however, does not in itself revoke the Proxy. The enclosed Proxy is being solicited by the Board. The cost of soliciting Proxies will be borne by the Company, and will consist primarily of preparing and mailing the Proxies and Proxy Statements. The Company will also request persons, firms and corporations holding shares of Common Stock in their names, or in the names of their nominees, which shares are beneficially owned by others, to send this Proxy material to and obtain Proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in so doing.

The Company's Annual Report to Shareholders for the fiscal year ended December 31, 2017, including financial statements and the report of the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, thereon, accompanies this Proxy Statement. The Annual Report to Shareholders is neither a part of this Proxy Statement nor incorporated herein by reference.

Peter J. Manning has served as a director of the Company since September 2003. Mr. Manning retired in 2003, as Vice Chairman Strategic Business Development of FleetBoston Financial, after 32 years with FleetBoston Financial Corporation (formerly BankBoston) where he also held the positions of Comptroller and Executive Vice President and

Mr. Manning qualifies as an “Audit Committee Financial Expert” as defined by the U.S. Securities and Exchange Committee rules. We believe that

3

Table of Contents

Mr. Manning's many years of experience in finance and accounting in the banking industry provide him with the necessary qualifications to be a director of the Company and Chairman of our Audit Committee.

David K. McKown has served as director of the Company since November 2002. Mr. McKown has been a Senior Advisor to Eaton Vance Management since 2000, focusing on business origination in real estate and asset-based loans. Mr. McKown retired in March 2000 having served as a Group Executive with BankBoston since 1993, where he focused on acquisitions and high-yield bank debt financings. Mr. McKown has been in the banking industry for 53 years, worked for BankBoston for over 32 years and had previously been the head of BankBoston's real estate department, corporate finance department, and a managing director of BankBoston's private equity unit. Mr. McKown is currently a director of Global Partners L.P. and various privately held companies. Mr. McKown is also a former director of Newcastle Investment Corp. We believe that Mr. McKown's extensive accounting, financial structuring, legal, and negotiation skills acquired during his many years in the banking industry provide him with the necessary skills to be a director of the Company and Chairman of our Compensation Committee.

Directors Continuing in Office

David F. Brussard served as President and Chief Executive Officer ("CEO") of the Company from June 2001 until his retirement on March 31, 2016. Mr. Brussard continues to serve the Company as Non-Executive Chairman of the Board. From January 1999 to March 31, 2016, Mr. Brussard served as the CEO and President of the Insurance Subsidiaries. Previously, Mr. Brussard served as Executive Vice President of the Insurance Subsidiaries from 1985 to 1999 and as Chief Financial Officer and Treasurer of the Insurance Subsidiaries from 1979 to 1999. Mr. Brussard was appointed Chairman of the Board in March 2004 and has served as a Director of the Company since October 2001. Mr. Brussard was also appointed Chairman of the Investment Committee on February 22, 2017. Based upon Mr. Brussard's significant experience with the insurance industry and his leadership roles in the Company and our insurance subsidiaries since inception, as well as his understanding of the financial, regulatory, corporate governance and other matters affecting public companies, we believe that Mr. Brussard is well qualified to serve as Chairman of our Board.

Frederic H. Lindeberg has served as a director of the Company since August 2004. Mr. Lindeberg has had a consulting practice providing taxation, management and investment counsel since 1991, focusing on finance, real estate, manufacturing and retail industries. Mr. Lindeberg retired in 1991 as Partner-In-Charge of various KPMG tax offices, after 24 years of service where he provided both accounting and tax counsel to various clients. Mr. Lindeberg is an attorney and certified public accountant. Mr. Lindeberg was formerly an adjunct professor at Penn State Graduate School of Business. Mr. Lindeberg was formerly a director of Provident Senior Living Trust and TAL International Group, Inc. We believe that Mr. Lindeberg's particular knowledge and experience in a variety of areas, including financial, regulatory, corporate governance and other matters affecting public companies, qualify him to serve on our Board and as Chairman of the Nominating and Governance Committee.

Thalia M. Meehan was appointed Director of the Company on July 3, 2017. Ms. Meehan has also been appointed to serve as a member of the Investment Committee of the Board. Ms. Meehan, a

Table of Contents

Chartered Financial Analyst, has over 30 years of experience in the investment sector. Ms. Meehan retired from Putnam Investments in 2016 with 27 years of experience and most recently served as a Team Leader and Portfolio Manager at Putnam Investments. Ms. Meehan currently serves on the Board of the Boston Women in Public Finance and was previously a member of the Municipal Securities Rulemaking Board Investor Advisory Group. Ms. Meehan's leadership skills and vast experience in the investment sector enable her to provide valuable insight and advice regarding investment decisions and other matter of import to the Company, which we believe well qualify her to serve on our Board.

George M. Murphy, CPCU, was appointed President and Chief Executive Officer of the Company effective April 1, 2016. He previously was the Vice President of Marketing since October 1, 2005. Mr. Murphy was appointed to the Board of Directors and to the Investment Committee in February 2016. Mr. Murphy has been employed by the Insurance Subsidiaries for over 29 years. Mr. Murphy's leadership roles in the Company and our insurance subsidiaries which included developing strong personal relationships with Safety's network of independent agents along with his understanding of finance, regulation, corporate governance and other matters affecting public companies, well qualify him to serve on our Board of Directors.

Certain Information Regarding the Board of Directors

Meetings of the Board of Directors

During 2017, the following meetings of the Board were held: five meetings of the Board, four meetings of the Audit Committee, two meetings of the Compensation Committee, two meetings of the Nominating and Governance Committee and four meetings of the Investment Committee. All of the incumbent Directors attended at least 75% of the Board and committee meetings held while they were members during 2017. At each quarterly meeting of the Board, the outside directors hold an executive session without management present.

Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are held by Mr. David F. Brussard and Mr. George M. Murphy, respectively. As the Chairman of the Board, Mr. Brussard provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. As Chief Executive Officer, Mr. Murphy has general charge, supervision, and control of the business and affairs of the Company, and is responsible generally for assuring that policy decisions of the Board are implemented as adopted. The Company does not have a lead independent director. Given the small size of its Board, the fact that all of its directors other than Mr. Brussard and Mr. Murphy are independent, and the fact that its four independent directors are actively engaged in Board matters, the Board does not believe that it is necessary to designate one director to this role.

We believe this Board leadership structure is appropriate for the Company, in that the Chairman of the Board and Chief Executive Officer provide strong leadership and direction for management to execute the Company's strategy and business plan while contributing to a more efficient and effective Board.

Table of Contents

Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's strategic, financial and operational risks.

The Company's Compensation Committee oversees the management of risks relating to the Company's compensation policies and practices. The Audit Committee oversees the management of risks associated with accounting, auditing, financial reporting and internal controls over financial reporting. The Audit Committee is responsible for reviewing and discussing the guidelines and policies governing the process by which senior management and the internal auditing department assess and manage the Company's exposure to risk, as well as the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Nominating and Corporate Governance Committee oversees risks associated with the independence of the Board of Directors. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks.

Independent Directors

The Board has determined that Frederic H. Lindeberg, Peter J. Manning, David K. McKown and Thalia M. Meehan are "independent directors" as determined pursuant to the Marketplace Rules promulgated by the National Association of Securities Dealers, Inc. (the "NASDAQ Marketplace Rules") and the rules and regulations of the U.S. Securities and Exchange Commission (the "SEC").

Board Committees

The Audit Committee is comprised of Peter J. Manning (Chairman), Frederic H. Lindeberg, and David K. McKown (the "Audit Committee"). The Board has determined that Peter J. Manning is an "Audit Committee Financial Expert" as established by the rules and regulations of the SEC. The Audit Committee meets at least quarterly and at each quarterly meeting meets with the independent auditors in an executive session without management present. For information regarding the functions performed by the Audit Committee, please refer to the Report of the Audit Committee included in this Proxy Statement, as well as the Charter of the Audit Committee, attached hereto in Appendix A to this Proxy Statement.

The Nominating and Governance Committee is comprised of Frederic H. Lindeberg (Chairman), Peter J. Manning, and David K. McKown (the "Nominating and Governance Committee"). For information regarding the functions performed by the Nominating and Governance Committee, please refer to the Charter of the Nominating and Governance Committee, attached hereto in Appendix C to this Proxy Statement.

Table of Contents

“Investment Committee”). The Investment Committee reviews and evaluates, as may be appropriate, information relating to the Company’s invested assets and its investment policies, strategies, objectives and activities.

Nominating and Governance Committee Policies

Pursuant to the Charter of the Nominating and Governance Committee, attached hereto in Appendix C to this Proxy Statement, the Nominating and Governance Committee has developed the following policies and procedures related to the nomination process for directors of the Company and the means by which shareholders may communicate with the Board.

Shareholder Recommendations for Director Nominees

The Nominating and Governance Committee will consider recommendations from shareholders as to candidates to be nominated for election to the Board. A shareholder wishing to submit such a recommendation should send a letter to the Secretary of the Company at Safety Insurance Group, Inc., 20 Custom House Street, Boston, Massachusetts 02110, who will forward such recommendations to the Chairman of the Nominating and Governance Committee.

Recommendations must be in writing and should include the candidate’s name and qualifications for Board membership. This policy is not intended to replace the provisions in the Company’s bylaws related to shareholder nominations for director, but rather addresses the Nominating and Governance Committee’s position on recommendations from shareholders for potential director nominees. Shareholders wishing to nominate persons for director must comply with the Company’s bylaws and any applicable rules of the SEC.

Director Nominee Evaluation Process

The Nominating and Governance Committee intends to utilize a variety of methods for identifying and evaluating nominees for director. The Nominating and Governance Committee will regularly assess the appropriate size of the Board, and whether any vacancies are expected due to retirement or otherwise. In the event that vacancies arise, the Nominating and Governance Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, shareholders, or other persons. In evaluating candidates, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience, and capability on the Board.

Shareholder Communications to the Board

Shareholders may communicate directly with any member of the Board or the entire Board by sending correspondence to the Office of Investor Relations, Safety Insurance Group, Inc., 20 Custom House Street, Boston Massachusetts 02110, or emailing InvestorRelations@SafetyInsurance.com. Any such correspondence must contain a clear notation indicating that it is a “Shareholder Director Communication,” and must indicate whether the intended recipients are all members of the Board or certain specified individual directors. The Office of Investor Relations will make copies of all such correspondence and circulate them to the appropriate director or directors.

Table of Contents

Director Attendance at Annual Meetings

Directors are encouraged but not required to attend the Company's Annual Meetings. One director attended last year's annual meeting.

Minimum Qualifications for Directors

In addition to the preceding policies and procedures adopted by the Nominating and Governance Committee, at the direction of the Board, the Board and Nominating and Governance Committee continue to evaluate their position on establishing minimum qualifications for directors. The Board seeks members with diverse business and professional backgrounds and outstanding integrity, judgment, and such other skills and experiences as will enhance the Board's ability to best serve the interest of the Company. Although the Board does not have a formal diversity policy, among the matters reviewed are the candidate's integrity, maturity and judgment, experience, collegiality, expertise, diversity, commitment and independence. The Board has not approved any criteria for nominees for director and believes that establishing such criteria is best left to an evaluation of the needs of the Company at the time the nomination is to be considered. Similarly, the Nominating and Governance Committee has not identified specific, minimum qualifications for director nominees or any specific qualities or skills that it believes are necessary for one or more of our directors to possess.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP
AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2018

The Audit Committee of the Board selected PricewaterhouseCoopers LLP ("PwC") to continue as the Company's independent registered public accounting firm for 2018. PwC is the Company's independent registered public accounting firm for the most recently completed fiscal year ended December 31, 2017. A representative of PwC is expected to be present at the 2018 Annual Meeting. The representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from shareholders.

Ratification of PwC as our independent registered public accounting firm for the fiscal year ending December 31, 2018 requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote. **THE BOARD RECOMMENDS A VOTE FOR PROPOSAL 2 WHICH CALLS FOR THE RATIFICATION OF THE APPOINTMENT OF PWC.**

If our shareholders do not ratify the selection of PwC, the appointment of the independent registered public accounting firm will be reconsidered by our Audit Committee. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its shareholders.

Audit Fees Billed for Services Performed Related to 2017 and 2016 Services

Audit Fees

Aggregate fees billed were \$1,128,729 and \$1,118,903 for 2017 and 2016, respectively. The fees in this category are for professional services rendered in connection with the audits of the Company's annual financial statements, including the Company's internal control over financial reporting, set forth in the Company's Annual Report on Form 10 K, the review of the Company's quarterly financial statements set forth in its Quarterly Reports on Form 10 Q, and the performance of other services that generally only the Company's independent registered public accounting firm can provide, such as consents.

Audit-Related Fees

Aggregate fees billed were \$38,450 and \$37,650 for 2017 and 2016, respectively. The fees in this category were for professional services rendered in connection with the employee benefit plan audit.

Tax Fees

Aggregate fees billed were \$53,075 and \$52,075 for 2017 and 2016, respectively. The fees in this category were for professional services rendered in connection with tax compliance and tax consulting services.

Table of Contents

All Other Fees

Aggregate fees billed were \$1,800 for both 2017 and 2016. The fees in this category were solely for the Company's licensing of PwC proprietary research tools.

The Audit Committee has considered and determined that the provision of non-audit services provided in 2017 and 2016 are compatible with maintaining PwC's independence.

Audit Committee's Pre-Approval Policies and Procedures

Our Audit Committee has established a policy that all audit and permissible non-audit services provided by the independent auditors will be pre-approved by the Audit Committee. These services may include audit services, audit related services, tax services and other services. The Audit Committee considers whether the provision of each non-audit service is compatible with maintaining the independence of the Company's auditors. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. During fiscal years 2017 and 2016, all audit services and all non-audit services provided to the Company by PwC were pre-approved in accordance with the Audit Committee's pre-approval policies and procedures described above.

PROPOSAL 3

APPROVAL OF THE 2018 LONG-TERM INCENTIVE PLAN

Our Board adopted the Safety Insurance Group, Inc. 2018 Long-Term Incentive Plan (the 2018 Plan), subject to stockholder approval. We are asking you to approve the 2018 Plan, which will make 350,000 shares of Common Stock available for issuance to our employees and other eligible participants. The material features of the 2018 Plan are described below. The Company will not grant any awards under the 2018 Plan before approval by the stockholders of the Company.

Timing of Proposal

There are a number of reasons why we are seeking approval of the 2018 Plan at this time. The last time we asked our shareholders to approve a long-term equity incentive plan, in full, was when the Safety Insurance Group, Inc. 2002 Management Omnibus Incentive Plan (the Prior Plan) was adopted in 2002. The Prior Plan was amended a number of times to comply with changes in the law and industry trends. Consistent with prior practice, we believe that adopting a new long term equity incentive plan in a form that reflects current practices and our needs is timely and appropriate.

As of April 2, 2018, there were approximately 209,087 shares remaining available under the Prior Plan for issuance of new awards. Approving the 2018 Plan will create a pool of 350,000 shares of Common Stock of the Company to be available for issuance under awards to participants. Our average burn rate for fiscal years 2015 through 2017 is 1.12% which is well below the insurance industry benchmark. We believe this low burn rate reflects a judicious use of equity for compensation purposes. No further grants will be made under the Prior Plan after the 2018 Plan is approved by our shareholders and any shares remaining available for issuance under the Prior Plan will not be carried over to the 2018 Plan.

a. Why We Support the Proposal

The 2018 Plan is key to our attracting and retaining top talent. Attracting and retaining top talent in this very competitive industry is one of our fundamental strategic imperatives. Our long-term equity compensation program for our officers and employees will be a significant element of our compensation strategy for attracting and retaining our top employees and directors. We have found that equity-based awards are valued by our executives and professionals. That sense of value, when coupled with multi-year vesting periods, serves to enhance retention of these associates as well as collaboration among them. We believe an equity incentive plan is key to our long-term success and the future success of our stockholders. As of April 2, 2018, our stock was trading at \$74.75 per share.

The 2018 Plan will be used to align the long-term interests of our associates with those of our stockholders. We consider it crucial to maintain a strong association between compensation of our key employees and our stockholders' long-term interests. Our long-term equity compensation program is a significant factor in achieving this goal.

Governance-related Provisions. As discussed below, the 2018 Plan includes terms that reflect our strong commitment to governance measures and plan design features considered important by key institutional stockholders and proxy advisory firms.

For these reasons, we are asking you to approve the 2018 Plan and thereby enable us to continue to implement our long-term equity compensation program.

Key Features Designed to Protect Stockholders' Interests

The 2018 Plan's design reflects our commitment to strong corporate governance and the desire to preserve stockholder value as demonstrated by the following 2018 Plan features:

- **Independent Administrator.** The Board of Directors (the Board) will generally be the administrator of the 2018 Plan. Administrative powers may be delegated to officers and other employees, but all determinations regarding awards to our executive officers must be made by the Board, and all determinations regarding awards to our non-employee directors must be made by the Board.
- **Repricing Prohibited.** The 2018 Plan requires that stockholder approval be obtained for any repricing, exchange or buyout of underwater awards.
- **Reloading Prohibited.** The 2018 Plan prohibits granting stock options with replenishment features.
- **No Discount Awards; Maximum Term Specified.** Stock options and stock appreciation rights must have an exercise price or base price no less than the closing price of our Common Stock on the date the award is granted and a term no longer than ten years.
- **Per-Participant Limits on Awards.** The 2018 Plan limits the size of awards that may be granted during any one year to any one participant.
- **No Dividends on Unvested Awards.** The 2018 Plan prohibits the payment of dividends or dividend equivalents on awards unless and until the award has vested or, with respect to performance awards, the applicable performance goals for such award have been met, as determined by the Board.
- **No Liberal Share Recycling Provision.** The 2018 Plan does not include liberal share recycling provisions.

- Double trigger change-in-control provisions. Vesting of outstanding awards is not accelerated automatically upon a change in control of the Company unless the awards are not assumed or converted by the acquirer; rather, vesting will accelerate if the employee suffers an involuntary termination of employment in connection with or within 18 months after the change in control.

b. Summary of the 2018 Plan

The following summary describes the most significant features of the 2018 Plan. This summary is not intended to be complete and is qualified in its entirety by reference to the full text of the 2018 Plan, a copy of which is attached as Appendix D this proxy statement. As of the date of this proxy statement, 5 non-employee directors and approximately 108 individuals are eligible to participate in the 2018 Plan.

Eligibility and Participation

The administrator selects the individuals who will participate in the 2018 Plan. Eligibility to participate is open to officers, directors and employees of, and other individuals who provide bona fide services to or for, us or any of our subsidiaries. The Board may also select as participants prospective officers, employees and service providers who have accepted an offer of employment or another service relationship from us or one of our subsidiaries. Any awards granted to such a prospect before the individual's start date may not become vested or exercisable, and no shares may be issued to such individual, before the date the individual first commences performance of services with us.

Administration

The Board will generally be the administrator of the 2018 Plan. Except as provided otherwise under the 2018 Plan, the administrator has plenary authority to grant awards pursuant to the terms of the 2018 Plan to eligible individuals, determine the types of awards and the number of shares covered by the awards, establish the terms and conditions for awards and take all other actions necessary or desirable to carry out the purpose and intent of the 2018 Plan.

The Board may delegate to the officers and employees of the Company limited authority to perform administrative actions under the 2018 Plan to assist in its administration to the extent permitted by applicable law and stock exchange rules. With respect to any award to which Section 16 of the Exchange Act applies, the administrator shall consist of our Board. Any member of the administrator who does not meet the foregoing requirements shall abstain from any decision regarding an award and shall not be considered a member of the administrator to the extent required to comply with Rule 16b-3 of the Exchange Act.

c. Shares Available Under the 2018 Plan

The shares of our Common Stock issuable pursuant to awards under the 2018 Plan will be shares authorized for issuance under our Amended and Restated Certificate of Incorporation. When the 2018 Plan first becomes effective, the number of shares of our Common Stock issuable pursuant to awards granted under the 2018 Plan (the "Share Pool") will be equal to 350,000.

Adjustments to Share Pool. Following the effective date of the 2018 Plan, the Share Pool will be adjusted as follows:

13

Table of Contents

- The Share Pool will be reduced by one share for each share of our Common Stock made subject to an award granted under the 2018 Plan;
- The Share Pool will be increased by the number of unissued shares of our Common Stock underlying or used as a reference measure for any award or portion of an award granted under the 2018 Plan that is cancelled, forfeited, expired, terminated unearned or settled in cash, in any such case without the issuance of shares; and
- The Share Pool will be increased by the number of shares of our Common Stock that are forfeited back to us after issuance due to a failure to meet an award contingency or condition with respect to any award or portion of an award granted under our 2018 Plan.

For the avoidance of doubt, the Share Pool will not be increased by (A) shares of our Common Stock that are used as a reference measure for any award granted under the 2018 Plan that are not issued upon settlement of such award due to a net settlement, (B) shares of our Common Stock withheld by or surrendered (either actually or through attestation) to us in payment of the exercise price of any award, or (C) shares of our Common Stock withheld by or surrendered (either actually or through attestation) to us in payment of any tax withholding obligation that arises in connection with any award.

In the event of a merger, consolidation, stock rights offering, statutory share exchange or similar event affecting the Company or a stock dividend, stock split, reverse stock split, separation, spinoff, reorganization, extraordinary dividend of cash or other property, share combination or subdivision, or recapitalization or similar event affecting the capital structure of the Company, our Board will adjust the Share Pool proportionately to reflect the transaction or event. Similar adjustments will be made to the award limitations described below and to the terms of outstanding awards.

Types of Awards

The 2018 Plan enables the grant of stock awards, performance shares, cash-based performance units, other stock-based awards, stock options, stock appreciation rights, and stock unit awards, each of which may be granted separately or in tandem with other awards. Currently, we only grant equity awards in the form of either stock awards or performance shares.

Restricted Stock. Awards of restricted stock are actual shares of our Common Stock that are issued to a participant, but that are subject to forfeiture if the participant does not remain employed by us for a certain period of time and/or if certain performance goals are not met. Except for these restrictions and any others imposed by the administrator, the participant will generally have all of the rights of a stockholder with respect to the restricted stock, including the right to vote the restricted stock, but will not be permitted to sell, assign, transfer, pledge or otherwise encumber shares of restricted stock before the risk of forfeiture lapses.

Table of Contents

Dividends declared payable on shares of restricted stock that are granted subject to risk of forfeiture conditioned solely on continued service over a period of time will be deferred for payment to such later date as determined by the administrator, and may be paid in cash or as unrestricted shares of our Common Stock or may be reinvested in additional shares of restricted stock. Dividends declared payable on shares of restricted stock that are granted subject to risk of forfeiture conditioned on satisfaction of performance goals will be held by us and made subject to forfeiture at least until the applicable performance goal related and/or vesting to such shares of restricted stock has been satisfied.

Restricted Stock Units. An award of restricted stock units represents a contractual obligation of the Company to deliver a number of shares of our Common Stock, an amount in cash equal to the fair market value of the specified number of shares subject to the award, or a combination of shares and cash. Until shares of our Common Stock are issued to the participant in settlement of stock units, the participant shall not have any rights of a stockholder of the Company with respect to the stock units or the shares issuable thereunder. Vesting of restricted stock units may be subject to performance goals, the continued service of the participant or both. The administrator may provide that dividend equivalents will be paid or credited with respect to restricted stock units, but such dividend equivalents will be held by us and made subject to forfeiture at least until any applicable performance goal related or other service-based restriction to such restricted stock units has been satisfied.

Performance Shares and Performance Units. An award of performance shares, as that term is used in the 2018 Plan, refers to shares of our Common Stock or stock units that are expressed in terms of our Common Stock, the issuance, vesting, lapse of restrictions or payment of which is contingent on performance as measured against predetermined objectives over a specified performance period. An award of performance units, as that term is used in the 2018 Plan, refers to dollar-denominated units valued by reference to designated criteria established by the administrator, other than our Common Stock, whose issuance, vesting, lapse of restrictions or payment is contingent on performance as measured against predetermined objectives over a specified performance period. The applicable award agreement will specify whether performance shares and performance units will be settled or paid in cash or shares of our Common Stock or a combination of both, or will reserve to the administrator or the participant the right to make that determination prior to or at the payment or settlement date.

The administrator will, prior to or at the time of grant, condition the grant, vesting or payment of, or lapse of restrictions on, an award of performance shares or performance units upon (A) the attainment of performance goals during a performance period or (B) the attainment of performance goals and the continued service of the participant. The length of the performance period, the performance goals to be achieved during the performance period, and the measure of whether and to what degree such performance goals have been attained will be conclusively determined by the administrator in the exercise of its absolute discretion. Performance goals may include minimum, maximum and target levels of performance, with the size of the award or payout of performance shares or performance units or the vesting or lapse of restrictions with respect thereto based on the level attained. An award of performance shares or performance units will be settled as and when the award vests or at a later time specified in the award agreement or in

Table of Contents

accordance with an election of the participant, if the administrator so permits, that meets the requirements of Section 409A of the Code.

Performance goals applicable to performance-based awards are based on performance metrics selected by the administrator. For this purpose, performance metrics mean any criteria established by the administrator, including but not limited to, the following, as it may apply to individual, one or more business units, divisions, or Affiliates, or on a company-wide basis, and in absolute terms, relative to a base period, or relative to the performance of one or more comparable companies, peer groups, or an index covering multiple companies:

- Earnings or Profitability Metrics: any derivative of investment advisory revenue; mutual fund servicing revenue; earnings/loss (gross, operating, net, or adjusted); earnings/loss before interest and taxes (“EBIT”); earnings/loss before interest, taxes, depreciation and amortization (“EBITDA”); profit margins; operating margins; combined ratio; expense levels or ratios; provided that any of the foregoing metrics may be adjusted to eliminate the effect of any one or more of the following: interest expense, asset impairments or investment losses, early extinguishment of debt or stock-based compensation expense;
 - Return Metrics: any derivative of return on investment, assets, equity or capital (total or invested);
- Investment Metrics: relative risk-adjusted investment performance; investment performance of assets under management;
- Cash Flow Metrics: any derivative of operating cash flow; cash flow sufficient to achieve financial ratios or a specified cash balance; free cash flow; cash flow return on capital; net cash provided by operating activities; cash flow per share; working capital;
- Liquidity Metrics: any derivative of debt leverage (including debt to capital, net debt-to-capital, debt-to-EBITDA or other liquidity ratios); and/or
- Stock Price and Equity Metrics: any derivative of return on stockholders’ equity; total stockholder return; stock price; stock price appreciation; market capitalization; earnings/loss per share (basic or diluted) (before or after taxes);

Other Stock-Based Awards. The administrator may from time to time grant to eligible individuals awards in the form of our Common Stock or any other award that is valued in whole or in part by reference to, or is otherwise based upon, shares of our Common Stock, including without limitation dividend equivalents and convertible debentures (Other Stock-Based Awards). Other Stock-Based Awards in the form of dividend equivalents may be (A) awarded on a free-standing basis or in connection with another award other than a stock option or stock appreciation right, (B) paid currently or credited to an account for the participant, including the reinvestment of such credited amounts in Common Stock equivalents, to be paid on a deferred basis, and (C) settled in cash or our Common Stock as

determined by the administrator; provided, however, that dividend

equivalents payable on Other Stock-Based Awards that are granted as a performance award or restricted award shall, rather than be paid on a current basis, be accrued and made subject to forfeiture at least until the applicable performance goal or service-based restrictions related to such Other Stock-Based Awards has been satisfied, as applicable. Any such settlements, and any such crediting of dividend equivalents, may be subject to such conditions, restrictions and contingencies as the administrator may establish.

Stock Options and Stock Appreciation Rights. Stock options represent a right to purchase a specified number of shares of our Common Stock from us at a specified price during a specified period of time. Stock options may be granted in the form of incentive stock options, which are intended to qualify for favorable treatment for the recipient under U.S. federal tax law, or as nonqualified stock options, which do not qualify for this favorable tax treatment. Only employees of the Company or its subsidiaries may receive tax-qualified incentive stock options within the U.S. The administrator may establish sub-plans under the 2018 Plan through which to grant stock options that qualify for preferred tax treatment for recipients in jurisdictions outside the U.S. Stock appreciation rights represent the right to receive an amount in cash, shares of our Common Stock or both equal to the fair market value of the shares subject to the award on the date of exercise minus the exercise price of the award. All stock options and stock appreciation rights must have a term of no longer than ten years' duration. Stock options and stock appreciation rights generally must have an exercise price equal to or above the fair market value of our shares of Common Stock on the date of grant except as provided under applicable law or with respect to stock options and stock appreciation rights that are granted in substitution of similar types of awards of a company acquired by us or an affiliate or with which we or our affiliate combine (whether in connection with a corporate transaction, such as a merger, combination, consolidation or acquisition of property or stock, or otherwise) to preserve the intrinsic value of such awards. As of April 2, 2018, the fair market value of a share of our Common Stock was \$74.75 as reported on the NASDAQ Global Select Market.

Prohibition on Reload Options. The administrator is prohibited from granting stock options under the 2018 Plan that contain a reload or replenishment feature. A reload or replenishment feature means that if an option holder delivers shares of our Common Stock to us in payment of the exercise price or any tax withholding obligation upon exercise of an outstanding stock option, we grant to that option holder a new at-the-market option for the number of shares that he or she delivered.

Prohibition on Repricing. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of stock options and stock appreciation rights granted under the 2018 Plan may not be amended, after the date of grant, to reduce the exercise price of such stock options or stock appreciation rights, nor may outstanding stock options or stock appreciation rights be canceled in exchange for (i) cash, (ii) stock options or stock appreciation rights with an exercise price that is less than the exercise price of the original outstanding stock options or stock appreciation rights, or (iii) other awards, unless such action is approved by our stockholders.

Award Limitations

The following limitations on awards are imposed under the 2018 Plan:

ISO Award Limit. The maximum number of shares of our Common Stock that may be issued in connection with awards granted under the 2018 Plan that are intended to qualify as incentive stock options under Section 422 of the Code is equal to the Share Pool as of the effective date of the 2018 Plan.

Individual Award Limits:

- **Appreciation Awards.** The maximum number of shares of our Common Stock that may be made subject to awards granted under the 2018 Plan during a calendar year to any one person in the form of stock options or stock appreciation rights is, in the aggregate, 500,000 shares.
- **Stock-Based Performance Awards.** The maximum number of shares of our Common Stock that may be made subject to awards granted under the 2018 Plan during a calendar year to any one person in the form of performance shares is, in the aggregate, 500,000 shares. If such performance shares will be settled in cash, the maximum cash amount payable thereunder is the amount equal to the number of performance shares to be settled in cash multiplied by the closing price of the shares, as determined as of the payment date.
- **Cash-Based Performance Units.** In connection with awards granted under the 2018 Plan during a calendar year to any one person in the form of cash-based performance units, the maximum cash amount payable under such performance units is \$5,000,000.
- **Adjustments to Limits during Initial Year of Service.** Each of the individual limits set forth above are multiplied by two when applied to awards granted to any individual during the calendar year in which such individual first commences service with us.
- **Adjustments for Multi-year Performance Periods.** The individual limits set forth above for stock-based performance awards are multiplied by the number of calendar years over which the applicable performance period spans (in whole or in part), if the performance period is longer than 12 months' duration.

Non-Employee Director Limits

The Administrator may establish compensation for directors who are not employees of our company or any of our Affiliates, as defined in the 2018 Long-Term Incentive Plan, or the Non-Employee Directors, from time to time, provided that the sum of any cash compensation and the grant date fair value of Awards granted under the 2018 Long-Term Incentive Plan to a non-employee director as compensation for services as a non-employee director during any calendar year may not exceed \$750,000 for an annual grant, provided however that in a non-employee's director first year of service, compensation for services may not exceed \$1,000,000. The Administrator may

18

Table of Contents

make exceptions to this limit for individual non-employee directors in extraordinary circumstances, as the Administrator may determine in its discretion, provided that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation or in other compensation decisions involving non-employee director.

Adjustments to Awards for Corporate Transactions and Other Events

Mandatory Adjustments. In the event of a merger, consolidation, stock rights offering, statutory share exchange or similar event affecting us (a “Corporate Event”) or a stock dividend, stock split, reverse stock split, separation, spinoff, reorganization, extraordinary dividend of cash or other property, share combination or subdivision, or recapitalization or similar event affecting the capital structure of the Company, the administrator will make such equitable and appropriate substitutions or proportionate adjustments to:

- the aggregate number and kind of shares of Common Stock or other securities on which awards under the 2018 Plan may be granted to eligible individuals;
- the maximum number of shares of Common Stock or other securities with respect to which awards may be granted during any one calendar year to any individual;
- the maximum number of shares of Common Stock or other securities that may be issued with respect to incentive stock options granted under the 2018 Plan;
- the number of shares of Common Stock or other securities covered by each outstanding award and the exercise price, base price or other price per share, if any, and other relevant terms of each outstanding award; and
- all other numerical limitations relating to awards, whether contained in the 2018 Plan or in award agreements.

Discretionary Adjustments. In addition to the adjustments specified above, in the case of Corporate Events, the administrator may make such other adjustments to outstanding awards as it determines to be appropriate and desirable, which adjustments may include, without limitation, (i) the cancellation of outstanding awards in exchange for payments of cash, securities or other property or a combination thereof having an aggregate value equal to the value of such awards, (ii) the substitution of securities or other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the shares of Common Stock subject to outstanding awards, and (iii) the substitution of equivalent awards, as determined in the sole discretion of the administrator, of the surviving or successor entity or a parent thereof. The administrator may, in its discretion, adjust the performance goals applicable to any awards to reflect any unusual or non-recurring events and other extraordinary items, impact of charges for restructurings, discontinued operations and the cumulative effects of accounting or tax changes.

Treatment of Awards upon Dissolution or Liquidation or a Change in Control

Dissolution or Liquidation. Unless the administrator determines otherwise, all awards outstanding under the 2018 Plan will terminate upon the dissolution or liquidation of the Company.

Change in Control - Termination of Awards. Outstanding Awards will terminate upon the effective time of such change in control unless provision is made in connection with the transaction for the continuation or assumption of such awards by, or for the issuance therefor of substitute awards of, the surviving or successor entity or a parent thereof. Solely with respect to awards that will terminate as a result of the immediately preceding sentence and except as otherwise provided in the applicable award agreement: (i) the outstanding awards of stock options and stock appreciation rights that will terminate upon the effective time of the change in control will, immediately before the effective time of the change in control, become fully exercisable and the holders of such Awards will be permitted, immediately before the change in control, to exercise the Awards; (ii) the outstanding shares of restricted stock the vesting or restrictions on which are then solely time-based and not subject to achievement of performance goals will, immediately before the effective time of the change in control, become fully vested, free of all transfer and lapse restrictions and free of all risks of forfeiture; (iii) the outstanding shares of restricted stock the vesting or restrictions on which are then subject to and pending achievement of performance goals shall, immediately before the effective time of the change in control and unless the award agreement provides for vesting or lapsing of restrictions in a greater amount upon the occurrence of a change in control, become vested, free of transfer and lapse restrictions and risks of forfeiture in such amounts as if the applicable performance goals for the unexpired performance period had been achieved at the target level set forth in the applicable award agreement; (iv) the outstanding restricted stock units, performance shares and performance units the vesting, earning or settlement of which is then solely time-based and not subject to or pending achievement of performance goals shall, immediately before the effective time of the change in control, become fully earned and vested and shall be settled in cash or shares of Common Stock (consistent with the terms of the award agreement after taking into account the effect of the change in control transaction on the shares) as promptly as is practicable, subject to any applicable limitations imposed thereon by Section 409A of the Code; and (v) the outstanding restricted stock units, performance shares and performance units the vesting, earning or settlement of which is then subject to and pending achievement of performance goals shall, immediately before the effective time of the change in control and unless the award agreement provides for vesting, earning or settlement in a greater amount upon the occurrence of a change in control, become vested and earned in such amounts as if the applicable performance goals for the unexpired performance period had been achieved at the target level set forth in the applicable award agreement and shall be settled in cash or shares of Common Stock (consistent with the terms of the award agreement after taking into account the effect of the change in control transaction on the shares) as promptly as is practicable, subject to any applicable limitations imposed thereon by Section 409A of the Code.

Change in Control - Continuation, Assumption or Substitution of Awards. Unless otherwise provided in the applicable award agreement, if a change in control of the Company occurs via a transaction under which provision is made in connection with the transaction by the surviving or successor entity or a parent of such entity for outstanding awards to be continued or assumed or for

Table of Contents

equivalent awards to be substituted, then such awards will continue and will be subject to the double-trigger protections provided to participants holding outstanding awards are triggered. This means that if, coincident with the change in control or during the 18 month period following the change in control, a participant's service with the surviving or successor entity is terminated involuntarily by the participant's employer (other than for cause, as defined in the 2018 Plan, disability or death), the following accelerated vesting and payment rules will apply to the participant's outstanding awards: (i) any outstanding stock options and stock appreciation rights granted under the 2018 Plan to a participant or any such substitute awards which are not then exercisable and vested shall become fully exercisable and vested; (ii) the restrictions and transferal limitations applicable to any shares of restricted stock granted under the 2018 Plan to a participant or any such substitute awards shall lapse and such shares of restricted stock shall become free of all restrictions and become fully vested and transferable; (iii) all restricted stock units, performance shares and performance units granted under the 2018 Plan to the participant or any such substitute awards shall be considered to be earned and payable at target level, any deferral or other restriction thereon shall lapse, any restriction period thereon shall terminate, and such restricted stock units, performance shares and performance units or any such substitute awards will be settled in cash or shares of Common Stock (consistent with the terms of the award Agreement after taking into account the effect of the change in control transaction on the shares) as promptly as is practicable; (iv) each outstanding performance award granted under the 2018 Plan to a participant or any such substitute award shall be deemed to satisfy any applicable performance goals as set forth in the applicable award agreement; and (v) the administrator may also make additional adjustments and/or settlements of outstanding awards granted to the participant or any substitute awards as it deems appropriate and consistent with the 2018 Plan's purposes.

Under the terms of the 2018 Plan, a change in control is generally defined as (i) any acquisition by a person or entity of more than 50% of the total voting power of the Company's stock, with certain exceptions, (ii) a contested change in the majority of the Board members within a 12-month period or (iii) acquisition by a person or entity over a 12-month period of assets from the Company that have a total gross fair market value equal to or more than 51% of the total gross fair market value of all of the Company immediately prior to such acquisitions.

d. Amendment and Termination

Our Board may terminate, amend or modify the 2018 Plan or any portion of it at any time, subject to such restrictions on amendments and modifications as may apply under applicable laws or listing rules. No such amendment may be made without the approval of our stockholders, however, to the extent such amendment would (i) materially increase the benefits accruing to participants under the 2018 Plan, (ii) materially increase the number of shares of our Common Stock which may be issued under the 2018 Plan or to a participant, (iii) materially expand the eligibility for participation in the 2018 Plan, (iv) eliminate or modify the prohibition on repricing of stock options and stock appreciation rights, (v) lengthen the maximum term or lower the minimum exercise price or base price permitted for stock options and stock appreciation rights, or (vi) modify the limitation on the issuance of reload or replenishment options.

Table of Contents

The 2018 Plan is scheduled to expire on April 2, 2028 which is ten years after its adoption by our Board.

e. Compliance with Listing Rules

While shares are listed for trading on any stock exchange or market, our Board agrees that it will not make any amendments, issue any awards or take any action under the 2018 Plan unless such action complies with the relevant listing rules.

Material U.S. Federal Income Tax Consequences of the 2018 Plan

The following discussion is intended only as a general summary of the material U.S. federal income tax consequences of awards issued under the 2018 Plan, based upon the provisions of the Code as of the date of this proxy statement, for the purposes of stockholders considering how to vote on this proposal. It is not intended as tax guidance to participants in the 2018 Plan. This summary does not take into account certain circumstances that may change the income tax treatment of awards for individual participants, and it does not describe the state income tax consequences of any award or the taxation of awards in jurisdictions outside of the U.S.

Stock Options and Stock Appreciation Rights. The grant of a stock option or stock appreciation right generally has no income tax consequences for a participant or the Company. Likewise, the exercise of an incentive stock option generally does not have income tax consequences for a participant or the Company, except that it may result in an item of adjustment for alternative minimum tax purposes for the participant. A participant usually recognizes ordinary income upon the exercise of a nonqualified stock option or stock appreciation right equal to the fair market value of the shares or cash payable (without regard to income or employment tax withholding) minus the exercise price, if applicable. We should generally be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income recognized by the participant as a result of the exercise of a nonqualified stock option or stock appreciation right.

If a participant holds the shares acquired under an incentive stock option for the time specified in the Code (at least two years measured from the grant date and one year measured from the exercise date), any gain or loss arising from a subsequent disposition of the shares will be taxed as long-term capital gain or loss. If the shares are disposed of before the holding period is satisfied, the participant will recognize ordinary income equal to the lesser of (1) the amount realized upon the disposition and (2) the fair market value of such shares on the date of exercise minus the exercise price paid for the shares. Any ordinary income recognized by the participant on the disqualifying disposition of the shares generally entitles us to a deduction by us for federal income tax purposes. Any disposition of shares acquired under a nonqualified stock option or a stock appreciation right will generally result only in capital gain or loss for the participant, which may be short- or long-term, depending upon the holding period for the shares.

Full Value Awards. Any cash and the fair market value of any shares of Common Stock received by a participant under a full value award are generally includible in the participant's

Table of Contents

ordinary income. In the case of restricted stock awards, this amount is includible in the participant's income when the awards vest, unless the participant has filed an election with the IRS to include the fair market value of the restricted shares in income as of the date the award was granted. In the case of restricted stock units, performance shares and performance units, generally the value of any cash and the fair market value of any shares of Common Stock received by a participant are includible in income when the awards are paid.

Deductibility of Compensation. The Company generally is entitled to a deduction equal to the amount included in the ordinary income of participants and does not receive a deduction for amounts that are taxable to participants as capital gain.

New Plan Benefits

No awards have been previously granted under the 2018 Plan. The awards that are to be granted to any participant or group of participants are indeterminable at the date of this proxy statement because participation and the types of awards that may be granted under the 2018 Plan are subject to the discretion of the administrator. Consequently, no New Plan Benefits Table is included in this proxy statement.

Our Board of has approved and declared advisable the 2018 Plan. If Proposal 4 is approved, the Board will implement the 2018 Plan.

Vote Required for Approval

The affirmative vote of a majority of the votes cast in person or by duly executed proxies is required for approval of the proposal to approve the 2018 Plan.

PROPOSAL 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board adopted the shareholders' recommendation at the 2017 Annual Meeting and elected to hold a shareholder vote on "say-on-pay" annually. Accordingly, in this Proposal 4, the Company again this year seeks your vote on the following advisory resolution:

"RESOLVED, that the shareholders of the Company approve, on a non-binding advisory basis, the compensation of the Company's Named Executive Officers listed in the 2017 Summary Compensation Table included in the Proxy Statement for the 2018 Annual Meeting, as such compensation is disclosed pursuant to the disclosure rules of the Securities and Exchange Commission, including the section titled Compensation Discussion and Analysis as well as the compensation tables and other narrative executive compensation disclosures thereafter."

Our goal for the Company's executive compensation program is to attract, motivate and retain a talented, dedicated and knowledgeable team of executives who will provide leadership for the Company's success in competitive markets. We seek to accomplish this goal in a way that rewards performance and is strongly aligned with our shareholders' long-term interests.

The Company, the Board of Directors, and the Compensation Committee remain committed to the compensation philosophy, policies and objectives outlined under the heading Compensation Discussion and Analysis in the Proxy Statement. We are committed to paying for performance and making sure our decisions align with the long-term interests of Safety and its shareholders. Since our November 22, 2002 Initial Public Offering through December 31, 2017, Safety has delivered a total of 1,008% in total return to our shareholders, well above the major indexes and our property-casualty insurance peers. As always, the Board of Directors and the Compensation Committee will continue to review all elements of the executive compensation program and take any steps they deem necessary to continue to fulfill the objectives of the program.

Shareholders are encouraged to carefully review the Compensation Discussion and Analysis section, the compensation tables and other narrative discussion in the Proxy Statement which discuss in detail our compensation policies and procedures and our compensation philosophy.

Because your vote is advisory, it will not be binding upon the Company, the Board of Directors, or the Compensation Committee. However, the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE RESOLUTION ABOVE APPROVING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

Our compensation program objectives are to attract and retain individuals key to our future success, to motivate and reward employees in achieving our business goals and to align the long-term interests of employees with those of our shareholders. We are committed to paying for performance and making sure our decisions align with long-term interests of Safety and its shareholders.

In this section, we discuss and analyze our compensation practices with respect to Messrs. Murphy, Begley, Berry, Krupa, and Narciso, who are respectively, our Chief Executive Officer, Chief Financial Officer, and three other highest paid executives (collectively, our "Named Executive Officers") in 2017.

Executive Summary

The purpose of this summary is to help our investors understand Safety's approach to executive compensation, specifically understanding what we pay our executives, how we pay them, and why. We are committed to paying for performance and making sure our decisions align with long-term interests of Safety and its shareholders.

The Compensation Committee (the "Committee") is responsible for executive compensation at Safety. The Committee is comprised entirely of independent directors. The Committee engages Pay Governance, a leading independent executive compensation consulting firm, to help guide them in implementing best pay practices and help ensure strong pay and performance alignment. Highlights and features of our shareholder-friendly pay practices include:

- A performance-based share program, which measures our performance over a three-year period and is specifically tied to total shareholder return ("TSR")¹ and combined ratio, which is a standard insurance industry profitability metric. In 2017, performance awards represented 55% of total long-term incentive shares awarded. We believe that maintaining a long-term performance-based share program in combination with our existing performance-based annual cash bonus will help ensure strong pay and performance alignment.
- A "double trigger" rather than "single trigger" vesting acceleration in a potential change of control. For the vesting of shares to accelerate, the executive would need to be terminated and a change of control would have to occur.
- No tax gross-ups for potential excise tax that might be incurred if a change of control were to occur.
- Our equity plan prohibits share recycling and repricing of stock options without advance approval of shareholders.
- Robust stock ownership guidelines for our executives and Directors.

¹ TSR = share price appreciation + dividends

Table of Contents

- A recoupment or “clawback” policy for incentive compensation awarded to executives in the event of an accounting restatement during a three-year period in cases of material fraud, misstatement or misconduct.
- An insider trading policy that prohibits the hedging or pledging of the Company’s equity securities.

Long-term Performance

We have had strong absolute and relative TSR over the 1, 3, and 5 year periods. Our TSR of 1,008% from our November 22, 2002, Initial Public Offering (“IPO”) through December 31, 2017, is well above the major indexes and our property and casualty insurance peers.

Time Period*	TSR
1 year	14%
3 years	44%
5 years	119%

*1 year represents year-over-year growth while 3 and 5 years represent cumulative growth (e.g., for 3 years represents growth from December 31, 2014 through December 31, 2017; for 5 years represents growth from December 31, 2012 through December 31, 2017)

2017 Results and Impact on Actual Pay

2017 was a strong year for our Company as we achieved the following accomplishments:

- In 2017, earnings per share (“EPS”) was \$4.13 and earnings before income taxes (“EBIT”)² was \$86.8 million. The Compensation Committee believes that EBIT is an effective measure for assessing annual profitability and company performance. It is the core metric used in the annual incentive plan under which cash bonus payouts are tied directly to EBIT.
- Direct written premiums, a proxy for revenue growth, increased by 1.9% from \$811.6 million to \$827.3 million.
- Combined ratio, another measure of profitability, which is the sum of our loss and expense ratio, was 97.2% in 2017.

² EBIT = Earnings before interest and taxes, also equal to net income plus interest and tax expense

Table of Contents

Due to the above accomplishments and other strong financial performance, we funded performance-based variable pay as follows:

- 2017 annual incentive bonus was achieved at maximum, representing 150% of target;
- The 2015 – 2017 performance awards granted on February 24, 2015 had an actual payout of 86.5%, below the targeted granted amount. Refer to the long-term incentive section below for further information.

The Committee is confident that the 2017 annual incentive and 2015 – 2017 performance share payouts are a fair reflection of the year's results.

Say on Pay Results

Safety's Board of Directors takes its duty to the Company and its shareholders seriously. We strive to follow good process, apply our best judgment, and make the best decisions we can to make Safety an even stronger and more valuable company. Our ability to perform that role is greatly enhanced when we receive thoughtful and constructive feedback from our shareholders. Our shareholders responded very favorably to our executive compensation program with 97.6% voting in support of our 2017 Say on Pay vote. We continue to welcome your input and feedback on our approach to executive compensation and these disclosure materials. We look forward to receiving your continued support on our upcoming say-on-pay vote.

Objectives of the Company's Compensation Program

The Committee is responsible for recommending to the Board compensation for the CEO and for determining the compensation of the other executive officers. The Committee acts pursuant to a charter that has been approved by the Board. The Committee bases its compensation policies and decisions on the following principles.

- Compensation should be structured to allow us to motivate, retain and attract executive talent.
- Compensation should be directly linked to the Company's and individual's performance as well as the individual's level of responsibility.
- Compensation should be driven by our long-term financial performance and in doing so work to align the interests of management and shareholders.
- Compensation should reflect the value of each officer's position in the marketplace and within the Company.

The Committee annually reviews executive performance and compensation, including base pay, annual cash incentives, and equity awards for our executives. The Committee considers specific recommendations regarding compensation for other executives from the CEO and reviews the CEO's annual assessment of other executives' performance. Our Committee makes a final determination of compensation amounts for our CEO and other executives with respect to each of the elements of the executive compensation program for actual compensation based on performance in the preceding year and target compensation for the current year.

Table of Contents

Policies and Practices Related to the Company's Compensation Program

We strive to create an overall compensation package for each Named Executive Officer that satisfies these objectives, recognizing that certain elements of compensation are better suited to reflect different compensation objectives. Our primary goal is to provide strong performance-based total compensation plans that enable us to provide highly competitive compensation when our performance leads the peer group and industry.

Compensation Consultant and Compensation Study

The Committee selected and directly engaged Pay Governance as its compensation consultant. Pay Governance receives compensation only for services related to executive compensation issues, and neither it nor any affiliate company provides any other services to the Company. Pay Governance reports directly to the Committee and is responsible for reviewing Committee materials, attending Committee meetings, assisting the Committee with program design and generally providing advice and counsel to the Committee as compensation issues arise. Based on the consideration of the various factors as set forth in the rules of the SEC, the Compensation Committee has determined that its relationship with Pay Governance and the work of Pay Governance on behalf of the Committee has not raised any conflict of interest.

As part of its review of the compensation of executive management at the Company, Pay Governance recommended and the Committee approved the following thirteen companies which comprise the Company's peer group for 2017 as follows:

Baldwin & Lyons, Inc., Donegal Group, Inc., EMC Insurance Group, Inc., Employers Holdings, Inc., Hallmark Financial Services, Inc., Hanover Insurance Group, Inc., Heritage Insurance Holdings, Horace Mann Educators Corporation, Infinity Property & Casualty Corporation, Mercury General Corporation, Selective Insurance Group, Inc., State Auto Financial Corporation, Universal Insurance Holdings.

This 2017 peer group reflects the exclusion of National Interstate Corporation which was acquired in 2017 and the addition of Heritage Insurance Holdings.

Equity Grant Practices

The grant date of our equity awards is scheduled in advance and is based on the timing of the completion of our annual performance and compensation review process. We have not granted stock options to our Named Executive Officers since 2003 and none of our Named Executive Officers hold any Company stock options.

Stock Ownership Guidelines and Hedging / Pledging Policy

We have stock ownership guidelines for our Named Executive Officers to help ensure alignment of our Named Executive Officers' interests with those of our shareholders. Stock ownership guidelines are set as a multiple of annual base salary divided by the current share price on the date of the annual evaluation. The multiple of annual base salary for the CEO is set at five, and for the remaining executive officers is set at three. All of our Named Executive Officers currently meet these guidelines.

Table of Contents

Our Directors are also subject to stock ownership guidelines, which require them to have a value four times their annual cash retainer. A director must meet this requirement within five years of becoming a director. All Directors, outside of the recently appointed Ms. Meehan, currently meet the guideline.

As part of our insider trading policy, our executives and directors are already subject to an anti-hedging policy that prohibits them from purchasing financial instruments that are designed to hedge or offset any fluctuations in the market value of the Company's equity securities they hold. The insider trading policy also prohibits the pledging of the Company's equity securities.

Elements of Executive Compensation

The Committee, after reviewing information provided by Pay Governance, determines what it believes to be the appropriate level for cash and non-cash compensation components. After receiving the results of the Pay Governance study and considering our compensation philosophy and the actual practices of the selected peer group, the Committee determined that the elements of targeted overall compensation for executive officers should include the following:

Pay at Risk

A significant percentage of each named executive's target total direct compensation is "pay at risk" through long-term equity awards and annual incentive awards that are linked to actual performance. The Committee believes that the executive pay at Safety should contain a high percentage of pay at risk consistent with our pay for performance philosophy. For example in 2017, Safety's CEO had 70% of his target pay (target annual incentive and long-term incentives) at risk which was above that of peer CEOs according to the Pay Governance executive benchmarking report. The actual mix of compensation for 2017 for our CEO is shown in the chart below.

Table of Contents

Base Salaries

Base salaries are generally targeted at the median (50th percentile) of peer group companies and reflect the roles, responsibilities and individual performance of the executives. In 2017, in accordance with the executive officers' employment contracts, salary increases were based on the change in cost of living for the Boston metropolitan market as reported by the U.S. Department of Labor statistics. This resulted in an increase of 1.3% to each NEO. The salaries of our President and Chief Executive Officer, Chief Financial Officer and Vice President of Underwriting were also adjusted by the Compensation Committee to reflect current market conditions.

Annual Cash Incentives

The purpose of the Annual Performance Incentive Plan is to provide designated key executive employees with meaningful financial rewards for the accomplishment of our annual financial and strategic objectives. This annual cash incentive compensation award directly reflects the actual performance of the Company. This direct reflection of Company performance is illustrated by the 2017 awards, under which, as discussed below, performance results exceeded the maximum payout and resulted in a maximum payout to our Named Executive Officers

Under the Annual Performance Incentive Plan, once the threshold performance level (as defined by the Committee annually) has been achieved, the payouts may range from 50% to 150% of the target payout.

The 2017 payout opportunity for our executive officers ranged as follows:

Position	% of Salary Payable		
	Threshold	Target	Maximum
Chief Executive Officer	40%	80%	120%
Other Executive Officers	30%	60%	90%

On or before the end of the first 90 days of each fiscal year, the Committee selects the participants to whom incentive awards are granted, establishes the target incentive awards, and establishes the performance objective or objectives that will determine the dollar amount available for these incentive awards. Performance objectives are based upon the relative or comparative achievement of one or more of the following criteria, as determined by the Committee: net income, EBIT, EPS, return on shareholders' equity, expense management, profitability of an identifiable business unit or product, ratio of claims to revenues, revenue growth, earnings growth, total shareholder return, cash flow, return on assets, operating income, net economic profit (operating earnings minus a charge for capital), customer satisfaction, agency satisfaction, employee satisfaction, quality of services, strategic innovation, or any combination of the foregoing.

For 2017, the financial measure established by the Committee was annual EBIT. Our Committee believes that EBIT provides an effective means of directly linking executive compensation to our shareholders' interests. EBIT is equal to our net income plus our interest expense and our income tax expense. The target goal for 2017 was \$31.3 million and was based on the average of the actual EBIT achievements for 2016 and 2015 on which the executives were paid bonuses. This means that if the actual EBIT achievement was above 150% of that year's target, the goal setting calculation uses the 150% achievement for determining the two-year average. This practice avoids penalizing the executives for over achievement and creating unachievable performance goals. The two-year average also enables us to set targets that provide for a reasonable

Table of Contents

time to adjust to factors that are out of the Company's control, such as changes in regulatory requirements or unusual weather occurrences. Once the target goal is set, the range of performance is 50% (threshold) to 150% (exceptional) of this target, and the payouts are based on achievement relative to the goal. The Committee prorates the payouts within this range to correspond to the actual performance.

For 2017, our actual financial performance of \$86.7 million was 277% of our \$31.3 million target EBIT. For 2016 our actual financial performance of \$93.4 million was 224% of our \$41.7 million target EBIT. This resulted in a 150% of target payout for both 2017 and 2016 as follows.

Name	2017 Non-Equity Incentive Plan Compensation	2016 Non-Equity Incentive Plan Compensation
George M. Murphy	849,360	620,010
William J. Begley, Jr.	405,000	368,730
James D. Berry	315,000	291,690
David E. Krupa	229,770	226,800
Paul J. Narciso	229,770	226,800

Long-Term Incentives

We use our 2002 Management Omnibus Incentive Plan (the "Omnibus Incentive Plan") to grant long-term equity-based incentive awards. A description of the Omnibus Incentive Plan can be found in the narrative following the Grants of Plan-Based Awards table. Long-term incentive compensation, which may include nonqualified stock options, incentive stock options, stock appreciation rights and restricted stock awards, is intended to reinforce the long-term growth in shareholder value of the Company by linking pay to the value of our shares. The amounts awarded annually are based on the performance of the Company. The actual amount awarded and accumulated reflects our historical performance.

On February 22, 2017, the Committee, after reviewing information provided by Pay Governance, determined what it believed to be the appropriate level of each of the various compensation components. The Committee awarded restricted stock awards with an aggregate total market value of \$3,125,000 as of the date of the grant to the executive team. The executives were granted 55% of their overall LTI mix in the form of performance-based restricted shares, while the remaining 45% were in the form of time-based restricted shares. Shares will not be earned or vested until performance criteria and / or time requirements are met. The distribution resulted in the following share allocation:

Name	2017 Time-Based Stock Award Shares	2017 Performance-Based Stock Award Shares	2017 Total Stock Award Shares	2017 Total Stock Award Value
George M. Murphy	4,895	5,869	10,764	\$ 800,000
William J. Begley, Jr.	2,753	3,302	6,055	450,000
James D. Berry	2,447	2,935	5,382	400,000
David E. Krupa	1,530	1,835	3,365	250,000
Paul J. Narciso	2,141	2,568	4,709	350,000

As noted above, executives are granted 55% of their overall LTI mix in the form of performance-based restricted shares, while the remaining 45% is in the form of time-based restricted shares. The performance share design has the following features: three-year performance measurement period tied to the Company's relative TSR versus its property-casualty insurance company peers (weighting of 40%) and Safety's three-year average combined ratio (weighting of

Table of Contents

60%), which is a standard insurance industry profitability metric. The Committee believes that a three-year average combined ratio is a strong long-term proxy for performance, and used with relative TSR will ensure strong pay and performance alignment while ensuring sufficient line of sight for executives. Actual payouts can range from 0% to 200%, depending on actual performance. The TSR portion of the performance share design employs a shareholder friendly feature that caps payout to 100% of target if absolute TSR is negative (even though the Company might have exceeded target in the relative TSR metric). The earned performance shares will cliff vest after the three-year performance period based on the performance measures attained.

Both time vested awards and performance awards granted include a retirement provision. For time vested awards, if termination of service occurs on or after the first anniversary of the date of grant and because of retirement after attaining age 62 with at least 10 years of service with the Company, the periods of restriction shall expire on the date of termination of service with respect to 100% of the shares subject to remaining periods of restriction.

For performance vested awards, if during the performance period, the grantee's termination of service occurs because of the grantee's retirement after attaining age 62 with at least 10 years of service with the Company, the award shall not be forfeited on the retirement date, but the number of shares earned shall be equal to the number of shares earned determined based on actual attainment of the performance measures as of the end of the performance period multiplied by a fraction, the numerator of which is the number of months (rounded up to the next integer) from the beginning of the performance period until the date of termination of service, and the denominator of which is 36.

The 2015 – 2017 performance awards granted on February 24, 2015 had an actual payout of 86.5%, below the targeted granted amount. The actual payout of 86.5% is based on Safety's combined ratio for the three year period ending December 31, 2017 of 101.7% (a 77.6% payout), and TSR performance of 45% relative performance at the 50th percentile (a 100% payout).

Name	Year	Performance Based Granted Value	Performance Based Number of Shares	Actual Number of Shares	Forfeited Number of Shares
George M. Murphy	2015	275,000	4,315	3,734	581

The 2015 - 2017 SAFT Average Combined Ratio target was set at the beginning of the period and was based off a formulaic calculation: the median of a four year historical performance peer combined ratio performance. For relative TSR, we are ranked compared to the same performance peer group that is used in the combined ratio target.

The 29 competitors used in the establishment of these goals for the 2015 performance shares were Baldwin & Lyons Inc., Cincinnati Financial Corp., CNA Financial Corporation, Donegal Group Inc., EMC Insurance Group Inc., Employers Holdings, Inc., Erie Indemnity Company, Hallmark Financial Services Inc., Hanover Insurance Group Inc., Hilltop Holdings Inc., Horace Mann Educators Corp., Infinity Property and Casualty Corp., Loews Corporation, Markel Corp., Meadowbrook Insurance Group Inc., Mercury General Corporation, National Interstate Corporation, Navigators Group Inc., Old Republic International Corp., Progressive Corp., Selective Insurance Group Inc., State Auto Financial Corp., The Allstate Corporation, The Chubb Corporation, The Travelers Companies, Inc., United Fire Group, Inc., Universal Insurance Holdings Inc., White Mountains Insurance Group, Inc., W.R .Berkley Corporation.

At December 31, 2017, the performance awards granted on February 22, 2017, and February 23, 2016 would be projected to payout at 107% and 160% respectively. These amounts are calculated based on the Company's actual combined ratio to date, as well as relative TSR performance (compared to its performance peer group) to date. Final actual results may differ and will continue to be calculated until the end of each award's applicable performance period.

Performance-Based Nonqualified Deferred Compensation

We maintain a nonqualified deferred compensation plan, the Executive Incentive Compensation Plan (the "EICP") to further our objective of providing our executive officers with compensation that is competitive with that provided by comparable companies. The EICP is a performance-based program that allocates 1.75% of our insurance subsidiaries annual consolidated statutory net income to a pool that is then distributed as deferred compensation to the eligible executives. The amount allocated is based on the total annual cash compensation (salary plus annual incentive received, or deferred, in the year) of the eligible executives. Our insurance subsidiaries experienced a combined statutory net income of \$62.6 million in 2017, and Messrs. Murphy, Begley, Berry, Krupa, and Narciso earned the following allocations under the EICP in 2017: \$289,068, \$178,324, \$139,847, \$105,076, and \$105,076, respectively. The allocations are retained by the Company, invested in mutual funds, and only paid to the executive upon employment termination as defined in the EICP.

Table of Contents

The EICP also provides a deferred compensation benefit with a supplemental matching provision similar to our 401(k) plan. Our intention is to provide additional retirement benefits to eligible executives in the absence of a traditional defined benefit pension arrangement. The provision enables the executive officer to elect to defer amounts from current compensation above the federally limited amount that can be deferred under our tax-qualified 401(k) plan and receive an employer matching contribution on such supplemental deferrals. In accordance with the EICP, we make a matching contribution annually at the close of each plan year in an amount equal to 75% of the participant's elective deferrals under the plan up to a maximum amount of 8% of the participant's compensation. The participant's compensation for this purpose means the participant's base salary and annual incentive received (or deferred) in the plan year. Amounts deferred under the EICP do not include amounts deferred under the 401(k) plan, thus our matching contributions under the EICP do not include amounts we have matched under the 401(k) plan. We made the following employer matching contributions for 2017 to the EICP on behalf of the Named Executive Officers: Mr. Murphy - \$33,240; Mr. Begley - \$34,313; Mr. Berry - \$14,244; Mr. Narciso - \$14,066; and Mr. Krupa - \$13,608.

A description of our Named Executive Officers' benefits under the EICP and other material terms of the EICP can be found in the narrative following the Nonqualified Deferred Compensation Plan table.

Other Employee Benefits

In addition to the main elements of compensation previously discussed in this section, our Named Executive Officers are eligible for the same welfare and other benefits as are available to all of our employees. These benefits include medical and dental insurance, short-term and long-term disability insurance, life and accidental death insurance, and a 401(k) plan. The 401(k) plan allows employees to contribute on a pre-tax basis up to the maximum allowed under federal law. At the close of each plan year, the Company makes a matching contribution equal to 100% of the amount each participant contributed during the plan year from their total pay, up to a maximum amount of 8% of the participant's base salary, provided the participant is employed on the last day of the plan year. We have no defined benefit pension plan for employees at this time.

We provide our Named Executive Officers with limited perquisites that the Committee believes are reasonable and competitive. In 2017 these perquisites included use of an automobile parking space.

Compensation Policies and Practices as They Relate to the Company's Risk Management

The Compensation Committee considers, among other things, in establishing and reviewing our executive compensation program, whether the program pays the executives for performance and whether the program encourages unnecessary or excessive risk taking. The Compensation Committee reviews annually the principal components of executive compensation and believes that our allocation of compensation among base salary and annual and long-term incentives encourages our executives to deliver strong results for our shareholders without taking excessive risk. We set base salaries at levels that provide our executives with assured cash compensation that, when combined with annual and long-term incentive awards, motivates them to perform at a high level without encouraging inappropriate risk taking to achieve a reasonable level of compensation. With respect to incentive opportunities under our annual incentive plan, we believe that our use of measurable corporate financial performance goals and multiple performance levels associated with minimum, target and maximum achievable payouts, together with the Compensation Committee's discretion to reduce awards, serve to mitigate against excessive risk-taking. We also believe that our strategic balancing of annual incentives and long-term incentives in the form of restricted stock and performance shares, with multi-year vesting schedules, encourages our executives to deliver incremental value to our shareholders while discouraging short-term risk taking that could negatively affect the value of their long-term awards. The Company's robust stock ownership guidelines combined with high level executive stock ownership additionally help mitigate short-term risk-taking. The Compensation Committee believes that these incentive plans appropriately balance risk, payment for performance and the desire to focus executives on specific financial and leadership measures and that they do not encourage unnecessary or excessive risk taking. We believe that the Company's compensation policies and practices for all employees, including non-executive officers, are reasonable and do not create any material risk or adverse effect on the Company.

Although the table refers to these payouts in future terms, they have already been earned and paid to the NEOs. The actual cash bonus incentive amounts paid are reported in the Non-Equity Incentive Plan Compensation column in the Summary Compensation Table
- (2) This column represents restricted stock awarded in fiscal 2017 under the Omnibus Incentive Plan. The stock awarded is a combination of performance-based restricted shares representing 55% of the total and time-based restricted shares, representing 45% of the total. The awards were both effective February 22, 2017. The performance-based awards vest depending upon the attainment of pre-established performance objectives at the conclusion of the performance period in 2020. See Restricted Stock Awards below for a description of the performance objectives. The time-based restricted stock vests over three years with installments of 30% on February 22, 2018, 30% on February 22, 2019, and the remaining 40% on February 22, 2020, provided the grantee is still an employee of the Company on such dates.

Employment Agreements

George M. Murphy. We entered into an employment agreement with Mr. Murphy effective January 1, 2017. Under this agreement, Mr. Murphy has agreed to serve as CEO and President of the Company for a term ending December 31, 2017. The employment agreement requires formal action

to renew for an additional one-year term by the Compensation Committee at least 90 days in advance of the scheduled expiration date, unless Mr. Murphy notifies the Company of his decision to decline any additional term before at least 120 days prior to this scheduled expiration date.

The Compensation Committee approved the renewal of Mr. Murphy's contract in 2017 for an additional one-year term. Under the terms of the employment agreement, Mr. Murphy is entitled to receive an annual base salary increase on an annual basis to reflect increases in the cost of living index specified therein or as otherwise determined by the Board or the Committee. As determined in the sole discretion of the Board, Mr. Murphy is also eligible to receive an annual bonus based on performance. Mr. Murphy is also entitled to other benefits, including reimbursement of expenses, paid vacations, health, life and other similar insurance benefits and use of a Company car, all as determined by the Board.

Other Named Executive Officers. We entered into employment agreements with Mr. Begley, Mr. Berry, Mr. Krupa and Mr. Narciso, effective January 1, 2017. The employment agreements require formal action to renew for an additional one-year terms by the Compensation Committee at least 90 days in advance of the scheduled expiration date, unless the executive notifies the Company of his decision to decline any additional term before at least 120 days prior to this scheduled expiration date. The Compensation Committee approved the renewal of these contracts in 2017 for an additional one-year term. Under their respective employment agreements, Messrs. Begley, Berry, Krupa, and Narciso are entitled to receive annual increases to reflect increases in the cost of living index specified therein or as otherwise determined by the Board or the Committee. As determined in the sole discretion of the Board or the Committee, Messrs. Begley, Berry, Krupa, and Narciso are each eligible to receive an annual bonus based on performance. In addition, Messrs. Begley, Berry, Krupa, and Narciso are also entitled to other benefits, including reimbursement of expenses, paid vacations, health, life and other similar insurance benefits.

Restricted Stock Awards

In 2017, the Committee approved time-based restricted stock awards for our Named Executive Officers under our Omnibus Incentive Plan. Provided there is no termination in service, the shares vest on February 22, 2018, 2019 and 2020 with respect to 30%, 30%, and 40% of the shares, respectively. The shares have voting and dividend rights and are held in custody by the Company during the period of restriction.

In addition to time-based awards, the Committee approved performance-based restricted stock awards for our Named Executive Officers. These performance shares will cliff vest after a three-year performance period provided certain performance measures are attained. A portion of these awards, which contain a market condition, vest according to the level of total shareholder return achieved by the Company compared to its property-casualty insurance peers over a three-year period. The remainder, which contain a performance condition, vest according to the level of Company's combined ratio results compared to its property-casualty insurance peers over the same three-year performance period.

Actual payouts can range from 0% to 200% of target shares awarded depending upon the level of achievement of the respective market and performance conditions during a three fiscal-year performance period ending at the end of 2018. Compensation expense for performance-based share awards is based on the probable number of awards expected to vest using the performance level

Table of Contents

most likely to be achieved at the end of the performance period. Performance-based awards with market conditions are accounted for and measured differently from an award that has a performance or service condition. The effect of a market condition is reflected in the award's fair value on the grant date. That fair value is recognized as compensation cost over the requisite service period regardless of whether the market-based performance objective has been satisfied.

Equity Compensation Plan Information

The following table sets forth information regarding all of our equity compensation plans as of December 31, 2017.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by shareholders (1)	-	\$ -	209,087
Equity compensation plans not approved by shareholders	-	-	-
Total	-	\$ -	209,087

(1) The equity compensation plan approved by shareholders is the 2002 Management Omnibus Incentive Plan, as amended, which we refer to in this Proxy Statement as the Omnibus Incentive Plan.

In addition to being available for future issuance upon exercise of stock options and stock appreciation rights, the 209,087 shares remaining available under the plan may also be issued in connection with restricted stock awards. The plan was amended in March of 2013 to remove share recycling plan provisions. Shares of stock covered by an award under the plan that are forfeited are no longer available for issuance.

The EICP is a non-qualified deferred compensation plan designed to provide a means for retirement savings. With proper notice and approval by the Company, eligible employees may make elective deferral contributions of up to 75% of salary and 100% of annual cash incentives. We make a matching contribution annually in the amount of 75% of the participant's elective deferral up to a maximum amount of 8% of the participant's base salary plus annual cash incentive received during the plan year. We also make a fixed contribution annually in the amount of 1.75% of the combined statutory net income of our insurance subsidiaries. Elective deferrals, Company matching contributions, and the portion of the Company fixed contribution allocated to an eligible individual are credited to an account established for the individual. To measure gains and losses, the accounts are treated as though invested in mutual funds selected by the participants. Participants may change the mutual funds in which their accounts are notionally invested on a daily basis. The balance of an individual's account is distributed in a lump sum upon an employee's termination of employment, or six months thereafter if required to comply with applicable tax law, or upon change in control.

Under the EICP, change in control is defined to mean a change in control event, as that term is used in Section 409A of the Internal Revenue Code. Section 409A defines a change in control event to include a change in ownership, a change in effective control, or a change in the ownership of a substantial portion of assets. A change in ownership of the corporation occurs when one person or a group acquires stock that combined with stock previously owned, controls more than 50% of the value or voting power of the stock of the corporation. A change in effective control occurs on the date that, during any 12 month period, either (i) any person or group acquires stock possessing 30% of the voting power of the corporation, or (ii) the majority of the board is replaced by persons whose appointment or election is not endorsed by a majority of the board. A change in ownership of a substantial portion of assets occurs on the date that a person or a group acquires, during any 12 month period, assets of the corporation having a total gross fair market value equal to 40% or more of the total gross fair market value of all of the corporation's assets. The definition also contains exceptions that may cause a transaction or event meeting one of the foregoing definitions not to constitute a change in control event if the acquired or selling entity, or its shareholders, retains, directly or indirectly, a sufficient interest in the surviving or acquiring entity.

Potential Payments Upon Termination or Change in Control

As previously discussed, we have entered into employment agreements with each of the Named Executive Officers. Certain provisions relating to termination of employment and change in control are common to each of the employment agreements. These common provisions include, among other things, the following:

- if the executive's employment is terminated by us for a reason other than cause, material breach, death, disability or continuous poor performance, or is terminated by the executive for good reason or as a result of our willful and material violation of the executive's employment agreement or certain other agreements between the executive and us, then we must provide (i) any earned but unpaid base salary and bonus, (ii) a lump sum payment equal to the annual salary he would have received during the remaining term of his employment agreement; and (iii) life and health insurance benefits (but not disability insurance benefits) substantially similar to those the executive and any covered dependents were receiving immediately prior to the date of termination through the remaining portion of the term of his employment agreement (collectively, the "Severance Payment");
- if the executive's employment is terminated by us for a reason other than cause, material breach, death, disability or continuous poor performance, or is terminated by the executive for good reason or as a result of our willful and material violation of the executive's employment agreement or certain other agreements between the executive and us, in each case, within three years after a change in control, then we must provide the greater of the Severance Payment or the following: (i) any earned but unpaid base salary and bonus, (ii) a lump sum payment equal to, for the CEO and CFO, three times, and for the remaining Named Executive Officers, two times, the sum of (1) the executive's base salary in effect immediately prior to the date of termination and (2) the most recent annual bonus paid to the executive, and (iii) life and health insurance benefits for a three-year period after the date of termination (for the CEO and CFO) and for the two-year period after the date of termination (for the remaining Named Executive Officers);
- The agreements contain non-competition and non-solicitation provisions; and
- Each executive has agreed not to disclose confidential information.

For purposes of these employment agreements,

- Change in control is defined, in general terms, to mean the closing of (i) a merger, combination, consolidation or similar business transaction involving the Company after which our shareholders cease to own a majority of the surviving entity, directly or indirectly, (ii) a sale or transfer of all or substantially all of our assets, other than to an entity the majority of which is owned by our shareholders or (iii) a sale of a majority of the Company's common shares, other than to an entity the majority of which is owned by our shareholders;
- Cause means the executive's (i) commission or conviction of any crime or criminal offense involving monies or other property or any felony; (ii) commission or conviction of fraud or embezzlement; (iii) uncured material and knowing violation of any obligations imposed upon him personally; or (iv) egregious misconduct involving serious moral turpitude;

Table of Contents

- Good reason means (i) a material reduction in the executive's authority, perquisites, position, or responsibilities; (ii) relocation of our primary place of business or the executive to another office more than 75 miles from Boston, Massachusetts; or (iii) our willful and material violation of the employment agreement or any agreement between the executive and us; in each case that is uncured;
- Material breach means the executive's uncured (i) breach of any of his fiduciary duties to us or our shareholders or making of a willful misrepresentation or omission, in each case which would reasonably be expected to materially adversely affect our business, properties, assets, condition (financial or other) or prospects; (ii) willful, continual and material neglect or failure to discharge his duties, responsibilities or obligations; (iii) habitual drunkenness or substance abuse which materially interferes with the executive's ability to discharge his duties, responsibilities or obligations; or (iv) willful and material violation of any non-competition, non-disparagement, or confidentiality agreement.

Omnibus Incentive Plan

Under the Omnibus Incentive Plan, upon a termination by the Company for a reason other than for cause or disability, all unvested shares of restricted stock which were not granted during the year of termination will vest. Under the Omnibus Incentive Plan, "cause" means (i) the willful engaging by the participant in misconduct that is demonstrably injurious to the Company (monetarily or otherwise), as determined by the Board in its sole discretion, (ii) the participant's conviction of, or pleading guilty or nolo contendere to, a felony involving moral turpitude, (iii) the participant's violation of any confidentiality, non-solicitation, or non-competition covenant to which the participant is subject, or (iv) the participant's poor performance, as determined by reasonable business objectives, after written notice from the Company and a reasonable opportunity to correct such poor performance. If, while any award granted under the Omnibus Incentive Plan remains outstanding, a change in control of the Company occurs, then all restrictions on restricted stock awards will lapse.

The Compensation Committee adopted a policy to remove the requirement that all awards made after the date of the amendment vest upon a change in control (i.e. "single trigger" vesting), which gives the Compensation Committee the flexibility to grant awards that vest upon an award recipient's termination of employment upon or following a change in control (i.e., "double trigger" vesting).

Under the Omnibus Incentive Plan, a change in control is defined, in general terms, to include the closing of (i) a merger, combination, consolidation or similar business transaction involving the Company after which our shareholders cease to own a majority of the surviving entity, directly or indirectly; (ii) a sale or transfer of all or substantially all of our assets, other than to an entity the majority of which is owned by our shareholders; or (iii) a sale of a majority of the Company's Common Shares, other than to an entity the majority of which is owned by our shareholders.

The following table sets forth the estimated incremental payments and benefits, beyond existing compensation and benefit entitlements described in this Proxy Statement that are not contingent upon a termination or change in control, payable to each NEO upon termination of his employment or a change in control of the Company, assuming that the triggering event occurred on

Table of Contents

December 31, 2017 We have not included amounts that would be provided upon a termination of employment under contracts, agreements, plans or arrangements, such as our 401(k) plan or our vacation policy, to the extent they are available generally to all of our salaried employees and do not discriminate in scope, terms, or operation in favor of our executive officers. Amounts shown below do not include amounts in the NEOs' EICP deferred compensation accounts as of December 31, 2017. Excise tax gross-up reimbursements were eliminated from the executive officers' respective employment agreements in December 2012 and hence, are not included in the amounts shown below.

(1) If there is a change in control followed by termination by the Company for a reason other than cause, material breach, poor performance, death or disability or by the executive for good reason, the NEO would be entitled to incremental payments and benefits under his respective employment agreement with the Company. Amounts in the "Termination Without Cause or For Good Reason" column include the following:

Equity Awards. Under the Omnibus Incentive Plan, upon a change in control and subsequent termination, any restrictions imposed upon restricted stock awards will lapse. The estimated value as of December 31, 2017 of the previously granted restricted stock awards that would have been accelerated for each NEO is as follows:

Annual Incentive. Under the Annual Performance Incentive Plan, upon a change in control and subsequent termination, all performance objectives for the current Performance Period would be deemed to have been achieved at target levels of performance. The amount payable to each NEO based upon such assumed performance as of December 31, 2017 would have been as follows: Mr. Murphy - \$566,240; Mr. Begley - \$270,000; Mr. Berry - \$210,000; Mr. Krupa - \$153,180; and Mr. Narciso - \$153,180.

The amount payable at three times annual base plus bonus for Mr. Murphy and Mr. Begley and at two times annual base plus bonus for the remaining NEOs would have been as follows: Mr. Murphy - \$3,983,430; Mr. Begley - \$2,456,190; Mr. Berry - \$1,283,380; Mr. Krupa - \$964,200 ; and Mr. Narciso - \$964,200.

Life and Health Insurance Benefits. The NEOs are entitled to Company provided life and health benefits for three years after the termination date for Mr. Murphy and Mr. Begley and two years after the termination date for the remaining NEOs. The amounts are estimated as follows: Mr. Murphy - \$71,385; Mr. Begley - \$74,826; Mr. Berry - \$48,610; Mr. Krupa - \$47,462; and Mr. Narciso - \$47,462.

(2)

Amounts in this column reflect incremental amounts payable upon a termination of the NEO's employment by the Company for cause or due to the NEO's poor performance or material breach. The estimated incremental payments shown in this column include three months of base salary and life and health benefits. The three months' of base salary and life and health benefits would be payable upon the Company's termination of the NEO's employment due to the NEO's poor performance, but would not be payable upon the Company's termination of the NEO's employment with cause or due to his material breach.

- (5) The estimated incremental payments shown in this column include a lump sum payment equal to 100% of the NEO's base salary, Company provided life and health insurance benefits for one year, and the estimated value of all unvested restricted stock awards as of December 31, 2017 as shown in note (2).

DIRECTOR COMPENSATION

Our bylaws provide that at the discretion of the Board, the directors may be paid their expenses, if any, at each meeting of the Board and may be paid a fixed sum for attendance at each meeting of the Board or a stated salary as a director. Since we completed our initial public offering of common stock on November 27, 2002, directors who are employees have not received any compensation for serving as directors and directors who were not our employees have received an annual retainer paid in quarterly installments. In 2016, the annual director fees were increased from \$60,000 annually per non-management director to \$75,000 annually per non-management director. Director fees also include an additional \$60,000 annually to the Chairman of the Board, an additional \$10,000 annually to the Chairman of the Audit Committee, an additional \$5,000 annually to the Chairman of our Compensation Committee, the Chairman of our Nominating and Governance Committee, and the Chairman of our Investment Committee.

On February 22, 2017, the Compensation Committee approved grants of 1,000 shares of restricted stock to each of our non-employee directors effective on such dates. On July 3, 2017, the Compensation Committee approved a grant of 1,000 shares of restricted stock to Thalia M. Meehan who was elected as a new director of the Company. Board of Director members must maintain stock ownership equal to at least four times their annual retainer. This requirement must be met within five years of becoming a director.

The following table sets forth the fees paid to the non-employee members of the Board for services provided in 2017.

Name (1)	Fees Earned or Paid in			Total

REPORT OF THE AUDIT COMMITTEE

The primary purpose of the Audit Committee is to assist the Board in its general oversight of the Company's accounting and financial reporting process, and is more fully described in its charter which the Board and the Audit Committee have adopted and is included as Appendix A to this Proxy Statement.

Each member of the Audit Committee satisfies the definition of an "independent director" as established by Rule 4200 of the NASDAQ Marketplace Rules. The Audit Committee is a separately-designated standing committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934.

Management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over the accounting and financial reporting process. PwC is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to express an opinion on the financial statements and on the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with the audit of the Company's consolidated financial statements for the year ended December 31, 2017, the Audit Committee has:

- reviewed and discussed the audited consolidated financial statements with management and PwC;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended;
- received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent auditors their independence;
- met and held discussions with the head of the Company's internal audit group; and
- reviewed our written charter and practices and determined that they meet the applicable requirements of the NASDAQ Marketplace Rules and the SEC.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10 K for the fiscal year ended December 31, 2017, and be filed with the SEC.

Respectfully submitted,

PETER J. MANNING, CHAIRMAN

FREDERIC H. LINDEBERG

DAVID K. MCKOWN

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and persons who own more than ten percent of the Common Stock to file with the SEC initial reports of ownership and reports of changes in ownership of the Common Stock and other equity securities, if any. Executive officers, directors and greater than ten percent beneficial owners are required to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on the Company's review of the copies of such reports furnished to the Company and written representations that no other reports were required during the fiscal year ended December 31, 2017, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee consists of David K. McKown (Chairman), Frederic H. Lindeberg and Peter J. Manning, who are three independent non-employee directors who have no "interlocking" relationships as defined by the SEC, or other relationships with us that would call into question their independence as a member of the Compensation Committee. During fiscal year 2017, none of our executive officers served (i) as a member of the compensation committee or board of directors of another entity, one of whose executive officers served on our compensation committee, or (ii) as a member of the compensation committee of another entity, one of whose executive officers served on our board.

Table of Contents

PAY RATIO

We are providing the following information to comply with Item 402(u) of Regulation S-K. We have determined that our pay ratio for 2017 is 37 to 1, calculated pursuant to SEC rules by dividing our CEO's annual total compensation set forth in the Summary Compensation Table for 2017 (\$2,779,701) by \$75,359, which represents the median of the annual total compensation of our employees (other than our CEO) for 2017. We identified our median employee as of December 31, 2017, using our entire workforce of approximately 623 employees. Total compensation including cash bonuses and stock related awards were used to determine the median employee for 2017. We then calculated the median employee's annual total compensation based on the proxy rules for determining the annual total compensation of our NEOs in order to determine the pay ratio.

SEC rules for identifying the median employee and calculating the pay ratio allow companies to apply various methodologies and make various assumptions that may differ from other companies' methodologies and/or assumptions. As a result, the pay ratio reported by the Company may not be comparable to the pay ratio reported by other companies.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Affiliates of The Jordan Company, LP.

Mr. A. Richard Caputo, Jr., who resigned on February 22, 2017 as a member of the Company's Board of Directors and the Chairman of its Investment Committee, is a principal of The Jordan Company, LP ("Jordan"). In 2012, the Company participated as a lender in two loans made by syndicates of lenders to a portfolio company in which funds managed by Jordan are controlling or a significant investor. The first loan, made to Vantage Specialties, Inc., was disposed of in 2016. The second loan, made to ARCAS Automotive (formerly known as Sequa Auto), was disposed of in 2014. The Company made the loans on the same terms as the other lenders participating in the syndicate. The loans were subject to the approval of the Company's full Investment Committee.

Review and Approval of Related Party Transactions

We have adopted and maintain a code of business conduct and ethics that applies to all directors, executive officers and employees. The code covers matters that we believe are supportive of high standards of ethical business conduct, including those regarding legal compliance, conflicts of interest, insider trading, maintenance of corporate books and records, gifts and entertainment, political contributions, confidentiality, public communications, special obligations applicable to our CFO and members of the audit committee, and standards and procedures for compliance with the code. Among other things, the code covers all transactions required to be disclosed in this related party transactions section of the proxy statement. The code can be found on our website at www.SafetyInsurance.com. Shareholders may also obtain a copy of the code by writing to the Office of Investor Relations at the address set forth under "Available Information."

The code does not distinguish between potential conflict of interest transactions involving directors or executive officers and those involving other employees. It notes that all covered persons shall be responsible for the enforcement of the policies set forth in the code and will be held accountable for any violations of the code. Any of our officers or employees having any information

Table of Contents

or knowledge regarding any transaction or activity prohibited by the code shall promptly report the same to our CFO, who shall review and determine whether to approve of potential conflicts of interest for employees. Review and approval of potential conflicts of interests of officers and directors shall be made by the audit committee of our board of directors.

The code does not expressly set forth the standards that would be applied in reviewing, approving or ratifying transactions in which our directors, executive officers or 5% stockholders have a material interest. We expect that in connection with the review, approval or ratification of any such transaction, our CFO and audit committee will be provided with all material information then available regarding the transaction, the nature and extent of the director's, executive officer's or 5% stockholder's interest in the transaction, and the terms upon which the products, services or other subject matter of the transaction could be provided by alternative sources. We expect that any such transaction would be approved or ratified only if our CFO or audit committee, as applicable, concluded in good faith that it was in our interest to proceed with it. We expect that pre-approval will be sought for any such transaction when practicable, and when pre-approval is not obtained, that any such transaction will be submitted for ratification as promptly as practicable.

All determinations made by the Administrator shall be conclusive, final and binding on all parties concerned, including Safety, its stockholders, any Participants and any other employee, consultant, or director of Safety and its Affiliates, and their respective successors in interest. No member of the Administrator, nor any director, officer, employee or representative of Safety shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or Awards.

5. Shares Issuable Pursuant to Awards.

(a) Initial Share Pool. As of the Effective Date, the number of shares of Common Stock issuable pursuant to Awards that may be granted under the Plan (the "Share Pool") shall be 350,000 shares.

(b) Adjustments to Share Pool. On and after the Effective Date, the Share Pool shall be adjusted, in addition to any adjustments to be made pursuant to Section 10 of the Plan, as follows:

(i) The Share Pool shall be reduced, on the date of grant, by one share for each share of Common Stock made subject to an Award granted under the Plan;

(ii) The Share Pool shall be increased, on the relevant date, by the number of unissued shares of Common Stock underlying or used as a reference measure for any Award that is cancelled, forfeited, expired, terminated, unearned or settled in cash, in any such case without the issuance of shares;

(iii) The Share Pool shall be increased, on the forfeiture date, by the number of shares of Common Stock that are forfeited back to Safety after issuance due to a failure to meet an Award contingency or condition with respect to any Award or portion of an Award;

For the avoidance of doubt, the Share Pool shall not be increased by (A) shares of Common Stock used as a reference measure for any Award granted under this Plan that are not issued upon settlement of such Award due to a net settlement, (B) shares of Common Stock withheld by or surrendered (either actually or through attestation) to Safety in payment of the exercise price of any Award, or (C) shares of Common Stock withheld by or surrendered (either actually or through attestation) to Safety in payment of the Tax Withholding Obligation that arises in connection with any Award.

(c) Subject to adjustment as provided in Section 10 of the Plan:

(i) the maximum number of shares of Common Stock that may be made subject to Awards granted under the Plan during a calendar year to any one person in the form of stock options or stock appreciation rights is, in the aggregate, 500,000 shares;

Table of Contents

(ii) the maximum number of shares of Common Stock that may be made subject to Awards granted under the Plan during a calendar year to any one person in the form of Performance Awards is, in the aggregate, 500,000 shares, and

(iii) in connection with Awards granted under the Plan during a calendar year to any one person in the form of Performance Shares, the maximum cash amount payable thereunder is the amount equal to the number of shares made subject to the Award, as limited by Section 5(c)(ii), multiplied by the Fair Market Value as determined as of the payment date; and

(iv) in connection with Awards granted under the Plan during a calendar year to any one person in the form of Performance Units, the maximum cash amount payable under such Performance Units is \$5,000,000; provided, however, that each of the limitations set forth above in clauses (i), (ii) and (iii) of this Section 5(c) shall be multiplied by two when applied to Awards granted to any individual during the calendar year in which such individual first commences service with Safety or a Subsidiary; and provided, further, that the limitations set forth above in clauses (ii) and (iii) of this Section 5(c) shall be multiplied by the number of calendar years over which the applicable Performance Period spans (in whole or in part), if the Performance Period is longer than 12 months' duration, when applied to Performance Awards. If an Award is terminated, surrendered or canceled in the same year in which it was granted, such Award nevertheless will continue to be counted against the limitations set forth above in this Section 5(c) for the calendar year in which it was granted.

(d) Non-Employee Director Award Limit. In addition, the Administrator may establish compensation for Non-Employee Directors from time to time, subject to the limitations in the Plan. The Administrator will from time to time determine the terms, conditions and amounts of all such Non-Employee Director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, provided that the sum of any cash compensation and the grant date fair value of Awards (as determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or any successor thereto) granted under the Plan to a Non-Employee Director as compensation for services as a Non-Employee Director during any calendar year of the Company may not exceed \$750,000 for an annual grant, provided however, in a Non-Employee Director's first year of service compensation for services may not exceed \$1,000,000 (such limits, the "Director Limits"). The Administrator may make exceptions to this limit for individual Non-Employee directors in extraordinary circumstances, as the Administrator may determine in its discretion, provided that the Non-Employee Director receiving such additional compensation may not participate in the decision to award such compensation or in other compensation decisions involving Non-Employee Director.

(e) ISO Limit. Subject to adjustment pursuant to Section 10 of the Plan, the maximum number of shares of Common Stock that may be issued pursuant to stock options granted under the Plan that are intended to qualify as Incentive Stock Options within the meaning of Section 422 of the Code shall be equal to the number of shares in the Share Pool as of the Effective Date of the Plan.

(f) Source of Shares. The shares of Common Stock with respect to which Awards may be made under the Plan shall be shares authorized for issuance under Safety's charter but unissued, or issued and reacquired, including without limitation shares purchased in the open market or in private transactions.

6. Participation.

Participation in the Plan shall be open to all Eligible Individuals, as may be selected by the Administrator from time to time. The Administrator may also grant Awards to Eligible Individuals in connection with hiring, recruiting or otherwise, prior to the date the individual first performs services for Safety or a Subsidiary; provided, however, that such Awards shall not become vested or exercisable, and no shares shall be issued to such individual, prior to the date the individual first commences performance of such services.

7. Awards.

(a) Awards, In General. The Administrator, in its sole discretion, shall establish the terms of all Awards granted under the Plan consistent with the terms of the Plan. Awards may be granted individually or in tandem with other types of Awards, concurrently with or with respect to outstanding Awards. All Awards are subject to the terms and conditions provided in the Award Agreement, which shall be delivered to the Participant receiving such Award upon, or as promptly as is reasonably practicable following, the grant of such Award. Unless otherwise specified by the Administrator, in its sole discretion, or otherwise provided in the Award Agreement, an Award shall not be effective unless the Award Agreement is signed or otherwise accepted by Safety and the Participant receiving the Award (including by electronic delivery and/or electronic signature).

(b) Stock Options.

(i) Grants. A stock option means a right to purchase a specified number of shares of Common Stock from Safety at a specified price during a specified period of time. The Administrator may from time to time grant to Eligible Individuals Awards of Incentive Stock Options or Nonqualified Options; provided, however, that Awards of Incentive Stock Options shall be limited to employees of Safety or of any current or hereafter existing "parent corporation" or "subsidiary corporation," as defined in Sections 424(e) and 424(f) of the Code, respectively, of Safety, and any other Eligible Individuals who are eligible to receive Incentive Stock Options under the provisions of Section 422 of the Code. No stock option shall be an Incentive Stock Option unless so designated by the Administrator at the time of grant or in the applicable Award Agreement.

(ii) Exercise. Stock options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator; provided, however, that Awards of stock options may not have a term in excess of ten years' duration unless required otherwise by applicable law. The exercise price per share subject to a stock option granted under the Plan shall not be less than the Fair Market Value of one share of Common Stock on the date of grant of the stock option, except as provided under applicable law or with respect to stock options that are granted in substitution of similar types of awards of a company acquired by Safety or a Subsidiary or with which Safety or a Subsidiary combines (whether in connection with a corporate transaction, such as a merger, combination, consolidation or acquisition of property or stock, or otherwise) to preserve the intrinsic value of such awards.

(iii) Termination of Service. Except as provided in the applicable Award Agreement or otherwise determined by the Administrator, to the extent stock options are not vested

Table of Contents

and exercisable, a Participant's stock options shall be forfeited upon his or her Termination of Service.

(iv) Additional Terms and Conditions. The Administrator may, by way of the Award Agreement or otherwise, determine such other terms, conditions, restrictions, and/or limitations, if any, of any Award of stock options, provided they are not inconsistent with the Plan.

(v) Rights of a Stockholder; Dividends. Until shares of Common Stock are issued to the Participant upon the exercise of stock options, the Participant shall not have any rights of a stockholder of Safety with respect to the options or the shares issuable thereunder including dividends.

(c) Limitation on Reload Options. The Administrator shall not grant stock options under this Plan that contain a reload or replenishment feature pursuant to which a new stock option would be granted automatically upon receipt of delivery of Common Stock to Safety in payment of the exercise price or any tax withholding obligation under any other stock option.

(d) Stock Appreciation Rights.

(i) Grants. The Administrator may from time to time grant to Eligible Individuals Awards of stock appreciation rights. A stock appreciation right entitles the Participant to receive, subject to the provisions of the Plan and the Award Agreement, a payment having an aggregate value equal to the product of (i) the excess of (A) the Fair Market Value on the exercise date of one share of Common Stock over (B) the base price per share specified in the Award Agreement, times (ii) the number of shares specified by the stock appreciation right, or portion thereof, which is exercised. The base price per share specified in the Award Agreement shall not be less than the lower of the Fair Market Value on the date of grant or the exercise price of any tandem stock option to which the stock appreciation right is related, or with respect to stock appreciation rights that are granted in substitution of similar types of awards of a company acquired by Safety or a Subsidiary or with which Safety or a Subsidiary combines (whether in connection with a corporate transaction, such as a merger, combination, consolidation or acquisition of property or stock, or otherwise) such base price as is necessary to preserve the intrinsic value of such awards.

(ii) Exercise. Stock appreciation rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator; provided, however, that stock appreciation rights granted under the Plan may not have a term in excess of ten years' duration unless required otherwise by applicable law. The applicable Award Agreement shall specify whether payment by Safety of the amount receivable upon any exercise of a stock appreciation right is to be made in cash or shares of Common Stock or a combination of both, or shall reserve to the Administrator or the Participant the right to make that determination prior to or upon the exercise of the stock appreciation right. If upon the exercise of a stock appreciation right a Participant is to receive a portion of such payment in shares of Common Stock, the number of shares shall be determined by dividing such portion by the Fair Market Value of a share of Common Stock on the exercise date. No fractional shares shall be used for such payment and the Administrator shall determine whether cash shall be given in lieu of such fractional shares or whether such fractional shares shall be eliminated.

(iii)Termination of Service. Except as provided in the applicable Award Agreement or otherwise determined by the Administrator, to the extent stock appreciation rights are not vested and exercisable, a Participant's stock appreciation rights shall be forfeited upon his or her Termination of Service.

(iv)Additional Terms and Conditions. The Administrator may, by way of the Award Agreement or otherwise, determine such other terms, conditions, restrictions, and/or limitations, if any, of any Award of stock appreciation rights, provided they are not inconsistent with the Plan.

(v)Rights of a Stockholder; Dividends. Until shares of Common Stock are issued to the Participant upon the exercise of stock appreciation rights, the Participant shall not have any rights of a stockholder of Safety with respect to the stock appreciation right or the shares issuable thereunder including dividends.

(e) Repricing. Notwithstanding anything herein to the contrary, except in connection with a corporate transaction involving Safety (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of options and stock appreciation rights granted under the Plan may not be amended, after the date of grant, to reduce the exercise price of such options or stock appreciation rights, nor may outstanding options or stock appreciation rights be canceled in exchange for (i) cash, (ii) options or stock appreciation rights with an exercise price or base price that is less than the exercise price or base price of the original outstanding options or stock appreciation rights, or (iii) other Awards, unless such action is approved by Safety's stockholders.

(f) Stock Awards.

(i)Grants. The Administrator may from time to time grant to Eligible Individuals Awards of unrestricted Common Stock or Restricted Stock (collectively, "Stock Awards") on such terms and conditions, and for such consideration, including no consideration or such minimum consideration as may be required by law, as the Administrator shall determine. Stock Awards shall be evidenced in such manner as the Administrator may deem appropriate, including via book-entry registration.

(ii)Vesting. Restricted Stock shall be subject to such vesting, restrictions on transferability and other restrictions, if any, and/or risk of forfeiture as the Administrator may impose at the date of grant or thereafter. The Restriction Period to which such vesting, restrictions and/or risk of forfeiture apply may lapse under such circumstances, including without limitation upon the attainment of Performance Goals, in such installments, or otherwise, as the Administrator may determine. Subject to the provisions of the Plan and the applicable Award Agreement, during the Restriction Period, the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber shares of Restricted Stock.

(iii)Rights of a Stockholder; Dividends. Except to the extent restricted under the Award Agreement relating to the Restricted Stock, a Participant granted Restricted Stock shall have all of the rights of a stockholder of Common Stock including, without limitation, the right to vote Restricted Stock. Cash dividends declared payable on Common Stock shall be paid, with respect to

outstanding Restricted Stock, in cash or as unrestricted shares of Common Stock having a Fair Market Value equal to the amount of such dividends or may be reinvested in additional shares of Restricted Stock as determined by the Administrator and held by Safety and made subject to forfeiture at least until achievement of the applicable Performance Goal related to or lapse of restrictions on such shares of Restricted Stock. Stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Common Stock or other property has been distributed. As soon as is practicable following the date on which restrictions on any shares of Restricted Stock lapse, Safety shall deliver to the Participant the certificates for such shares or shall cause the shares to be registered in the Participant's name in book-entry form, in either case with the restrictions removed, provided that the Participant shall have complied with all conditions for delivery of such shares contained in the Award Agreement or otherwise reasonably required by Safety.

(iv) Termination of Service. Except as provided in the applicable Award Agreement, upon Termination of Service during the applicable Restriction Period, Restricted Stock and any accrued but unpaid dividends that are at that time subject to restrictions shall be forfeited; provided that, the Administrator may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Administrator may in other cases waive in whole or in part the forfeiture of Restricted Stock.

(v) Additional Terms and Conditions. The Administrator may, by way of the Award Agreement or otherwise, determine such other terms, conditions, restrictions, and/or limitations, if any, of any Award of Restricted Stock, provided they are not inconsistent with the Plan.

(g) Stock Units.

(i) Grants. The Administrator may from time to time grant to Eligible Individuals Awards of unrestricted stock Units or Restricted Stock Units on such terms and conditions, and for such consideration, including no consideration or such minimum consideration as may be required by law, as the Administrator shall determine. Restricted Stock Units represent a contractual obligation by Safety to deliver a number of shares of Common Stock, an amount in cash equal to the Fair Market Value of the specified number of shares subject to the Award, or a combination of shares of Common Stock and cash, in accordance with the terms and conditions set forth in the Plan and any applicable Award Agreement.

(ii) Vesting and Payment. Restricted Stock Units shall be subject to such vesting, risk of forfeiture and/or payment provisions as the Administrator may impose at the date of grant. The Restriction Period to which such vesting and/or risk of forfeiture apply may lapse under such circumstances, including without limitation upon the attainment of Performance Goals, in such installments, or otherwise, as the Administrator may determine. Shares of Common Stock, cash or a combination of shares of Common Stock and cash, as applicable, payable in settlement of Restricted Stock Units shall be delivered to the Participant as soon as administratively practicable, but no later than 30 days, after the date on which payment is due under the terms of the Award Agreement provided that the Participant shall have complied with all conditions for delivery of such shares or payment contained in the Award Agreement or otherwise reasonably required by Safety, or in

Table of Contents

accordance with an election of the Participant, if the Administrator so permits, that meets the requirements of Section 409A of the Code.

(iii) No Rights of a Stockholder; Dividend Equivalents. Until shares of Common Stock are issued to the Participant in settlement of stock Units, the Participant shall not have any rights of a stockholder of Safety with respect to the stock Units or the shares issuable thereunder. The Administrator may grant to the Participant the right to receive Dividend Equivalents on stock Units, on a current, reinvested and/or restricted basis, subject to such terms as the Administrator may determine provided, however, that Dividend Equivalents payable on stock Units shall, rather than be paid on a current basis, be accrued and made subject to forfeiture at least until achievement of the applicable Performance Goal related to or lapse of restrictions on such stock Units.

(iv) Termination of Service. Upon Termination of Service during the applicable deferral period or portion thereof to which forfeiture conditions apply, or upon failure to satisfy any other conditions precedent to the delivery of shares of Common Stock or cash to which such Restricted Stock Units relate, all Restricted Stock Units and any accrued but unpaid Dividend Equivalents with respect to such Restricted Stock Units that are then subject to deferral or restriction shall be forfeited; provided that, the Administrator may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock Units will be waived in whole or in part in the event of termination resulting from specified causes, and the Administrator may in other cases waive in whole or in part the forfeiture of Restricted Stock Units.

(v) Additional Terms and Conditions. The Administrator may, by way of the Award Agreement or otherwise, determine such other terms, conditions, restrictions, and/or limitations, if any, of any Award of stock Units, provided they are not inconsistent with the Plan.

(h) Performance Shares and Performance Units.

(i) Grants. The Administrator may from time to time grant to Eligible Individuals Awards in the form of Performance Shares and Performance Units. Performance Shares, as that term is used in this Plan, shall refer to shares of Common Stock or Units that are expressed in terms of Common Stock, the issuance, vesting, lapse of restrictions on or payment of which is contingent on performance as measured against predetermined objectives over a specified Performance Period. Performance Units, as that term is used in this Plan, shall refer to dollar-denominated Units valued by reference to designated criteria established by the Administrator, other than Common Stock, the issuance, vesting, lapse of restrictions on or payment of which is contingent on performance as measured against predetermined objectives over a specified Performance Period. The applicable Award Agreement shall specify whether Performance Shares and Performance Units will be settled or paid in cash or shares of Common Stock or a combination of both, or shall reserve to the Administrator or the Participant the right to make that determination prior to or at the payment or settlement date.

(ii) Performance Criteria. The Administrator shall, prior to or at the time of grant, condition the grant, vesting or payment of, or lapse of restrictions on, an Award of Performance Shares or Performance Units upon (A) the attainment of Performance Goals during a Performance Period or (B) the attainment of Performance Goals and the continued service of the Participant. The length of the Performance Period, the Performance Goals to be achieved during the

Table of Contents

Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Administrator in the exercise of its absolute discretion. Performance Goals may include minimum, maximum and target levels of performance, with the size of the Award or payout of Performance Shares or Performance Units or the vesting or lapse of restrictions with respect thereto based on the level attained. An Award of Performance Shares or Performance Units shall be settled as and when the Award vests or at a later time specified in the Award Agreement or in accordance with an election of the Participant, if the Administrator so permits, that meets the requirements of Section 409A of the Code.

(iii) Additional Terms and Conditions. The Administrator may, by way of the Award Agreement or otherwise, determine such other terms, conditions, restrictions, and/or limitations, if any, of any Award of Performance Shares or Performance Units, provided they are not inconsistent with the Plan.

(iv) Rights of a Stockholder; Dividends. Until shares of Common Stock are issued to the Participant in settlement of Performance Units, the Participant shall not have any rights of a stockholder of Safety with respect to the Performance Units or the shares issuable thereunder. The Administrator may grant to the Participant the right to receive Dividend Equivalents on stock Units, on a current, reinvested and/or restricted basis, subject to such terms as the Administrator may determine provided, however, that Dividend Equivalents payable on stock Units that are granted as a Performance Award shall, rather than be paid on a current basis, be accrued and made subject to forfeiture at least until achievement of the applicable Performance Goal related to such stock Units. Except to the extent restricted under the Award Agreement relating to the Performance Shares, a Participant granted Performance Shares shall have all of the rights of a stockholder of Common Stock including, without limitation, the right to vote Performance Shares. Dividends declared payable on Performance Shares shall be held by Safety and made subject to forfeiture at least until achievement of the applicable Performance Goal related to such Performance Shares. Stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Performance Shares with respect to which such Common Stock or other property has been distributed. As soon as is practicable following the date on which restrictions on any Performance Shares lapse, Safety shall deliver to the Participant the certificates for such shares or shall cause the shares to be registered in the Participant's name in book-entry form, in either case with the restrictions removed, provided that the Participant shall have complied with all conditions for delivery of such shares contained in the Award Agreement or otherwise reasonably required by Safety.

(i) Other Stock-Based Awards. The Administrator may from time to time grant to Eligible Individuals Awards in the form of Other Stock-Based Awards. Other Stock-Based Awards in the form of Dividend Equivalents may be (A) awarded on a free-standing basis or in connection with another Award other than a stock option or stock appreciation right, (B) paid currently or credited to an account for the Participant, including the reinvestment of such credited amounts in Common Stock equivalents, to be paid on a deferred basis, and (C) settled in cash or Common Stock as determined by the Administrator; provided, however, that Dividend Equivalents payable on Other Stock-Based Awards that are granted as a Performance Award or restricted Award shall, rather than be paid on a current basis, be accrued and made subject to forfeiture at least until achievement of the applicable Performance Goal related to or lapse of restrictions on such Other Stock-Based Awards.

Table of Contents

Any such settlements, and any such crediting of Dividend Equivalents, may be subject to such conditions, restrictions and contingencies as the Administrator shall establish.

(j) Awards to Participants Outside the United States. The Administrator may grant Awards to Eligible Individuals who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause Safety or a Subsidiary to be subject to) tax, legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Administrator, be necessary or desirable in order that any such Award shall conform to laws, regulations, and customs of the country or jurisdiction in which the Participant is then resident or primarily employed or to foster and promote achievement of the purposes of the Plan.

(k) Limitation on Dividend Reinvestment and Dividend Equivalents. Reinvestment of dividends in additional Restricted Stock at the time of any dividend payment, and the payment of shares of Common Stock with respect to dividends to Participants holding Awards of stock Units, shall only be permissible if sufficient shares are available under the Share Pool for such reinvestment or payment (taking into account then outstanding Awards). In the event that sufficient shares are not available under the Share Pool for such reinvestment or payment, such reinvestment or payment shall be made in the form of a grant of stock Units equal in number to the shares of Common Stock that would have been obtained by such payment or reinvestment, the terms of which stock Units shall provide for settlement in cash and for Dividend Equivalent reinvestment in further stock Units on the terms contemplated by this Section 7(l).

8. Withholding of Taxes.

Participants and holders of Awards shall pay to Safety or its Affiliate, or make arrangements satisfactory to the Administrator for payment of, any Tax Withholding Obligation in respect of Awards granted under the Plan no later than the date of the event creating the tax or social insurance contribution liability. The obligations of Safety under the Plan shall be conditional on such payment or arrangements. Unless otherwise determined by the Administrator, Tax Withholding Obligations may be settled in whole or in part with shares of Common Stock, including unrestricted outstanding shares surrendered to Safety and unrestricted shares that are part of the Award that gives rise to the Tax Withholding Obligation, having a Fair Market Value on the date of surrender or withholding equal to the statutory minimum amount required, (or such greater amount permitted under FASB Accounting Standards Codification Topic 718, Compensation—Stock Compensation, for equity-classified awards) to be withheld for tax or social insurance contribution purposes, all in accordance with such procedures as the Administrator establishes. Safety or its Affiliate may deduct, to the extent permitted by law, any such Tax Withholding Obligations from any payment of any kind otherwise due to the Participant or holder of an Award.

9. Transferability of Awards.

(a) General Nontransferability Absent Administrator Permission. Except as otherwise determined by the Administrator, and in any event in the case of an Incentive Stock Option or a tandem stock appreciation right granted with respect to an Incentive Stock Option, no Award granted under the Plan shall be transferable by a Participant otherwise than by will or the laws of descent and distribution. The Administrator shall not permit any transfer of an Award for value. An

Table of Contents

Award may be exercised during the lifetime of the Participant, only by the Participant or, during the period the Participant is under a legal disability, by the Participant's guardian or legal representative, unless otherwise determined by the Administrator. Awards granted under the Plan shall not be subject in any manner to alienation, anticipation, sale, transfer, assignment, pledge, or encumbrance, except as otherwise determined by the Administrator; provided, however, that the restrictions in this sentence shall not apply to the shares of Common Stock received in connection with an Award after the date that the restrictions on transferability of such shares set forth in the applicable Award Agreement have lapsed. Nothing in this paragraph shall be interpreted or construed as overriding the terms of any Safety stock ownership or retention policy, now or hereafter existing, that may apply to the Participant or shares of Common Stock received under an Award.

(b) Administrator Discretion to Permit Transfers Other Than For Value. Except as otherwise restricted by applicable law, the Administrator may, but need not, permit an Award, other than an Incentive Stock Option or a tandem stock appreciation right granted with respect to an Incentive Stock Option, to be transferred to a Participant's Family Member (as defined below) as a gift or pursuant to a domestic relations order in settlement of marital property rights. The Administrator shall not permit any transfer of an Award for value. For purposes of this Section 9, "Family Member" means any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant or employee), a trust in which these persons have more than fifty percent of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty percent (50%) of the voting interests. The following transactions are not prohibited transfers for value: (i) a transfer under a domestic relations order in settlement of marital property rights; and (ii) a transfer to an entity in which more than fifty percent of the voting interests are owned by Family Members (or the Participant) in exchange for an interest in that entity.

10. Adjustments for Corporate Transactions and Other Events.

(a) Mandatory Adjustments. In the event of a merger, consolidation, stock rights offering, statutory share exchange or similar event affecting Safety (each, a "Corporate Event") or a stock dividend, stock split, reverse stock split, separation, spinoff, reorganization, extraordinary dividend of cash or other property, share combination or subdivision, or recapitalization or similar event affecting the capital structure of Safety (each, a "Share Change") that occurs at any time after adoption of this Plan by the Board (including any such Corporate Event or Share Change that occurs after such adoption and coincident with or prior to the Effective Date), the Administrator shall make equitable and appropriate substitutions or proportionate adjustments to (i) the aggregate number and kind of shares of Common Stock or other securities on which Awards under the Plan may be granted to Eligible Individuals, (ii) the maximum number of shares of Common Stock or other securities with respect to which Awards may be granted during any one calendar year to any individual, (iii) the maximum number of shares of Common Stock or other securities that may be issued with respect to Incentive Stock Options granted under the Plan, (iv) the number of shares of Common Stock or other securities covered by each outstanding Award and the exercise price, base price or other price per share, if any, and other relevant terms of each outstanding Award, and (v) all other numerical limitations relating to Awards, whether contained in this Plan or in Award Agreements; provided, however, that any fractional shares resulting from any such adjustment shall be eliminated.

Table of Contents

(b) Discretionary Adjustments. In the case of Corporate Events, the Administrator may make such other adjustments to outstanding Awards as it determines to be appropriate and desirable, which adjustments may include, without limitation, (i) the cancellation of outstanding Awards in exchange for payments of cash, securities or other property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Administrator in its sole discretion (it being understood that in the case of a Corporate Event with respect to which stockholders of Safety receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Administrator that the value of a stock option or stock appreciation right shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each share of Common Stock pursuant to such Corporate Event over the exercise price or base price of such stock option or stock appreciation right shall conclusively be deemed valid and that any stock option or stock appreciation right may be cancelled for no consideration upon a Corporate Event if its exercise price or base price equals or exceeds the value of the consideration being paid for each share of Common Stock pursuant to such Corporate Event), (ii) the substitution of securities or other property (including, without limitation, cash or other securities of Safety and securities of entities other than Safety) for the shares of Common Stock subject to outstanding Awards, and (iii) the substitution of equivalent awards, as determined in the sole discretion of the Administrator, of the surviving or successor entity or a parent thereof (“Substitute Awards”).

(c) Adjustments to Performance Goals. The Administrator may, in its discretion, adjust the Performance Goals applicable to any Awards to reflect any unusual or non-recurring events and other extraordinary items, impact of charges for restructurings, discontinued operations and the cumulative effects of accounting or tax changes, each as defined by generally accepted accounting principles or as identified in Safety’s consolidated financial statements, notes to the consolidated financial statements, management’s discussion and analysis or other Safety filings with the Securities and Exchange Commission. If the Administrator determines that a change in the business, operations, corporate structure or capital structure of Safety or the applicable subsidiary, business segment or other operational unit of Safety or any such entity or segment, or the manner in which any of the foregoing conducts its business, or other events or circumstances, render the Performance Goals to be unsuitable, the Administrator may modify such Performance Goals or the related minimum acceptable level of achievement, in whole or in part, as the Administrator deems appropriate and equitable.

(d) Statutory Requirements Affecting Adjustments. Notwithstanding the foregoing: (A) any adjustments made pursuant to Section 10 to Awards that are considered “deferred compensation” within the meaning of Section 409A of the Code shall be made in compliance with the requirements of Section 409A of the Code; (B) any adjustments made pursuant to Section 10 to Awards that are not considered “deferred compensation” subject to Section 409A of the Code shall be made in such a manner as to ensure that after such adjustment, the Awards either (1) continue not to be subject to Section 409A of the Code or (2) comply with the requirements of Section 409A of the Code; (C) in any event, the Administrator shall not have the authority to make any adjustments pursuant to Section 10 to the extent the existence of such authority would cause an Award that is not intended to be subject to Section 409A of the Code at the date of grant to be subject thereto; and (D) any adjustments made pursuant to Section 10 to Awards that are Incentive Stock Options shall be made in compliance with the requirements of Section 424(a) of the Code.

(e) Dissolution or Liquidation. Unless the Administrator determines otherwise, all Awards outstanding under the Plan shall terminate upon the dissolution or liquidation of Safety.

11. Change in Control Provisions.

(a) Termination of Awards. Notwithstanding the provisions of Section 11(b), in the event that any transaction resulting in a Change in Control occurs, outstanding Awards will terminate upon the effective time of such Change in Control unless provision is made in connection with the transaction for the continuation or assumption of such Awards by, or for the issuance therefor of Substitute Awards of, the surviving or successor entity or a parent thereof. Solely with respect to Awards that will terminate as a result of the immediately preceding sentence and except as otherwise provided in the applicable Award Agreement:

(i) the outstanding Awards of stock options and stock appreciation rights that will terminate upon the effective time of the Change in Control shall, immediately before the effective time of the Change in Control, become fully exercisable and the holders of such Awards will be permitted, immediately before the Change in Control, to exercise the Awards;

(ii) the outstanding shares of Restricted Stock the vesting or restrictions on which are then solely time-based and not subject to achievement of Performance Goals shall, immediately before the effective time of the Change in Control, become fully vested, free of all transfer and lapse restrictions and free of all risks of forfeiture;

(iii) the outstanding shares of Restricted Stock the vesting or restrictions on which are then subject to and pending achievement of Performance Goals shall, immediately before the effective time of the Change in Control and unless the Award Agreement provides for vesting or lapsing of restrictions in a greater amount upon the occurrence of a Change in Control, become vested, free of transfer and lapse restrictions and risks of forfeiture in such amounts as if the applicable Performance Goals for the unexpired Performance Period had been achieved at the target level set forth in the applicable Award Agreement;

(iv) the outstanding Restricted Stock Units, Performance Shares and Performance Units the vesting, earning or settlement of which is then solely time-based and not subject to or pending achievement of Performance Goals shall, immediately before the effective time of the Change in Control, become fully earned and vested and shall be settled in cash or shares of Common Stock (consistent with the terms of the Award Agreement after taking into account the effect of the Change in Control transaction on the shares) as promptly as is practicable, subject to any applicable limitations imposed thereon by Section 409A of the Code; and

(v) the outstanding Restricted Stock Units, Performance Shares and Performance Units the vesting, earning or settlement of which is then subject to and pending achievement of Performance Goals shall, immediately before the effective time of the Change in Control and unless the Award Agreement provides for vesting, earning or settlement in a greater amount upon the occurrence of a Change in Control, become vested and earned in such amounts as if the applicable Performance Goals for the unexpired Performance Period had been achieved at the target level set forth in the applicable Award Agreement and shall be settled in cash or shares of Common Stock (consistent with the terms of the Award Agreement after taking into account the effect of the Change

Table of Contents

in Control transaction on the shares) as promptly as is practicable, subject to any applicable limitations imposed thereon by Section 409A of the Code.

Implementation of the provisions of this Section 11(a) shall be conditioned upon consummation of the Change in Control.

(b) Continuation, Assumption or Substitution of Awards. Unless otherwise provided in the applicable Award Agreement, if a Change in Control occurs under which provision is made in connection with the transaction for the continuation or assumption of outstanding Awards by, or for the issuance of Substitute Awards of, the surviving or successor entity or a parent thereof, then upon a Participant's Termination of Service by Safety, an Affiliate, or a successor to Safety or an Affiliate without Cause or for Good Reason during the 18-month period following a Change in Control:

(i) any outstanding stock options and stock appreciation rights granted under the Plan to the Participant or any such Substitute Awards which are not then exercisable and vested shall become fully exercisable and vested;

(ii) the restrictions and transferal limitations applicable to any shares of Restricted Stock granted under the Plan to the Participant or any such Substitute Awards shall lapse and such shares of Restricted Stock shall become free of all restrictions and become fully vested and transferable;

(iii) all Restricted Stock Units, Performance Shares and Performance Units granted under the Plan to the Participant or any such Substitute Awards shall be considered to be earned and payable at target level, any deferral or other restriction thereon shall lapse, any Restriction Period thereon shall terminate, and such Restricted Stock Units, Performance Shares and Performance Units or any such Substitute Awards shall be settled in cash or shares of Common Stock (consistent with the terms of the Award Agreement after taking into account the effect of the Change in Control transaction on the shares) as promptly as is practicable;

(iv) each outstanding Performance Award granted under the Plan to the Participant or any such Substitute Award shall be deemed to satisfy any applicable Performance Goals as set forth in the applicable Award Agreement; and

(v) subject to Section 15, the Administrator may also make additional adjustments and/or settlements of outstanding Awards granted to the Participant or any Substitute Awards as it deems appropriate and consistent with the Plan's purposes.

(c) Other Permitted Actions. In the event that any transaction resulting in a Change in Control occurs, the Administrator may take any of the actions set forth in Section 10 with respect to any or all Awards granted under the Plan.

(d) Section 409A Savings Clause. Notwithstanding the foregoing, if any Award is considered to be a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, this Section 11 shall apply to such Award only to the extent that its application would not result in the imposition of any tax or interest or the inclusion of any amount in income under Section 409A of the Code.

Table of Contents

12. Substitution of Awards in Mergers and Acquisitions.

Awards may be granted under the Plan from time to time in substitution for assumed awards held by employees, officers, consultants or directors of entities who become employees, officers, consultants or directors of Safety or a Subsidiary as the result of a merger or consolidation of the entity for which they perform services with Safety or a Subsidiary, or the acquisition by Safety of the assets or stock of the such entity. The terms and conditions of any Awards so granted may vary from the terms and conditions set forth herein to the extent that the Administrator deems appropriate at the time of grant to conform the Awards to the provisions of the assumed awards for which they are substituted and to preserve their intrinsic value as of the date of the merger, consolidation or acquisition transaction. To the extent permitted by applicable law and marketplace or listing rules of the primary securities market or exchange on which the Common Stock is listed or admitted for trading, any available shares under a stockholder-approved plan of an acquired company (as appropriately adjusted to reflect the transaction) may be used for Awards granted pursuant to this Section 12 and, upon such grant, shall not reduce the Share Pool.

13. Compliance with Securities Laws; Listing and Registration.

(a) The obligation of Safety to sell or deliver Common Stock with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal, state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Administrator. If at any time the Administrator determines that the delivery of Common Stock under the Plan is or may be unlawful under the laws of any applicable jurisdiction, or Federal, state or foreign (non-United States) securities laws, the right to exercise an Award or receive shares of Common Stock pursuant to an Award shall be suspended until the Administrator determines that such delivery is lawful. If at any time the Administrator determines that the delivery of Common Stock under the Plan would or may violate the rules of any exchange on which Safety's securities are then listed for trade, the right to exercise an Award or receive shares of Common Stock pursuant to an Award shall be suspended until the Administrator determines that such delivery would not violate such rules. If the Administrator determines that the exercise or nonforfeitability of, or delivery of benefits pursuant to, any Award would violate any applicable provision of securities laws or the listing requirements of any stock exchange upon which any of Safety's equity securities are listed, then the Administrator may postpone any such exercise, nonforfeitability or delivery, as applicable, but Safety shall use all reasonable efforts to cause such exercise, nonforfeitability or delivery to comply with all such provisions at the earliest practicable date.

(b) Each Award is subject to the requirement that, if at any time the Administrator determines, in its absolute discretion, that the listing, registration or qualification of Common Stock issuable pursuant to the Plan is required by any securities exchange or under any state, federal or foreign (non-United States) law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Common Stock, no such Award shall be granted or payment made or Common Stock issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Administrator.

(c) In the event that the disposition of Common Stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act of 1933, as amended

Table of Contents

(the “Securities Act”), and is not otherwise exempt from such registration, such Common Stock shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Administrator may require a person receiving Common Stock pursuant to the Plan, as a condition precedent to receipt of such Common Stock, to represent to Safety in writing that the Common Stock acquired by such person is acquired for investment only and not with a view to distribution and that such person will not dispose of the Common Stock so acquired in violation of Federal, state or foreign securities laws and furnish such information as may, in the opinion of counsel for the Company, be appropriate to permit the Company to issue the Common Stock in compliance with applicable Federal, state or foreign securities laws.

14. Section 409A Compliance.

It is the intention of Safety that any Award that constitutes a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code shall comply in all respects with the requirements of Section 409A of the Code to avoid the imposition of any tax or interest or the inclusion of any amount in income pursuant to Section 409A of the Code, and the terms of each such Award shall be construed, administered and deemed amended, if applicable, in a manner consistent with this intention. Notwithstanding the foregoing, neither Safety nor any of its Affiliates nor any of its or their directors, officers, employees, agents or other service providers will be liable for any taxes, penalties or interest imposed on any Participant or other person with respect to any amounts paid or payable (whether in cash, shares of Common Stock or other property) under any Award, including any taxes, penalties or interest imposed under or as a result of Section 409A of the Code. Any payments described in an Award that are due within the “short term deferral period” as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. For purposes of any Award, each amount to be paid or benefit to be provided to a Participant that constitutes deferred compensation subject to Section 409A of the Code shall be construed as a separate identified payment for purposes of Section 409A of the Code. For purposes of Section 409A of the Code, the payment of Dividend Equivalents under any Award shall be construed as earnings and the time and form of payment of such Dividend Equivalents shall be treated separately from the time and form of payment of the underlying Award. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that constitutes a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code, any payments (whether in cash, shares of Common Stock or other property) to be made with respect to the Award that become payable on account of the Participant’s separation from service, within the meaning of Section 409A of the Code, while the Participant is a “specified employee” (as determined in accordance with the uniform policy adopted by the Administrator with respect to all of the arrangements subject to Section 409A of the Code maintained by Safety and its Affiliates) and which would otherwise be paid within six months after the Participant’s separation from service shall be accumulated (without interest) and paid on the first day of the seventh month following the Participant’s separation from service or, if earlier, within 15 days after the appointment of the personal representative or executor of the Participant’s estate following the Participant’s death. Notwithstanding anything in the Plan or an Award Agreement to the contrary, in no event shall the Administrator exercise its discretion to accelerate the payment or settlement of an Award where such payment or settlement constitutes deferred compensation within the meaning of Code section 409A unless, and solely to the extent that, such accelerated payment or settlement is permissible under Treasury Regulation section 1.409A-3(j)(4).

15. Plan Duration; Amendment and Discontinuance.

(a) Plan Duration. The Plan shall remain in effect, subject to the right of the Board or the Compensation Committee to amend or terminate the Plan at any time, until the earlier of (a) the earliest date as of which all Awards granted under the Plan have been satisfied in full or terminated and no shares of Common Stock approved for issuance under the Plan remain available to be granted under new Awards or (b) April 2, 2028. No Awards shall be granted under the Plan after such termination date. Subject to other applicable provisions of the Plan, all Awards made under the Plan on or before April 1, 2028 or such earlier termination of the Plan, shall remain in effect until such Awards have been satisfied or terminated in accordance with the Plan and the terms of such Awards.

(b) Amendment and Discontinuance of the Plan. The Board or the Compensation Committee may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which would materially impair the rights of a Participant with respect to a previously granted Award without such Participant's consent, except such an amendment made to comply with applicable law or rule of any securities exchange or market on which the Common Stock is listed or admitted for trading or to prevent adverse tax or accounting consequences to Safety or the Participant. Notwithstanding the foregoing, no such amendment shall be made without the approval of Safety's stockholders to the extent such amendment would (A) materially increase the benefits accruing to Participants under the Plan, (B) materially increase the number of shares of Common Stock which may be issued under the Plan or to a Participant, (C) materially expand the eligibility for participation in the Plan, (D) eliminate or modify the prohibition set forth in Section 7(e) on repricing of stock options and stock appreciation rights, (E) lengthen the maximum term or lower the minimum exercise price or base price permitted for stock options and stock appreciation rights, or (F) modify the prohibition on the issuance of reload or replenishment options. Except as otherwise determined by the Board or Compensation Committee, termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

(c) Amendment of Awards. Subject to Section 7(e), the Administrator may unilaterally amend the terms of any Award theretofore granted, but no such amendment shall materially impair the rights of any Participant with respect to an Award without the Participant's consent, except such an amendment made to cause the Plan or Award to comply with applicable law, applicable rule of any securities exchange on which the Common Stock is listed or admitted for trading, or to prevent adverse tax or accounting consequences for the Participant or the Company or any of its Affiliates. For purposes of the foregoing sentence, an amendment to an Award that results in a change in the tax consequences of the Award to the Participant shall not be considered to be a material impairment of the rights of the Participant and shall not require the Participant's consent.

16. General Provisions.

(a) Non-Guarantee of Employment or Service. Nothing in the Plan or in any Award Agreement thereunder shall confer any right on an individual to continue in the service of Safety or any Affiliate or shall interfere in any way with the right of Safety or any Affiliate to terminate such service at any time with or without cause or notice and whether or not such termination results in (i) the failure of any Award to vest or become payable; (ii) the forfeiture of any unvested or vested portion of any Award; and/or (iii) any other adverse effect on the individual's interests under any Award or the Plan. No person, even though deemed an Eligible Individual, shall have a right to be

selected as a Participant, or, having been so selected, to be selected again as a Participant. To the extent that an Eligible Individual who is an employee of a Subsidiary receives an Award under the Plan, that Award shall in no event be understood or interpreted to mean that Safety is the Participant's employer or that the Participant has an employment relationship with Safety.

(b) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between Safety and a Participant or any other person. To the extent that any Participant or other person acquires a right to receive payments from Safety pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of Safety.

(c) Status of Awards. Awards shall be special incentive payments to the Participant and shall not be taken into account in computing the amount of salary or compensation of the Participant for purposes of determining any pension, retirement, death, severance or other benefit under (a) any pension, retirement, profit-sharing, bonus, insurance, severance or other employee benefit plan of Safety or any Affiliate now or hereafter in effect under which the availability or amount of benefits is related to the level of compensation or (b) any agreement between (i) Safety or any Affiliate and (ii) the Participant, except as such plan or agreement shall otherwise expressly provide.

(d) Subsidiary Employees. In the case of a grant of an Award to an Eligible Individual who provides services to any Subsidiary, Safety may, if the Administrator so directs, issue or transfer the shares of Common Stock, if any, covered by the Award to the Subsidiary, for such lawful consideration as the Administrator may specify, upon the condition or understanding that the Subsidiary will transfer the shares of Common Stock to the Eligible Individual in accordance with the terms of the Award specified by the Administrator pursuant to the provisions of the Plan. All shares of Common Stock underlying Awards that are forfeited or canceled after such issue or transfer of shares to the Subsidiary shall revert to Safety.

(e) Governing Law and Interpretation. The validity, construction and effect of the Plan, of Award Agreements entered into pursuant to the Plan, and of any rules, regulations, determinations or decisions made by the Administrator relating to the Plan or such Award Agreements, and the rights of any and all persons having or claiming to have any interest therein or thereunder, shall be determined exclusively in accordance with applicable United States federal laws and the laws of the State of Delaware, without regard to its conflict of laws principles. The captions of the Plan are not part of the provisions hereof and shall have no force or effect. Except where the context otherwise requires: (i) the singular includes the plural and vice versa; (ii) a reference to one gender includes other genders; (iii) a reference to a person includes a natural person, partnership, corporation, association, governmental or local authority or agency or other entity; and (iv) a reference to a statute, ordinance, code or other law includes regulations and other instruments under it and consolidations, amendments, re-enactments or replacements of any of them.

(f) Use of English Language. The Plan, each Award Agreement, and all other documents, notices and legal proceedings entered into, given or instituted pursuant to an Award shall be written in English, unless otherwise determined by the Administrator. If a Participant receives an Award Agreement, a copy of the Plan or any other documents related to an Award translated into a language other than English, and if the meaning of the translated version is different from the English version, the English version shall control.

(g) Recovery of Amounts Paid. Except as otherwise provided by the Administrator, Awards granted under the Plan shall be subject to any and all policies, guidelines, codes of conduct, or other agreement or arrangement adopted by the Board or Compensation Committee with respect to the recoupment, recovery or clawback of compensation (collectively, the “Recoupment Policy”) and/or to any provisions set forth in the applicable Award Agreement under which Safety may recover from current and former Participants any amounts paid or shares of Common Stock issued under an Award and any proceeds therefrom under such circumstances as the Administrator determines appropriate. The Administrator may apply the Recoupment Policy to Awards granted before the policy is adopted to the extent required by applicable law or rule of any securities exchange or market on which shares of Common Stock are listed or admitted for trading, as determined by the Administrator in its sole discretion.

17. Glossary.

Under this Plan, except where the context otherwise indicates, the following definitions apply:

“Administrator” means the Compensation Committee, or such other committee(s) or officer(s) duly appointed by the Board or the Compensation Committee to administer the Plan or delegated limited authority to perform administrative actions under the Plan, and having such powers as shall be specified by the Board or the Compensation Committee; provided, however, that at any time the Board may serve as the Administrator in lieu of or in addition to the Compensation Committee or such other committee(s) or officer(s) to whom administrative authority has been delegated. With respect to any Award to which Section 16 of the Exchange Act applies, the Administrator shall consist of either the Board or a committee of the Board, which committee shall consist of two or more directors, each of whom is intended to be, to the extent required by Rule 16b-3 of the Exchange Act, a “non-employee director” as defined in Rule 16b-3 of the Exchange Act and an “independent director” to the extent required by the rules of the national securities exchange that is the principal trading market for the Common Stock ; provided, that with respect to Awards made to a member of the Board who is not an employee of the Company, “Administrator” means the Board. Any member of the Administrator who does not meet the foregoing requirements shall abstain from any decision regarding an Award and shall not be considered a member of the Administrator to the extent required to comply with Rule 16b-3 of the Exchange Act.

“Affiliate” means any entity, whether now or hereafter existing, which controls, is controlled by, or is under common control with, Safety or any successor to Safety. For this purpose, “control” (including the correlative meanings of the terms “controlled by” and “under common control with”) shall mean ownership, directly or indirectly, of 50% or more of the total combined voting power of all classes of voting securities issued by such entity, or the possession, directly or indirectly, of the power to direct the management and policies of such entity, by contract or otherwise.

“Award” means any stock option, stock appreciation right, stock award, stock unit, Performance Share, Performance Unit, and/or Other Stock-Based Award, whether granted under this Plan.

Table of Contents

“Board” means the Board of Directors of Safety.

“Cause” means, with respect to a Participant, except as otherwise provided in the relevant Award Agreement (i) the Participant’s plea of guilty or nolo contendere to, or conviction of, (A) a felony (or its equivalent in a non-United States jurisdiction) or (B) other conduct of a criminal nature that has or is likely to have a material adverse effect on the reputation or standing in the community of Safety, any of its Affiliates or a successor to Safety or an Affiliate, as determined by the Administrator in its sole discretion, or that legally prohibits the Participant from working for Safety, any of its Subsidiaries or a successor to Safety or a Subsidiary; (ii) a breach by the Participant of a regulatory rule that adversely affects the Participant’s ability to perform the Participant’s employment duties to Safety, any of its Subsidiaries or a successor to Safety or a Subsidiary, in any material respect; or (iii) the Participant’s failure, in any material respect, to (A) perform the Participant’s employment duties, (B) comply with the applicable policies of Safety, or of its Subsidiaries, or a successor to Safety or a Subsidiary, or (C) comply with covenants contained in any contract or Award Agreement to which the Participant is a party; provided, however, that the Participant shall be provided a written notice describing in reasonable detail the facts which are considered to give rise to a breach described in this clause (iii) and the Participant shall have 30 days following receipt of such written notice (the “Cure Period”) during which the Participant may remedy the condition and, if so remedied, no Cause for Termination of Service shall exist.

“Change in Control” means the first of the following to occur: (i) a Change in Ownership of Safety, (ii) a Change in Effective Control of Safety, or (iii) a Change in the Ownership of Assets of Safety, as described herein and construed in accordance with Code section 409A.

(i)A “Change in Ownership of Safety” shall occur on the date that any one Person acquires, or Persons Acting as a Group acquire, ownership of the capital stock of Safety that, together with the stock held by such Person or Group, constitutes more than 50% of the total fair market value or total voting power of the capital stock of Safety. However, if any one Person is, or Persons Acting as a Group are, considered to own more than 50%, on a fully diluted basis, of the total fair market value or total voting power of the capital stock of Safety, the acquisition of additional stock by the same Person or Persons Acting as a Group is not considered to cause a Change in Ownership of Safety or to cause a Change in Effective Control of Safety (as described below). An increase in the percentage of capital stock owned by any one Person, or Persons Acting as a Group, as a result of a transaction in which Safety acquires its stock in exchange for property will be treated as an acquisition of stock.

(ii)A “Change in Effective Control of Safety” shall occur on the date either (A) a majority of members of Safety’s Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of Safety’s Board before the date of the appointment or election, or (B) any one Person, or Persons Acting as a Group, acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such Person or Persons) ownership of stock of Safety possessing 50% or more of the total voting power of the stock of Safety.

(iii)A “Change in the Ownership of Assets of Safety” shall occur on the date that any one Person acquires, or Persons Acting as a Group acquire (or has or have acquired during the 12-month period ending on the date of the most recent acquisition by such Person or Persons), assets from Safety that have a total gross fair market value equal to or more than 51% of the total gross fair

Table of Contents

market value of all of the assets of Safety immediately before such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of Safety, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

The following rules of construction apply in interpreting the definition of Change in Control:

(A)A “Person” means any individual, entity or group within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended, other than employee benefit plans sponsored or maintained by Safety and by entities controlled by Safety or an underwriter, initial purchaser or placement agent temporarily holding the capital stock of Safety pursuant to a registered public offering.

(B)Persons will be considered to be Persons Acting as a Group (or Group) if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the corporation. If a Person owns stock in both corporations that enter into a merger, consolidation, purchase or acquisition of stock, or similar transaction, such shareholder is considered to be acting as a Group with other shareholders only with respect to the ownership in that corporation before the transaction giving rise to the change and not with respect to the ownership interest in the other corporation. Persons will not be considered to be acting as a Group solely because they purchase assets of the same corporation at the same time or purchase or own stock of the same corporation at the same time, or as a result of the same public offering.

(C)A Change in Control shall not include a transfer to a related person as described in Code section 409A or a public offering of capital stock of Safety.

(D)For purposes of the definition of Change in Control, Section 318(a) of the Code applies to determine stock ownership. Stock underlying a vested option is considered owned by the individual who holds the vested option (and the stock underlying an unvested option is not considered owned by the individual who holds the unvested option). For purposes of the preceding sentence, however, if a vested option is exercisable for stock that is not substantially vested (as defined by Treasury Regulation §1.83-3(b) and (j)), the stock underlying the option is not treated as owned by the individual who holds the option.

“Code” means the Internal Revenue Code of 1986, as amended from time to time, and any successor thereto, the Treasury Regulations thereunder and other relevant interpretive guidance issued by the Internal Revenue Service or the Treasury Department. Reference to any specific section of the Code shall be deemed to include such regulations and guidance, as well as any successor section, regulations and guidance.

“Common Stock” means shares of common stock of Safety, par value \$0.01 per share, and any capital securities into which they are converted.

“Company” means Safety Insurance Group, Inc. and its Subsidiaries, except where the context otherwise requires. For purposes of determining whether a Change in Control has occurred, Company shall mean only Safety.

“Compensation Committee” means the Compensation Committee of the Board.

“Exchange Act” means the Securities Exchange Act of 1934, as amended from time to time, and any successor thereto. Reference to any specific section of the Exchange Act shall be deemed to include such regulations and guidance issued thereunder, as well as any successor section, regulations and guidance.

“Fair Market Value” means, on a per share basis as of any date, unless otherwise determined by the Administrator:

(i)if the principal market for the Common Stock (as determined by the Administrator if the Common Stock is listed or admitted to trading on more than one exchange or market) is a national securities exchange or an established securities market, the official closing price per share of Common Stock for the regular market session on that date on the principal exchange or market on which the Common Stock is then listed or admitted to trading or, if no sale is reported for that date, on the last preceding day on which a sale was reported, all as reported by such source as the Administrator may select;

(ii)if the principal market for the Common Stock is not a national securities exchange or an established securities market, but the Common Stock is quoted by a national quotation system, the average of the highest bid and lowest asked prices for the Common Stock on that date as reported on a national quotation system or, if no prices are reported for that date, on the last preceding day on which prices were reported, all as reported by such source as the Administrator may select; or

(iii)if the Common Stock is neither listed or admitted to trading on a national securities exchange or an established securities market, nor quoted by a national quotation system, the value determined by the Administrator in good faith by the reasonable application of a reasonable valuation method, which method may, but need not, include taking into account an appraisal of the fair market value of the Common Stock conducted by a nationally recognized appraisal firm selected by the Administrator.

Notwithstanding the preceding, for foreign, federal, state and local income tax reporting purposes and for such other purposes as the Administrator deems appropriate, the Fair Market Value shall be determined by the Administrator in accordance with uniform and nondiscriminatory standards adopted by it from time to time.

“Full Value Award” means an Award that results in Safety transferring the full value of a share of Common Stock under the Award, whether or not an actual share of stock is issued. Full Value Awards shall include, but are not limited to, stock awards, stock units, Performance Shares, Performance Units that are payable in Common Stock, and Other Stock-Based Awards for which Safety transfers the full value of a share of Common Stock under the Award, but shall not include Dividend Equivalents.

“Good Reason” means, with respect to a Participant, during the 18-month period following a Change in Control, actions taken by Safety or any of its Affiliates or any successor corporation or other entity in a Corporate Transaction resulting in a material negative change in the employment relationship of the Participant who is an officer or an employee in one or more of the following ways:

- (i) the assignment to the Participant of duties materially inconsistent with the Participant’s position (including offices, titles and reporting requirements), authority, duties or responsibilities, or a material diminution in such position, authority, duties or responsibilities, in each case from those in effect immediately prior to the Change in Control;
- (ii) a material reduction of the Participant’s aggregate annual compensation, including, without limitation, base salary and annual bonus and incentive compensation opportunity, from that in effect immediately prior to the Change in Control; or
- (iii) a change in the Participant’s principal place of employment that increases the Participant’s commute by 75 or more miles as compared to the Participant’s commute immediately prior to the Change in Control.

In order to invoke a Termination of Service for Good Reason, a Participant must provide written notice to Safety, its Affiliate or any successor corporation or other entity in a Corporate Transaction with respect to which the Participant is employed or providing services (as applicable, the “Service Recipient”) of the existence of one or more of the conditions constituting Good Reason within 90 days following the Participant’s knowledge of the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting Good Reason, and the Service Recipient shall have 30 days following receipt of such written notice (the “Cure Period”) during which it may remedy the condition. In the event that the Service Recipient fails to remedy the condition constituting Good Reason during the applicable Cure Period, the Participant’s Termination of Service must occur, if at all, within 90 days following the expiration of such Cure Period in order for such termination as a result of such condition to constitute a Termination of Service for Good Reason.

“Incentive Stock Option” means any stock option that is designated, in the applicable Award Agreement or the resolutions of the Administrator under which the stock option is granted, as an “incentive stock option” within the meaning of Section 422 of the Code and otherwise meets the requirements to be an “incentive stock option” set forth in Section 422 of the Code.

Temporary absences from employment because of illness, vacation or leave of absence and transfers among Safety and its Subsidiaries shall not be considered Terminations of Service. A Participant has a separation from service within the meaning of Section 409A of the Code if the Participant terminates employment with Safety and all Subsidiaries for any reason.
