Employment Contracts and Termination of Employment and Change-in-Control Arrangements

The Company has an employment agreement with Mr. Stonecipher that commenced in January 1993, and, unless sooner terminated, expires on June 30, 2003. Under the terms of the employment agreement, Mr. Stonecipher is to receive compensation as determined by the Board of Directors but not less than \$157,755 per year. In addition to his annual salary, Mr. Stonecipher also is entitled to receive a supplemental retirement benefit in the amount of \$26,000 per year payable on the first day of the month following his termination of employment and annually thereafter until the earlier of his death or the date upon which ten such payments have been made. Mr. Stonecipher must meet certain minimal conditions subsequent to the termination of his employment in order to receive such payments. The Company's obligation pursuant to the employment agreement is subject to the continuation of a certain split dollar life insurance agreement between the Company and Shirley A. Stonecipher, Mr. Stonecipher's wife, described below. If the Company terminates the employment agreement for any reason (other than Mr. Stonecipher's death) or Mr. Stonecipher terminates the agreement for certain specified events including a change of control of the Company (as defined in the agreement), the Company is required to pay Mr. Stonecipher a lump sum payment equal to the present value (using a 3% discount rate) of the remaining salary and retirement benefits throughout the term of the contract.

Pursuant to an agreement with the Company, Mr. Stonecipher is also entitled to an override commission, payable monthly, in an amount equal to \$.025 per active membership as compensation for his efforts in assisting in the growth and development of new production for the Company and its subsidiaries. The agreement provides that the amount of the commissions shall in no event exceed

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

\$20,000 per month. The payment of such commissions to Mr. Stonecipher continues during his lifetime. The agreement requires that Mr. Stonecipher devote reasonable efforts to the generation of new membership sales for the Company. The amounts paid to Mr. Stonecipher under this agreement during the fiscal year ended December 31, 2001 are reflected in the summary compensation table set forth above. Mr. Stonecipher has deferred payments under this agreement of \$277,132 at December 31, 2001. Mr. Stonecipher also receives a portion of the annualized commission revenue of PPL Agency, Inc., which is owned by Mr. Stonecipher as a nominee for the Company. See "Certain Relationships and Related Transactions." Such amounts paid to Mr. Stonecipher are also reflected in the summary compensation table set forth above.

Commencing in January 1997, the Company implemented its "Fast Start to Success" program pursuant to which electing marketing associates may participate in Company-sponsored sales training programs, including use of a video and other training aides developed by the Company. The cost to each marketing associate for participation in the program is typically \$249, except for special promotions the Company implements from time to time. Mr. Stonecipher receives a payment of \$10 for each marketing associate who participates in the program. Such amounts paid to Mr. Stonecipher in connection with the "Fast Start to Success" program are reflected in the summary compensation table set forth above. Mr. Stonecipher has deferred payments under this agreement of \$154,650 at December 31, 2001.

In July 1984, the Company entered into a life insurance arrangement with Shirley A. Stonecipher, Mr. Stonecipher's wife, whereby the Company agreed to pay premiums on a life insurance policy covering Mr. Stonecipher. The face amount of the policy is \$600,000 and Mrs. Stonecipher is the owner and beneficiary. Mrs. Stonecipher has an agreement with the Company whereby upon Mr. Stonecipher's death, the proceeds of the policy will be paid to the Company in an amount sufficient to reimburse premiums paid to date by the Company and any supplemental retirement payments made pursuant to his employment contract. This agreement is secured by a collateral assignment of the policy proceeds.

Board of Director Interlocks and Insider Participation in Executive Compensation Decisions

The Board of Directors of the Company is responsible for establishing compensation of Harland C. Stonecipher, Chairman and Chief Executive Officer of the Company. Mr. Stonecipher establishes the cash compensation of all other executive officers. The Board of Directors does not have a standing compensation committee. Since Mr. Stonecipher's cash compensation for 2001 was determined pursuant to his employment agreement and other arrangements with the Company approved by the Board of Directors prior to 2001, the Board of Directors did not have any deliberations during 2001 relating to Mr. Stonecipher's cash compensation for such year. However, during 2001, the Board of Directors approved the grant of stock options to Mr. Stonecipher, Randy Harp, Steve Williamson and Kathleen S. Pinson, each executive officers and directors of the Company, for the purchase of 100,000, 80,000, 15,000 and 5,000 shares, respectively, under the Company's Stock Option Plan. Messrs. Stonecipher, Smith and Harp and Ms. Pinson participated in the deliberations of the Board of Directors with respect to such stock option grants.

The Board does not have a standing compensation committee. The Company's compensation of executives is established to provide reasonable base salaries

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

and other compensation in the form of cash and equity incentive compensation opportunities that are linked to performance of the Company and increases in shareholder value.

The base salary of Mr. Stonecipher for 2001 was as provided in his employment agreement with the Company entered into in 1993. The principal terms of his employment agreement are described elsewhere herein. See "Executive Compensation and Other Information - Employment Contracts and Termination of Employment and Change-in-Control Arrangements." The level of base salary for Mr. Stonecipher in the employment agreement was determined through negotiations with Mr. Stonecipher at the time the employment agreement was entered into, and the base salaries of the other executive officers of the Company for 2001 were determined by Mr. Stonecipher based upon his assessment of the respective executive officer's performance and potential contribution to the Company's financial and operational objectives.

Pursuant to his employment agreement, Mr. Stonecipher receives a monthly override commission of \$.025 per active membership, subject to certain limitations, and a portion of the annualized commission revenue of PPL Agency, Inc., which is owned by Mr. Stonecipher as a nominee of the Company. During 2001, Mr. Stonecipher received \$296,576 pursuant to these commission-based incentive compensation arrangements. These arrangements foster the goals of the Company's compensation policy by linking a significant portion of the chief executive officer's annual compensation to the level of revenues derived from active memberships, thereby creating strong financial incentives to the chief executive officer for the continued growth of the Company's membership base. During 2001, new membership sales increased 9% to 728,295 compared to 670,118 during 2000, and active memberships in force of 1,242,908 at December 31, 2001 increased 17% compared to 1,064,805 memberships in force at December 31, 2000. Over the last five years, the compounded growth rate of the Company's active membership base has exceeded 33% per year and earnings per share has grown from \$.08 per share to \$1.26 per share for 2001.

During 1997, the Company implemented its "Fast Start to Success" program. The "Fast Start to Success" program is a Company-sponsored field training program for the Company's marketing associates that utilizes audio, video and other training aides developed by the Company and is designed to increase new memberships sold and new sales associates recruited per participating associate. Participating associates are required to pay the Company a one-time training fee to offset the Company's direct and indirect costs incurred in developing and maintaining the program. Mr. Stonecipher receives a payment from the Company of \$10 for each marketing associate who participates in the "Fast Start to Success" program. Such payments totaled \$1,176,980 during 2001. Mr. Stonecipher was instrumental in the conception and development of the program, which the Board believes has enhanced the Company's marketing efforts and contributed to the growth of new membership sales during 2001. Mr. Stonecipher's compensation in connection with the program represents another element in the Company's incentive compensation policy designed to link significant portions of the chief executive officer's compensation with growth in the Company's membership base.

The Company maintains a Stock Option Plan (the "Plan") pursuant to which the Board may grant options to purchase Common Stock to directors and employees of the Company, including the executive officers. The exercise price of options granted under the Plan may not be less than the fair market value per share of Common Stock on the date of grant. In authorizing option awards under the Plan to executive officers, the Board considers various factors including the recommendation of the Chairman, the relative responsibilities of the optionee, the Board's subjective evaluation of the optionee's performance, and the optionee's relative equity interest in the Company in the form of stock and options. The Board granted options during 2001 to the Company's executive officers as follows: Harland C. Stonecipher - 100,000; Randy Harp - 80,000, Steve Williamson - 15,000 and Kathleen S. Pinson - 5,000. The Board considers

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

stock options to be an important element of the Company's incentive compensation policies and anticipates that additional options will be granted to certain executive officers during 2002.

The Board of Directors has not adopted a policy with respect to qualification of executive compensation in excess of \$1 million per individual for deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder. In evaluating any policy for future periods, the Board of Directors would expect to consider a number of factors, including the nature of the Company's compensatory arrangements under employment contracts or otherwise, the materiality of amounts likely to be involved and potential ramifications of any loss of flexibility to respond to unforeseeable changes in circumstances that might result from such policy.

The preceding report is presented by each of the current members of the Board of Directors.

Shareholder Return Performance Graph

The following graph compares the cumulative total shareholder returns of the Company's Common Stock during the five years ended December 31, 2001 with the cumulative total shareholder returns of the Russell 2000 Index, the Media General Personal Services industry index and a selected peer group. The peer group consists of companies principally engaged in activities within the Standard Industrial Classification Code applicable to the activities of the Company (Insurance Carriers Not Elsewhere Classified) and prior to this year included the following companies: E. W. Blanch Holdings, Inc.; Enhance Financial Services Group, Inc.; Great American Financial Resources; Hallmark Financial Services, Inc.; Healthnet, Inc. and Horace Mann Educators Corporation. Since two of the six companies, E. W. Blanch Holdings, Inc. and Enhance Financial Services Group, Inc. were acquired and are no longer reporting entities, the Company has selected Media General's Personal Services industry index to use in place of the peer group. The following graph includes the remaining four companies in the peer group. The Company had initially selected this peer group because there are no comparable issuers with publicly traded securities that are engaged principally in the development, underwriting and marketing of prepaid legal service plans. For 2001 and following years, the Company will use the Media General Personal Services industry index because the peer group previously selected has become too small and the Personal Services index is the industry index which, in the Company's opinion, is the best available index to use for comparative return purposes. The comparison assumes an investment of \$100 on January 1, 1997 in each of the Company's Common Stock, the Russell 2000 Index, Media General's Personal Services industry index and the peer group and that any dividends were reinvested.

COMPLIANCE WITH SECTION 16 REPORTING REQUIREMENTS

Mr. Savula, a director of the Company did not file a Form 4 relating to one transaction for November 2000 until February 2001 and Mr. Smith, President and a director of the Company did not file a Form 4 relating to three transactions for January 2001 until March 2001.

VOTING

Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting. All other matters properly brought before the Annual Meeting, if any, will be decided by a majority of the votes cast on the matter, unless otherwise required by law

Shares represented by proxies which are marked "withhold authority" with respect to the election of any one or more nominees for election as directors will be counted for the purpose of determining the number of shares represented by proxy at the meeting. However, because directors are elected by a plurality rather than a majority of the shares present in person or represented by proxy at the Annual Meeting, proxies marked "withhold authority" with respect to any one or more nominee will not affect the outcome of the nominee's election unless the nominee receives no affirmative votes or unless other candidates are nominated for election as directors.

Shares represented by limited proxies will be treated as represented at the meeting only as to such matter or matters for which authority is granted in the limited proxy. Shares represented by proxies returned by brokers where the brokers' discretionary authority is limited by stock exchange rules will be treated as represented at the Annual Meeting only as to such matter or matters voted on in the proxies.

INDEPENDENT PUBLIC ACCOUNTANTS

The Company engaged Grant Thornton LLP as its independent accountants in September 2001. Grant Thornton LLP served as the Company's independent accountants for the year ended December 31, 2001. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting, with the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

In addition, the proxy solicited by the Board of Directors for the 2003 Annual Meeting will confer discretionary authority to vote on any such shareholder proposal presented at the 2003 Annual Meeting unless the Company is provided with notice of such proposal no later than ninety days prior to the date of the 2003 annual meeting.
