FORWARD-LOOKING STATEMENTS

Shopify has made in this annual report on Form 40-F and the documents filed as Exhibits hereto, and from time to time may otherwise make, forward-looking statements under the provisions of the United States Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act, and Section 21E of the Exchange Act, and forward-looking information within the meaning of applicable Canadian securities legislation.

The Company's actual future results may be materially different from any future results expressed or implied by these forward-looking statements.

The forward-looking statements represent the Company's views as of the date of this annual report on Form 40-F. The Company anticipates that subsequent events and developments may cause these views to change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company has no current intention of doing so except to the extent required by applicable law. Therefore, these forward-looking statements do not represent the Company's views as of any date other than the date of this annual report on Form 40-F.

See Shopify's annual information form for the year ended December 31, 2017, attached as Exhibit 1.1 to this Annual Report on Form 40-F, under the heading "Forward-Looking Information" and Shopify's management's discussion and analysis for the year ended December 31, 2017, attached as Exhibit 1.3 to this Annual Report on Form 40-F (the "Shopify 2017 MD&A"), under the heading "Forward-looking statements", for a discussion of forward-looking statements.

A. Disclosure Controls and Procedures and Internal Control Over Financial Reporting

All control systems, no matter how well designed, have inherent limitations. Accordingly, even disclosure controls and procedures and internal controls over financial reporting determined to be effective can only provide reasonable assurance of achieving their control objectives with respect to financial statement preparation and presentation.

Disclosure Controls and Procedures

Management of the Company, under the supervision of the Chief Executive Officer and Chief Financial Officer, is responsible for establishing and maintaining disclosure controls and procedures (as defined by the Commission in Rule 13a-15(e) under the Exchange Act for the Company to ensure that material information relating to the Company, including its consolidated subsidiaries, that is required to be made known to the Chief Executive Officer and Chief Financial Officer by others within the Company and disclosed by the Company in reports filed or submitted by it under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms; and (ii) accumulated and communicated to the Company's management, including its Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosure.

We, including the Chief Executive Officer and Chief Financial Officer, have evaluated the effectiveness of the Company's disclosure controls and procedures as of December 31, 2017 and have concluded that the Company's disclosure controls and procedures were effective as of December 31, 2017. See "Disclosure Controls and Procedures and Internal Control Over Financial Reporting" in the Shopify 2017 MD&A, filed as Exhibit No. 1.3 to this Annual Report on Form 40-F.

Management's Annual Report on Internal Control over Financial Reporting

Management of the Company, under the supervision of the Chief Executive Officer and the Chief Financial Officer, is responsible for establishing and maintaining adequate internal control over the Company's financial reporting. Internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with United States generally accepted accounting principles.

We, including the Chief Executive Officer and Chief Financial Officer, have assessed the effectiveness of the Company's internal control over financial reporting in accordance with Internal Control - Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO"). Based on this assessment, we, including the Chief Executive Officer and Chief Financial Officer, have determined that the Company's internal control over financial reporting was effective as at December 31, 2017. Additionally, based on our assessment, we determined that there were no material weaknesses in the Company's internal control over financial reporting as at December 31, 2017. See "Management's Annual Report on Internal Control Over Financial Reporting" in Shopify's audited consolidated financial statements for the year ended December 31, 2017 (the "Shopify 2017 Financial Statements"), filed as Exhibit 1.2 to this Annual Report on Form 40-F.

Auditors' Report on Internal Control over Financial Reporting

The effectiveness of the Company's internal control over financial reporting as at December 31, 2017 has been audited by PricewaterhouseCoopers LLP, an independent registered public accounting firm, as stated in their report which accompanies Shopify 2017 Financial Statements, and is incorporated herein by reference.

Changes in Internal Control over Financial Reporting

During the year ended December 31, 2017, there were no significant changes in the Company's internal control over financial reporting, or any other factors that could significantly affect such internal control, that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

B. Identification of the Audit Committee

The board of directors of the Company (the "Board") has a separately designated standing audit committee (the "Audit Committee") established in accordance with section 3(a)(58)(A) of the Exchange Act. The Board has appointed three independent directors, Steven Collins (Chair), Robert Ashe and Gail Goodman, to the Audit Committee.

C. Audit Committee Financial Expert

The Board has determined that Steven Collins, the Chair of the Audit Committee, is qualified as an "audit committee financial expert" within the meaning of Item 407 of Regulation S-K. The Board has further determined that all members of the Audit Committee are "independent" within the meaning of applicable Commission regulations and the listing standards of the New York Stock Exchange (the "NYSE").

The Commission has indicated that the designation of a person as an audit committee financial expert does not make such person an "expert" for any purpose, or impose any duties, obligations or liability on such person that are greater than those imposed on members of the Audit Committee and the Board who do not carry this designation, or affect the duties, obligations or liability of any other member of the Audit Committee or Board.

D. Code of Ethics

The Company's code of ethics, the Shopify Code of Conduct, is applicable to all of its directors, officers and employees, including the Chief Executive Officer, Chief Financial Officer, Controller, and persons performing similar functions. The Shopify Code of Conduct is available on the Company's website at <https://investors.shopify.com/governance/governance-documents/default.aspx>. Except for the Shopify Code of Conduct, and notwithstanding any reference to Shopify's website or other websites in this annual report on Form 40-F or in the documents incorporated by reference herein or attached as Exhibits hereto, no information contained on the Company's website or any other site shall be incorporated by reference in this annual report on Form 40-F or in the documents incorporated by reference herein or attached as Exhibits hereto.

E. Principal Accountant Fees and Services

The aggregate amounts paid or accrued by the Company with respect to fees payable to PricewaterhouseCoopers LLP, the auditors of the Company, for audit (including separate audits of wholly-owned and non-wholly owned entities, financings, regulatory reporting requirements and SOX related services), audit-related, tax and other services in the years ended December 31, 2017 and 2016 were as follows:

Audit Fees

Audit fees relate to the audit of our annual consolidated financial statements, the review of our quarterly condensed consolidated financial statements and services in connection with our registration statement on Form F-10 (related to our May 2017 public offering of Class A subordinate voting shares).

Audit--Related Fees

Audit-related fees consist of aggregate fees for accounting consultations and other services that were reasonably related to the performance of audits or reviews of our consolidated financial statements and were not reported above under "Audit Fees."

Tax Fees

Tax fees relate to assistance with tax compliance, expatriate tax return preparation, tax planning and various tax advisory services.

All Other Fees

Other fees are any additional amounts for products and services provided by the principal accountants, other than the services reported above under "Audit Fees," "Audit-Related Fees" and "Tax Fees".

Audit Committee Pre--Approval Policies and Procedures

From time to time, management recommends to and requests approval from the Audit Committee for audit and non-audit services to be provided by the Company's auditors. The Audit Committee considers such requests, if applicable, on a quarterly basis, and if acceptable, pre-approves such audit and non-audit services. During such deliberations, the Audit Committee assesses, among other factors, whether the services requested would be considered "prohibited services" as contemplated by the SEC, and whether the services requested and the fees related to such services could impair the independence of the Company's auditors.

The Audit Committee considered and agreed that the fees paid to the Company's auditors in the years ended December 31, 2017 and 2016 are compatible with maintaining the independence of the Company's auditors. The

Audit Committee determined that, in order to ensure the continued independence of the auditors, only limited non-audit services will be provided to the Company by PricewaterhouseCoopers LLP.

Since the implementation of the Audit Committee pre-approval process in November 2015, all audit and non-audit services rendered by our auditors have been pre-approved by the Audit Committee.

F. Off--Balance Sheet Arrangements

We have no material off-balance sheet arrangements, other than operating leases (which have been disclosed under "Contractual Obligations and Contingencies" in the Shopify 2017 MD&A).

G. Tabular Disclosure of Contractual Obligations

See Shopify 2017 MD&A, under the heading "Contractual Obligations and Contingencies", which section is incorporated by reference in this annual report on Form 40-F, for a tabular disclosure and discussion of contractual obligations.

H. NYSE Exemptions

Section 310.00 of the NYSE Listed Company Manual generally requires that a listed company's by-laws provide for a quorum for any meeting of the holders of the company's common shares that is sufficiently high to ensure a representative vote. Pursuant to the NYSE corporate governance rules we, as a foreign private issuer, have elected to comply with practices that are permitted under Canadian law in lieu of the provisions of Section 310.00. Our by-laws provide that the holders of at least 25% of the shares entitled to vote at the meeting, present in person or represented by proxy, and at least two persons entitled to vote at the meeting, present in person or represented by proxy, constitutes a quorum.

Except as stated above, we are in compliance with the rules generally applicable to U.S. domestic companies listed on the NYSE. We may in the future decide to use other foreign private issuer exemptions with respect to some of the other NYSE listing requirements. Following our home country governance practices, as opposed to the requirements that would otherwise apply to a company listed on the NYSE, may provide less protection than is accorded to investors under the NYSE listing requirements applicable to U.S. domestic issuers.

I. Undertaking

Registrant undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the Commission staff, and to furnish promptly, when requested to do so by the Commission staff, information relating to: the securities registered pursuant to Form 40-F; the securities in relation to which the obligation to file an annual report on Form 40-F arises; or transactions in said securities.
