PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS

April 28, 2016

GENERAL INFORMATION

Why am I receiving these materials?

Ladder Capital Corp (“Ladder” or the “Company”) has made these materials available to you on the Internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the Company’s solicitation of proxies for use at the 2016 annual meeting of stockholders (the “Annual Meeting”) to be held virtually on June 7, 2016 at 10:00 a.m., Eastern Time, and at any postponement(s) or adjournment(s) thereof. The Annual Meeting will be conducted via a live webcast on the Internet at www.virtualshareholdermeeting.com/LADR2016.

We are providing you this proxy statement (the “Proxy Statement”) and the enclosed proxy card or notice of Internet availability of proxy materials (the “Notice”) because the Company’s Board of Directors (the “Board”) is soliciting your proxy to vote at the Annual Meeting. You are invited to attend the Annual Meeting via the Internet to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. Instead, you may complete, sign and return the enclosed proxy card or follow the instructions below to submit your proxy over the Internet, by phone or by mail, if you requested printed copies of the proxy materials.

We are first distributing this proxy statement on or about April 28, 2016 to all stockholders of record entitled to vote at the Annual Meeting.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), the Company uses the Internet as the primary means of furnishing proxy materials to stockholders. Accordingly, the Company is sending the Notice to its stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meeting and the cost to the Company associated with the physical printing and mailing of materials.

What is included in these proxy materials?

These proxy materials include:

- The Notice of 2016 Annual Meeting of Stockholders;
- This Proxy Statement for the 2016 Annual Meeting; and

Edgar Filing: Ladder Capital Corp - Form DEF 14A

The Company's Annual Report on Form 10-K for the year ended December 31, 2015, as filed with the SEC on March 4, 2016 (the "Annual Report").

If you requested printed versions by mail, these proxy materials also include the proxy card or voting instruction form for the Annual Meeting.

Table of Contents

What matters will be voted on at the Annual Meeting?

The Company is aware of two matters to be voted on by stockholders of record at the Annual Meeting:

1. Reelection to the Board of the two nominees named in this Proxy Statement (“Proposal One”); and
2. Ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for 2016 (“Proposal Two”).

With respect to the election of directors, stockholders present in person or represented by proxy and entitled to vote may vote “For” both nominees for the Board or may “Withhold” authority to vote for one or both nominees identified in Proposal One. Stockholders present in person or represented by proxy and entitled to vote may vote either “For” or “Against” or may choose to abstain from voting on Proposal Two.

Will any other business be conducted at the meeting?

Other than the proposals referred to in this Proxy Statement, the Company knows of no other matters to be submitted for a vote of the stockholders at the Annual Meeting. If any other matters properly come before the stockholders at the Annual Meeting, it is the intention of the persons named on the proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

What are the Board’s voting recommendations?

The Board recommends that you vote your shares:

•“FOR” Proposal One, the reelection to the Board of each of the two nominees named in this Proxy Statement;

•“FOR” Proposal Two, the ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for 2016.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How can I obtain an additional copy of the proxy materials?

The Company has adopted an SEC-approved procedure called “householding.” Under this procedure, the Company may deliver a single copy of the Notice and, if applicable, this Proxy Statement and the Annual Report to multiple stockholders who share the same address unless the Company has received contrary instructions from one or more of the stockholders. This procedure reduces the environmental impact of the Company’s annual meetings and reduces the Company’s printing and mailing costs. Stockholders who participate in householding will continue to receive separate proxy cards. Upon written or oral request, the Company will deliver promptly a separate copy of the Notice and, if applicable, this Proxy Statement and the Annual Report to any stockholder at a shared address to which the Company delivered a single copy of any of these documents.

To receive free of charge a separate copy of the Notice and, if applicable, this Proxy Statement or the Annual Report, or separate copies of any future notice, proxy statement or annual report, stockholders may write or call the Company at the following: Investor Relations, Ladder Capital Corp, 345 Park Avenue, 8th Floor, New York, NY 10154, (917) 369-3207.

If you are receiving more than one copy of the proxy materials at a single address and would like to participate in householding, please contact the Company using the mailing address and phone number above. Stockholders who

hold shares in “street name” (as described below) may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

Table of Contents

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to use the Internet to:

- View the Company's proxy materials for the Annual Meeting; and
- Instruct the Company to send future proxy materials to you by email.

The Company's proxy materials are also available at ir.laddercapital.com. This website address is included for reference only. The information contained on the Company's website is not incorporated by reference into this Proxy Statement.

Choosing to receive future proxy materials by email will reduce the impact of the Company's annual meetings on the environment and will save the Company the cost of printing and mailing documents to you. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Who may vote at the Annual Meeting?

Holders of record of our Class A common stock and Class B common stock at the close of business on April 11, 2016 (the "Record Date") are entitled to receive notice of, to attend and to vote in person via webcast at the Annual Meeting as set forth below. As of the Record Date, there were 64,237,833 shares of Class A common stock outstanding and 46,445,729 shares of Class B common stock outstanding.

Proposal One. Each share of Class A common stock and Class B common stock will entitle the holder thereof to one vote for each director nominee named in this Proxy Statement. The reelection of each director will require the affirmative vote of holders of a plurality of our outstanding shares of Class A and Class B common stock present in person via webcast or represented by proxy at the Annual Meeting. The holders of Class A common stock and Class B common stock will vote together on Proposal One as a single class.

Proposal Two. Each share of Class A common stock and Class B common stock will entitle the holder thereof to one vote on Proposal Two (the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2015). Approval of Proposal Two will require the affirmative vote of holders of a majority of votes cast by shares of Class A and Class B common stock present in person via webcast or represented by proxy at the Annual Meeting. The holders of Class A common stock and Class B common stock will vote together on Proposal Two as a single class.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

If, on the Record Date, your shares were registered directly in your name with Ladder's transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may cast your vote at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

If, on the Record Date, your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record

for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

Table of Contents

If I am a stockholder of record, how do I vote?

If you are a stockholder of record, you may vote:

• Via the Internet. You may vote by proxy via the Internet by following the instructions provided in the Notice.

• By Telephone. If you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card.

If I am a beneficial owner of shares held in street name, how do I vote?

If you are a beneficial owner of shares held in street name, you may vote:

• Via the Internet. You may vote by proxy via the Internet by visiting www.proxyvote.com and entering the control number found in your Notice. The availability of Internet voting may depend on the voting process of the organization that holds your shares.

• By Telephone. If you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the voting instruction form. The availability of telephone voting may depend on the voting process of the organization that holds your shares.

• At the Virtual Annual Meeting. You may also vote at the Annual Meeting if you obtain a “legal proxy” from the organization that holds your shares. A legal proxy is a written document that will authorize you to vote your shares held in street name at the Annual Meeting. Please contact the organization that holds your shares for instructions regarding obtaining a legal proxy.

What do I need to attend the Annual Meeting?

We will host the Annual Meeting via a live webcast on the Internet at www.virtualshareholdermeeting.com/LADR2016. You will not be able to attend the Annual Meeting in person. Table of Contents

If I am unable to attend the Annual Meeting on the Internet, can I listen to the Annual Meeting by telephone?

Yes. If you are unable to access the Annual Meeting on the Internet, you may call 1-877-328-2502 to listen to the Annual Meeting. You will be prompted to provide your control number. Although stockholders accessing the Annual Meeting by telephone will be able to listen to the Annual Meeting and may ask questions during the Annual Meeting, you will not be considered present at the Annual Meeting and will not be able to vote unless you also attend the Annual Meeting via the Internet. If you plan to listen to the Annual Meeting by telephone, we encourage you to submit your completed proxy card so your votes may be counted.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority in voting power of our outstanding Class A common stock and Class B common stock entitled to vote at the Annual Meeting are present at the meeting or represented by proxy. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, we may adjourn the meeting to another date to solicit additional proxies.

How are proxies voted?

All shares represented by valid proxies received prior to the taking of the vote at the Annual Meeting will be voted and, where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the stockholder's instructions.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

Indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board; or

Sign and return a proxy card without giving specific voting instructions,

then the persons named as proxy holders, Marc Fox and Kelly Porcella, will vote your shares in the manner recommended by the Board on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on "routine" matters but cannot vote on "non-routine" matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

Broker non-votes and abstentions will, however, be counted towards determining whether or not a quorum is present.

Which proposals are considered "routine" or "non-routine"?

The ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2016 (Proposal Two) is considered a routine matter under applicable rules. A broker or other

nominee may generally vote on routine matters, and therefore no broker non-votes are expected in connection with Proposal Two.

The reelection of two directors (Proposal One) is considered a non-routine matter under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposal One.

Table of Contents

How many votes are needed to approve each proposal?

Proposal One. To be approved, the Company's amended and restated certificate of incorporation provides that the election of each director requires the affirmative vote of a plurality of the votes cast by the holders of shares of Class A and Class B common stock present in person via webcast or represented by proxy and entitled to vote at the Annual Meeting.

Proposal Two. To be approved, Proposal Two (the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm) requires the affirmative vote of a majority of votes cast by the holders of shares of Class A and Class B common stock present in person via webcast or represented by proxy and entitled to vote at the Annual Meeting.

How are broker non-votes and abstentions treated?

Broker non-votes and abstentions are counted as present and entitled to vote for purposes of determining whether a quorum is present. However, broker non-votes, abstentions and votes withheld are not considered votes cast and therefore will have no effect on the outcome of Proposal One or Proposal Two, as applicable.

In order to minimize the number of broker non-votes, the Company encourages you to vote or to provide voting instructions with respect to each proposal to the organization that holds your shares by carefully following the instructions provided in the Notice or voting instruction form.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

You may revoke your proxy and change your vote at any time before the taking of the vote at the Annual Meeting. Prior to the applicable cutoff time, you may change your vote using the Internet or telephone methods described above, in which case only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted. You may also revoke your proxy and change your vote by signing and returning a new proxy card or voting instruction form dated as of a later date, or by attending the Annual Meeting and voting in person via webcast. However, your attendance at the Annual Meeting in person via webcast will not automatically revoke your proxy unless you properly vote at the Annual Meeting in person via webcast or specifically request that your prior proxy be revoked by delivering a written notice of revocation to the Company's Secretary at Ladder Capital Corp, 345 Park Avenue, 8th Floor, New York, NY 10154 prior to the Annual Meeting.

Who will serve as the inspector of election?

A representative from Broadridge Financial Solutions, Inc. ("Broadridge") will serve as the inspector of election.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except:

As necessary to meet applicable legal requirements;

•To allow for the tabulation and certification of votes; and

•To facilitate a successful proxy solicitation.

Occasionally, stockholders provide written comments on their proxy cards, which may be forwarded to the Company's management and the Board.

Table of Contents

How will our directors and officers vote on the proposals?

The directors and executive officers of Ladder have informed Ladder that, as of the date of the filing of this proxy statement, they intend to vote all shares of Class A and Class B common stock owned by them “For” Proposal One and Proposal Two. As of the Record Date, the directors and executive officers owned, in the aggregate, 2,636,882 shares of Class A common stock and 10,402,209 shares of Class B common stock entitled to vote at the Annual Meeting.

Who is paying for this proxy solicitation?

The Company will pay the entire cost of soliciting proxies. We have engaged Broadridge to assist with the preparation and distribution of the proxy solicitation materials for the Annual Meeting, act as vote tabulator and host the virtual meeting, at a base fee of \$7,000 plus reimbursement of reasonable expenses. The Company may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Our directors and employees also may solicit proxies in person, by telephone or by other means of communication. However, they will not receive any compensation for soliciting proxies.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results are expected to be published on a Current Report on Form 8-K filed within four business days after the Annual Meeting.

Where are the Company’s principal executive offices located, and what is the Company’s main telephone number?

The Company’s principal executive offices are located at 345 Park Avenue, 8th Floor, New York, NY 10154, and the Company’s main telephone number is (212) 715-3170.

Whom may I contact with questions?

If you have any questions or require any assistance with voting your shares, please contact your broker or similar agent, or the Company at (212) 715-3170.

What is the deadline to propose actions for consideration or to nominate individuals to serve as directors at the 2017 annual meeting of stockholders?

Notice of any proposal that a stockholder intends to present at the 2017 annual meeting of stockholders, as well as any director nominations, must be delivered to the Company’s Secretary by mail at 345 Park Avenue, 8th Floor, New York, NY 10154, or by email at investor.relations@laddercapital.com, not earlier than February 7, 2017, and not later than the close of business on March 9, 2017. The notice must be submitted by a stockholder of record and must set forth the information required by the Company’s Amended and Restated Bylaws with respect to each director nomination or other proposal that the stockholder intends to present at the 2017 annual meeting of stockholders.

To be considered for inclusion in the Company’s proxy statement, all proposals must be submitted in writing to the Company’s Secretary so that they are received no later than December 29, 2016. All proposals must comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which lists the requirements for the inclusion of stockholder proposals in company-sponsored proxy materials. If you are a beneficial owner of shares held in street name, you can contact the organization that holds your shares for information about how to register your shares directly in your name as a stockholder of record.

Corporate Governance

The Board. The Board consists of six directors and one vacancy. The authorized number of directors may be changed by resolution of the Board. Vacancies on our Board can be filled by resolution of our Board. The Board is divided into three classes, each serving staggered, three-year terms:

- our Class I directors are Messrs. Park and Durst;
- our Class II directors are Messrs. Fishman and Bilzin; and
- our Class III directors are Messrs. Harris and Alexander.

As a result, only one class of directors will be elected at each annual meeting of stockholders, with the other classes continuing for the remainder of their respective terms.

The Board met a total of eight times during 2015. All directors are encouraged to attend the Annual Meeting, via webcast or in person. Messrs. Harris and Fishman attended our 2015 Annual Meeting in person.

Board Independence. The Board has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment, and affiliations, the Board has determined

that Messrs. Fishman, Park, Bilzin, Alexander and Durst do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the applicable rules and regulations of the SEC and the listing standards of the New York Stock Exchange (“NYSE”). In making these determinations, the Board considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled “Certain Relationships and Related Party Transactions.” Our Non-Executive Chairman presides at the regularly scheduled executive sessions of these independent directors of the Board.

There are no family relationships among the Company’s executive officers and directors.

Board Committees. The Board has a standing Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Risk and Underwriting Committee. The Board has determined that all committee members, excluding Brian Harris, the Company's Chief Executive Officer, on the Risk and Underwriting Committee, are independent under applicable NYSE and SEC rules for committee memberships.

The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee operate under written charters adopted by the Board. These charters and the Company's Corporate Governance Guidelines are available at ir.laddercapital.com. The information on our website is not intended to form a part of or be incorporated by reference into this Proxy Statement.

Audit Committee. The Audit Committee provides assistance to the Board in fulfilling its legal and fiduciary obligations in matters involving our accounting, auditing, financial reporting, internal control and legal compliance functions by approving the services performed by our independent registered public accounting firm and reviewing their reports regarding our accounting practices and systems of internal accounting controls. The Audit Committee also oversees the audit efforts of our independent registered public accounting firm and takes those actions as it deems necessary to satisfy itself that the independent registered public accounting firm is independent of management. Our Audit Committee is currently comprised of Messrs. Fishman (Chair), Bilzin and Alexander. We believe that Mr. Fishman meets the SEC's definition of Audit Committee Financial Expert and that all members of our Audit Committee meet the requirements for independence and financial literacy under the applicable requirements of the SEC and NYSE rules. The Audit Committee met a total of nine times during 2015. The Audit Committee also prepared the Audit Committee Report included in this Proxy Statement.

Compensation Committee. Among other responsibilities set forth in its charter, the Compensation Committee determines our general compensation policies and the compensation provided to our directors, our Chief Executive Officer, other officers and employees. The Compensation Committee reviews and determines equity-based compensation for our directors, officers and employees and also administers our equity incentive plans. Our Compensation Committee also oversees our corporate compensation programs. Under its charter, the Compensation Committee has the authority to retain outside legal, accounting or other consultants or experts, including compensation consultants, as it deems necessary in the performance of its duties and without having to seek approval of the Board. For additional information, please see "Executive Compensation—Setting Executive Compensation" below.

Our Compensation Committee is currently comprised of Messrs. Fishman, Bilzin (Chair) and Park. We believe that all members of our Compensation Committee meet the criteria for independence under the applicable requirements of the NYSE and SEC rules. All members also are considered “non-employee” directors, as defined by Rule 16b-3 under the Exchange Act, and “outside” directors, as defined by Section 162(m) of the Internal Revenue Code. The Compensation Committee met a total of four times during 2015. Pursuant to its charter, the Compensation Committee may form one or more subcommittees, each of which may take such actions as may be delegated by the Committee.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee is currently comprised of Messrs. Alexander (Chair) and Durst. The Nominating and Corporate Governance Committee met a total of four times during 2015. After the end of the fiscal year, the Nominating and Corporate Governance Committee recommended to the full Board each of the nominees named in this Proxy Statement for reelection to the Board. The Nominating and Corporate Governance Committee is composed entirely of directors who satisfy NYSE director independence standards. As further discussed below, the Nominating and Corporate Governance Committee is responsible for making recommendations to the Board regarding candidates for directorships and the size and composition of the Board and its committees. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to the Board concerning corporate governance matters.

Ladder has adopted Corporate Governance Guidelines, available at ir.laddercapital.com, that describe the Company's criteria for Board members and the director nominating process, summarized herein. The Nominating and Corporate Governance Committee is responsible for screening and recommending to the Board nominees for election as directors of the Company, including nominees recommended by stockholders of the Company. When formulating its Board membership recommendations, the Nominating and Corporate Governance Committee considers advice and recommendations from stockholders, management, and others as it deems appropriate, and will also take into account the performance of incumbent directors in determining whether to recommend them to stand for reelection at the annual meeting of stockholders.

The Company seeks to align Board composition with the Company's strategic direction so that Board members bring skills, experience and backgrounds that are relevant to the key strategic and operational issues that they will oversee and approve. Director candidates are typically selected based on their integrity and character, sound, independent judgment, track record of accomplishment in leadership roles, as well as their professional and corporate expertise, skills and experience. Criteria that are typically considered by the Board in the selection of directors include:

- the independence, judgment, strength of character, reputation in the business community, ethics and integrity of the individual;
- the business or other relevant experience, skills and knowledge that the individual may have that will enable him/her to provide effective oversight of the Company's business;
- the fit of the individual's skill set and personality with those of the other Board members so as to build a Board that works together effectively and constructively; and
- the individual's ability to devote sufficient time to carry out his or her responsibilities as a director in light of his/her occupation and the number of boards of directors of other public companies on which he or she serves.

Following the completion of interviews (including, as appropriate, with other Board members, the CEO and other members of management) and reference checks of identified candidates, the Nominating and Corporate Governance Committee meets in person or by conference call to discuss and make recommendations to the Board with respect to the candidates. The full Board then votes on the committee's recommendations. A candidate approved by a majority of the Board is nominated for election by the Company's stockholders at the next annual meeting, or in the case of a vacancy between annual meetings, is appointed by the Board.

Risk and Underwriting Committee. The Board also has a Risk and Underwriting Committee, composed of Messrs. Fishman (Chair), Bilzin, Park and Harris. The committee reviews our internal risk reports and evaluates risk management strategies. In addition, it reviews and approves (i) fixed rate loans greater than \$50 million, (ii) floating rate and mezzanine loans greater than \$20 million, (iii) real estate equity investments greater than \$5 million, (iv) AAA rated securities positions greater than \$50 million and (v) all other securities positions greater than \$26 million. This committee endeavors to meet at least quarterly or more frequently as needed depending on the transaction

requirements.

Board Oversight of Risk Management. One of the key functions of the Board is informed oversight of our risk management process. The Board administers this oversight function directly through the Board as a whole, as well as through various standing committees of the Board that address risks inherent in their respective areas of oversight. In particular, the Board is responsible for monitoring and assessing strategic risk exposure, and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also has the responsibility to review with management the process by which risk assessment and management is undertaken, monitor compliance with legal and regulatory requirements, and review with our independent auditors the adequacy and effectiveness of our internal controls over financial reporting. Our Nominating and Corporate Governance Committee is responsible for periodically evaluating the Company's corporate governance policies and system in light of the governance risks that the Company faces and the adequacy of the Company's policies and procedures designed to address such risks. The Compensation Committee assesses and monitors whether any of our compensation policies and programs are reasonably likely to have a material adverse effect on the Company. Our Risk and Underwriting Committee assesses and monitors our risk management strategies, including but not limited to those designed to mitigate credit, interest rate, liquidity and counterparty risk, and investments of material size as described above.

Codes of Business Conduct and Ethics. Our Board has adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, as well as a code of ethics for senior financial officers. The full text of both codes is available on our website at ir.laddercapital.com. We intend to disclose future amendments to certain provisions of our code of business conduct, or waivers of certain provisions as they relate to our directors and executive officers, at the same location on our website or otherwise as required by applicable law. The information on our website is not intended to form a part of or be incorporated by reference into this Proxy Statement.

Section 16(a) Beneficial Ownership Reporting Compliance. SEC rules also require the Reporting Persons to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of such forms furnished to the Company and upon written representations from the Reporting Persons, the Company believes that all Section 16(a) filing requirements applicable to the Company's directors and officers were timely met during 2015.

Communications with the Board. Any matter intended for the Board, for any of its committees, or for any individual member or members of the Board, should be directed to the Company's Secretary at 345 Park Avenue, 8th Floor, New York, New York 10154, with a request to forward the communication to the intended recipient or recipients. In general, any stockholder communication delivered to the Company for forwarding to the Board or specified Board committee or members will be forwarded in accordance with the stockholder's instructions. CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Ladder's structure incorporates significant ownership by pre-IPO limited partners who have the ability to exchange an equal number of LCFH partnership units and shares of Class B common stock for shares of Class A common stock of Ladder on a one-for-one basis. The agreements described below are intended to help facilitate such exchanges.

Third Amended and Restated Limited Liability Limited Partnership Agreement of LCFH

Following the IPO and the related transactions, Ladder held limited partnership units in our operating partnership, LCFH, and, pursuant to the Third Amended and Restated Limited Liability Limited Partnership Agreement of LCFH, as amended (the "LLLP Agreement"), Ladder is the General Partner of LCFH. Accordingly, Ladder operates and controls all of the business and affairs of LCFH and, through LCFH and its operating entity subsidiaries, conducts our business.

On December 15, 2014, the Board unanimously approved a plan to realign our business operations to qualify as a real estate investment trust (a "REIT") for U.S. federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), commencing with the 2015 tax year (the "REIT Election").

In order to implement the proposed REIT Election, we, LCFH and a majority of existing limited partners of LCFH entered into the LLLP Agreement effective as of December 31, 2014, pursuant to which, among other things, (i) all assets and liabilities of LCFH were allocated on our books and records to two series of LCFH, consisting of "Series REIT" and "Series TRS" (collectively, the "Series"), (ii) each outstanding limited partnership interest in LCFH was converted into one limited partnership unit of Series REIT (a "Series REIT LP Unit") and one limited partnership unit of Series TRS (a "Series TRS LP Unit", and collectively with a Series REIT LP Unit, the "Series Units"), (iii) outstanding Series TRS LP Units became exchangeable for the same number of limited liability company interests ("TRS Shares") of LC TRS I LLC ("TRS I"), a newly-formed limited liability company that is a U.S. taxable REIT subsidiary of the Company and the general partner of Series TRS, and (iv) in order to effect the exchange of Series Units for shares of Class A common stock of the Company on a one-for-one basis, holders are required to surrender (a) one share of the Company's Class B common stock, (b) one Series REIT LP Unit, and (c) either one Series TRS LP Unit or one TRS Share; and (v) upon effectiveness of the Second Amended and Restated Certificate of Incorporation of Ladder following approval by our stockholders at a special meeting of stockholders held on February 26, 2015, the transfer restrictions in the LLLP Agreement as in effect immediately prior to December 31, 2014 became effective on the Series TRS LP Units and Series REIT Units.

Under the LLLP Agreement, Ladder is the general partner of Series REIT and, accordingly, has the right to appoint the Series Board of Directors of Series REIT and, through Ladder's indirect ownership of a majority of the outstanding TRS Shares, has the right to appoint the Series Board of Directors of Series TRS (together with the Series Board of Directors of Series REIT, the "Series Boards"). Each Series Board has the right to determine when distributions will be made to Series Units of such Series and the amount of any such distributions. If a distribution is authorized by a Series, such distribution will be made to the holders of Series Units of such Series pro rata in accordance with the percentages of their respective Series Units; provided that 100% of all distributions made by Series REIT in respect of cash or other assets derived from distributions received by Series REIT from TRS I will be distributed only to Ladder.

The unitholders of each Series, including Ladder and TRS I, incur U.S. federal, state and local income taxes on their proportionate share of any taxable income of the respective Series. Net profits and net losses of each Series are generally allocated to their respective unitholders (including Ladder and TRS I) pro rata in accordance with their respective share of the net profits and net losses of the respective Series; provided that all profits and losses of Series REIT attributable to profits and losses of TRS I will be allocated one hundred percent to Ladder. The LLLP Agreement provides for cash distributions, which we refer to as "tax distributions," to the holders of the Series Units if

Ladder, as the General Partner of LCFH and Series REIT, or TRS I, as the General Partner of Series TRS, determines that the taxable income of the relevant unitholder will give rise to taxable income for such holder. Generally, these tax distributions will be computed based on our estimate of the taxable income of the relevant Series allocable to a holder of Series Units multiplied by an assumed tax rate equal to the highest effective marginal combined U.S. federal, state and local income tax rate prescribed for an individual or corporate resident in New York, New York (taking into account the nondeductibility of certain expenses and the character of our income). Tax distributions will be made by a Series only to the extent all distributions from such Series for the relevant year were insufficient to cover such tax liabilities. Any distributions will be subject to available cash and applicable law and contractual restrictions (including pursuant to our debt instruments).

Table of Contents

The LLLP Agreement also provides that Brian Harris has the right to be a member of the Series Board of Series REIT and the Series Board of Series TRS so long as he is Chief Executive Officer of Series REIT and Series TRS, respectively.

Registration Rights Agreement

We entered into an amended and restated registration rights agreement pursuant to which we may be required to register the sale of shares of our Class A common stock held by certain of our existing investors and/or our Class A common stock that may be issued to certain Continuing LCFH Limited Partners upon exchange of Series Units held by them. The registration rights agreement also requires us to make available and keep effective shelf registration statements permitting sales of shares into the market from time to time over an extended period. In addition, certain of our existing investors and certain Continuing LCFH Limited Partners will have the ability to exercise certain piggyback registration rights in connection with registered offerings requested by any of such holders or initiated by us. On January 28, 2015, we amended certain provisions of the registration rights agreement relating to Demand Registrations and Piggyback Registrations (each as defined therein) and procedures relating to cutbacks.

Amended and Restated Tax Receivable Agreement

The Continuing LCFH Limited Partners may from time to time (subject to the terms of the LLLP Agreement regarding exchange rights) cause LCFH to exchange an equal number of Series Units and shares of Class B common stock for shares of Class A common stock of Ladder on a one-for-one basis. LCFH (and each of its subsidiaries classified as a partnership for federal income tax purposes) intends to make an election under Section 754 of the Code effective for the taxable year in which the initial purchase occurs and each subsequent taxable year in which an exchange of Series Units and shares of Class B common stock for shares of Class A common stock occurs; LCFH made such an election for the year ended December 31, 2015. The exchanges of Series Units and shares of Class B common stock for shares of Class A common stock may result, with respect to Ladder, in increases in the tax basis of the assets of LCFH that otherwise would not have been available. These increases in tax basis may reduce the amount of tax that Ladder would otherwise be required to pay in the future. These increases in tax basis may also decrease gains (or increase losses) on future dispositions of certain assets to the extent tax basis is allocated to those assets.

On December 31, 2014, in connection with the REIT Election, Ladder entered into the Amended and Restated Tax Receivable Agreement (the "Tax Receivable Agreement") with LCFH, Series TRS, TRS I and each of the Continuing LCFH Limited Partners, which amended and restated the prior tax receivable agreement to provide that, in lieu of the existing tax benefit payments under the prior tax receivable agreement for the 2015 taxable year and beyond, TRS I will pay to the Continuing LCFH Limited Partners 85% of the amount of the benefits, if any, that TRS I realizes or under certain circumstances (such as a change in control) is deemed to realize as a result of (i) the increases in tax basis resulting from the exchange of Series TRS LP Units for an equal number of TRS Shares by the Continuing LCFH Limited Partners, (ii) any incremental tax basis adjustments attributable to payments made pursuant to the TRA Amendment, and (iii) any deemed interest deductions arising from payments made by TRS I under the TRA Amendment. Ladder will no longer be directly obliged to make any payments under the TRA Amendment, save those for taxable year 2014. However, subject to certain limitations as set forth in the Tax Receivable Agreement as to the maintenance of its REIT status, Ladder will guarantee the obligations of TRS I thereunder. The Tax Receivable Agreement was approved by our stockholders at a special meeting of stockholders in February 2015. For purposes of the Tax Receivable Agreement, subject to certain exceptions noted below, the benefit deemed realized by TRS I generally will be computed by comparing the actual income tax liability of TRS I (calculated with certain assumptions) to the amount of such taxes that TRS I would have been required to pay had there been no increase to the tax basis of the assets of LCFH as a result of the purchases or exchanges of Series TRS LP Units and had TRS I not derived any tax benefits in respect of payments made under the Tax Receivable Agreement. The term of the Tax Receivable Agreement will continue until all such tax benefits have been utilized or expired, unless TRS I exercises

its right to terminate the Tax Receivable Agreement for an amount based on the present value of the agreed payments remaining to be made under the agreement. Estimating the amount of payments that may be made under the Tax Receivable Agreement is by its nature imprecise, insofar as the calculation of amounts payable depends on a variety of factors. The actual increase in tax basis, as well as the amount and timing of any payments under the Tax Receivable Agreement, will vary depending upon a number of factors, including:

the timing of any subsequent exchanges of Series TRS LP Units—for instance, the increase in any tax deductions will vary depending on the fair value, which may fluctuate over time, of the depreciable or amortizable assets of LCFH at the time of each exchange;

Table of Contents

- the price of shares of our Class A common stock at or around the time of the exchange—the increase in any tax deductions, as well as the tax basis increase in other assets, of LCFH is affected by the price of shares of our Class A common stock at the time of the exchange;

the extent to which such exchanges are taxable—if an exchange is not taxable for any reason, increased deductions will not be available;

the amount and timing of our income—TRS I generally will be required to pay 85% of the deemed benefits as and when deemed realized; and

the allocation of basis increases among the assets of LCFH and certain tax elections affecting depreciation.

If TRS I does not have taxable income, TRS I generally is not required (absent circumstances requiring an early termination payment) to make payments under the Tax Receivable Agreement for that taxable year because no benefit actually will have been realized. Nevertheless, any tax benefits that do not result in realized benefits in a given tax year likely will generate tax attributes that may be utilized to generate benefits in previous or future tax years and the utilization of such tax attributes will result in payments under the Tax Receivable Agreement. TRS I will have the right to terminate the Tax Receivable Agreement by making payments to the existing owners of LCFH calculated by reference to the present value of all future payments that the existing owners of LCFH would have been entitled to receive under the Tax Receivable Agreement using certain valuation assumptions, including assumptions that any Series TRS LP Units that have not been exchanged are deemed exchanged for the market value of the TRS Shares at the time of termination and that LCFH will have sufficient taxable income in each future taxable year to fully realize all potential tax savings. There may be a material negative effect on our liquidity if, as a result of timing discrepancies or otherwise, (a) the payments under the Tax Receivable Agreement exceed the actual benefits we realize in respect of the tax attributes subject to the Tax Receivable Agreement and/or (b) distributions to TRS I by LCFH are not sufficient to permit TRS I to make payments under the Tax Receivable Agreement after it has paid its taxes and other obligations. TRS I Corp's obligations pursuant to the Tax Receivable Agreement will rank *pari passu* with its other general trade creditors. The payments under the Tax Receivable Agreement are not conditioned upon any recipient's continued ownership of us or LCFH. An existing owner that exchanges its Series TRS LP Units and shares of Class B common stock for our Class A common stock will receive payments under the Tax Receivable Agreement until such time that it validly assigns or otherwise transfers its right to receive such payments.

The effects of the Tax Receivable Agreement on our consolidated balance sheet upon exchange of Series TRS LP Units are as follows:

We will record an increase in deferred tax assets for the estimated income tax effects of the increase in the tax basis of the assets owned by Ladder based on enacted federal, state and local income tax rates at the date of the transaction. To the extent we estimate that we will not realize the full benefit represented by the deferred tax asset, based on an analysis of expected future earnings, we will reduce the deferred tax asset with a valuation allowance;

We will record an increase in liabilities for 85% of the estimated realizable tax benefit resulting from (i) the increase in the tax basis of the purchased interests as noted above and (ii) certain other tax benefits related to entering into the Tax Receivable Agreement; and

We will record an increase to additional paid-in capital in an amount equal to the difference between the increase in deferred tax assets and the increase in liability due to the existing owners of LCFH under the Tax Receivable Agreement. The amounts to be recorded for both the deferred tax assets and the liability for our obligations under the Tax Receivable Agreement have been estimated. All of the effects of changes in any of our estimates after the date of

the purchase will be included in our net income. Similarly, the effect of subsequent changes in the enacted tax rates will be included in net income.

Table of Contents

In certain instances, payments under the Tax Receivable Agreement may be accelerated and/or significantly exceed the actual benefits we realize in respect of the tax attributes subject to the Tax Receivable Agreement. The Tax Receivable Agreement will provide that upon certain changes of control, or if, at any time, TRS I elects an early termination of the Tax Receivable Agreement, the amount of TRS I's (or its successor's) obligations with respect to exchanged or acquired Series TRS LP Units (whether exchanged or acquired before or after such transaction) would be based on certain assumptions. These assumptions will include the assumptions that (a) TRS I will have sufficient taxable income to fully utilize the deductions arising from the increased tax deductions and tax basis and other benefits related to entering into the Tax Receivable Agreement and (b) that the subsidiaries of LCFH will sell certain nonamortizable assets (and realize certain related tax benefits) no later than a specified date. Accordingly, payments under the Tax Receivable Agreement may be made years in advance of the actual realization, if any, of the anticipated future tax benefits and may be significantly greater than the actual benefits TRS I realizes in respect of the tax attributes subject to the Tax Receivable Agreement. In case of an early termination, TRS I's obligations under the Tax Receivable Agreement could have a substantial negative impact on its liquidity and there is no assurance that we will be able to finance these obligations. Moreover, payments under the Tax Receivable Agreement will be based on the tax reporting positions that we determine in accordance with the Tax Receivable Agreement. Although we are not aware of any issue that would cause the IRS to challenge a tax basis increase, TRS I will not be reimbursed for any payments previously made under the Tax Receivable Agreement if the IRS subsequently disallows part or all of the tax benefits that gave rise to such prior payments, although future payments under the Tax Receivable Agreement will be reduced on account of such disallowances. As a result, in certain circumstances, payments could be made under the Tax Receivable Agreement that are significantly in excess of the benefits that TRS I actually realizes in respect of (a) the increases in tax basis resulting from TRS I's purchases or exchanges of Series TRS LP Units, (b) any incremental tax basis adjustments attributable to payments made pursuant to the Tax Receivable Agreement, and (c) any deemed interest deductions arising from our payments under the Tax Receivable Agreement. Decisions made by the existing owners of LCFH in the course of running our business, such as with respect to mergers, asset sales, other forms of business combinations or other changes in control, may influence the timing and amount of payments that TRS I is required to make under the Tax Receivable Agreement. For example, the earlier disposition of assets following an exchange or acquisition transaction generally will accelerate payments under the Tax Receivable Agreement and increase the present value of such payments, and the disposition of assets before an exchange or acquisition transaction will increase LCFH's existing owners' tax liability without giving rise to any obligations to make payments under the Tax Receivable Agreement. Payments generally are due under the Tax Receivable Agreement within a specified period of time following the filing of TRS I's tax return for the taxable year with respect to which the payment obligation arises, although interest on such payments will begin to accrue at a rate of LIBOR plus 200 basis points from the due date (without extensions) of such tax return.

Conflicts of Interest and Related Party Transactions

The Board has adopted a written policy for approval of transactions between the Company and its directors, director nominees, executive officers, greater than five percent beneficial owners and their respective immediate family members, where the amount involved in the transaction exceeds or is expected to exceed \$120,000 in a single calendar year and the related party to the transaction has or will have a direct or indirect material interest. The Audit Committee and Risk and Underwriting Committee review transactions subject to the policy and decide whether or not to approve or ratify those transactions. In doing so, such committees determine whether the transaction is in the best interests of the Company. In addition, our Nominating and Corporate Governance Committee also determines the impact or potential impact on a director's independence in the event the related party is a director, an immediate family member of a director, or an entity in which a director is a partner, stockholder or executive officer. We cannot assure you that these policies will be successful in eliminating the influence of conflicts of interest. These policies may be amended from time to time at the discretion of our Board.

From time to time, the Company may provide commercial real estate loans to entities affiliated with certain of our directors, officers or large shareholders who are, as part of their ordinary course of business, commercial real estate investors. These loans are made in the ordinary course of the Company's business on the same terms and conditions as would be offered to any other borrower of similar type and standing on a similar property.

Table of Contents

On May 20, 2015, the Company provided a \$25.0 million, 9.0% fixed rate, interest-only mezzanine loan, which matures on June 6, 2016, to Halletts Investors LLC (“Borrower”), an entity affiliated with Douglas Durst, one of the Company’s directors and chairman of The Durst Organization. The loan, which was approved by the Audit Committee and Risk and Underwriting Committee in accordance with the Company’s policies regarding related party transactions, is secured by Borrower’s ownership interest in Durst Halletts Member LLC (“Guarantor”). Borrower and Guarantor indirectly own a controlling interest in the three entities that collectively own approximately 9.66 acres of undeveloped land located along the East River waterfront on Halletts Point Peninsula in Astoria, New York. Douglas Durst and members of his family, including trusts for which Douglas Durst is a trustee, have a controlling interest in Borrower and Guarantor. As of December 31, 2015, \$25.0 million remained outstanding under the loan. Borrower paid \$1.25 million in interest during the year ended December 31, 2015.

EXECUTIVE COMPENSATION

The following discussion and tabular disclosure describes the material elements of compensation for our most highly compensated executive officers as of December 31, 2015 (collectively our “Named Executive Officers”). Our Named Executive Officers for 2015 were:

• Brian Harris, Chief Executive Officer;

• Michael Mazzei, President; and

• Pamela McCormack, Chief Strategy Officer and General Counsel (promoted to Chief Operating Officer in March 2016).

Compensation Philosophy and Objectives

Our compensation philosophy is to align executive compensation with the interests of our stockholders and, therefore, to motivate our executives to attain financial objectives that our Board believes are primary determinants of long-term equity value. The primary goal of our executive compensation program is to ensure that we hire and retain talented and experienced executives who are motivated to achieve or exceed our short-term and long-term Company goals. Our executive compensation programs are designed to reinforce a strong pay-for-performance orientation and to serve the following purposes:

- to reward our Named Executive Officers for sustained financial and operating performance and leadership excellence;
- to align the interests of our Named Executive Officers with those of our stockholders; and
- to encourage our Named Executive Officers to remain with us for the long-term.

Setting Executive Compensation

Compensation decisions for our Named Executive Officers are made annually by our Compensation Committee, with the Committee having discretion to adjust any aspect of the compensation program or process it may determine to be appropriate. In determining compensation amounts for 2015, the Compensation Committee took into account current compensation arrangements (including arrangements negotiated in connection with employment agreements), as well as business and individual performance in light of actual market conditions.

Company Performance Evaluation. In making compensation decisions for 2015, the Compensation Committee reviewed the Company’s performance results as compared to Comparable Companies (as defined below) and the overall environment in the commercial real estate finance REIT sector. In its review of the Company’s 2015 performance, the Compensation Committee primarily focused on the following results:

- Our Core EPS was \$1.85 per share, as compared to \$1.36 per share in 2014.
- Our Core Earnings for 2015 was \$191 million, as compared to \$219 million in 2014.
- Our return on equity (“ROE”) for the twelve months ended 12/31/15 was 12.1%, which represented performance above the 90th percentile of the commercial finance REITs listed below.

Consideration of management’s continued emphasis to generate attractive risk-adjusted ROE from primarily senior secured, moderately leveraged assets with a target debt-to-equity ratio of 2x - 3x. During 2015, our debt-to-equity ratio ranged between 2.7x and 2.9x at the end of each quarter.

Table of Contents

Role of our CEO. The Compensation Committee relied in part on Mr. Harris, our Chief Executive Officer, who makes specific compensation recommendations to the Committee based on the objectives and approach set by the Committee. Mr. Harris, like the Compensation Committee, took into account current compensation arrangements (including arrangements negotiated in connection with employment agreements), as well as business and individual performance in light of actual market conditions. Specifically, for each executive, Mr. Harris makes recommendations regarding annual incentive awards and long-term incentive awards, for review and discussion with, and consideration by, the Committee. Mr. Harris may attend meetings of the Compensation Committee at the request of the Committee chair, but does not attend executive sessions. The Committee then recommends executive compensation to the full Board for approval.

Role of the Compensation Consultant and Use of Peer Group Data. The Compensation Committee retains FTI Consulting, Inc. (“FTI”) as its independent compensation consultant to advise it on matters related to the compensation of our Named Executive Officers and compensation program design. Management currently retains FPL Associates, L.P. (“FPL”) to assist it in formulating its recommendations to the Compensation Committee. Although last year management was represented by FTI, FTI no longer performs services for management or the Company other than its services to the Compensation Committee and is unrelated to FPL. The Compensation Committee was aware of FTI’s previous work for management and has determined that FTI may serve as an independent adviser to the Compensation Committee in accordance with SEC guidelines.

In 2015, FTI provided the Compensation Committee with comparative market data on compensation practices and programs based on an analysis of peer companies and provided guidance on best practices. The reference group set forth below (the “Comparable Companies”) identifies the companies that the Compensation Committee considers Ladder’s closest peers. Ladder’s multi-faceted business, when combined with its internally-managed structure, limits its direct comparability to other REITs and finance companies. Each of the Comparable Companies is an internally-managed, primarily real estate finance-focused company or commercial real estate investment company with median equity market capitalization of approximately \$1.5 billion.

Colony Capital, Inc.

HFF, Inc.

iStar Financial

Kennedy-Wilson Holdings, Inc.

MFA Financial, Inc.

Nationstar Mortgage Holdings Inc.

NorthStar Asset Management Group, Inc.

PennyMac Financial Services, Inc.

Redwood Trust, Inc.

W.P. Carey & Co. LLC

Walker & Dunlop Inc.

The data from the Comparable Companies was used by the Compensation Committee to develop an understanding of the compensation practices of companies with which the Company competes for executive talent. It was not used for the purpose of setting “benchmark” compensation levels for the Company’s executive officers.

The Compensation Committee plans to annually review the composition of the Comparable Company group to ensure that the companies included are appropriately comparable to us in terms of size, structure, investment focus and scope of operations. The Compensation Committee may change the composition of the group from time to time as appropriate.

In addition to the above group of Comparable Companies (which was primarily used to understand the reasonableness of the Company's pay level and structure as compared to the market), the Compensation Committee also evaluated our performance compared to internally- and externally-managed commercial finance REITs whose performance is more directly comparable to Ladder, including:

♣ Apollo Commercial Real Estate Finance, Inc.

♣ Arbor Realty Trust Inc.

♣ Ares Commercial Real Estate Corp.

♣ Blackstone Mortgage Trust, Inc.

♣ Colony Capital, Inc.

FTI also provided directional recommendations regarding the elements of compensation for each of the Named Executive Officers based on the Comparable Companies, the Company's relative performance compared to commercial real estate finance REITs and Ladder's compensation philosophy.

Elements of Compensation

Base Salary

We pay our Named Executive Officers a base salary based on the experience, skills, knowledge and responsibilities required of each officer. We believe base salaries are an important element in our overall compensation program because base salaries provide a fixed element of compensation that reflects job responsibilities and value to us.

Annual Cash Bonuses

In connection with our IPO, we adopted guidelines to determine annual cash bonuses (the "Bonus Guidelines") for our Named Executive Officers and other senior executive officers. These Bonus Guidelines are set forth in the Second Amended and Restated Employment Agreement between our operating subsidiary Ladder Capital Finance LLC ("LCF") and Mr. Harris, dated January 23, 2014 (the "Harris Employment Agreement"), which became effective upon the closing of our IPO. Employees outside of our senior executive officers receive annual bonuses at the discretion of our Board based on recommendations from Mr. Harris. The 2015 target bonus for Mr. Harris and future target annual cash bonuses for Mr. Harris are set forth in the Harris Employment Agreement and future target annual cash bonuses for our other Named Executive Officers and other senior executive officers, including Mr. Mazzei and Ms. McCormack, will be reasonably determined by our Compensation Committee or our Board and in consultation with our Chief Executive Officer, based on the Bonus Guidelines. Our Compensation Committee and Board determines the annual cash bonuses payable to our Named Executive Officers and other senior executive officers based on the achievement by the Company, Ladder Capital Finance Holdings LLLP and LCF of applicable financial targets using the Bonus Guidelines.

Long-Term Equity Compensation

In connection with our IPO, we adopted the 2014 Ladder Incentive Equity Plan (the "2014 Omnibus Incentive Plan"). See the section captioned "—Grants Made Pursuant to the 2014 Incentive Equity Plan" for a description of the terms of the long-term equity compensation granted in 2015 to our Named Executive Officers and other employees pursuant to the 2014 Omnibus Incentive Plan.

We believe that providing our Named Executive Officers with an equity interest brings their interests in line with those of our stockholders and that including a vesting component to those equity interests encourages our Named Executive Officers to remain with us over the applicable vesting period. We expect that all future equity compensation to our Named Executive Officers will be granted under the 2014 Omnibus Incentive Plan.

Other Supplemental Benefits

Our Named Executive Officers are eligible for the following benefits on a similar basis as other eligible employees:

health, dental and vision insurance;

- vacation and sick days;

life insurance;

short-term and long-term disability insurance; and

401(k) plan.

2015 and 2014 Total Direct Compensation

Under the rules and regulations of the SEC, each year the “Summary Compensation Table” must disclose the salary paid during that year, the annual cash incentive earned for that year and the equity-based, long-term incentive granted for that year, which for us includes the IPO Restricted Stock Awards in 2014 and associated Allocation Restricted Stock Awards (as defined herein) in 2015. The IPO Restricted Stock Awards were one-time awards granted in part to adjust for the change in compensation and ownership structure of the Company from the preferred and common equity format existing prior to our IPO into the format of all common equity, subject to certain vesting conditions. Further, certain of our IPO Award Grantees forfeited their IPO Restricted Stock Awards during the 2014 fiscal year. On February 3, 2015, we granted restricted shares of our Class A common stock, pursuant to the 2014 Omnibus Incentive Plan in respect of the shares available from such forfeited IPO Restricted Stock Awards (the “Allocation Restricted Stock Awards”), to our Named Executive Officers and certain members of management and employees. In order to provide our shareholders with the aggregate amount of compensation earned by each Named Executive Officer for a given calendar year, we are including below a supplemental “Total Direct Compensation Table.” We believe the “Total Direct Compensation Table” enables a more meaningful annual compensation presentation than the “Summary Compensation Table” presented later in this proxy statement. The “Total Direct Compensation Table” consists of (i) the actual salary paid for the year, (ii) the annual incentive bonuses awarded for the year and (iii) the annual grant date fair value of equity grants awarded for service and performance for the year, irrespective of when they were granted. Other companies may calculate Total Direct Compensation differently than we do.

Total Direct Compensation Table

The Total Direct Compensation earned by our Named Executive Officers for 2015 and 2014 is set forth in the table below. It is intended to show the compensation of our Named Executive Officers in the ordinary course and unrelated to our IPO and so therefore excludes both IPO Restricted Stock Awards and Allocation Restricted Stock Awards. Incentive equity is valued as of the date of grant in the same manner as in the Summary Compensation Table further below.

Name and Principal Position	Year	Salary	Incentive Cash Bonus	Annual Incentive Equity Award	Total Direct Compensation
Brian Harris Chief Executive Officer	2015	\$1,000,000	\$6,400,000	\$4,700,014	\$12,100,014
	2014	945,833	8,050,000	5,915,257	14,911,090

	2014	722,917	3,050,000	2,970,000	6,742,917

(1) All share-based awards were granted pursuant to the 2014 Omnibus Incentive Plan. In connection with 2015 performance, the Named Executive Officers were also granted Annual Restricted Stock Awards and Annual

Option Awards, which were granted on February 18, 2016. Such shares are not included in this table.

(2) In connection with 2014 performance, the Named Executive Officers were granted Annual Option Awards on February 18, 2015, which vest in three equal installments on February 18 of each of 2016, 2017 and 2018, subject to continued employment on such applicable vesting dates and the Harris Retirement Eligibility Date (as defined in the section captioned “—Grants Made Pursuant to the 2014 Omnibus Incentive Plan—Annual Incentive Equity Awards With Respect to 2015”).

(3) This value represents the product of the closing market price of the Company’s Class A common stock on December 31, 2015 of \$12.42 per share and the number of unvested Restricted Stock Awards granted to each Named Executive Officer, assuming the threshold performance goals are achieved for those shares subject to performance-based criteria.

(4) These are Annual Restricted Stock Awards granted in 2015 based on 2014 performance. The description of the vesting provisions with respect to the Annual Restricted Stock Awards and Annual Option Awards for 2015 in the section captioned “—Grants Made Pursuant to the 2014 Omnibus Incentive Plan—Annual Incentive Awards Granted With Respect to 2015 ” applies to the 2014 Annual Restricted Stock and Options Awards as well.

Certain of our IPO Award Grantees forfeited their IPO Restricted Stock Awards during the 2014 fiscal year. On February 3, 2015, we granted restricted shares of our Class A common stock, pursuant to the 2014 Omnibus Incentive Plan in respect of the shares available from such forfeited IPO Restricted Stock Awards (the “Allocation Restricted Stock Awards”), to our Named Executive Officers and certain members of management. The vesting (5) terms and vesting schedule of the Allocation Restricted Stock Awards for Mr. Harris are identical to the vesting terms and vesting schedule of Mr. Harris’ IPO Restricted Stock Awards, and the vesting terms and vesting schedule of the Allocation Restricted Stock Awards for the other grantees of the Allocation Restricted Stock Awards are identical to the vesting terms and vesting schedule for IPO Award Grantees who have not entered employment agreements with us (see footnote 6 below for a description of such vesting terms).

These numbers represent the number of unvested IPO Restricted Stock Awards as of December 31, 2015. Fifty percent of each IPO Restricted Stock Award is subject to time-based vesting criteria, and the remaining fifty percent of each IPO Restricted Stock Award is subject to specified performance-based vesting criteria. The time-vesting portion of the IPO Restricted Stock Award granted to Mr. Harris vests in three equal installments on February 18 of each of 2015, 2016 and 2017, subject to his continued employment on such applicable vesting dates and the Harris Retirement Eligibility Date (as defined in the section captioned “—Grants Made Pursuant to the 2014 Omnibus Incentive Plan—Annual Incentive Equity Awards With Respect to 2015”). Twenty-five percent of the (6) time-vesting portion of the IPO Restricted Stock Awards granted to Mr. Mazzei and Ms. McCormack vested on August 18, 2015 and the remaining seventy-five percent will vest on February 18, 2017, subject to continued employment on such applicable vesting dates. The performance-vesting portion of each IPO Restricted Stock Award for each of Mr. Harris, Mr. Mazzei and Ms. McCormack vests in three equal installments on December 31 of each of 2014, 2015 and 2016 if we achieve the applicable performance targets, the achievement of which is generally determined by our Compensation Committee and the Board in February following the applicable performance year. The Compensation Committee determined that the applicable performance targets were met for 2014 and 2015; and consequently certain installments of the performance-vesting portion of each IPO Restricted Stock Award and 2014 Annual Restricted Stock Award have become vested.

Grants Made Pursuant to the 2014 Omnibus Incentive Plan

Grants of equity awards under the 2014 Omnibus Incentive Plan to members of management, directors and certain employees are at the discretion of our Compensation Committee and our Board. In making equity award grants to our Named Executive Officers, the Compensation Committee considers a number of factors, including current compensation arrangements (including arrangements negotiated in connection with employment agreements), the executive’s position, individual performance of the executive, the present equity ownership levels of the executive, internal pay equity and the level of the executive’s total annual compensation package compared to similar positions at other peer companies.

Annual Incentive Awards Granted With Respect to 2015

Pursuant to their employment agreements, our Named Executive Officers and other senior executive officers (the “Annual Award Grantees”) are eligible to receive an annual incentive equity award if we achieve a certain return on average equity and subject to the discretion of the Board, granted pursuant to the 2014 Omnibus Incentive Plan, of which 90% by value is granted in the form of restricted shares of our Class A common stock subject to the 2014 Omnibus Incentive Plan (the “Annual Restricted Stock Award”) and 10% by value is granted in the form of time-vesting stock options (the “Annual Option Award”), each based on the grant date fair value of such awards with such stock options being valued using widely-accepted valuation methods in connection with the grant by a public company of options to its employees.

Table of Contents

Fifty percent of each Annual Restricted Stock Award is subject to time-based vesting criteria, and the remaining fifty percent of each Annual Restricted Stock Award is subject to performance-based criteria. The time-vesting portion of the Annual Restricted Stock Award vests in three equal installments on each of the first three anniversaries of the date of grant, subject to the applicable Annual Award Grantee's continued employment on the applicable vesting date. The performance-vesting portion of the Annual Restricted Stock Award vests in three equal installments on December 31 of each of the three performance years if we achieve our Performance Target (a return on equity, based on core earnings divided by the Company's average book value of equity, equal to or greater than 8% for the year) for the applicable performance year, the achievement of which is generally determined by our Compensation Committee and the Board in February following the applicable performance year, provided that if we miss the Performance Target during either the first or second performance year but meet the Performance Target for a subsequent performance year during the three-year performance period and our return on equity for such subsequent year and any years for which we missed our Performance Target equals or exceeds the compounded return on equity of 8%, based on core earnings divided by the Company's average book value of equity, the performance-vesting restricted stock which failed to vest because we previously missed our Performance Target will vest on the last day of such subsequent year, subject to continued employment on the last day of each applicable performance year. If the term "core earnings" is no longer used in the Company's SEC filings and approved by the Compensation Committee, then the Performance Target will be calculated using such other performance measurement defined in the Company's SEC filings, as determined by the Compensation Committee. The Annual Option Awards are subject to time-based vesting criteria only and vest in three equal installments on each of the first three anniversaries of the date of grant, subject to continued employment or service until the applicable vesting date.

Upon a termination of an Annual Award Grantee's employment or service due to death, disability, termination by us without cause or termination by the Annual Award Grantee for good reason (each, as defined in the 2014 Omnibus Incentive Plan, which references the definitions in the recipient's respective employment agreements), the time-vesting portion of the Annual Restricted Stock Awards and the Annual Option Awards will accelerate and vest in full, and the unvested performance-vesting portion of the Annual Restricted Stock Awards will remain outstanding for the performance period and will vest to the extent we meet the Performance Target, including via the catch up provision described above. On February 11, 2017 (the "Harris Retirement Eligibility Date"), all outstanding Annual Restricted Stock Awards, including the time-vesting portion and the performance-vesting portion, and all outstanding Annual Option Awards granted to Mr. Harris will become fully vested, and any Annual Restricted Stock Awards and Annual Option Awards granted after the Harris Retirement Eligibility Date will be fully vested at grant. For Mr. Mazzei, upon the date that is on or after February 11, 2019, and for Ms. McCormack, upon the date that is on or after December 8, 2019 (each, the "Executive Retirement Eligibility Date"), the time-vesting portion of the Annual Restricted Stock Awards and the Annual Option Awards will become fully vested, and the time-vesting portion of any Annual Restricted Stock Awards and Annual Option Awards granted after the Executive Retirement Eligibility Date will be fully vested at grant. Upon the occurrence of the Executive Retirement Eligibility Date, the performance-vesting portion of Mr. Mazzei's and Ms. McCormack's Annual Restricted Stock Awards will remain outstanding for the performance period and will vest to the extent we meet the Performance Target, including via the catch up provision described above, regardless of continued employment with us our subsidiaries following the Executive Retirement Eligibility Date.

Upon a termination for cause (or upon a voluntary termination of employment after an event that would be grounds for a termination for cause) that occurs prior to the Executive Retirement Eligibility Date, 10% of the vested portion of the Annual Restricted Stock Awards and Annual Option Awards granted to Mr. Mazzei and Ms. McCormack will terminate and be forfeited. Upon a termination of employment or service for any reason other than due to death, disability, termination by us without cause or termination by the Annual Award Grantee for good reason prior to the Harris Retirement Eligibility Date, with respect to Mr. Harris' Annual Restricted Stock Awards and Annual Option Awards, or prior to the Executive Retirement Eligibility Date, with respect to Mr. Mazzei's and Ms. McCormack's Annual Restricted Stock Awards and Annual Option Awards, all unvested annual incentive awards terminate and are

forfeited.

Upon a change in control (as described below), each Annual Restricted Stock Award and Annual Option Award granted to each of the Annual Award Grantees, including Mr. Harris, will become fully vested if (1) the Annual Award Grantee continues to be employed through the closing of the change in control or (2) after the signing of definitive documentation related to the change in control but prior to its closing, the Annual Award Grantee's employment is terminated without cause or due to death or disability or the Annual Award Grantee resigns for good reason (each, as defined in the 2014 Omnibus Incentive Plan, which references the definition in the Annual Award Grantee's employment agreement). Our Compensation Committee retains the right, in its sole discretion, to provide for the accelerated vesting (in whole or in part) of the Annual Restricted Stock Awards and Annual Option Awards. Annual Restricted Stock Awards granted to our non-employee directors on February 18, 2015 totaling \$150,000 are described in the section captioned "—Director Compensation."

With respect to the annual incentive awards, a change in control generally has the same meaning as in the 2014 Omnibus Incentive Plan, except that a change in control (i) includes a merger or consolidation of the Company or any direct or indirect subsidiary of the Company (a “Business Transaction”) with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the Company or its successor (or the ultimate parent company of the Company or its successor) outstanding immediately after such merger or consolidation, excluding a merger or consolidation effected to implement a recapitalization of the Company in which no person (as specified in the 2014 Omnibus Incentive Plan) acquires more than 50% of the combined voting power of the Company’s then outstanding securities, (ii) excludes transactions in which any person (as specified in the 2014 Omnibus Incentive Plan) becomes a beneficial owner of securities of the Company representing 50% or more of the combined voting power of the Company’s then outstanding securities if such transaction is a Business Transaction that does not constitute a change in control thereunder and (iii) excludes the sale or disposition of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, 50% or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale or to an entity controlled by such person or persons.

On February 18, 2016, Mr. Harris, Mr. Mazzei and Ms. McCormack received annual equity incentive awards with grant date fair values of \$4.7 million, \$2.4 million and \$1.275 million, which were granted as Annual Restricted Stock Awards and Annual Option Awards as follows, computed in accordance with FASB ASC Topic 718:

Pamela McCormack	1,147,494	127,501	96,672	35,815

For future fiscal years, pursuant to his employment agreement, the target value of Mr. Harris’ equity incentive awards will be \$5,975,000 and our other Named Executive Officers will be eligible to receive a discretionary annual equity incentive award deemed appropriate by the Board and the Compensation Committee, in consultation with our Chief Executive Officer and pursuant to the Bonus Guidelines.

LCF entered into the Harris Employment Agreement (as defined in the section captioned “—Elements of Compensation— Annual Cash Bonuses”) with Mr. Harris, which became effective on February 11, 2014. The Harris Employment Agreement provides for an indefinite term of employment, a base salary which shall not be less than \$1,000,000 per annum and the opportunity to participate in LCF’s standard employee benefit programs. Fifty percent of each Annual Restricted Stock Award is subject to time-based vesting criteria, and the remaining fifty percent of each Annual Restricted Stock Award is subject to performance-based criteria. Fifty percent of each Annual Restricted Stock Award is subject to time-based vesting criteria, and the remaining fifty percent of each Annual Restricted Stock Award is subject to performance-based criteria. The time-vesting portion of the Annual Restricted Stock Award vests in three equal installments on each of the first three anniversaries of the date of grant, subject to the Ms. McCormack’s continued employment on the applicable vesting date. The performance-vesting portion of the Annual Restricted Stock Award vests in three equal installments on December 31 of each of the three performance years if we achieve a

return on equity, based on core earnings divided by the our average book value of equity, equal to or greater than 8% for such year. While the McCormack Employment Agreement has provisions regarding vesting upon retirement, those provisions have been superseded by the Annual Restricted Stock Award and Annual Option Award agreements with respect to all currently outstanding unvested awards. See the section captioned “—Grants Made Pursuant to the 2014 Omnibus Incentive Plan—Annual Incentive Awards Granted With Respect to 2015” for a description of the Executive Retirement Eligibility Date applicable to Ms. McCormack and more details regarding the Annual Restricted Stock Awards and the Annual Option Awards granted to Ms. McCormack on February 18, 2016 with respect to 2015.

Under the Mazzei Employment Agreement and the Ms. McCormack Employment Agreement, cause generally means (i) willful and material violation of LCF policy, (ii) willful misconduct that materially injures the financial condition of LCF, (iii) a material breach of the agreement, (iv) engagement in theft, embezzlement, fraud or material misappropriation of LCF property or (v) conviction or plea of nolo contendere to a felony involving dishonesty or moral turpitude (with some specified exceptions), so long as, in the case of Mr. Mazzei with respect to (i), (ii) and (iii), he has failed to cure such violation, if capable of being cured, within sixty days of written notice by the Board, and in the case of Ms. McCormack, she has failed to cure a violation provided in (i) and (iii) within thirty days of written notice by the Board.

2014 Deferred Compensation Plan

On July 3, 2014, the Company adopted a nonqualified deferred compensation plan, which was amended and restated on March 17, 2015 (the "2014 Deferred Compensation Plan"), in which certain eligible employees of LCF participate. Pursuant to the 2014 Deferred Compensation Plan, participants may elect, or in some cases, non-management participants may be required, to defer all or a portion of their annual cash performance-based bonuses into the 2014 Deferred Compensation Plan. Generally, if a participant's total compensation is in excess of a certain threshold, a portion of a participant's performance-based annual bonus is required to be deferred into the 2014 Deferred Compensation Plan. Otherwise, a portion of the participant's annual bonus may be deferred into the 2014 Deferred Compensation Plan at the election of the participant, so long as such elections are timely made in accordance with the terms and procedures of the 2014 Deferred Compensation Plan.

In the event that a participant elects to (or is required to) defer a portion of such participant's compensation pursuant to the 2014 Deferred Compensation Plan, such amount is not paid to the participant and is instead credited to such participant's notional account under the 2014 Deferred Compensation Plan. Such amounts are then invested on a phantom basis in Class A common stock of the Company, known as phantom units, and a participant's account is credited with any dividends or other distributions received by holders of Class A common stock of the Company, which are subject to the same vesting and payment conditions as the applicable contributions. Elective contributions are immediately vested upon contribution. Mandatory contributions are subject to one-third vesting over a three-year period on a straight-line basis following the applicable year in which the related compensation was earned.

If a participant's employment with the Company is terminated by the Company other than for cause and such termination is within six months following a change in control (each, as defined in the 2014 Deferred Compensation Plan), then the participant will fully vest in his or her unvested phantom units. Furthermore, the unvested phantom units will fully vest in the event of the participant's death, disability, retirement (as defined in the 2014 Deferred Compensation Plan) or in the event of certain hostile takeovers of the Board. In the event that a participant's employment is terminated by the Company other than for cause, the participant will vest in the portion of the participant's phantom units that would have vested had the participant remained employed through the end of the year in which such termination occurs, subject to, in such case or in the case of retirement, the participant's timely execution of a general release of claims in favor of the Company. Unvested phantom units are otherwise generally forfeited upon the participant's resignation or termination of employment, and vested mandatory contributions are generally forfeited upon the participant's termination for cause.

Amounts deferred into the 2014 Deferred Compensation Plan are paid upon the earliest to occur of (1) a change in control, (2) within sixty days following the end of the participant's employment with the Company, or (3) the date of payment of the annual bonus payments following December 31 of the third calendar year following the applicable year to which the underlying deferred annual compensation relates. Payment is made in cash equal to the fair market value of the number of phantom units credited to a participant's account, provided that, if the participant's termination was by the Company for cause or was a voluntary resignation other than on account of such participant's retirement,

the amount paid is based on the lowest fair market value of a share of Class A common stock during the forty-five day period following such termination of employment. The amount of the final cash payment may be more or less than the amount initially deferred into the 2014 Deferred Compensation Plan, depending upon the change in the value of the Class A common stock of the Company during such period.

Employment Agreements

Brian Harris. Pursuant to the Harris Employment Agreement, upon a termination by LCF without cause (see “—Employment Agreements—Brian Harris”) or by Mr. Harris for good reason, subject to Mr. Harris’ execution of a release of claims in favor of LCF and its affiliates, he will be entitled to receive (i) cash severance equal to the greater of \$10,000,000 or two times the sum of Mr. Harris’ annual base salary in effect at the time of termination and the average of the annual cash bonuses paid to him with respect to the two calendar years immediately preceding his termination (the “Harris Cash Severance”), 50% of which will be payable in a lump sum and 50% of which will be payable in twelve equal monthly installments, (ii) a prorated portion of Mr. Harris’ target annual cash bonus for the year in which such termination occurs, payable at the same time that performance bonuses for such calendar year are paid to our other senior executives, and (iii) reimbursements for continued health care for up to two years immediately following Mr. Harris’ termination (as allowed by law). If Mr. Harris’ termination occurs within one year of a change in control (as defined in the 2014 Omnibus Incentive Plan) or if, as of the date of Mr. Harris’ termination, the Company has previously entered into a definitive binding agreement with a buyer that would result in a change in control and such definitive binding agreement remains in effect, then the Harris Cash Severance will be payable in a lump sum, as permitted by law.

Good reason generally means, without Mr. Harris’ written consent, the Board’s assignment to Mr. Harris of any duties materially inconsistent with, or a material diminution of, his position, duties, responsibilities or status as a Chief Executive Officer of a comparable company, a change in Mr. Harris’ reporting responsibilities, title or office, an amendment to any written incentive equity, equity grant or written bonus plan for the benefit of LCF’s employees, failure to permit Mr. Harris to nominate at least two individuals for the initial Nominating and Corporate Governance Committee of our Board, any removal of Mr. Harris from his position as Chief Executive Officer (with specified exceptions), relocation of Mr. Harris’ office to a location outside of New York, New York, a reduction in Mr. Harris’ base salary or a material reduction in benefits taken as a whole, removal of Mr. Harris from his position as a member of the Board or a failure by our stockholders to reelect Mr. Harris to his position as a member of the Board or a material breach of the terms of the Harris Employment Agreement by LCF, each reduction, removal or breach that is not cured, if capable of cure, with thirty days’ written notice provided to the Board by Mr. Harris.

Pursuant to his employment agreement, Mr. Harris is subject to a confidentiality covenant (with some specified exceptions), a one-year post- termination non-competition covenant and a two-year post-termination employee and customer non-solicitation covenant.

Michael Mazzei. Pursuant to the Mazzei Employment Agreement, upon a termination by LCF without cause (see the section captioned “—Employment Agreements—Pamela McCormack”) or by Mr. Mazzei for good reason, in addition to payment of any unpaid annual cash bonus previously awarded as of the date of Mr. Mazzei’s termination of employment and subject to his execution of a release of claims in favor of LCF and its affiliates and compliance with the applicable restrictive covenants, Mr. Mazzei will be entitled to receive (i) cash severance equal to one and a half times the sum of his annual base salary in effect at the time of termination and the average of his annual cash bonuses with respect to the two calendar years immediately preceding his termination (the “Mazzei Cash Severance”), 50% of which will be payable in a lump sum and 50% of which will be payable in twelve equal monthly installments, (ii) a prorated portion of Mr. Mazzei’s target annual cash bonus for the year in which such termination occurs, based on our performance as of Mr. Mazzei’s termination date as determined by our Compensation Committee, in consultation with our Chief Executive Officer, payable at the same time that performance bonuses for such calendar year are paid to our other senior executives, and (iii) reimbursements for continued health care for up to eighteen months immediately following Mr. Mazzei’s termination. If Mr. Mazzei’s termination occurs within one year of a change in control (as defined in the 2014 Omnibus Incentive Plan) or if, as of the date of Mr. Mazzei’s termination, the Company has

previously entered into a definitive binding agreement with a buyer that would result in a change in control and such definitive binding agreement remains in effect, then the Mazzei Cash Severance will be payable in a lump sum, as permitted by law.

Table of Contents

Good reason generally means, without Mr. Mazzei's written consent, a change in Mr. Mazzei's reporting duties such that he no longer reports to our chief executive officer or the Board, a reduction in his title or a material diminution in his duties or authority (including removal from his position), relocation of Mr. Mazzei's office to a location outside of New York, New York, the appointment of a co-president, the appointment of an individual other than Mr. Harris as chief executive officer of LCF without Mr. Mazzei having been first offered such position of chief executive officer and declining to accept such position, a reduction in Mr. Mazzei's base salary below \$750,000 following the closing of our IPO or any material reduction in Mr. Mazzei's benefits taken as a whole or any material breach of the terms of Mr. Mazzei's employment arrangement by LCF, each reduction or breach that is not cured with thirty days' written notice provided to the Board by Mr. Mazzei.

Pursuant to his employment agreement, Mr. Mazzei is subject to a confidentiality covenant, a one-year post-termination non-competition covenant and an eighteen-month post-termination employee and customer non-solicitation covenant.

Pamela McCormack. Pursuant to the McCormack Employment Agreement, upon a termination by LCF without cause (see "—Employment Agreements—Pamela McCormack") or by Ms. McCormack for good reason, subject to Ms. McCormack's execution of a release of claims in favor of LCF and its affiliates, Ms. McCormack will be entitled to receive (i) cash severance equal to the lesser of \$1,000,000 and the sum of Ms. McCormack's annual base salary in effect at the time of termination and the average of Ms. McCormack's annual cash bonuses with respect to the two calendar years immediately preceding her termination (the "McCormack Cash Severance"), 50% of which will be payable in a lump sum and 50% of which will be payable in twelve equal monthly installments, (ii) a prorated portion of Ms. McCormack's target annual cash bonus for the year in which such termination occurs (the "Prorated Bonus"), based on our performance as of Ms. McCormack's termination date as determined by our Compensation Committee, in consultation with our Chief Executive Officer, payable at the same time performance bonuses for such calendar year are paid to our other senior executives (provided that such Prorated Bonus, together with the McCormack Cash Severance, cannot exceed \$1,000,000, and for such Prorated Bonus be payable, the McCormack Cash Severance may not exceed \$1,000,000), and (iii) reimbursements for continued health care for up to three months (or six months, if LCF elects to extend the post-termination non-competition period applicable to Ms. McCormack) immediately following Ms. McCormack's termination. If Ms. McCormack's termination occurs within one year of a change in control (as defined in the 2014 Omnibus Incentive Plan) or if, as of the date of Ms. McCormack's termination, the Company has previously entered into a definitive binding agreement with a buyer that would result in a change in control and such definitive binding agreement remains in effect, then the McCormack Cash Severance will be payable in a lump sum, as permitted by law.

Good reason generally means, without Ms. McCormack's written consent, the Board's assignment to Ms. McCormack of any duties materially inconsistent with, or a material diminution of, her position, duties, responsibilities or status as a Chief Strategy Officer, General Counsel and Co-Head of Securitization of a comparable company, if Mr. Harris is no longer our Chief Executive Officer, a change in Ms. McCormack's reporting responsibilities, a change in Ms. McCormack's title or office, any removal of Ms. McCormack from her position (with specified exceptions), relocation of Ms. McCormack's office to a location outside of New York, New York, a reduction in Ms. McCormack's base salary or a material reduction in benefits taken as a whole, a material breach of the terms of Ms. McCormack's employment arrangement, each reduction, removal or breach that is not cured with thirty days' written notice provided to the Board by Ms. McCormack, or, if Mr. Harris is no longer our Chief Executive Officer, a material reduction of Ms. McCormack's targeted annual cash bonus or annual equity incentive grant, taken as a whole.

Pursuant to the McCormack Employment Agreement, Ms. McCormack is subject to a confidentiality covenant, a 90-day post-termination non-competition covenant and a one-year post-termination employee and customer non-solicitation covenant. Notwithstanding the foregoing, however, LCF, with the approval of the Board and after consultation with Mr. Harris, so long as Mr. Harris remains our Chief Executive Officer, may extend the

post-termination non-compete period for an additional 90-day period if it provides Ms. McCormack with severance payments equal to three months of her base salary, payable in three monthly installments during such period of extension, and reimbursements for continued health care for up to six months.

IPO Restricted Stock Awards. With respect to the IPO Restricted Stock Awards granted to our Named Executive Officers, upon termination of employment or service due to death or disability, and, in the case of Mr. Harris, by us without cause or by Mr. Harris for good reason (each, as defined in the 2014 Omnibus Incentive Plan, which references the definitions in the Harris Employment Agreement), the time-vesting portion of the applicable IPO Restricted Stock Award will accelerate and vest in full, and the unvested performance-vesting portion of the applicable IPO Restricted Stock Award will remain outstanding for the performance period and will vest to the extent we meet the Performance Target, including via the catch up provision described above. For Mr. Mazzei and Ms. McCormack, upon the Executive Retirement Eligibility Date (as defined in the section captioned “—Grants Made Pursuant to the 2014 Omnibus Incentive Plan—Annual Incentive Equity Awards With Respect to 2015”), the time-vesting portion of the Annual Restricted Stock Awards and the Annual Option Awards will become fully vested, and the time-vesting portion of any Annual Restricted Stock Awards and Annual Option Awards granted after the Executive Retirement Eligibility Date will be fully vested at grant. Upon the occurrence of the Executive Retirement Eligibility Date, the performance-vesting portion of Mr. Mazzei's and Ms. McCormack's Annual Restricted Stock Awards will remain outstanding for the performance period and will vest to the extent we meet the Performance Target, including via the catch up provision described above, regardless of continued employment with us or our subsidiaries following the Executive Retirement Eligibility Date.

Upon a termination for cause (or upon a voluntary termination of employment after an event that would be grounds for a termination for cause) that occurs prior to the Executive Retirement Eligibility Date, 10% of the vested portion of the Annual Restricted Stock Awards and Annual Option Awards granted to Mr. Mazzei and Ms. McCormack will terminate and be forfeited. Upon a termination of employment or service for any other reason prior to the Harris Retirement Eligibility Date, with respect to Mr. Harris' Annual Restricted Stock Awards and Annual Option Awards,

or prior to the Executive Retirement Eligibility Date, with respect to Mr. Mazzei's and Ms. McCormack's Annual Restricted Stock Awards and Annual Option Awards, all unvested annual incentive awards terminate and are forfeited.

Our Compensation Committee retains the right, in its sole discretion, to provide for the accelerated vesting (in whole or in part) of the Annual Restricted Stock Awards and Annual Option Awards.

	Total	\$ 1,638,934	\$ 1,154,812	\$ 2,233,564	\$ 3,402,600

(1) The values in this row represent the cash severance payable to Mr. Harris, Ms. Mazzei and Ms. McCormack pursuant to their employment agreements upon a termination without cause by us or a termination for good reason by the Named Executive Officers, assuming a termination date of December 31, 2015, subject to an execution of a release of claims in favor of the Company. If such termination occurs after the Named Executive Officer having received a cash bonus for calendar year 2014 and prior to such Named Executive Officer having received his or her cash bonus for calendar year 2015, the reference to severance is equal to a severance multiple times the sum of the Named Executive Officer's base plus the greater of (X) the Named Executive Officer's cash bonus for calendar year 2014, including any amounts deferred pursuant to a deferred bonus program that the Company may have in effect, and (Y) the Named Executive Officer's target cash bonus for calendar year 2015. To receive his cash severance, Mr. Mazzei must also comply with the confidentiality, inventions assignment, one-year post-termination non-competition and eighteen-month post-termination non-solicitation provisions set forth in his employment

agreement. The cash severance provided with respect to Ms. McCormack assumes that she would receive \$1,000,000 of cash severance in connection with a qualifying termination and she would receive an additional \$150,000, upon the Company's election to extend her non-competition restriction for an additional ninety days following her qualifying termination. For a description of the employment agreements generally, see the section captioned "—Employment Agreements."

Table of Contents

The values in this row represent the value of stock-based awards that would be accelerated upon the specified events in the column headings, based on the closing market price of Class A common stock on December 31, 2015 of \$12.42 per share. Upon a termination without cause or resignation for good reason on December 31, 2015, Mr. Harris would have fully vested in the time-vesting portion of his IPO Restricted Stock Award, which represents 50% of the IPO Restricted Stock Award, and Mr. Harris, Ms. Mazzei and Ms. McCormack would have fully vested in the time-vesting portion of any Annual Restricted Stock Award. Performance-based shares remain outstanding eligible to vest upon the necessary return hurdles being met by the Company. Upon a termination due to death or disability on December 31, 2015, each of our Named Executive Officers would have fully vested in the (2) time-vesting portion of his or her IPO Restricted Stock Award and any Annual Restricted Stock Award, which represents 50% of such awards. Performance-based shares remain outstanding eligible to vest upon the necessary return hurdles being met by the Company. If, upon a change in control (or after the signing of definitive documentation related to the change in control but prior to its closing, the Named Executive Officer's employment is terminated without cause or due to death or disability or the Named Executive Officer resigns for good reason), each of our Named Executive Officers would have fully vested in his or her IPO Restricted Stock Awards and Annual Restricted Stock Awards. Annual Option Awards vest in the same manner as the time-vesting portion of any Annual Restricted Stock Award; however the options granted were "out of the money" as of December 31, 2015 and therefore were designated a zero value.

The values in this row represent the value of reimbursements for continued health benefits to which Mr. Harris, Ms. Mazzei and Ms. McCormack would be entitled pursuant to their employment agreements upon a termination without cause by us or a termination for good reason by the Named Executive Officers, assuming a termination (3) date of December 31, 2015: \$76,045, which represents reimbursements for continued health care for up to two years immediately following Mr. Harris' termination, \$67,879, which represents reimbursements for continued health care for up to eighteen months immediately following Mr. Mazzei's termination and \$19,036, which represents reimbursements for continued health care for up to six months, assuming that LCF elects to extend the post-termination non-competition period applicable to Ms. McCormack, each of the foregoing, as allowed by law.

Compensation Policies and Practices Relating to Risk Management

One of the key functions of the Board is informed oversight of our risk management process. The Board administers this oversight function directly through the Board as a whole, as well as through various standing committees of the Board that address risks inherent in their respective areas of oversight. In particular, the Board is responsible for monitoring and assessing strategic risk exposure, and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also has the responsibility to review with management the process by which risk assessment and management is undertaken, monitor compliance with legal and regulatory requirements, and review with our independent auditors the adequacy and effectiveness of our internal controls over financial reporting. Our Nominating and Corporate Governance Committee is responsible for periodically evaluating the Company’s corporate governance policies and system in light of the governance risks that the Company faces and the adequacy of the Company’s policies and procedures designed to address such risks. The Compensation Committee assesses and monitors whether any of our compensation policies and programs are reasonably likely to have a material adverse effect on the Company. Our Risk and Underwriting Committee assesses and monitors our risk management strategies, including but not limited to those designed to mitigate credit, interest rate, liquidity and counterparty risk, and investments of material size.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the year ended December 31, 2015. The information contained in this report shall not be deemed "soliciting material" or otherwise considered "filed" with the SEC, and such information shall not be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Exchange Act except to the extent that the Company specifically incorporates such information by reference in such filing.

The Audit Committee consists of three members: Messrs. Alexander, Bilzin and Fishman. All of the members are independent directors under the NYSE and SEC audit committee structure and membership requirements. The Audit Committee has certain duties and powers as described in its written charter adopted by the Board. A copy of the charter can be found on the Company's website at ir.laddercapital.com.

In fulfilling its oversight responsibility of appointing and reviewing the services performed by the Company's independent registered public accounting firm, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent registered public accounting firm, including the scope of the audit, audit fees, auditor independence matters and the extent to which the independent registered public accounting firm may be retained to perform non-audit services.

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2015 with the Company's management and PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm ("PwC"). The Audit Committee has also discussed with PwC the matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board ("PCAOB").

The Audit Committee also has received and reviewed the written disclosures and the letter from PwC required by applicable requirements of the PCAOB regarding PwC's communications with the Audit Committee concerning independence, and has discussed with PwC its independence from the Company.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015.

PROPOSALS

Overview of Proposals

This Proxy Statement contains the following proposals requiring stockholder action:

(1) Proposal One requests the reelection of Mr. Fishman and Mr. Bilzin to the Board.

(2) Proposal Two requests the ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2016.

Each proposal is discussed in more detail below.

Proposal One — Reelection of Directors

The Board has nominated Mr. Fishman and Mr. Bilzin to be elected to serve until the third succeeding annual meeting of stockholders after their reelection and until their respective successors are duly elected and qualified.

At the Annual Meeting, proxies cannot be voted for a greater number of individuals than the two nominees named in this Proxy Statement. Holders of proxies solicited by this Proxy Statement will vote the proxies received by them as directed on the proxy card or, if no direction is made, for the reelection of the Board's two nominees. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxy holders may vote for any nominee designated by the present Board to fill the vacancy.

The Board recommends that stockholders vote FOR the reelection of directors Fishman and Bilzin.

Proposal Two — Ratification of Appointment of Independent Registered Public Accounting Firm

Under the Audit Committee's charter, the Audit Committee is directly responsible for the appointment, retention and termination, evaluation, compensation, review and oversight of Ladder's independent auditor. In fulfilling this responsibility, the Audit Committee evaluates and monitors the auditor's qualifications, performance and independence and reviews and evaluates the lead audit partner. The Audit Committee also approves all audit engagement fees and terms associated with the retention of the independent auditors.

The Audit Committee has re-appointed PricewaterhouseCoopers LLP ("PwC") as the Company's independent registered public accounting firm and as auditors of the Company's audited consolidated financial statements for the fiscal year ending December 31, 2016. PwC has served as the Company's independent registered public accounting firm since April 2009. The Audit Committee and the Board believe that the continued retention of PwC as the Company's independent auditor is in the best interests of the Company and its stockholders.

At the Annual Meeting, the stockholders are being asked to ratify the appointment of PwC as the Company's independent registered public accounting firm for 2016. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. Even if this appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of PwC are expected to attend the Annual Meeting, will have an opportunity to make a statement if they desire to do so, and will be available to respond to questions.

The Board recommends that stockholders vote FOR the ratification of PwC as the Company's independent registered public accounting firm.
