John W. Sammon, Chairman and CEO of PAR Technology commented, "While we were disappointed by lower than previously anticipated third quarter revenue and earnings, we are still encouraged by the strength of the markets we participate in, our strong list of Tier 1 customers and the dedication and hard work of our employees. We believe that our balance sheet, product diversity and growth-oriented culture will enable us to return PAR to a more reliable growth pattern which will allow us to focus on expanding and developing our business."
