Incorporated in the Republic of South Africa
ISIN: ZAE000015228
JSE share code: HAR
("Harmony" or "the company")

TRADING STATEMENT FOR THE SIX MONTHS ENDED 31 DECEMBER 2016

Johannesburg. 30 January 2017: In terms of paragraph 3.4(b) of the Listings Requirements of the JSE Limited, a company listed on the JSE is required to publish a trading statement as soon as they are satisfied that a reasonable degree of certainty exists that the financial results for the period to be reported upon next will differ by at least 20% from the financial results for the previous corresponding period.

Shareholders of Harmony Gold Mining Company Limited ("Harmony" and/or "the Company") are advised that a reasonable degree of certainty exist that earnings for the six months ended 31 December 2016 will be higher than for the six months ended 31 December 2015 ("the previous comparable period"), primarily due to an increase in the average gold spot price received, the recognition of a gain on the Hidden Valley acquisition and the gains recognised on the gold and currency hedges.

Headline earnings per share ("HEPS") are expected to be between 139 and 160 cents per share, which is between 235% and 255% higher than the headline loss of 103 cents per share reported for the previous comparable period in 2015.

In US dollar terms, HEPS are expected to be between 10 and 11 US cents per share, which is between 230% and 255% higher than the headline loss of 8 US cents per share reported for the previous comparable period in 2015.

Earnings per share ("EPS") are expected to be between 341 and 361 cents per share, which is between 434% and 454% higher than the loss of 102 cents per share reported for the previous comparable period.

In US dollar terms, EPS are expected to be between 24 and 26 US cents per share, which is between 436% and 465% higher than the loss of 7 US cents per share reported for the previous comparable period.

"We achieved all we set out to in the six months from 1 July 2016 to 31 December 2016. We improved our safety performance and increased production. Safe mines are profitable mines and profitable mines strengthen our margins", said Peter Steenkamp, chief executive officer of Harmony.

The financial information on which this trading statement has been based, has not been reviewed or reported on by Harmony's external auditors. Harmony will publish its financial results for the six months ended 31 December 2016 on 2 February 2017. Please refer to our website (www.harmony.co.za) for the details of our live results presentation to take place at 9:00 on the 2nd of February 2017 at the Hilton Hotel, Sandton.
