PROXY STATEMENT

GENERAL

Our board of directors is furnishing you with this proxy statement to solicit proxies on its behalf to be voted at the 2015 annual meeting of stockholders of One Liberty Properties, Inc. The meeting will be held at our offices, 60 Cutter Mill Road, Suite 303, Great Neck, NY 11021 on Thursday, June 11, 2015 at 9:00 a.m., local time. The proxies will be voted at the meeting and may also be voted at any adjournments or postponements of the meeting.

All properly executed proxy cards, and all properly completed proxies submitted by telephone or by the internet, that are delivered pursuant to this solicitation, will be voted at the meeting in accordance with your directions, unless the proxy is revoked before the meeting.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will vote on the following matters:

- election of four directors (Joseph DeLuca, Fredric H. Gould, Leor Siri and Eugene I. Zuriff) to hold office until the 2018 annual meeting;
- ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2015; and
- such other matters as may properly come before the meeting.

Who is entitled to vote?

We are mailing this proxy statement on or about April 17, 2015 to our stockholders of record on April 15, 2015. The record date was established by our board of directors. Stockholders as of the close of business on the record date of April 15, 2015 are entitled to receive notice of and to vote their shares at the meeting. Each outstanding share of common stock is entitled to one vote. As of the record date, 16,412,382 shares of our common stock were outstanding and entitled to vote at the meeting.

How do I vote?

If you are a stockholder of record on April 15, 2015 and attend the annual meeting, you may vote in person at the meeting. If your shares are held by a bank, broker or other nominee (*i.e.*, in street name) and if you wish to vote in person at the annual meeting, you must contact the nominee to obtain evidence of your ownership of our common stock as of the record date. If you hold your shares directly (*i.e.*, the share certificate or certificates representing your shares are registered in your name), you may complete, sign and date the accompanying proxy card and return it in the prepaid envelope, and your shares will be voted according to your instructions.

How will my shares be voted?

If you do not mark any selections but return the signed proxy card, your shares will be voted by the proxies named on the proxy card in favor of the four nominees for election as directors, in favor of the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2015, and as the proxy holders may determine in their discretion with respect to other matters that properly come before the meeting. Registered holders

(i.e., those who hold shares directly rather than through a bank or broker) can simplify their voting by calling 1-800-PROXIES (776-9437) or by accessing the internet website www.voteproxy.com. Telephone voting information and internet voting information is

1

TABLE OF CONTENTS

provided on the proxy card. The internet and telephone voting facilities for stockholders of record will close at 11:59 p.m., New York City time, on June 10, 2015. If you vote by telephone or via the internet, it is not necessary to return your proxy card. If you attend the meeting, you may deliver your completed proxy or vote in person.

If you wish to name as a proxy someone other than the proxies named on the proxy card, you may do so by crossing out the name of the designated proxies and inserting the name of another person. In that case, it will be necessary to sign the proxy card and deliver it to the person so named and for the person so named to be present at and vote at the meeting. Proxy cards so marked should not be mailed to us or to American Stock Transfer and Trust Company LLC, our transfer agent.

Who will count the vote?

A representative of our transfer agent, American Stock Transfer and Trust Company, LLC, will tabulate the votes and act as inspector of elections.

Can I revoke my proxy before it is exercised?

If you hold stock directly in your name, you may revoke a proxy at any time before it is voted at the annual meeting with a later dated, properly executed proxy (including an internet or telephone vote), or a written revocation delivered to our Secretary. The proxy holders' powers may also be suspended if you attend the meeting and notify our Secretary at the meeting that you would like to change your vote or vote in person. If your stock is held in the name of a broker, bank or other nominee, you must contact such nominee and comply with the nominee's procedures if you want to revoke or change the instructions that you previously provided to the nominee. Attendance at the meeting will not by itself automatically revoke a previously granted proxy.

What constitutes a quorum?

A quorum is the presence in person or by proxy of stockholders holding a majority of shares entitled to vote at the meeting. To constitute a quorum, at least 8,206,192 shares must be present in person or by proxy at the meeting. Generally, action cannot be taken at the meeting unless a quorum is present.

Is my vote important?

Yes. Under applicable rules, brokers, banks and other nominees are prohibited from voting shares held in street name on matters pertaining to the election of directors unless the client specifically instructs his or her nominee to vote their shares. Shares held in street name and for which voting instructions are not provided and accordingly, as to which bank, brokers and other nominees do not have discretionary authority to vote on their clients' behalf, are referred to broker non-votes. Because broker non-votes will have the effect of a vote against the election of the directors identified herein as standing for election, it is very important that you vote your shares.

How many votes does it take to approve the items to be voted upon?

The vote of a majority of the outstanding shares entitled to vote at the meeting is necessary for the election of each director standing for election. Accordingly abstentions and broker non-votes will have the effect of a vote against the election of such director.

Who is soliciting my vote and who pays the cost?

Our board of directors is soliciting votes for the meeting and we will pay the entire cost of the solicitation, including preparing and mailing this proxy statement. In addition to the solicitation of proxies by mail and through our and our affiliates' employees, we will request banks, brokers, custodians, nominees and other record holders to forward copies of the proxy statement and other soliciting materials to persons for whom they hold shares and to request authority for the exercise of proxies. We will reimburse such record holders for their reasonable out-of-pocket expenses in forwarding proxies and proxy materials to stockholders. We have retained DF King for a fee of \$5,000, plus reasonable out of pocket expenses, to aid in the solicitation of proxies from our stockholders. To the extent necessary to ensure sufficient representation

at the meeting, we or our proxy solicitor may solicit the return of proxies by personal interview, mail, telephone, facsimile, internet or other means of electronic transmission. The extent to which this will be necessary depends upon how promptly proxies are returned. We urge you to send in your proxy without delay.

What is householding?

We are sending only one proxy statement to eligible stockholders who share a single address, unless we have received instructions to the contrary from any stockholder at that address. This practice, known as householding, is designed to reduce our printing and postage costs. However, if a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement, he or she may request it orally or in writing by contacting us at One Liberty Properties, Inc., 60 Cutter Mill Road, Suite 303, Great Neck, NY 11021, Attention: Investor Relations, by emailing us at investorrelations@1liberty.com, or by calling us at 516-466-3100, and we will promptly deliver to the stockholder the requested annual report or proxy statement. If a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she may contact us in the same manner. If you are an eligible stockholder of record receiving multiple copies of our annual report and proxy statement, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker or other nominee, you can request householding by contacting the nominee.

When are stockholder proposals due for the 2016 Annual Meeting?

If a stockholder wants a proposal to be included in our proxy statement for the 2016 annual meeting of stockholders, the proposal, in writing and addressed to our Secretary, must be received by us no later than December 21, 2015. Upon timely receipt of any such proposal, we will determine whether or not to include such proposal in the proxy statement in accordance with applicable regulations governing the solicitation of proxies.

For any proposal that is not submitted for inclusion in next year's proxy statement, but is instead intended to be presented directly at the 2016 annual meeting, rules and regulations promulgated by the Securities and Exchange Commission permit us to exercise discretionary voting authority to the extent conferred by proxy if we:

- receive notice of the proposal before March 3, 2016, and advise stockholders in the 2016 proxy statement of the nature of the proposal and how management intends to vote on such matter; or
- do not receive notice of the proposal before March 3, 2016.

Notices of intention to present proposals at our 2016 annual meeting should be submitted in writing and addressed to our Secretary.

What other information about us is available?

Stockholders can call (516) 466-3100 or write to us at 60 Cutter Mill Road, Suite 303, Great Neck, NY 11021, Attention: Secretary, to request a copy of our Annual Report on Form 10-K. This and other important information about us is also available on our web site which is located at www.onelibertyproperties.com. Our Annual Report to Stockholders for 2014 accompanies this proxy statement.

GOVERNANCE OF THE COMPANY

General

Pursuant to the Maryland General Corporation Law and our by-laws, as amended, our business, property and affairs are managed by or under the direction of our board of directors. Members of the board are kept informed of our business through discussions with our chief executive officer, chairman of our board and other officers, by reviewing

materials provided to them and by participating in meetings of the board and its committees.

3

TABLE OF CONTENTS

During 2014, the board held four meetings. All of the directors attended at least 75% of the total number of meetings of the board of directors and the board committees of which such director was a member. Our directors meet at regularly scheduled executive sessions without management. We encourage our directors to attend the annual meeting of stockholders. Last year, more than 80% of our directors attended our annual meeting of stockholders.

Leadership Structure

The board of directors has designated J. Robert Lovejoy as its Independent Lead Director. Among other things, the Lead Director presides at, and prepares the agenda for, executive sessions of the independent directors, recommends to the Chairman of the Board matters to be considered and materials to be reviewed by the board, serves as an independent point of contact for stockholders desiring to communicate with the board and performs such other duties and responsibilities as are assigned to him by a majority of the non-management directors.

Our company is led by Matthew J. Gould, chairman of our board, Fredric H. Gould, vice chairman of our board and Patrick J. Callan, Jr., president and chief executive officer. Although the board of directors has not established a policy on whether the role of the chairman and chief executive officer should be separated, the board of directors believes our current structure is the most appropriate structure at this time because it makes the best use of the abilities of these individuals.

Risk Oversight

Management is responsible for the day-to-day management of risks we face. Our board of directors has overall responsibility for overseeing risk management with a focus on the more significant risks facing us. Our audit committee oversees risk policies and processes related to our financial statements, financial reporting processes and liquidity risks, our compensation committee oversees risks relating to remuneration of our full-time officers, and our nominating and corporate governance committee oversees corporate governance risks.

A portion of each quarterly meeting of the audit committee is devoted to reviewing with management, among other things, property portfolio issues which could have a material adverse impact on current or future operations or financial condition including, potential or actual impairments, if any, liquidity risks, debt covenants and maturities, lease expirations; and, as required, reviewing risks arising from related party transactions. Each audit committee meeting is generally attended by our chief executive officer and chief operating officer who are there, among other things, to respond to issues relating to tenant matters or property operations. In addition, at each meeting of the audit committee, our chief financial officer, the accounting firm performing the internal audit function on our behalf and our independent registered public accounting firm report to the committee with respect to compliance with our internal control policies to ascertain that no failures of a significant or material nature have occurred. This process assists the audit committee in overseeing the risks related to our financial statements and the financial reporting process.

At each meeting of the board of directors, a portion of the meeting is dedicated to reviewing and discussing significant risk issues reviewed by the audit committee.

Our compensation committee monitors risks associated with our compensation structure. The compensation committee does not believe that the compensation programs which are in place give rise to any risk that is reasonably likely to have a material adverse effect on us.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that is designed to help our directors, officers, employees, agents and consultants resolve ethical issues. This code applies to all directors, officers, employees, agents and

consultants, including our chief executive officer, principal financial officer, principal accounting officer or persons performing similar functions. The code covers a variety of topics, including those required by the Securities and Exchange Commission and the New York Stock Exchange. Topics covered include conflicts of interest, confidentiality of information, and compliance with laws and regulations.

TABLE OF CONTENTS

During 2014, there were no amendments to the code and no waivers of the provisions of the code with respect to any of our directors, officers, employees, agents or consultants. We will post any amendments to, or waivers of, our code on our website. See [Additional Information](#) to obtain access to, or copies of, our code of business conduct and ethics.

Committees of the Board of Directors

We have three standing committees: audit, compensation and nominating and corporate governance. Our board has adopted corporate governance guidelines that address the make-up and function of the board and a charter for each of these committees. The charter for each committee requires that such committee be comprised of at least three independent directors and in the case of the audit committee, also requires that at least one member of the committee qualify as a financial expert. All of the members of each committee were independent during their period of service on such committee and in the case of the audit committee, each such member was also financially literate. See [Additional Information](#) to obtain access to, or copies of, our corporate governance guidelines and committee charters.

The table below provides membership and meeting information for each of the standing board committees for 2014:

(3) Mr. Karol's service as Chairman of the nominating committee commenced June 11, 2014.

(4) Mr. Siri's service on the audit committee commenced September 11, 2014.

(5) Messrs. Burns and Siri serve as audit committee financial experts.

Audit Committee

This committee is responsible for assisting the board in overseeing, among other things, (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) the independent registered public accounting firm's qualifications and independence, (iv) the performance of the independent registered public accounting firm, (v) the performance of the accounting firm performing our internal control audit function, and (vi) the preparation of the audit committee report required by the Securities and Exchange Commission for inclusion in this proxy statement. TABLE OF CONTENTS

Nominating and Corporate Governance Committee

This committee is responsible for, among other things, recommending a slate of directors for election to the board of directors at the annual stockholders' meeting, recommending committee assignments to the board of directors, identifying and recommending candidates to fill vacancies on the board of directors between annual stockholder meetings, recommending a slate of officers for election by the board of directors at the annual directors' meeting, proposing, monitoring and recommending changes to our corporate governance guidelines and overseeing the evaluation of effectiveness of our board of directors and the committees thereof.

Director Qualifications

The board believes that it should be comprised of directors with complementary backgrounds, and that directors should, at a minimum, have experience which is relevant to our business or otherwise be of assistance to the board in its deliberations. Our nominating and corporate governance committee (the nominating committee) has not adopted a formal diversity policy in connection with the consideration of director nominations or the selection of nominees. It considers the personal and professional attributes and the experience of each director candidate to promote diversity of expertise and experience among our directors. Additionally, directors should possess the highest personal and professional ethics in order to perform their duties properly, and should be willing and able to devote the required amount of time to our business.

When considering candidates for director, the nominating committee will take into account a number of factors, including the following:

- Independence from management;
- Whether the candidate has relevant business experience;
- Judgment, skill, integrity and reputation;
- Financial and accounting background, to enable the nominating committee to determine whether the candidate would be suitable for audit committee membership;
- Executive compensation background, to enable the nominating committee to determine whether the candidate would be suitable for compensation committee membership; and
- The size and composition of the existing board.

The nominating committee will consider candidates for director suggested by stockholders applying the criteria for candidates described above and considering the additional information referred to below. Stockholders wishing to suggest a candidate for director should write to our Secretary and include:

- A statement that the writer is a stockholder and is proposing a candidate for consideration by the nominating committee;
- The name of and contact information of the candidate;
- A detailed statement of the candidate's business and educational experience and an explanation of the reasons why the stockholder believes the candidate is qualified for service on our board of directors;
- Information regarding each of the factors listed above sufficient to enable the nominating committee to evaluate the candidate;
- A statement detailing any relationship between the candidate and any of our competitors, affiliated companies or officers or directors;
- Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- A statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

TABLE OF CONTENTS

When seeking candidates for director, the nominating committee may solicit suggestions from management, incumbent directors and others. The nominating committee or its chairman will interview a candidate if it believes the candidate might be suitable to be a director. The nominating committee may also ask the candidate to meet with management.

The nominating committee generally intends to recommend that the Board nominate incumbent directors whom the committee believes will continue to make important contributions to us, inasmuch as the committee believes that the continuing service of qualified incumbents promotes stability and continuity, giving us the benefit of the familiarity and insight into our affairs that its directors have accumulated during their tenure, while contributing to the Board's ability to work as a collective body.

Independence of Directors

The board reviews director independence annually and bases its independence determinations primarily on discussions with the directors and a review of the responses to the directors' questionnaires regarding employment and compensation history, affiliations, family and other relationships.

In determining whether our directors are independent, our board of directors employs the New York Stock Exchange director independence standards. These standards provide:

- No director qualifies as independent unless the board affirmatively determines that the director has no material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us);
- A director who is an employee, or whose immediate family member is an executive officer, of ours is not independent until three years after the end of such relationship;
A director who received, or whose immediate family member received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from us other than director and committee fees
- and pension or other forms of deferred compensation for prior services (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$120,000 in any twelve-month period;
A director who is, or who has an immediate family member who is, a current partner of our internal or external auditor, a director who is a current employee of our internal or external auditor, a director who has an
- immediate family member who is a current employee of our internal or external auditor and who personally participates in our audit, or a director who was, or whose immediate family member was, within the last three years, a partner or employee of our internal or external auditor and personally worked on our audit within that time, cannot be considered independent;
A director who is employed, or whose immediate family member is employed, as an executive officer of
- another company where any of our present executives serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship; and
A director who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, us for property or services in an amount
- which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until the commencement of the third fiscal year following the fiscal year in which such payments fall below such threshold.

The commentary to the New York Stock Exchange standards provides that it is not possible to anticipate or explicitly to provide for all circumstances that might signal potential conflicts of interest, or might bear on the materiality of a director's relationship to a listed company. Accordingly, the board considers material relationships with the Company's affiliates and officers that a director may have.

Our board has determined that each of Joseph A. Amato, Charles Biederman, James J. Burns, Joseph A. DeLuca, Louis P. Karol, J. Robert Lovejoy, Leor Siri and Eugene I. Zuriff is independent.

Pursuant to our by-laws, as amended, the number of directors was fixed at twelve by our board of directors. The board is divided into three classes and the classes are elected on a staggered basis. Each class is elected to serve a three year term and is to be as equal in size as is possible. The terms of Joseph DeLuca, Fredric H. Gould, Leor Siri and Eugene I. EXECUTIVE COMPENSATION

Highlights

The following are highlights of our compensation practices; we encourage you to read the more detailed information set forth herein:

- all of our executive officers are employees at will—none of our officers have employment agreements; there are no severance or similar arrangements for our executive officers, other than the accelerated vesting of
- shares of restricted stock and RSUs upon the occurrence of specified events (*e.g.* death, disability, retirement or a change of control);
- there are no excise tax gross ups or similar arrangements for our executive officers;
- the shares of restricted stock awarded to our executive officers generally vest, assuming continued service, approximately five years after the grant date on a cliff-vesting basis;
- the RSUs awarded to our executive officers in 2010 vest, assuming continued service, on a cliff-vesting basis in 2017 only if, and to the extent that, performance metrics are satisfied—we believe that these conditions establish challenging hurdles as only 50% of the awards would have vested as of December 31, 2014; although we do not have a formal policy requiring a minimum level of stock ownership, our executive officers
- and directors own beneficially in the aggregate approximately 3.78 million shares or 23.1% of our outstanding shares; effective as of January 1, 2014, Patrick J. Callan, Jr., Chief Executive Officer and President, and Lawrence
- Ricketts, Jr., Chief Operating Officer and Executive Vice President, were awarded increases of 2.9% and 4.2%, respectively, in their 2014 base salaries from their 2013 base salaries;
- based on performance criteria, Messrs. Callan and Ricketts were awarded bonuses of \$70,000 and \$50,000, respectively, for 2014 - the same bonuses they were awarded for their services in 2013. The bonuses for 2014 reflect, among other things, our physical occupancy rate that was in excess of 98% for 2014, our adjusted funds from operations, and their efforts with respect to:
 - (i) the nine properties acquired in 2014 for an aggregate of approximately \$56.8 million,
 - (ii) the sale of a property for an \$8.6 million gain, net of prepayment charges,
 - (iii) the 14 mortgage financing and refinancing transactions completed in 2014 for gross proceeds of \$60.5 million,
 - (iv) our positive performance from a financial and total stockholder return point of view, and
 - (v) the overall management of our real estate portfolio; and
- long term equity awards granted in recognition of 2014 performance increased as a component of total compensation from 24.6% in 2013 to 32% in 2014 for Mr. Callan and from 31.5% in 2013 to 40.8% in 2014 for Mr. Ricketts.

The compensation committee, in connection with its review of a report prepared for it by its independent compensation consultant, decided in December 2013 that the following changes should be phased in over time to our compensation practices with respect to our full-time named executive officers: direct cash compensation (*i.e.*, base salary and cash bonus) should decrease as a percentage of total compensation (except to the extent based on performance criteria) and long-term incentive awards and equity based awards should increase as a percentage of total compensation. In June 2014, the committee, in consultation with its independent compensation consultant, adopted a performance based cash bonus program which provides that cash bonuses are to be based on tenant occupancy rates, discretionary factors, management of the portfolio and adjusted funds from operations. As a result of these determinations, which we refer to collectively as the Compensation Determinations, the cash bonuses for Messrs. Callan and Ricketts for 2014 remained at the same level as their 2013 bonuses, the number of shares of restricted stock awarded to Messrs. Callan and

TABLE OF CONTENTS

Ricketts for their 2014 performance (which awards were granted in 2015) increased by 24% and 30%, respectively, from the grants reflecting their 2013 performance (which were awarded in 2014) and their base salaries for 2014 increased by 2.9% and 4.2%, respectively, from 2013, compared to base salary increases of 6.1% and 10.9%, respectively, in 2013 from 2012.

Compensation Discussion and Analysis

This compensation discussion and analysis describes our compensation objectives, policies and decisions as applied to the compensation provided by us in 2014 to our named executive officers. This discussion and analysis focuses on the information contained in the compensation tables that follow this discussion and analysis, but also describes our historic compensation structure to enhance an understanding of our executive compensation disclosure. Our compensation committee oversees our compensation program, recommends the compensation of the named executive officers employed by us on a full-time basis to our board of directors for its approval, recommends the annual fee paid by us to the chairman and vice chairman of our board of directors and makes determinations with respect to grants of restricted stock awards. Our audit committee recommends and approves the annual fees paid by us pursuant to a compensation and services agreement to Majestic Property Management Corp., an affiliated entity referred to herein as Majestic, which results in the payment by Majestic of compensation to our part-time officers, including Fredric H. Gould, Matthew J. Gould and David W. Kalish, named executive officers. Majestic is wholly-owned by Fredric H. Gould, the Vice Chairman of our Board.

Background

We have two categories of officers: (i) officers who devote their full business time to our affairs; and (ii) officers who devote their business time to us on a part-time basis. Our full-time officers and employees are compensated directly and solely by us and our part-time officers and employees are compensated by Majestic which, pursuant to the compensation and services agreement, provides us the services of other personnel (including executive, administrative and legal, accounting, clerical and real property management personnel) who perform services on our behalf. In consideration for providing services and the services of such personnel, we paid Majestic a fee of \$2.67 million for 2014. Majestic may earn a profit from payments made to it under the agreement. In addition, under this agreement, we made an additional payment to Majestic of \$186,000 in 2014 for our share of all direct office expenses, including rent, telephone, computer services, internet usage and supplies. The amount of the annual payments to be made by us to Majestic under the compensation and services agreement are reviewed and negotiated by our audit committee and Majestic.

All of our full-time and part-time officers and other employees, including employees of affiliated companies who perform services for us on a part-time basis, receive annual restricted stock awards approved by the compensation committee.

Named Executive Officers

Our named executive officers are Patrick J. Callan, Jr., president and chief executive officer and Lawrence G. Ricketts, Jr., executive vice president and chief operating officer, both of whom devote their full time to our affairs, and Matthew J. Gould, chairman of our board, Fredric H. Gould, vice chairman of our board, and David W. Kalish, senior vice president and chief financial officer, each of whom devote time to our affairs on a part-time, as needed, basis.

Say-on-Pay

In reviewing our compensation practices and determinations and in approving base salaries for calendar 2014, the compensation committee was aware of the results of our June 2011 say on pay vote in which approximately 84% of the shares that voted on such proposal voted to approve our executive compensation practices. In approving the bonuses and equity awards for 2014 performance, the compensation committee was aware of the results of our June 2014 say-on-pay vote in which approximately 90% of the shares that voted on such proposal voted to approve our executive compensation determinations and practices. The committee viewed such results as supportive of our compensation philosophy, practices and determinations.

TABLE OF CONTENTS

Objectives of our Compensation Program

A principal objective of our compensation program for full-time officers is to ensure that the total compensation paid to such officers is fair and competitive. The compensation committee believes that relying on this principle will permit us to retain and motivate these officers. With respect to our part-time executive officers, the compensation committee must be satisfied that such officers provide us with sufficient time and attention to meet our needs and perform their duties on our behalf. The compensation committee is of the opinion that our part-time executive officers perform valuable services on our behalf, devote sufficient time and attention to our business needs, are able to meet our needs fully and perform their duties effectively. The compensation committee is also of the opinion that utilizing the services of various senior officers with diverse skills on a part-time basis enables us to benefit from a greater degree of executive experience and competence than an organization of our size could otherwise afford.

We have historically experienced an extremely low level of officer and employee turnover. Each of Matthew J. Gould, Fredric H. Gould and David W. Kalish has been an officer of ours with us for over 22 years, Lawrence G. Ricketts, Jr. has been employed by us for approximately 16 years, and Patrick J. Callan, Jr. has been a member of our board of directors for 11 years, our president for over eight years and our chief executive officer for over seven years.

Compensation Consultant

In 2013, our compensation committee engaged FPL Associates L.P., a nationally recognized compensation consulting firm specializing in the real estate industry. FPL was engaged to conduct a comprehensive compensation study of our named executive officers and has no relationship with us or any of our affiliates, except that it also serves as the independent compensation consultant for BRT Realty Trust, a NYSE listed REIT, which may be deemed an affiliate of ours.

The following are the peer group companies used by the consultant:

- Agree Realty Corporation
- AmREIT, Inc.
- Chatham Lodging Trust
- EPR Properties
- Getty Realty Corp.
- Lexington Realty Trust
- National Retail Properties, Inc.
- Ramco-Gershenson Properties Trust
- Terreno Realty Corporation
- UMH Properties, Inc.
- Urstadt Biddle Properties, Inc.
- Whitestone REIT

The report concluded that total compensation (and in particular, the long-term incentive awards) paid to Messrs. Callan and Ricketts, our full-time named executive officers, is below the 25th percentile of the compensation received by officers with similar responsibilities at the peer group.

In December 2013, based on information contained in the report, the committee concluded that the following changes to our compensation practices with respect to our full-time named executive officers should be phased-in over time: (i) base salary and cash bonuses (except to the extent such bonuses are based on the attainment of performance criteria) should decrease as a percentage of total compensation; and (ii) long-term incentive awards (including equity based awards) should increase as a percentage of total compensation. In June 2014, in consultation with FPL, the committee adopted a performance based cash bonus program which

TABLE OF CONTENTS

provides that cash bonuses are determined based upon tenant occupancy rate, discretionary factors, the overall management of the portfolio and adjusted funds from operations. For 2014 (and with respect to base salaries, for 2015), the committee implemented and continues to implement these Compensation Determinations as described herein. See – Analysis.

Compensation Setting Process

Full-time Officers

We determine compensation for our full-time named executive officers on a case-by-case basis, and our compensation decisions may include subjective determinations. We do not use formal performance targets to determine compensation except with respect to RSUs, which are performance based awards issued in 2010. Further, cash bonuses are based upon the performance criteria described above. Base salaries are determined immediately preceding the year in which such salaries are to be paid, cash bonuses are determined at the end of the year in which services are rendered and generally paid in the following year and restricted stock awards for service in a particular year are granted in the following year.

In determining compensation for 2014, the recommendations of the chairman and/or vice chairman of our board played a significant role in the compensation setting process since these officers are aware of each officer's duties and responsibilities and were most qualified to assess the level of each officer's performance. The chairman and /or vice chairman of our board, prior to making recommendations to the compensation committee concerning each full-time officer's compensation, consulted with other senior executive officers, including our president and chief executive officer. During the process, our overall performance for the applicable year, including total revenues, funds from operations, adjusted funds from operations, net income, dividends, performance of our common stock and acquisition, disposition, financing and portfolio management activities were taken into consideration. None of these measures of performance was given more weight than any other. The chairman and/or vice chairman of our board and other senior officers also assessed each individual's performance in such year, which assessment was highly subjective. During this process, the chairman and/or vice chairman of our board proposed to the compensation committee with respect to each full-time named executive officer, a base salary for 2014, a bonus applicable to 2014 and generally payable in 2015 and the number of shares of restricted stock to be awarded to each full-time named executive officer. In reviewing these recommendations and evaluating whether to accept, reject or modify the recommendations, the compensation committee applied the Compensation Determinations. See – Compensation Highlights and – Compensation Consultant. The final recommendations by the compensation committee on compensation matters with respect to our full-time named executive officers were reported to the board of directors, which approved the recommendations of the committee with respect to these officers.

Part-time Officers

We believe that using part-time officers pursuant to the compensation and services agreement enables us to benefit from access to, and the services of, a group of senior officers with experience and knowledge in real estate ownership, operations, management and finance, legal, accounting and tax matters that an organization our size could not otherwise afford. The base compensation, bonus, if any, and perquisites to be paid in the aggregate to our part-time officers by the entities for which these officers provide services (other than us) is determined by our Chairman and/or Vice Chairman, in consultation with certain of our part-time senior officers, in their capacity as officers of such entities.

Our part-time officers, including our Chairman and Vice Chairman, also receive compensation from other business entities, most of which are owned or controlled by Fredric H. Gould, for services rendered to such entities.

Components of Executive Compensation

Full-time Officers

The principal elements of our compensation program for our full-time officers are:

- base salary;
- annual bonus;

TABLE OF CONTENTS

- long-term equity in the form of restricted stock and long-term equity incentives in the form of RSUs; and
- special benefits and perquisites (e.g., contributions to our defined contribution plan, additional disability insurance, an automobile allowance and automobile maintenance and repairs).

Base salary and annual bonus are cash-based, while long-term equity and long-term equity incentives consists of restricted stock awards and RSUs, respectively. In determining compensation, the compensation committee does not have a specific allocation goal between cash and equity-based compensation though the committee determined that base salary and cash bonuses (except to the extent based on the attainment of performance criteria), should continue to decrease as a percentage of total compensation and long-term equity and other incentive awards should increase as a percentage of total compensation.

Part-time Officers

In 2014, except for the \$250,000 annual compensation we paid to the Chairman of our Board and the \$100,000 paid to the Vice Chairman of our Board, the only form of direct compensation we provided our part-time officers was the granting of long-term equity in the form of restricted stock awards. For services rendered to us, our part-time officers are compensated by Majestic, which was paid a fee of approximately \$2.67 million (excluding \$186,000 as reimbursement for our share of direct office expenses) in 2014 pursuant to the compensation and services agreement.

Base Salary

Base salary is the basic, fixed form of compensation for the job an officer performs and provides each officer with a guaranteed annual income.

Full-time Officers: Any increase in base salary is determined on a case by case basis, is not formula based and is based upon, among other considerations (i) our performance in the preceding year, (ii) such officer's current base salary, (iii) amounts paid by other REITs for officers performing substantially similar functions, (iv) years of service, (v) job responsibilities, (vi) the individual's performance and (vii) the recommendations of the Chairman and/or Vice Chairman of the board and other senior executive officers. Base salary is generally determined the month before the beginning of the calendar year in which such base salary is to take effect.

Part-time Officers: The base salary of our part-time officers is paid by Majestic and its affiliates. Since the annual fee paid to Majestic is approved by the audit committee and the board of directors, the compensation committee is not involved in determining the base salaries of these officers.

Bonus

Full-time Officers: We provide the opportunity for our full-time officers to earn an annual cash bonus. We provide this opportunity both to reward our personnel for past performance and to motivate and retain them. We recognize that annual bonuses are almost universally provided by our competitors. In view of the fact that only two of our named executive officers devote their full-time to our affairs, annual cash bonuses for such named executive officers are recommended on a case-by-case basis by our Chairman of the Board and/or Vice Chairman to the compensation committee. During the process, adjusted funds from operations, occupancy rate, the overall management of the portfolio and discretionary factors are taken into consideration. The discretionary factors included total revenues, rental income, funds from operations, net income, dividends paid to stockholders, investor relations activities and subjective considerations. None of these measures of performance is given more weight than any other and they are used to provide an overall view of our and the executive's performance for the preceding year. Once it has determined the annual bonus to be paid to each of these executive officers, the compensation committee presents its recommendations to the board of directors for its approval. These bonuses are generally determined at the end of the year for which such bonus is awarded and is generally paid in the beginning of the following year.

Part-time Officers: The annual bonus, if any, to be paid to any part-time officer is paid by Majestic and its affiliates. Since the annual fee paid to Majestic is approved by the audit committee and the board of directors, the compensation committee is not involved in determining the bonuses paid to part-time officers.

TABLE OF CONTENTS

Long-term Equity and Long-term Equity Incentive Awards

We provide the opportunity for our full-time and part-time officers to receive long-term equity and long-term equity incentive awards. These compensation programs are designed to recognize responsibilities, reward performance, motivate future performance, align the interests of our officers with those of our stockholders and retain our officers. The compensation committee makes determinations with respect to the grant of equity awards for all our employees, including part-time officers and employees. In determining the long-term equity and long-term equity incentive compensation components, the compensation committee considers all factors it deems to be relevant, including our performance and individual performance and in making such determination with respect to our full-time named executive officers, it implemented the Compensation Determinations. Existing stock ownership levels are not a factor in award determinations. As of December 31, 2014, all outstanding equity awards were granted under either our stockholder approved 2009 Incentive Plan or 2012 Incentive Plan.

In 2010, we issued RSUs to ten individuals, including our named executive officers. Each RSU entitles the recipient to one share of common stock upon vesting. Assuming continued service, vesting occurs on June 30, 2017 if and to the extent pre-established market (*i.e.*, average total stockholder return) or performance (*i.e.*, average annual return on capital) conditions are met. See Outstanding Equity Awards at Fiscal Year End. Further, at least 50% of the shares that are issued pursuant to vested RSUs must be retained until 2020 and the shares may be subject to a clawback in the event of a restatement of our financial statements. We initiated the use of RSUs as an element of our long-term equity compensation program with the expectation that in light of the seven year vesting period and the need to satisfy market and/or financial performance conditions, these awards would further align the interests of our executive officers with our stockholders and reward long-term market and financial performance.

We do not have a formal policy with respect to whether equity compensation should be paid in the form of stock options, restricted stock or RSUs. We generally grant restricted stock awards which vest after five years of service and in 2010, granted RSUs that vest after seven years of service if, and to the extent, specified performance or market conditions are met. The compensation committee generally believes that restricted stock awards and RSUs are more effective than options in achieving our compensation objectives. Restricted stock has a greater retention value than options because of its five-year cliff vesting requirement and because before vesting, cash dividends are paid on all outstanding restricted stock as an additional element of compensation. RSUs provide an additional incentive component to equity based awards in that the units only vest if, and to the extent, performance or market conditions are satisfied. Restricted stock and RSUs align the interests of our officers with our stockholders and because fewer shares are normally awarded than in connection with the grant of options, they are potentially less dilutive.

Our equity compensation grants are made in January of each year in recognition of services provided for the prior year. We do not have a formal policy on timing these grants in connection with the release of material non-public information and in view of the five-year and seven-year cliff vesting requirements with respect to restricted stock awards and RSUs, respectively, we do not believe such a formal policy is necessary.

Our compensation committee has reviewed our compensation policies and practices to ascertain if the risks arising from such policies or practices are reasonably likely to have a materially adverse effect on us. The compensation committee concluded that while our compensation program takes into account our performance, the program does not encourage excessive or unnecessary risk-taking and our policies and practices achieve a balance between annual performance and long-term growth.

Executive Benefits and Perquisites

Full-time Officers: We provide our full-time officers with a competitive benefits and perquisites program. We recognize that similar benefits and perquisites are commonly provided at other companies with which we might

compete for talent. We review our benefits and perquisites program periodically to ensure it remains fair to our officers and employees. For 2014, the benefits and perquisites we provided to our officers were a small percentage of the compensation provided by us to them.

TABLE OF CONTENTS

Employment and Severance Agreements; Post-Employment Benefits; Change of Control

None of our named executive officers have employment or severance agreements with us. They are at will employees who serve at the pleasure of our board of directors.

We do not provide for any post-employment benefits to our named executive officers other than (i) their right to the vested portion of the defined contribution plan in which they participate and (ii) under the circumstances generally described below, the accelerated vesting of our restricted stock awards and RSUs.

Generally, in the event of death, disability (*i.e.*, the inability to engage in gainful activity due to a life threatening or long lasting mental or physical impairment) or retirement (*i.e.*, having reached the age of 65 and worked for us for at least ten consecutive years), such person's shares of restricted stock vest fully and a pro-rata portion of their RSUs will vest (giving effect to, among other things, the amount of time between the grant and the triggering event) if and to the extent the applicable performance or market conditions are met as of June 30, 2017. In addition, upon a change of control, the (i) shares of restricted stock vest fully and (ii) the RSUs vest fully if such change occurs after June 30, 2015 and, if such change occurs on or prior to June 30, 2015, a pro-rata portion vests (giving effect to, among other things, the amount of time between the grant and such event) in each case, without regard to satisfaction of market or performance conditions. Subject to the specific terms and conditions of the applicable plan and award agreement, a change of control is generally deemed to occur if, (i) any person becomes the beneficial owner of securities representing 25% or more of the combined voting power of our then outstanding securities, (ii) the completion of a business combination or sale of all or substantially all of our assets or (iii) there is a change in the composition of a majority of our board of directors, other than changes approved by incumbent directors.

We provide for the partial vesting of RSUs (subject to the satisfaction of performance or market conditions at June 30, 2017) and full vesting of restricted stock awards upon death and disability, because these events are completely outside of the control of our executives and in such circumstance, we believe that it would be unfair for our executives to forfeit the compensation and benefits that to which they otherwise would have been entitled. We provide for the partial vesting of RSUs (subject to the satisfaction of performance or market conditions at June 30, 2017) and full vesting of restricted stock awards upon retirement as we believe it runs contrary to the retention and reward of long-term equity and long term equity incentive awards to compel an executive to choose between retirement and the loss of all unvested awards. We differentiate between RSUs (*i.e.*, partial vesting) and restricted stock awards (*i.e.* full vesting) because of the additional incentive component of the RSUs.

We provide for accelerated vesting upon a change in control (on a single trigger basis) because, depending on the structure of the transaction, continuing such awards may unnecessarily complicate a potentially beneficial transaction. Among other things, it may not be possible to replace these awards with comparable awards of the acquiring company's stock and it would not be fair to our executives to lose the benefit of these awards. In addition, the acceleration of vesting aligns the interests of executives in a potential change in control transaction with those of our stockholders, by motivating them to work towards the completion of the transaction. Because in a change of control it may be impossible to determine whether the market or performance vesting conditions applicable to RSUs are met as of June 30, 2017, we have instead applied a service based measure allowing for partial vesting if the change of control occurs before July 1, 2015 and for full vesting if it occurs after such date.

Compensation of the Chairman and Vice Chairman of the Board

In 2014, we paid our chairman \$250,000 and our vice chairman \$100,000, and in 2015, we intend to pay our chairman \$262,500 and our vice chairman \$105,000 for serving in such capacities. These officers did not receive any additional direct compensation from us in 2014 other than restricted stock awards. For additional information regarding compensation of these officers, see [Executive Compensation—Summary Compensation Table](#) and [Certain Relationships](#)

and Related Transactions.

TABLE OF CONTENTS**Deductibility of Executive Compensation**

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility of certain compensation in excess of \$1 million earned by specified executive officers of publicly held companies. The compensation committee intends to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable. The compensation committee has not adopted a formal policy that requires all compensation paid to the officers to be fully deductible.

Analysis*Summary*

In accordance with the compensation setting process described above, the following base salaries, bonuses and equity awards were approved for our full-time named executive officers for 2014 and 2013:

Name	Base Salary			Cash Bonus			Equity Grants		
	2014 \$(1)	2013 \$(1)	% Change	2014 \$(2)	2013 \$(2)	% Change	2014 \$(2)(3)	2013 \$(2)(3)	% Change
Patrick J. Callan, Jr.	720,000	700,000	2.9	70,000	70,000	—	\$ 442,800	\$ 297,830	48.7
Lawrence G. Ricketts, Jr.	370,000	355,000	4.2	50,000	50,000	—	369,000	236,210	56.2

(1) Messrs. Callan's and Ricketts' base salaries for 2015, which were determined in November 2014, are \$742,000 and \$388,000, respectively.

(2) Reflects the bonuses and equity awards (*i.e.*, restricted stock awards) in recognition of performance for such year, which bonuses and awards are paid and granted, respectively, in the following year.

(3) Long term equity awards granted for 2014 performance increased as a component of total compensation from 24.6% in 2013 to 32% in 2014 for Mr. Callan and from 31.5% in 2013 to 40.8% in 2014 for Mr. Ricketts.

Base Salary and Bonus

The compensation committee concluded that the 2.9% and 4.2% increase in base salary for Messrs. Callan and Ricketts, respectively, for 2014 from 2013 was appropriate as a general cost of living increase and in light of the eleven properties acquired for an aggregate of \$107.5 million.

In determining cash bonuses for 2014, the compensation committee implemented the Compensation Determinations by considering the following performance criteria: our physical occupancy rate that was in excess of 98% for 2014, our adjusted funds from operations, and Messrs. Callan and Ricketts efforts with respect to: (i) the nine properties acquired in 2014 for an aggregate of approximately \$56.8 million, (ii) the sale of a property for an \$8.6 million gain, net of prepayment and other charges, (iii) the 14 mortgage financing and refinancing transactions completed in 2014 for gross proceeds of \$60.5 million, (iv) our positive performance from a financial and total stockholder return point of view, and (v) the overall management of our real estate portfolio. As a result, Messrs. Callan and Ricketts were awarded cash bonuses of \$70,000 and \$50,000, respectively, the same bonuses they were awarded for 2013.

Long-term Equity and Equity Incentive Awards

We believe that our long-term equity and equity incentive compensation programs, using restricted stock awards with five-year cliff vesting and RSUs with seven-year cliff vesting, is an appropriate incentive for our officers and is a

beneficial retention tool. We are mindful of the potential dilution and compensation cost associated with awarding shares of restricted stock and RSUs and, therefore our policy is to minimize dilution. In 2014, we awarded 118,500 shares of restricted stock with an aggregate grant date fair value of \$2.4 million—such shares represented 0.75% of our issued and outstanding shares at the grant date. In the five years ended December 31, 2014, we awarded an aggregate of (i) 488,140 restricted shares, representing an average of 0.71% per annum of our outstanding shares of common stock as of the respective grant dates and (ii) RSUs for 200,000 shares of common stock, representing 0.35 % of our outstanding shares of common stock as of the grant date. We believe the cumulative effect of the awards is not overly dilutive and has created significant incentives for our officers and employees.

TABLE OF CONTENTS

After reviewing the aggregate compensation received by our full-time named executive officers, our performance in 2014, and the performance and responsibilities of each named executive officer, and taking into account the compensation committee's desire to emphasize equity based awards as a more significant component of total compensation for our full-time named executive officers while at the same time minimizing stockholder dilution, we awarded in 2015, for 2014 performance, 18,000 shares and 15,000 of restricted stock to Messrs. Callan and Ricketts, respectively, representing an increase of 24% and 30%, respectively, from the equity awards they were granted in the prior year. In addition, we awarded 8,600 shares of restricted stock to each of David W. Kalish, Fredric H. Gould and Matthew J. Gould-the same awards they were granted in the prior year. All of such shares vest in full, assuming continued employment, in 2020, subject to accelerated vesting upon the occurrence of specified events.

We intend to continue to award restricted stock as we believe (i) restricted stock awards align management's interests and goals with stockholders' interests and goals and (ii) officers and employees are more desirous of participating in a restricted stock award program and, therefore, it is an excellent motivator and employee retention tool. We have not made any determination as to whether we will award any RSUs or stock options in the future.

Perquisites

The perquisites we provide to our full-time officers represent a small percentage of the compensation paid by us to these officers. We believe that such perquisites are competitive and appropriate.

Employment and Severance Agreements

We do not enter into employment agreements or severance agreements with any of our officers or employees as we believe such agreements are not beneficial to us, and that we can provide sufficient motivation to officers by using other types of compensation.

Post-Employment Benefit Programs

The following table sets forth the value (based on our stock price of \$23.67 per share as of December 31, 2014) of equity awards that would vest upon the occurrence of the specified events as of December 31, 2014:

Name	Upon Death or Disability(1)		Upon a Change of Control	
	Restricted Stock (\$)	RSUs \$(2)	Restricted Stock (\$)	RSUs (\$)
Patrick J. Callan, Jr.(3)	1,332,621	761,383	1,332,621	1,066,187
David W. Kalish	816,615	217,527	816,615	304,610
Lawrence G. Ricketts, Jr.(3)	1,076,985	609,107	1,076,985	852,950
Matthew J. Gould	816,615	217,542	816,615	304,631
Fredric H. Gould	816,615	217,542	816,615	304,631

(1) Because they have reached the age of 65 and have satisfied period of service requirements, only the RSUs (assuming satisfaction of performance and market conditions as of June 30, 2017) and restricted stock owned by Messrs. Kalish and Fredric H. Gould would vest upon their retirement as of December 31, 2014; the market value of such person's restricted stock awards and RSUs are reflected in the applicable column.

(2) Assumes that the maximum level of market and performance conditions would be achieved at June 30, 2017. See Outstanding Equity Awards at Fiscal Year End.

- (3) See Summary Compensation Table for information regarding the amount accumulated for this individual pursuant to our defined contribution plan.

TABLE OF CONTENTS

Equity Ownership Policy

We do not have any policy regarding specific stock ownership requirements for officers or directors. In view of the fact that our executive officers and directors as a group own approximately 3.78 million shares of common stock representing 23.1% of our outstanding shares, we do not believe there is a need to adopt a policy regarding ownership of shares of our common stock by our officers and directors.

TABLE OF CONTENTS**OUTSTANDING EQUITY AWARDS AT FISCAL YEAR END**

The following table provides information as of December 31, 2014 about the outstanding equity awards held by our named executive officers:

Name	Number of Shares or Units of Stock That Have Not Vested (#)(1)		Market Value of Shares or Units of Stock That Have Not Vested (\$)(2)		Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested (#)(3)(7)		Equity Incentive Plan Awards: Market or Payout Value of Unearned Shares, Units or Other Rights That Have Not Vested (\$)(2)(7)(8)	
Patrick J. Callan, Jr.	56,300	(4)	1,332,621		50,000		1,183,500	
David W. Kalish	34,500	(5)	816,615		14,285		338,126

Fredric H. Gould	34,500	(5)	816,615		14,286		338,150	

(1) Reflects the number of shares of restricted stock that have not vested.

(2) The market value represents the product of the closing price of our common stock as of December 31, 2014, which was \$23.67, multiplied by the number of shares subject to or underlying such award.

(3) Reflects the number of RSUs that have not vested.

(4) With respect to this individual, 8,400 shares vest in each of February 2015 and January 2016, 12,500 shares vest in each of January 2017 and 2018, and 14,500 shares vest in January 2019.

(5) With respect to this individual, 4,700 shares vest in February 2015, 5,200 shares vest in January 2016, 7,400 shares vest in January 2017, and 8,600 shares vest in each January 2018 and 2019.

(6) With respect to this individual, 7,000 shares vest in February 2015, 7,000 shares vest in January 2016, 10,000 shares vest in each of January 2017 and 2018 and 11,500 shares vest in January 2019.

Assumes that all of the RSUs vest. The underlying shares vest on June 30, 2017 if, and to the extent, the applicable market (*i.e.*, average total stockholder return) or performance (*i.e.*, average annual return on capital) conditions are satisfied. If the average of our annual total stockholder return (including dividends) on our common stock from July 1, 2010 through June 30, 2017 equals or exceeds 13%, 50% of such award and the underlying shares subject to such award vest and if it equals or is less than 10.25%, no shares vest. If the average of our annual total stockholder return is more than 10.25% and less than 13%, a pro rata portion of 50% of the underlying shares subject to such award vest. If our average annual return on capital (as explained below) from July 1, 2010 through June 30, 2017 exceeds 10%, 50% of the shares subject to such award vests and if it is equal to or less than 8%, no shares vest. If our average annual return on capital exceeds 8% but is less than 10%, a pro rata portion of 50% of the underlying shares subject to such award vest. Return on capital is based upon adjusted funds from operations (AFFO). AFFO means funds from operations determined in accordance with the National Association of Real Estate Investment Trusts definition, adjusted for straight-line rent accruals and amortization of lease intangibles. Capital is defined as stockholders' equity, plus depreciation and amortization, adjusted for intangibles.

(8) Assuming that the measurement and vesting dates were December 31, 2014 and giving effect to related adjustments, 50% of the RSUs (*i.e.*, RSUs that vest on the attainment at the highest level of average annual total

stockholder return) would have vested and the balance of the RSUs would have been forfeited. None of the named executive officers hold any stock options and none were granted to any of the named executive officers during the year.

Background

In 2014,

- Matthew J. Gould, Chairman of our Board of Directors, served as a Senior Vice President of BRT Realty Trust and as Chairman of the Board and Chief Executive Officer of the managing general partner of Gould Investors (which owns approximately 10.4% of our outstanding shares of common stock);
- Fredric H. Gould, Vice Chairman of our Board of Directors, served as a member of the Board of Trustees of BRT Realty Trust, a real estate investment trust listed on the New York Stock Exchange, as Chairman of the Board of Directors and sole stockholder of the managing general partner of Gould Investors, and as the sole member of a limited liability company which is also a general partner of Gould Investors; and
- Jeffrey A. Gould, a Director and Senior Vice President of our company, served as President and Chief Executive Officer of BRT Realty Trust and as a Senior Vice President and Director of the managing general partner of Gould Investors.

Matthew J. Gould and Jeffrey A. Gould are brothers and the sons of Fredric H. Gould. In addition, David W. Kalish, Mark H. Lundy, Simeon Brinberg, Israel Rosenzweig and Isaac Kalish, each of whom is an executive officer of our company, are officers of BRT Realty Trust and of the corporate managing general partner of Gould Investors. Mark H. Lundy is Simeon Brinberg's son-in-law and Isaac Kalish is David Kalish's son.

Related Party Transactions

Pursuant to the compensation and services agreement, we pay an annual fee to Majestic and Majestic provides to us the services of all affiliated executive, administrative, legal, accounting, clerical and property management personnel, as well as property acquisition, sale and lease consulting and brokerage services, consulting services in respect to mortgage financings and construction supervisory services. In accordance with the compensation and services agreement, we paid a fee of \$2.67 million to Majestic in 2014 (and will pay a fee of \$2.54 million in 2015) for the provision of these services. Majestic is wholly owned by the vice chairman of our board, and certain of our part-time officers, including our part-time named executive officers, are officers of, and receive compensation from, Majestic.

Pursuant to the compensation and services agreement we also paid Majestic \$186,000 in 2014 (and will pay \$186,000 in 2015) as reimbursement for our share of direct office expenses, including rent, telephone, postage, computer services, internet usage and supplies. In 2014, our part-time officers and employees occupy space in an office building that as of December 31, 2014, was owned by a subsidiary of Gould Investors. The rent expense for this space is included in the \$186,000 expenditure.

In addition to its share of rent included in the \$186,000 payment to Majestic, we lease, through December 31, 2016 an additional 3,130 square feet in the same building, and in 2014, paid a subsidiary of Gould Investors rent of \$42,000. We believe that this is a competitive rent for comparable office space in the area in which the building is located.

The amount paid by us to Majestic in 2014 pursuant to the compensation and services agreement represented approximately 53.9% of Majestic's revenues in such year. In 2014, the following officers of ours (some of whom are also officers of Majestic and other affiliated companies) received the following compensation from Majestic: Matthew J. Gould, \$144,492; David W. Kalish, \$79,440; Jeffrey A. Gould, \$144,492; Simeon Brinberg, \$5,042; Mark H. Lundy, \$103,272; Israel Rosenzweig, \$34,072 and Isaac Kalish, \$9,190. A portion of the compensation received by these individuals from Majestic results from services performed and fees earned by Majestic from entities (both affiliated and non-affiliated) other than us. These individuals also received compensation in 2014 from our affiliates, including BRT Realty Trust and Gould Investors, as well as other entities wholly owned by Fredric H. Gould, none of

which provided services to us in 2014.

TABLE OF CONTENTS

We obtain our property insurance in conjunction with Gould Investors and its affiliates and in 2014, we reimbursed Gould \$400,000 for our proportionate share of the insurance premiums. We believe that we secure more favorable rates by obtaining property insurance on such basis.

During 2014, we sold to Gould Investors, 37,081 shares of BRT Realty Trust, a related party, for proceeds of \$266,000 (based on the average of the closing prices for the 30 days preceding the sale).

During 2014, \$1,045,000 of non-cash compensation expense (relating to the restricted stock and RSUs held by our part-time executive officers and employees who are also compensated by Majestic or its affiliates), was charged to our operations. See Executive Compensation-Compensation Discussion and Analysis-Background .

Policies and Procedures

Any transaction with affiliated entities raises the potential that we may not receive terms as favorable as those that we would receive if the transactions were entered into with unaffiliated entities or that our officers might otherwise seek benefits for affiliated entities at our expense. Our code of business conduct and ethics contains specific requirements with respect to the approval of these transactions. Generally, a contract or transaction with an affiliated entity must be approved by our audit committee and a majority of our independent directors after consideration of all relevant factors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our executive officers and directors, and persons who beneficially own more than 10% of our issued and outstanding capital stock, file certain reports with the Securities and Exchange Commission. Executive officers, directors and greater than 10% beneficial owners are required by the rules and regulations promulgated by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based on a review of information supplied to us by our executive officers and directors, and public filings made by any 10% beneficial owners, we believe that in 2014 all Section 16(a) filing requirements applicable to our executive officers, directors and 10% beneficial owners were met on a timely basis.
