BACKGROUND

As previously disclosed on May 4, 2016, on August 28, 2015, three creditors of Positron Corporation (the “Registrant”) filed an involuntary Chapter 11 petition against the Registrant in the U.S. Bankruptcy Court for the Northern District of Texas, Lubbock Division (“Bankruptcy Court”) under Case No. 15-502015-rlj.

As previously disclosed, the Registrant and the petitioning creditors filed a joint motion to approve a structured dismissal agreement pursuant to bankruptcy rule 9019 on May 2, 2016. A hearing to consider approval of the structured dismissal agreement was to be held on June 22, 2016.

The structured dismissal agreement was not approved by the Bankruptcy Court, and on September 7, 2016 an Order for Relief was entered by the Bankruptcy Court.

On November 22, 2016, the Bankruptcy Court granted the Company's motion to approve a settlement agreement whereby the Registrant transferred all of the assets of Positron's subsidiary Manhattan Isotope Technology, LLC to DX, LLC ("DX") (DX is one of the three petitioning creditors, DX, LLC. is owned by Cecil O'Brate a now former Positron shareholder) in exchange for the forgiveness of a secured promissory note in the amount of \$451,590 held by DX and the forgiveness of all claims by DX and Jason and Suzanne Kitten. In addition to the above, Cecil O'Brate, Jason and Suzanne Kittens and the O'Brate Group agreed to relinquish all of the shares held by them of the Registrant's capital stock.

On March 27, 2017, the Registrant filed a Plan of Reorganization (“Plan”) and Disclosure Statement (the “Disclosure Statement”) with the Bankruptcy Court. The Plan was solicited by the Registrant and approved by the four classes entitled to vote on the Plan: Class 1-Claim of Tradex Global Advisors LLC (“Tradex”); Class 3-Priority Wage Claims; Class 5-General Unsecured Claims; and Class 6-General Unsecured Claims-Insider Notes of the Registrant.

On April 26, 2017, following a confirmation hearing, the Bankruptcy Court entered an order (“Confirmation Order”) confirming the Registrant’s amended Plan.

The following is a summary of the material terms of the Plan (capitalized terms used but not defined in this Current Report on Form 8-K have the meaning set forth in the Plan):

The Plan provided for the payment of administrative and certain priority claims in full, payment of \$125,000 to Tradex from the sale of the Registrant’s real property located in Westmont, IL (“Westmont Real Property”), payment in full of priority wage claims in Class 3 over a period of thirty six (36) months, a distribution of a total of \$50,000 to Class 5 General Unsecured Claims over a period of thirty six (36) months (representing approximately a 5% distribution) and granting Class 6 General Unsecured Claims-Insider Notes an option to convert their notes to equity in the Reorganized Company. All payments and distributions under the Plan were funded by the sale of the Westmont Real Property and by the going forward business operations of the Registrant.

On October 4, 2017, the Registrant was granted a Final Decree for Reorganization in Texas Court (the “Final Decree”). The Final Decree set forth a schedule for repayment of obligations which is currently being met. All shareholder classes remained intact, except Cecil O’Brate whose 3,276,298 shares were returned to the Registrant’s treasury in connection with the DX settlement.

Item 1.01. Entry into a Material Definitive Agreement

On April 26, 2017, the Bankruptcy Court entered into an order confirming the Company’s Amended Plan of Reorganization. The terms of the Plan are more fully set forth in Item 1.03 below and are incorporated herein by reference.
