Report of Independent Registered Public Accounting Firm

Compensation and Benefits Committee of  
Cullen/Frost Bankers, Inc.

We have audited the accompanying statements of net assets available for benefits of the 1991 Thrift Incentive Stock Purchase Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for each of the three years in the period ended December 31, 2004. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the 1991 Thrift Incentive Stock Purchase Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates as of December 31, 2004 and 2003, and the changes in its net assets available for benefits for each of the three years in the period ended December 31, 2004, in conformity with accounting principles generally accepted in the United States.

1991 Thrift Incentive Stock Purchase Plan for Employees  
of Cullen/Frost Bankers, Inc. and its Affiliates  
Notes to Financial Statements

December 31, 2004 and 2003

Note 1 - Significant Accounting Policies

Basis of Presentation

The financial statements of the 1991 Thrift Incentive Stock Purchase Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates (the "Plan") are presented on the accrual basis of accounting. Cullen/Frost Bankers, Inc. and its Affiliates are hereinafter referred to collectively as the "Corporation."

*Use of Estimates.* The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

*Investments.* All contributions to the Plan are invested in the common stock of Cullen/Frost Bankers, Inc. ("Cullen/Frost"), which is purchased at fair value based on quoted market prices as of the purchase date. The Plan also invests, temporarily, in money market mutual funds. Investments are stated at fair value based on quoted market prices on the valuation date. Purchases and sales of securities are recorded on a trade-date basis. The cost of a specific security sold is used to compute realized gains and losses on the sale of investments. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis.

*Administrative Expenses and Related Party Transactions.* Certain administrative functions are performed by employees of the Corporation; however, no such employees receive compensation from the Plan. Certain other administrative expenses are paid directly by the Corporation.

Note 2 - Description of the Plan

*General.* The Plan is a nonqualified contributory plan. In addition to the Plan, the Corporation maintains the 401(k) Stock Purchase Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates (the "401(k) Plan"). The Plan covers employees who have been designated by the Corporation as eligible for participation under the Plan and who were restricted on contributions to the 401(k) Plan by the limitations imposed by certain sections of the Internal Revenue Code.

*Contributions.* For each plan year, each active participant is eligible to contribute an amount not to exceed the total of (i) the amount by which the active participant's 401(k) Plan contributions have been limited by IRS regulations (not to exceed the difference between 6% of the participant's compensation for the respective plan year and the total before- and after-tax contributions allocated under the 401(k) Plan); and, (ii) the amount by which the participant's contributions to the 401(k) Plan have been limited by IRS regulations.

For each plan year, the Corporation makes contributions equal to 100% of the participants' before- and after-tax contributions to the Plan and the 401(k) Plan, up to six percent of the participants' compensation for the respective plan year.

*Vesting.* Participants are immediately vested 100% in their accounts, which are distributed to each participant annually.

*Investment Options.* All contributions under the Plan from both the participants and the Corporation are invested in the common stock of Cullen/Frost.

Note 2 - Description of Plan

(continued)

*Payment of Benefits.* In general, all net assets available for benefits of the Plan are distributed on an annual basis by the end of each plan year, including dividend and interest income and net unrealized appreciation (depreciation) in fair value of investments earned during the year. Assets are transferred into Frost National Bank brokerage accounts in the names of each individual participant.

*Plan Termination.* Although it has not expressed any present intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan.

Note 3 - Investments

At December 31, 2004, investments included \$70 invested in the American AAdvantage U.S. Government Select Fund, a money market mutual fund. These assets will be distributed to participants in 2005. There were no investments held at December 31, 2003.

The Plan's investments in common stock of Cullen/Frost appreciated in value by \$3,812 and \$4,515 during 2004 and 2003 and depreciated in value by \$4,526 during 2002. Net appreciation/depreciation in the fair value of investments includes gains and losses on investments bought and sold, as well as held during the year.

Note 4 - Income Tax Status

The Plan is not subject to federal income taxes as all contributions to the Plan and earnings are fully vested and treated as taxable to the employee. All employee contributions to the Plan are made on an after-tax basis. Employer contributions to the Plan are not deferred and therefore are included in the employee's taxable income.
