**ITEM 4.01. CHANGES IN REGISTRANT’S CERTIFIED ACCOUNTANT.**

On December 11, 2017, Calmare Therapeutics Incorporated (the “Company”) was notified by BDO USA, LLP (the “Accountants”) that the Accountants have resigned as the Company’s independent auditors. The Company has commenced the process of identifying another independent, outside auditor for the Company and will disclose the selection when made on a subsequent current report on Form 8-K.

The Accountants have not yet provided reports on the Company’s financial statements and have therefore not provided an adverse opinion or disclaimer of opinion or qualified or modified its opinion.

The Company has not had any disagreements with the Accountants.

In the letter to the Audit Committee on December 11, 2017, the Accountants stated that the following areas “appear to represent” material weaknesses in the Company’s internal controls over financial reporting: (i) revenue recognition; (ii) inventory; (iii) deferment of wages and/or commissions; (iv) defaults under loans; (v) lapse of D&O insurance coverage; (vi) loans from the Chairman of the Audit Committee to the Company; (vii) certain tax considerations that have not been addressed by the Company; and (viii) the failure of the Company to provide detailed analysis of the accounting and reporting considerations for most ongoing or new debt and equity transactions. The Accountants recommended that the Audit Committee evaluate with management the weaknesses noted above.

Our Audit Committee plans to pursue these matters and will authorize the Accountants to respond fully to the inquiries of our successor accountant concerning the subject matter addressed in its resignation letter.

We will provide the Accountants with a copy this Form 8-K prior.
