Annual Meeting of Shareholders
April 3, 2003

PROXY STATEMENT

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

Edgar Filing: HURCO COMPANIES INC - Form DEF 14A

This Proxy Statement is furnished to the holders (the "Shareholders") of common stock of Hurco Companies, Inc. ("Hurco" or the "Company") in connection with the solicitation of proxies by the Board of Directors for the 2003 Annual Meeting of Shareholders to be held at 10:00 a.m. EST on Thursday, April 3, 2003 at the corporate headquarters of Hurco Companies, Inc., One Technology Way, Indianapolis, Indiana, and at any adjournments thereof. This Proxy Statement and the accompanying form of proxy are being mailed to the Shareholders on or about February 21, 2003. Proxies are being solicited principally by mail. Directors, officers and regular employees of Hurco may also solicit proxies personally by telephone, telegraph or otherwise. All expenses incident to the preparation and mailing to the Shareholders of the Notice, Proxy Statement and form of Proxy will be paid by Hurco.

Shareholders of record as of the close of business on February 7, 2003, are entitled to notice of and vote at the Annual Meeting or any adjournments thereof. On such record date, Hurco had 5,583,158 shares of common stock outstanding and entitled to vote. Each share will be entitled to one vote with respect to each matter submitted to a vote. The presence in person or by proxy of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business.

If the enclosed form of proxy is executed and returned, it may be revoked at any time before it is voted by giving written notice to the Secretary of the Company. If a Shareholder executes more than one proxy, the proxy having the latest date will revoke any earlier proxies. Shareholders who attend the Annual Meeting may revoke their proxies and vote in person.

A proxy, if returned properly executed and not subsequently revoked, will be voted in accordance with the instructions of the Shareholder in the proxy. If no instructions are given, the proxy will be voted for the election of the Board of Directors' nominees named in this Proxy Statement. Directors will be elected by a plurality of the votes cast. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owners. Shares that are not voted with respect to a specific proposal will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Neither the non-voting of shares nor abstentions will affect the matters to be voted on at the Annual Meeting.

ELECTION OF DIRECTORS

The Board of Directors currently consists of six members and the Board has nominated six persons for election as directors. All nominees are currently directors. Each director will serve for a term of one year, which expires at the next Annual Meeting of Shareholders of the Company, when his successor has been elected. The six nominees are: Robert W. Cruickshank, Michael Doar, Richard T. Niner, O. Curtis Noel, Charles E. Mitchell Rentschler and Gerald V. Roch. Unless authority is specifically withheld, the shares represented by the enclosed form of proxy will be voted in favor of these nominees.

If any of these nominees becomes unable to accept election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Board may recommend. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board of Directors knows of no reason why any of the nominees would be unable to accept election.

Board Meetings and Committees

During the last fiscal year, the Board of Directors held five meetings. All of the current directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which they served.

The Board has an Audit Committee that held seven meetings during the last fiscal year. The Audit Committee has the authority to oversee the Company's accounting and financial reporting activities, and meets with the Company's independent accountants and Chief Financial Officer to review the scope, cost and results of the annual audit and to review internal accounting controls, policies and procedures. The report of the Audit Committee is included on page 9 of this Proxy Statement. The Audit Committee selects the independent accountants of Hurco. See INDEPENDENT ACCOUNTANTS on page 13.

The Board has a Compensation Committee that held two meetings during the last fiscal year. The Compensation Committee reviews and recommends to the Board the compensation of the officers and managers of Hurco and guidelines for the general wage structure of the entire workforce. The Compensation Committee also oversees the administration of the Company's employee benefit plans. Shareholders who wish to nominate persons for election as directors must comply with the advance notice and eligibility requirements contained in the Company's By-laws, a copy of which is available upon request. Such requests and any nominations should be addressed to the Secretary, Hurco Companies, Inc., One Technology Way, P.O. Box 68180, Indianapolis, Indiana 46268.

Each director who is not a full-time employee of the Company receives a fee of \$1,500 for each meeting of the Board of Directors attended. Each such director also receives \$5,000 per fiscal quarter. Directors are also entitled to receive reimbursement for travel and other expenses incurred in attending such meetings.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of the Company's common stock, to file reports of ownership with the Securities and Exchange Commission and Nasdaq. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that they were not required to file a Form 5 to report previously unreported ownership or changes in ownership, the Company believes that, during its fiscal year ending October 31, 2002, its officers, directors and greater than 10% beneficial owners complied with all filing requirements under Section 16(a).

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors establishes policies relating to the compensation arrangements of the Chief Executive Officer and all other executive officers and oversees the administration of the Company's employee benefit plans. All decisions of the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board.

Compensation Policy

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policy integrates annual base compensation with incentive compensation plans based upon corporate performance and individual initiatives and performance. Measurement of corporate performance is primarily based on Company goals and industry performance levels. Accordingly, in years in which performance goals and industry levels are achieved or exceeded, executive compensation tends to be higher than in years in which performance is below expectations. Annual cash compensation, together with stock option incentives, are designed to attract and retain qualified executives and to ensure that such executives have a continuing stake in the long-term success of the Company.

Stock options are granted from time to time to key employees, based primarily on such person's potential contribution to the Company's growth and profitability. The Compensation Committee feels that stock options are an effective incentive for managers to create value for shareholders since the value of an option bears a direct relationship to the Company's stock price. The Compensation Committee believes that linking compensation for the Chief Executive Officer and all other executive officers to corporate performance results in a better alignment of

Edgar Filing: HURCO COMPANIES INC - Form DEF 14A

compensation with corporate goals and shareholder interest. As performance goals are met or exceeded, resulting in increased value to shareholders, executives are rewarded commensurately.

Fiscal 2002 Executive Compensation

For fiscal 2002, the Company's compensation program for the Chief Executive Officer and all other executive officers consisted of (i) base salary; (ii) bonus awards based upon the performance measurements described above; and (iii) stock option awards. During fiscal year 2002, the annual compensation of the Chief Executive Officer consisted of base salary and stock options, which were established at the time of his appointment in November 2001. In evaluating 2002 performance, the Committee considered the Company's financial performance in relation to its business plan and other corporate performance criteria and determined that no bonuses would be awarded to the Chief Executive Officer and other corporate executive officers. The Committee believes that compensation levels for the Chief Executive Officer and all other executive officers and key employees during fiscal 2002 adequately reflect the Company's compensation goals and policies.

Robert W. Cruickshank

REPORT OF AUDIT COMMITTEE

The Company's Audit Committee is comprised of three Directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASDAQ rules.

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others, the system of internal controls which management has established, and the audit process. In doing so, it is the responsibility of the Audit Committee to provide an open avenue of communication between the Board of Directors, management, and the independent accountants.

The Audit Committee has adopted a formal, written charter which was approved by the full Board of Directors of the Company on February 4, 2003. The Charter specifies the scope of the Audit Committee's responsibilities and how it should carry out those responsibilities. A copy of the Charter is attached as Exhibit A to this proxy statement.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended October 31, 2002, with the Company's management. The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the Audit Committee has discussed the independence of PricewaterhouseCoopers LLP with that firm.

The members of the Audit Committee have also confirmed that there have been no new circumstances or developments since their appointment to the Committee that would impair any member's ability to act independently.

Edgar Filing: HURCO COMPANIES INC - Form DEF 14A

Based on the review and discussions with the Company's independent auditors for the fiscal year ended October 31, 2002, the Audit Committee recommended to the Board of Directors that the financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

INDEPENDENT ACCOUNTANTS

PricewaterhouseCoopers, LLP ("PwC") served as the Company's independent accountants for fiscal 2002. A representative of PwC is expected to be present at the Annual Meeting and will have the opportunity to make a statement if desired, and such representative is expected to be available to respond to appropriate questions. As recommended by the Audit Committee, PwC has been reappointed as independent auditors for fiscal 2003.

On May 31, 2002, Hurco dismissed Arthur Andersen LLP ("Andersen") as its independent accountants. This decision was approved by the Audit Committee of the Board of Directors. Andersen's reports on Hurco's financial statements for the two years ended October 31, 2001 and 2000, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent fiscal years ended October 31, 2001 and 2000, and the subsequent interim period through May 31, 2002, there were no disagreements with Andersen on any matter of accounting principle or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter in its report on Hurco's consolidated financial statements for such year; nor were there any reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

On June 27, 2002, the Board of Directors approved the recommendation of its Audit Committee to engage PwC as Hurco's independent accountants. During the years ended October 31, 2001 and 2000 and the subsequent interim period through June 27, 2002, Hurco did not consult PwC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Hurco's financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Company incurred the following fees for services performed by PwC and Andersen for the fiscal year ended October 31, 2002:

Audit Fees. Fees for the audit and review of Forms 10-Q were \$242,500 and \$40,500, paid to PwC and Andersen, respectively.

Financial Information Systems Design and Implementation Fees. There were no fees paid for services related to financial information systems design and implementation.
