ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensation Arrangements of Certain Officers

(e) On December 4, 2006, the Executive Compensation Committee (the "Executive Compensation Committee") of the Board of Directors of General Motors Corporation ("GM" or the "Corporation") amended the General Motors Deferred Compensation Plan for Executive Employees ("the Plan") in connection with the closing of the sale of a majority interest in GMAC LLC, the successor to General Motors Acceptance Corporation ("GMAC"), on November 30, 2006. The purpose of the Plan is to allow eligible U.S. executives the opportunity to defer all or a portion of their incentive awards or base salary above \$1 million. The total number of Plan participants is 258 active and retired executives of GM and GMAC. Pursuant to the terms of the Plan, all earnings and interest paid on deferred amounts are at market rates.

In order to comply with the requirements of Section 409A of the Internal Revenue Code, the Executive Compensation Committee amended Article 5.02 of the Plan to read as follows:

"In the event that GM sells a controlling interest in GMAC, all active GMAC Participant Accounts will be distributed as a lump sum within 60 days after the closing date of such sale, but in no event before January 1, 2007. The lump sum shall equal the balance in the GMAC Participant's Accounts determined as of such closing date."

Based on account balances as of November 27, 2006, an aggregate of \$2.5 million will be paid out to seven executives of GMAC. The executives will receive the funds in their respective accounts on January 31, 2007, except for one executive (who was also an executive officer of GM) who is deemed a "Specified Employee" as defined by Section 409A of the Plan. As such, his payment will be delayed six months from the closing date.

On December 4, 2006, the Executive Compensation Committee also approved the recognition of nine additional years of service credits for purposes of calculating benefits under the Supplemental Executive Retirement Program for Robert A. Lutz, Vice Chairman, Global Product Development.

This action, taken in recognition of Mr. Lutz's ongoing contribution to the Corporation, permits the accumulation of all service rendered to the Corporation by Mr. Lutz by including a prior period of General Motors employment by Mr. Lutz from 1963-1972 for the purpose of determining his Supplemental

Executive Retirement benefits. The change in Mr. Lutz's estimated accrued total retirement benefit, reflected as a present value at December 31, 2006, is approximately \$3.4 million.
