**Item 2.02. Results of Operations and Financial Condition.**

On January 26, 2016, New Residential Investment Corp. (the “Company”) issued a press release announcing certain of the Company’s preliminary results for its fiscal quarter and year ended December 31, 2015. A copy of the Company’s press release is attached to this Current Report on Form 8-K (the “Current Report”) as Exhibit 99.1 and is incorporated herein solely for purposes of this Item 2.02 disclosure.

The Company has provided ranges, rather than specific amounts, for the preliminary results described above and included in the attached press release primarily because its financial closing procedures for the quarter and full year ended December 31, 2015 are not yet complete. As a result, the Company’s actual results may differ from the preliminary estimates, and such differences may be material. These estimates were prepared by, and are solely the responsibility of, the Company’s management, based upon a number of assumptions. Additional items that may require material adjustments to the preliminary financial information may be identified prior to the finalization of the Company’s fourth quarter and full year 2015 results. Estimates of results are inherently uncertain and subject to change, and the Company undertakes no obligation to update this information prior to the regular announcement of its earnings. Ernst & Young LLP has not audited, reviewed, compiled or performed any procedures with respect to the preliminary results.

This Current Report, including the exhibit attached hereto, is being furnished and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any of the Company’s filings under the Securities Act of 1933, as amended, or the Exchange Act, unless expressly set forth as being incorporated by reference into such filing.
