Item 1.01 Entry into a Material Definitive Agreement.

On February 19, 2019 the Company's Board of Directors approved (the "Board Action") the designation of five million (5,000,000) shares of the Company's Preferred Stock (par value \$0.00001) as Series B Preferred Stock (the "Series B Shares") and the issuance of all of the Series B Shares to John Cecil, the Company's President and Chief Executive Officer pursuant to which the Company and John Cecil entered into that certain Investment Agreement of the same date (the "Agreement").

The rights and privileges of the Series B Shares are set forth in that certain Certificate of Designation of Preferences (the "Certificate") which provides in material part the following:

- (1) The Series B Shares are entitled to receive cash dividends from funds legally available on a pro rata basis at and with any dividends that may be paid to the holders of the Company's Common Stock.

In the event that the Company at any time and from time to time effectuates a recapitalization of the Company's (2)Common Stock by or through a reverse stock split (the "Recapitalization Event"), any such Recapitalization Event shall have no effect on the rights of the Series B Shares.

In the event of any consolidation or merger of the Company which is in the nature of the winding up of the Company's business or sale of all or substantially all of the Company's assets (a "Liquidation"), each holder of record of shares of the Series B Shares shall be entitled to be paid in cash in respect of each such share an amount (3) equal to and at the same time as any amount that may be paid to the holders of the Company's Common Stock with any such amount equal, on a per share basis, to the amount paid per share to the holders of the Company's Common Stock.

(4) The Series B Shares are not convertible into shares of the Company's Common Stock.

(5) The Series B Shares may not be redeemed except upon written approval of any holder of the Series B Shares.

Except as otherwise provided by law, each share of Series B Shares shall be entitled, on all matters on which any of the shareholders are required or permitted to vote, to one thousand (1,000) votes per share. And except as provided expressly by the Certificate or as required by law, the holders of the Series B Shares shall vote together with the Common Stock shareholders and not as a separate class. So long as any shares of the Series B Shares remain outstanding, the Company shall not, without first obtaining the approval (by vote or written consent) of the (6) holders of at least a majority of the total number of shares of the Series B Shares then outstanding voting separately as a class, alter or change, in any material respect, the rights, preferences or privileges or the restrictions of the shares of the Series B Shares whether by amendment of the Company's Certificate of Designation of Preferences or otherwise. At any meeting at which the holders of the Series B Shares are entitled to vote as a class pursuant to this provision, the holders of a majority of all outstanding shares of Series B Shares, present in person or represented by proxy, shall be necessary to constitute a quorum.

At no time from and after the approval of the issuance of the Series B Shares, shall the Company establish, create, authorize, or otherwise approve the issuance of any one or more series or class of the Company's Preferred Stock or (7) the amendment to any series or class of the Company's existing Preferred Stock or any other form of capital stock that would reasonably result in the diminution or reduction in the rights and privileges of the Series B Shares unless the Company secures the express written consent of all of the holders of the Series B Shares giving their unequivocal approval to such diminution or reduction.

As a result of the Board Action and the approval of the designation of the rights and privileges of the Series B Shares as summarized above and as forth in the Certificate together with the issuance of the 5,000,000 Series B Shares to John Cecil pursuant to the Agreement, John Cecil holds an aggregate of five billion votes as the holder of the 5,000,000 Series B Shares in addition to: (1) his voting rights as a holder of the Company's Common Stock; and (2) his voting rights derived from the 70,000,000 shares of the Company's Series A Preferred Stock issued to him previously and thereby is able to control the Company and determine the composition of the Company's Board of Directors. See the Voting Rights Table (below).

A copy of the Certificate and the Investment Agreement are each attached as exhibits to this Form 8-K.

Item 3.02 Unregistered Sales of Equity Securities.

On February 19, 2019 the Company's Board of Directors approved the designation of five million (5,000,000) shares of the Company's Preferred Stock (par value \$0.00001) as Series B Preferred Stock (the "Series B Shares") and the issuance of all of the Series B Shares to John Cecil, the Company's President and Chief Executive Officer pursuant to which the Company and John Cecil entered into that certain Investment Agreement of the same date (the "Agreement").

The issuance of the Series B Shares to John Cecil was undertaken without the participation or use of any underwriter, placement manager or any other third party and the Series B Shares were issued solely in consideration for his services to the Company.

The issuance of the Series B Shares was undertaken upon a claim to the exemption provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the "1933 Act") and upon the exemption provided by Regulation S as promulgated by the Securities and Exchange Commission thereunder.

The Company did not receive any proceeds from the issuance of the Series B Shares.

All of the Series B Shares are "restricted securities" as that term is used in the 1933 Act and for that reason the Company received assurances that John Cecil was acquiring the Series B Shares for investment purposes only and not with a view to any re-sale or distribution of the Series B Shares.

Item 3.03 Material Modification to Rights of Security Holders.

On February 19, 2019 the Company's Board of Directors approved the designation of five million (5,000,000) shares of the Company's Preferred Stock (par value \$0.00001) as Series B Preferred Stock (the "Series B Shares") and the issuance of all of the Series B Shares to John Cecil, the Company's President and Chief Executive Officer pursuant to which the Company and John Cecil entered into that certain Investment Agreement of the same date (the "Agreement").

As a result of the Company's issuance of the Series B Shares, the Company's Common Stock and the holders of the Company's Common Stock will not have any real ability to control or influence the Company's affairs.

Item 5.01 Changes in Control of Registrant.
