This current report on Form 8-K/A (the “Amendment”) amends the current report on Form 8-K dated May 3, 2017 filed by Adams Resources & Energy, Inc. (the “Company”) with the Securities and Exchange Commission (the “Original Form 8-K”). The Original Form 8-K reported the final voting results of the Company’s 2017 Annual Meeting of Shareholders (the “2017 Annual Meeting”). The sole purpose of this Amendment is to disclose the Company’s decision regarding how frequently it will conduct future shareholder advisory votes to approve the compensation of the Company’s named executive officers. No other changes have been made to the Original Form 8-K.

Item 5.07. Submission of Matters to a Vote of Security Holders.

As reported in the Original Form 8-K, at the Company’s 2017 Annual Meeting, the Company’s shareholders recommended, consistent with the recommendation of the Board of Directors, that the Company hold future advisory votes to approve executive compensation every year. After considering the results of the shareholders’ vote at the 2017 Annual Meeting, the Board of Directors determined that it is in the best interest of the Company and its shareholders to hold an advisory vote to approve executive compensation on an annual basis until the next required shareholder vote on the frequency of future advisory votes to approve executive compensation.
